Case Summary Associated with the Death of:
Pablo Toribeo Garcia-Garcia D.O.B. [redacted]
[redacted]
Santa Rosa, CA 95403

Introduction:

On the morning of August 5th, 2017, Pablo Toribeo Garcia-Garcia died after being shot by a peace officer employed by the Santa Rosa Police Department. As a result, the Sonoma County Law Enforcement Employee-Involved Fatal Incident Protocol (#93-1) was invoked.

The purpose of this protocol is to set forth procedures and guidelines to be used by Sonoma County law enforcement agencies in the criminal investigation of specifically defined incidents involving law enforcement employees. Accordingly, and per the Sonoma County Law Enforcement Employee-Involved Fatal Incident Protocol (#93-1), members of the Sonoma County Sheriff's Office Violent Crime Investigations Unit assumed responsibility as the lead investigative entity for this critical incident investigation. As a result, I was assigned as the lead detective in this case.

The Sonoma County Sheriff's Office Violent Crime Investigations Unit is charged with the overall responsibility for supervising, coordinating, and conducting the criminal investigation associated with Garcia's death. As such, the Sonoma County Sheriff's Office Violent Crime Investigations Unit has attempted, during the course of this investigation, to identify facts to demonstrate whether or not violations of criminal law have occurred during the incident associated with Garcia's death.

Additionally, members of the Sonoma County Coroner's Office (CR#17-0830), Rohnert Park Department of Public Safety (CR#17-0003259), Petaluma Police Department (CR#17-0003898), Santa Rosa Police Department (CR#17-10261), and Sonoma County District Attorney's Office also participated in this investigation.

Summary of Facts:

The following is a summary of facts intended to assist the reader in understanding this report and its conclusions. It is not a substitute for the volumes of reports, interviews, and other evidence from which it is derived.

This summary of fact is a factual account of the incident where conclusions are drawn after careful review and consideration of physical evidence, review of misc. documents, body-worn-camera (hereinafter referred to as BWC) recordings, post-incident interviews with involved Santa Rosa Police Officers, area residents, residents residing within the residence where the shooting took place, documents associated with the Santa Rosa Rosa Fire Department, and other individuals.

NOTE: During the course of this investigation, involved parties would estimate their times when referencing the incident or portions thereof. Some of the time estimates differed with other involved parties. However, although the time estimates varied, they were plausible.

According to law enforcement records, Garcia was born in Mexico on [redacted] At the time of his death, Garcia was approximately 61.5 inches tall, approximately 138.5 pounds, with black hair and brown eyes.

During the course of this critical incident investigation, I learned Garcia recently lost his job harvesting grapes, but did find work at an unknown named car wash approximately three days before his death. The investigation also revealed Garcia's next-of-kin was his sister, "[redacted]"

Garcia's' criminal history as depicted in his one (1) page California record of arrest and prosecution (RAP) consisted of criminal violations that included, [redacted]

As a result of his most recent arrest for [redacted] having occurred on May 2nd, 2014, Garcia was ordered thirty-six (36) month formal Sonoma County Probation (SCR-663585) on July 28th, 2015. The court-ordered terms of Garcia's probation included, but were not limited to, [redacted]

On that same date (July 28th, 2015) and associated with the aforementioned [redacted] case (SCR-663585), Sonoma County Superior Court Judge, the Honorable J . Conger, served Garcia with a Criminal Protective Order (CPO) where he was the restrained party from "Jane Doe."

On November 20th, 2015, Garcia's probation was summarily revoked and a bench warrant was issued for his arrest by Sonoma County Superior Court Judge, the Honorable S. Averill (control #5465536).

Initial Call to the Santa Rosa Police Department:

On August 5th, 2017, at approximately 0558 hrs., the Santa Rosa Police dispatch center received a call from RP- [redacted] residing at [redacted] in Santa Rosa.

At that time, [redacted] requested that police respond to his residence "rapido." [redacted] would continue to report to that someone at his residence was "acting crazy" and that another person within the residence told him that the subject who was "acting crazy" also had a knife.

Events Leading Up to the Critical Incident:

On August 5th, 2017, at approximately 0603 hrs., Santa Rosa Police Officer Badger (6G3) arrived at [redacted]. Approximately two (2) minutes later at approximately 0605 hrs., Santa Rosa Police Officer Vlahandres (6G6) arrived on scene as well.

NOTE: During the incident, both Officer Vlahandres and Officer Badger would activate their BWC which captured large portions of the incident, including, the use of deadly force.

On August 5th, 2017, at approximately 0606 hrs., Officer Badger entered Garcia's residence and contact a HMA with another Santa Rosa Police Officer who appeared to speaking in partial Spanish (believed to be Officer Vlahandres). At that time, the HMA sounded as if he was distraught and crying.

On August 5th, 2017, at approximately 0607 hrs., Officer Badger can be heard using his police radio to request "Code-3" medical respond to the scene so that they could treat a "small laceration." A short time later, Officer Badger can be seen checking Garcia's bedroom after obtaining misc. keys from the distraught HMA they were previously speaking with. After opening the door (with keys), Officer Badger announced himself ("Santa Rosa Police").

Officer Badger and another officer viewed Garcia's bedroom from the door threshold. About this time, Officer Badger mentioned to another officer that the crime was a "245" (I knew to be the Penal Code Section 245, assault with a deadly weapon). In the end, Officer Badger did not initially locate Garcia in his bedroom.

Officer Badger then asked the residents how it was Garcia could access the backyard. Not long thereafter, Officer Badger walked around the east side of the residence and met another Santa Rosa Officer in the backyard. However, their search was fruitless.

On August 5th, 2017, at approximately 0610 hrs., Officer Badger was asked to re-enter the residence. As a result, Officer Badger swiftly made his way back into Garcia's residence via the front (north) entry door. Once inside, Officer Badger directed another Santa Rosa Police Officer to take "this guy to medical." After which, Officer Badger walked to the bedroom door leading into Garcia's bedroom, which is directly across from a common east bathroom. Both of which (bathroom and Garcia's bedroom) are accessed via hallway that travels east and west and located east of the front door. There, Officer Badger met with Officer Vlahandres who was standing in the threshold of the bedroom door. It was then that Officer Vlahandres said something similar to "it sounds like he's against the wall."

Officer Badger remained at the threshold of Garcia's bedroom door, while Officer Vlahandres entered the bedroom and began to search underneath misc. items within the room itself (e.g., bed frame, mattresses, etc.). During his search, Officer Vlahandres located and observed Garcia positioned underneath the bed and misc. mattresses. All the while, Officer Vlahandres had his Taser in his right hand.

Both Officer Badger and Officer Vlahandres would announce themselves several times as police officers, both in English and in Spanish. However, Garcia did not respond. Still, Officer Vlahandres continued to move items away from Garcia. In doing so, they learned Garcia was naked.

On August 5th, 2017, at approximately 0612 hrs., Officer Badger can be heard requesting "one more unit" via his police radio. Not long thereafter, Officer Vlahandres tells Officer Badger that Garcia was in possession of or a knife. As Officer Vlahandres does so, he points at the area he was referencing. Officer Badger responds, "I see it." Officer Badger then tells Officer Vlahandres to "get your Taser out."

In the next several moments, Officer Vlahandres and Officer Badger would give clear concise orders to Garcia in an effort to gain his compliance and disarm him. Officer Badger and Officer Vlahandres did so by giving such orders as, "drop the knife," and "put the knife on the ground, now," and "put the knife down and let me see your hands!" These clear and concise commands, in both English and in Spanish, would continue several more times.

On August 5th, 2017, at approximately 0613 hrs., Officer Vlahandres moved item(s) out of the way to apparently expose Garcia. Officer Vlahandres and Officer Badger continued to give Garcia commands in English and in Spanish. Shortly thereafter, Garcia in captured on Officer Badger's BWC. At that time, Garcia can be seen lying supine with his arms up over his head, underneath a bed located adjacent to the west bedroom wall.

Moments later, Garcia moved his hands toward his upper torso when Officer Badger can be heard saying, "It's on his stomach" (believed to be referring to the knife). Officer Badger and Officer Vlahandres continue to give Garcia commands in Spanish (e.g., "manos arriba"). However, Garcia did not respond, but can be heard moaning and rambling.

On August 5th, 2017, at approximately 0614 hrs., one of the officers can be heard saying, "He's grabbing it." Officer Badger can then be heard ordering Garcia to "put the knife down." Officer Badger and Officer Vlahandres then repeat in Spanish, "manos arriba" (translated in English to "hands up").

Officer Badger then moved to the threshold of the Garcia's bedroom door, while Officer Vlahandres is position directly in front of him. Officer Vlahandres continued to have his Taser in his right hand, pointed in Garcia's direction. Garcia had by now re-positioned himself from a supine position to possibly a kneeling or sitting position. However, Officer Badger's BWC camera only captured a portion of Garcia body, from approximately his upper chest to his head.

On August 5th, 2017, at approximately 0614 hrs., Officer Vlahandres orders Garcia to place the knife on the ground and, in Spanish, tells Garcia that it will be okay (e.g., "esta bien"). Still, Garcia does not respond.

Moments later, Officer Badger says, "You ready?" After which, Officer Vlahandres deployed his Taser which, in some fashion, made contact with Garcia. Garcia can be heard grunting, while Officer Vlahandres orders him to "put it down." Officer Vlahandres' Taser deployment appeared (via the Taser arcing sound) to cycle for a full five (5) seconds.

Officer Vlahandres then moves to the right (west) side of the bedroom door threshold, while deploying what appeared to be a second five (5) Taser cycle. Moments later, Garcia's arms can be seen thrashing about, while Officer Vlahandres states, "I lost my connection." About this time, Officer Badger pointed his Taser at Garcia from the left (east) side of the bedroom door threshold. Garcia remains in either the seated or kneeling position located in the southwest corner of the bedroom, while Officer Badger orders Garcia to "put the knife down, now!"

On August 5th, 2017, at approximately 0615 hrs., Officer Vlahandres can be heard speaking into his police radio, "George 6, Taser deployed...not effective." Right afterward, Garcia can be heard saying, "I don't talk no more...I'm saying leave." Officer Badger responds, "Put the knife down, now!" All the while, Officer Badger is pointing his Taser in Garcia's direction.

Garcia then states, "(inaudible) for real." Officer Badger again issues the order, "Put the knife down, now!" Garcia replies, "(inaudible) okay." Officer Badger again orders Garcia to "put the knife down, now!" Officer Vlahandres can be heard again informing Santa Rosa Police Department dispatch that his Taser deployment was ineffective. After which, Officer Badger said, "He's gonna cut his arm."

Officer Badger again states, "Put the knife down, now!" Still, Garcia does not respond. Officer Vlahandres can then be heard asking Officer Badger, "Pepper Spray?" Officer Badger replies, "Yeah." Moments later, Officer Vlahandres deploys Pepper Spray toward Garcia while he remained inside the bedroom. Garcia does not react, does not respond verbally, and does not move from his position located in the southwest corner of the bedroom.

Officer Vlahandres again orders Garcia to "put the knife down." Garcia responds, "I can't...I have a problem." Officer Badger and Officer Vlahandres both repeat, "Put the knife down." Officer Badger's BWC recording captures Garcia manipulating something on the floor, behind misc. cushions in front of him. Officer Badger then firmly orders, "Hands up...hands up!" Officer Vlahandres and later Officer Badger would issues orders in Spanish by saying, "Manos arriba." However, Garcia did not answer, does not comply, and remains in in the southwest corner of the bedroom. Officer Badger and Officer Vlahandres would continue to give Garcia commands to drop the knife or "put the knife down."

On August 5th, 2017, at approximately 0616 hrs., Garcia can be heard saying, "I tell you...I don't want to talk people...serious!" Officer Badger again orders Garcia to "put the knife down, now!" Garcia responds, "Please!"

Officer Vlahandres then tells Garcia that he and Officer Badger were there to help him. Garcia replies that they were not there to help him. All the while, Officer Badger orders Garcia to put the knife down. Garcia then said, "(inaudible) got problems with me...for real." Officer Vlahandres continues to plead with Garcia that they are there to help him. Garcia continues to say something, but it was difficult to understand via the BWC recording.

On August 5th, 2017, at approximately 0616 hrs., Garcia enters the view of Officer Badger's BWC recording. As he does so, Garcia can be seen holding the knife in his right hand and waving it around as he is speaking. Garcia can be heard saying, "You understand what I am saying...please?" After which, Officer Badger and Officer Vlahandres can be heard telling Garcia that they were there to help him. Garcia replies, "No...I don't want help...I wanna...myself."

Officer Badger continues to tell Garcia they are there to help him. Garcia calmly replies, "I say no." Officer Vlahandres then asks, "What's going on?" Garcia replies, "I say no...that's it." Officer Badger says, "Were here to help you," before ordering, "Put the knife down!" Garcia replies, "Uh-uh...no."

Officer Vlahandres replies, "We can't help you if you don't tell us what's going on." Garcia forcefully responds, "Please...turn the light off and go!" After which, Garcia starts to grunt before saying, "(inaudible) wanna kill you too." Officer Vlahandres replies, "You don't want to do that sir...were here to help you."

On August 5th, 2017, at approximately 0617 hrs., Garcia said, "Clean my eyes...clean my eyes." About that time, Officer Badger notifies Santa Rosa Police Department dispatch (via his radio) that Garcia remained in possession of the knife. Officer Vlahandres again orders Garcia to "put the knife on the ground." Garcia replies, "Clean my eye." As this was occurring, Garcia can be heard saying something that was difficult to understand. However, Officer Vlahandres' BWC recording captured what sounded as if metal was striking something.

Eventually, the voices/commands of both Officer Badger and Officer Vlahandres appear to elevate. Officer Vlahandres' BWC recording then captures the right side of Garcia's body, specifically, his right hand and a portion of his right forearm. It was in these BWC video frames Garcia can be seen holding a knife in his right hand. As this was occurring, Officer Badger and Officer Vlahandres yelled, "Put it down!" Moments later, Officer Badger can be seen deploying his Taser in Garcia's direction. This Taser deployment appears to strike Garcia.

On August 5th, 2017, at approximately 0618 hrs., Officer Vlahandres' BWC captures Garcia slightly bent over onto a bed located on the east side of the bedroom. This appeared to be a result of Officer Badger's successful Taser deployment. Officer Vlahandres can be heard saying, "Get on...drop the knife!"

According to Officer Vlahandres, Garcia was now positioned approximately five to ten (5-10) feet from their position at the threshold of the bedroom door. Moments later and after Officer Badger's Taser deployement concluded, Garcia turned toward the two of them with what Officer Vlahandres described as the "knife raised."

Officer Vlahandres then backs-up, westbound, via the hallway, and toward the front door. As this is occurring, Officer Vlahandres' BWC captures Garcia emerging from the bedroom via the threshold of the bedroom door. As Garcia does so, Officer Vlahandres' BWC captures one of Garcia's feet and what appears to be his right hand. It was during these next video frames that Garcia can clearly be seen holding a large knife in his right hand. Officer Vlahandres can also be heard yelling, "Drop it...drop the knife."

Officer Vlahandres' BWC then captures Garcia bend over slightly, while Officer Vlahandres yells, "Drop the knife!" However, Garcia does not comply. Instead, and in an instant, Garcia quickly stands back-up, while still holding the knife.

Garcia then thrusts forward toward the hallway. As this occurs and according to Officer Vlahandres, he found himself "a little bit more than an arm's length away from this gentlemen" (Garcia). Fearing for his life, Officer Badger's life, and the lives of the other residents within in residence located at [redacted], Officer Vlahandres fired what ws later determined to be five (5) gunshots at Garcia.

Garcia then fled across the hallway into a common bathroom located directly across from the bedroom where the incident began. There, Garcia would be pronounced dead by Santa Rosa Fire Department personnel at approximately 0639 hrs.

Post-Mortem Examination of Pablo Garcia-Garcia:

On August 8th, 2017, at approximately 0914 hrs., the post-mortem exam (autopsy) was performed on Garcia's body by Forensic Pathologist, Dr. K. Verilhac, M.D. and Forensic Pathologist's Assistant, R. Hayes.

On August 8th, 2017, at approximately 1147 hrs., Det. Newton contacted me in the autopsy viewing room. According to Det. Newton, Garcia's blood tested presumptive positive for methamphetamine.

On August 8th, 2017, at approximately 1252 hrs., Det. Newton contacted me in the autopsy viewing room. At that time, Det. Newton informed me that they had located and recovered a total of three (3) bullets from Garcia's body.

On August 8th, 2017, at approximately 1332 hrs., Forensic Pathologist Verilhac concluded the autopsy. After which, Forensic Pathologist Verilhac concluded that the cause of death was most likely the result of multiple gunshot wounds.

NOTE: On August 8th, 2017, at approximately at approximately 1725 hrs., another search of [redacted] was conducted via Search Warrant. As a result, two (2) additional bullets (items #1-1430 & #2-1430) were, in fact, located beneath the wood flooring in the hallway of the residence.

Conclusion:

This criminal investigation will be forwarded to the Sonoma County District Attorney's Office for review.

WARNINGS AND NOTICES

1. **VIOLATION OF THE ORDER IS SUBJECT TO CRIMINAL PROSECUTION.** Violation of this protective order may be punished as a felony, a misdemeanor, or contempt of court.

2. **NOTICE REGARDING FIREARMS. Any person subject to a protective order is prohibited from owning, possessing, purchasing or attempting to purchase, receiving or attempting to receive, or otherwise obtaining a firearm. Such conduct is subject to a $1,000 fine and imprisonment. The person subject to these orders must relinquish any firearms (by surrendering the firearm to local law enforcement, or by selling or storing it with a licensed gun dealer) and not own or possess any firearms during the period of the protective order. (Pen. Code, § 136.2(d).) Under federal law, the issuance of a protective order after hearing will generally prohibit the restrained person from owning, accepting, transporting, or possessing firearms or ammunition. A violation of this prohibition is a separate federal crime.**

   Specified defendants may request an exemption from the firearm relinquishment requirements stated in item 7 on page 1 of this order. *The court must check the box under item 7 to order an exemption from the firearm relinquishment requirements.* If the defendant can show that the firearm is necessary as a condition of continued employment, the court may grant an exemption for a particular firearm to be in the defendant's possession only during work hours and while traveling to and from work. If a peace officer's employment and personal safety depend on the ability to carry a firearm, a court may grant an exemption that allows the officer to carry a firearm on or off duty, but only if the court finds, after a mandatory psychological examination of the peace officer, that the officer does not pose a threat of harm. (Code Civ. Proc., § 527.9(f).)

3. **ENFORCING THIS ORDER IN CALIFORNIA**
   - This order must be enforced in California by any law enforcement agency that has received the order or is shown a copy of the order or has verified its existence on the California Law Enforcement Telecommunications System (CLETS).
   - Law enforcement must determine whether the restrained person had notice of the order. If notice cannot be verified, law enforcement must advise the restrained person of the terms of the order and, if the restrained person fails to comply, must enforce it. (Code Civil Proc., § 527.6.)

4. **CONFLICTING ORDERS-PRIORITIES FOR ENFORCEMENT**
   If more than one restraining order has been issued, the orders must be enforced according to the following priorities:
   a. *Emergency Protective Order:* If one of the orders is an Emergency Protective Order (form EPO-001) and is more restrictive than other restraining or protective orders, it has precedence in enforcement over all other orders. (Pen. Code, § 136.2(c)(1)(A).)
   b. *No-Contact Order:* If there is no EPO, a no-contact order that is included in a restraining or protective order has precedence in enforcement over any other restraining or protective order.
   c. *Criminal Order:* If none of the orders include a no-contact order, a domestic violence protective order issued in a criminal case takes precedence in enforcement over any conflicting civil court order. (Pen. Code, § 136.2(e)(2).) Any nonconflicting terms of the civil restraining order remain in effect and enforceable.
   d. *Family, Juvenile, or Civil Order:* If more than one family, juvenile, or other civil restraining or protective order has been issued, the one that was issued last must be enforced.

5. **EFFECTIVE DATE AND EXPIRATION DATE OF ORDERS**
   - These orders are effective as of the date they were issued by a judicial officer.
   - These orders expire as ordered in item 2 on page 1 of this order, **or as explained below.**
   - Orders under Penal Code section 136.2(a) are valid as long as the court has jurisdiction over the case. They are not valid after imposition of a county jail or state prison commitment. (See *People v. Stone* (2004) 123 Cal.App.4th 153.)
   - Orders issued under Penal Code sections 136.2(i)(1) and 646.9(k) are valid for up to 10 years and may be issued by the court whether the defendant is sentenced to state prison or county jail or if imposition of sentence is suspended and the defendant is placed on probation.
   - To terminate this protective order, courts should use form CR-165, *Notice of Termination of Protective Order in Criminal Proceeding (CLETS).*

6. **CHILD CUSTODY AND VISITATION**
   - Child custody and visitation orders may be established or modified in Family, Juvenile, or Probate court.
   - Unless box a or b in item 14 on page 1 is checked, contact between the restrained and protected persons permitted by a Family, Juvenile, or Probate court order for child custody or visitation must not conflict with the provisions of this order.
   - If box a or b in item 14 on page 1 is checked, the restrained and protected persons should always carry a certified copy of the most recent child custody or visitation order issued by the Family, Juvenile, or Probate court.

Narratives

INVESTIGATION:

On 03/25/15 at approximately 0647 hours, I responded to [redacted] for the report of an unknown subject in the residence armed with a knife.

Upon arrival, I observed a Hispanic female adult, later identified as [redacted] and a Hispanic male juvenile, later identified as [redacted] running from the residence. As [redacted] was running away, she was yelling that the subject was still in the house. As I approached the residence I observed a crying Hispanic female juvenile looking at me from the bathroom on the second story.

The front door of the residence opened as Officer Marconi and I were approaching it. At this time, I was able to see a Hispanic female adult, [redacted] standing in the doorway. Standing behind and slightly offset of [redacted] was a Hispanic male subject, Pablo Garcia-Garcia. Garcia-Garcia emerged from behind [redacted] and held up two kitchen knives. I pointed my sidearm at Garcia-Garcia and ordered him to drop the knife and get onto the ground. Garcia-Garcia complied and he was detained in handcuffs without incident.

I observed Garcia-Garcia had an approximately 1/4" long laceration on his left hand.

Officer Marconi and I entered the residence to perform a protective sweep. In the entryway of the residence there were numerous drops of blood. Inside the residence, I located [redacted] and [redacted] running down the stairs. [redacted] also came downstairs and was detained into handcuffs at gunpoint. I located [redacted] standing on the back porch and detained him into handcuffs at gunpoint. A short time later, after determining [redacted] and [redacted] had not committed any crimes, they were taken out of handcuffs.

I contacted [redacted] who provided me with the folliwng statement in summary:

[redacted] was getting ready to go to her babysitter`s residence before school. [redacted] brother, [redacted] exited the residence to get into the vehicle. A male ran into the residence at which time [redacted] ran upstairs and locked herself in the bathroom. [redacted] later confirmed that she did not hear the male make any direct threats towards her family.

I contacted [redacted] who provided me with the following statement in summary:

[redacted] was sitting in the vehicle outside of the residence when an unknown male subject began to walk into the residence. [redacted] yelled to his mom that a man was going into the residence, at which time the man turned around, shut [redacted] car door, and entered the residence.

I contacted [redacted] who provided me with the folliwng statement in summary:

Narratives

[redacted] was sleeping inside of the shed in the backyard. [redacted] heard [redacted] yell for help. [redacted] grabbed his baseball bat and attempted to enter the residence, however the door was locked.

Officer Jauregui and I contacted [redacted] With Officer Jauregui`s assistance translating, [redacted] provided me with the following statement in summary:

[redacted] was inside of the residence getting her children ready for the day when a male, whom she did not know, ran inside of the residence. The male, identified as Pablo Garcia-Garcia, stated there were men chasing him and trying to kill him. Garcia-Garcia then armed himself with two of [redacted] kitchen knives, turned off the lights of the residence, locked the front door, and began to place kitchen chairs against the front door, preventing anyone from leaving the residence. Garcia-Garcia told [redacted] that if she opened the door, the subjects would kill everybody inside of her residence. [redacted] was afraid becuase she was not sure what would happen to her family inside of the residence if she were to leave, due to the fact the subject entered the residence and armed himself with knives.

I contacted Garcia-Garcia as he was seated in the backseat of Officer Shacklett`s patrol vehicle. With translation assistance from Officer Jauregui, Garcia-Garcia was advised of his Miranda Rights. Garcia-Garcia provided answers to his Miranda Advisement that were not consistent to Officer Jauregui`s statements. Garcia-Garcia eventually understood his Miranda Rights and provided us with the following statement in summary:

Garcia-Garcia was being chased by an unknown robber. Garcia-Garcia was inside of the residence waiting for police. When asked about why he had the knife he replied something about it being hot outside. Garcia-Garcia`s answers to questions were becoming incoherent and inconsistent so the interview was terminated.

Based on the statements I observed, coupled with the fact Garcia-Garcia ran into a residence to which he does not know anybody and armed himself with two knives, and told [redacted] that if she opened the door the subjects chasing him would kill her and her entire family, I had probable cause to arrest Garcia-Garcia for 236 PC (false imprisonment).

Officer Shacklett transported Garcia-Garcia to the Sonoma County Jail for the booking process. Officer Shacklett was unable to obtain photos of Garcia-Garcia due to his hostile/ combative demeanor at the jail.

Officer Shacklett photographed the scene and later provided the photos to me. I later booked photos of the knives and the photos Officer Shacklett provided me with into evidence. I collected the knives Garcia-Garcia was armed with and later booked them into evidence. I digitially recorded Officer Jauregui and my interview with Garcia-Garcia and later booked it into evidence.

INVESTIGATION:

On Wednesday, 3-25-15 at about 0652 hours, I responded to a subject with a knife at [redacted] (refer to SRPD case #15-3922). Upon my arrival on scene, a male subject named (IO-1) Pablo Garcia was detained who had entered a residence with two knives and stated that people were trying to kill him. There was blood on the floor inside the apartment. Officer Cude directed Officer Wolf, Officer Jolliff and I to go to the Garcia`s residence at [redacted] to check for any possible victims there.

Upon our arrival, Officer Wolf knocked on the door but nobody answered. We entered the residence to conduct a protective sweep for victims. We located two residents, one of whom was (OF-1) [redacted] We determined that Garcia did indeed live there, but there was no indication of any crime at the residence.

[redacted] had identified himself to me verbally. I recognized him as a wanted subject pursuant to a PRCS warrant stemming from a vehicle pursuit I got into with him in 2011 (SRPD case #11-3134). I conducted a warrant check on [redacted] and SRPD dispatch advised me that he had a felony PRCS warrant (PCS-201203004) as well as a second misdemeanor warrant for 853.7 PC/14601.1(a) VC (SCR-652887).

I arrested [redacted] per the warrants by placing him into handcuffs. I escorted [redacted] to my vehicle. When I opened the door, [redacted] became angry and asked me why we were even in his residence. I told him to get in the vehicle and he said, "No, you fucking pigs!" I used pressure on his right clavicle to gain pain compliance to get [redacted] into the vehicle. [redacted] began to move downward. He then used his right shoulder to bump me in the chest. I continued downward pressure and he got into the vehicle without further incident.

I transported [redacted] to the Sonoma County Jail where I booked him per the warrants.

DISPATCH:

Case closed by arrest. Forward to the DA.

NOTIFICATION:
On 05/02/14 at approximately 0150 hours, I was dispatched to John and Zeke's bar (420 Healdsburg Ave.), for a report of a physical fight in progress.

INVESTIGATION:
I arrived on scene and noticed that Sgt. Castaneda already had a male subject (later identified as [SA] Pablo Garcia), detained on the sidewalk curb. I contacted the bartender, (RP) [redacted] who stated that Garcia was the instigator, and the other involved party known only as '[redacted]' was only trying to avoid Garcia and not wanting to fight him. [redacted] was not found at the scene.

As Sgt. Castaneda and myself were attempting to speak with Garcia, I could detect a strong odor of an alcoholic beverage emitting from his person. Garcia was also becoming belligerent and yelling in Spanish. Sgt. Castaneda tried speaking with Garcia in Spanish, but noted his words were slurred and it was difficult to understand him.

Based on his reported and current behavior and his outward signs of intoxication, I determined that based on his intoxication, Garcia was unable to care for himself or others. I arrested him for 647(f) PC-Public intoxication. After I handcuffed Garcia (double-locked and checked for tightness), I grabbed his arm in attempt to assist him to a standing position. Garcia would not stand, as he dropped his weight toward the ground. I then attempted to get him to stand by using a rear wristlock technique, and with assistance of Sgt. Castaneda, we were able to stand Garcia up.

While at the station during pre-booking, Sgt. Castaneda had Garcia submit to a PAS device (21 degrees Celsius, serial #047347). The results showed that Garcia had a BAC of .14%

Garcia was then transported to MADF by officer Van Vleck.

Nothing further.

RECOMMENDATION:
I request the D.A. review the following charge against Pablo Garcia Garcia: 647(f) PC-Public intoxication.

INVESTIGATION:

On 8-5-17 at approx. 0558 hrs., officers employed by the Santa Rosa Police Department were dispatched to [redacted] for an unknown problem. According to the Spanish speaking caller, it was requested that officers respond, "Rapido" for a subject (later identified as S-Pablo Garcia-Garcia) who was "acting crazy."

Upon their arrival, Santa Rosa Police Department officers would make contact with Garcia who they soon discovered was armed with a knife. During their contact with Garcia, he advanced toward the Santa Rosa Police Officers, while still armed with a knife. Fearing for his safety, one of the two Santa Rosa Police Officers fired his service weapon, striking Garcia. As a result, Garcia died of gunshot wounds he sustained at the scene.

Refer to several additional supplemental reports chronicling the incident in detail.

Supplement Narrative

CASE # 170805-019
LEAD DETECTIVE: JESSE HANSHEW
SUPERVISOR: SGT. SHANNON McALVAIN

NARRATIVE SUPPLEMENTAL:

On August 10, 2017, at about 0800 hours, I was requested to go to Santa Rosa Police Department (SRPD) and meet with Detective Hughes regarding taking custody of the SRPD evidence items in SRPD case # 17-10261. I met with Detective Hughes in the front lobby of SRPD and was escorted to the property room. The property room attendant transferred items 1 through 41 into my custody.

I took SRPD evidence items 1-41 to the Sonoma County Sheriff's Office (SCSO) to book them into evidence. When I arrived, I opened the packaging boxes for the above evidence items and confirmed that all of the items were present. The items were then booked into the SCSO main evidence room utilizing SRPD's same numbering system and similar descriptions.

On August 14, 2017, I received an email from Detective Lieutenant Tim Duke requesting that all non-evidentiary items that were collected during this investigation be returned to SRPD. I discussed the issue with the lead Detective, Jesse Hanshew. After consulting with Sonoma County Deputy District Attorney Caroline Fowler, it was decided that the majority of items in evidence excluding firearms and ammunition would be returned.

On August 17, 2017 I removed the following items from the SCSO evidence room to be returned to SRPD: SRPD # 1, SRPD #2, SRPD #3, SRPD #6, SRPD #7, SRPD #8, SRPD #15, SRPD #20, SRPD #25, SRPD #16, SRPD #17, SRPD #18, SRPD #27, SRPD #28, SRPD #29, SRPD #30, SRPD #32, SRPD #33, SRPD #34, SRPD #39, SRPD #13, SRPD #36, SRPD #36(A), SRPD #22, SRPD #22(A).

It should be noted that items SRPD #22(a) and SRPD 36(a) are Streamlight weapon lights that were attached to SRPD items 36 and 22. I donned protective gloves and removed the lights from the weapons packaged in SRPD #22 and SRPD #36. The lights were checked and were in working order when removed. The weapons were then re-packaged and placed back into SCSO evidence. The above-mentioned weapon actions and or barrels were not manipulated or inspected in any way while removing the weapon lights. Items SRPD #2, SRPD #16 and SRPD #28 contained the notepads from Officers, Mcallsiter, Badger and Vlahandreas. I opened the three evidence items and viewed the notebooks prior to returning them. There appeared to be no notes regarding this investigation.

On August 21, 2017 at about 0935 hours, Detective Bjornstrom from SRPD picked up evidence items SRPD # 1, SRPD #2, SRPD #3, SRPD #6, SRPD #7, SRPD #8, SRPD #15, SRPD #20, SRPD #25, SRPD #16, SRPD #17, SRPD #18, SRPD #27, SRPD #28, SRPD #29, SRPD #30, SRPD #32, SRPD #33, SRPD #34, SRPD #39, SRPD #13, SRPD #36, SRPD #36(A), SRPD #22, SRPD #22(A) from my custody. Det. Bjornstrom signed a SCSO Property Release Authorization form prior to taking custody of the items.

Supplement Narrative

On 8/5/2017, at approximately 1300 hours, I responded to the area of [redacted] Santa Rosa to assist with a neighborhood canvas related to this incident.

I contacted the residents at [redacted] and [redacted] told me he and his wife were in bed asleep at the time of the incident and were awaken by 3-4 gun shots. [redacted] then used the restroom and after using the restroom looked out the windows in his home that face West Steele lane. [redacted] stated he saw several police cars across the street and then went back to his bedroom. [redacted] had no further information. [redacted] wife stated she was awaken by 3-4 gun shots but had no further information. [redacted], who is [redacted] and [redacted] 11 year old daughter, stated she was asleep and did not hear anything. As I was leaving the residence I contacted [redacted] out in front of [redacted] told me he lives at [redacted] but was in Rohnert Park at the time of the incident and therefore did not have any information to provide. It should be noted that [redacted] is directly across [redacted] from [redacted]

I contacted the residents at [redacted] and [redacted] they told me they live at the residence with 2 other people who leave for work early in the mornings and were not home at the time of the incident. [redacted] stated she was asleep at the time of the incident and had no information to provide. [redacted] stated he took his dog outside for a walk at approximately 0530 hours on the date in question. At approximately 0600 hours, [redacted] was standing on the sidewalk on West Steele lane near the entrance to the complex when he saw a SRPD patrol vehicle pull up. [redacted] stated he had not heard any disturbance between 0530 hours, and when the first SRPD patrol vehicle arrived on scene. [redacted] stated he originally thought the officer arrived to check on the new vacant houses located across the street stated that when other SRPD patrol vehicle began to arrive he went back into his home. At approximately 0615 hours, while in his residence he heard approximately 4 gun shots and had no further information to provide.

I contacted the residents at the following address and they stated they were asleep at the time of the incident or were awake but did not hear or see anything and had no information to provide.

[redacted]

I attempted to contact the residents at [redacted] and [redacted] but there was no answer.

Nothing further to report.

Sonoma County Sheriff`s Department Case number 170805-019
Supplemental Report: SRPD Critical Incident

On August 5, 2017 at 1300 Hrs. I to responded [redacted] Santa Rosa Ca. along with other Detectives from the Sonoma County Sheriff`s Department to assist with a neighborhood canvas for possible witnesses following a critical incident involving officers of the Santa Rosa Police Dept. I was instructed to contact residents who live across the street to the north of the incident (W. Steele Lane at Apple Valley Lane SR Ca.). I activated my body worn camera during my contacts with the below mentioned citizens in the neighborhood. This report is a summary of my contacts.

I contacted [redacted] and [redacted] who live at [redacted] Both parties spoke only Spanish so Deputy Acevedo assisted with translation. Both [redacted] and [redacted] left for work at approximately 0500 and returned at about 1300 hrs. Not home during the incident.

I contacted witness [redacted] who lives at [redacted] Santa Rosa Ca. [redacted] said she was home when the incident occurred on [redacted] [redacted] said she was inside her apartment and only heard the sound of what she thought was (5) gun shots, nothing further.

I talked to her boyfriend [redacted] said he didn`t see or hear anything. He had returned home from the gym and fell asleep in his vehicle listening to music on the east side of the building out of view of the incident location.

I contacted [redacted] spoke only Spanish so Deputy Acevedo assisted with translation. [redacted] said she was home asleep with her husband [redacted] and her son [redacted] said she didn`t hear or see anything. Her husband and son left earlier during the morning and never mentioned the incident.

I contacted [redacted] and her sons [redacted] 14 yrs.) and [redacted] (16 yrs.) who live at [redacted] (Cedar Wood Apartments). All parties said they didn`t see or hear anything.

No further interviews conducted.

I returned to the scene at 1619 hours and took over the major incident access log. It should be noted, during the time I was conducting scene security the exterior of the scene which included the closure of W. Steele Lane was still in effect. In addition there was an interior scene also set up blocking off the front yard and driveway access to the residence. I had all authorized personnel who entered the exterior part of the incident scene sign in making a notation if they entered the exterior perimeter of the scene or if they entered the interior scene. At 1820 hours Deputy T. Perkins arrived and relieved me taking over the access log.

Supplement Narrative

Expertise:
I have been certified by Axon Enterprise (formerly Taser International) as a Taser instructor. I attended the 20 hour Taser instructor course on May 12-13, 2016 (4 hours online and 16 hours classroom). At the completion of this course, I was certified to instruct end-users on the X26, X26P and X2 TASER conducted electrical weapons. Additionally, we received instruction on downloading and troubleshooting the X26, X26P and X2 Taser conducted electrical weapons.

Follow-Up Investigation:

On 09/29/17, at approximately 1200 hours, I communicated via email with VCI detective Jesse Hanshew, who requested that I preform a forensic download on the three Tasers involved in this incident.

Taser #1: At approximately 1300 hours, I retrieved item SRPD #35 from the property/evidence unit. The item was sealed in a white cardboard box with evidence tape. I cut the evidence tape and opened the box. Inside I found an X26P Taser zip-tied to the box. I removed the zip-ties and took the Taser from the box. I noted the following: an X26P Taser with serial number [redacted] which still had the battery inserted. The Taser had an additional marking on it that stated, "Property of Santa Rosa Police 00955."

I connected the X26P to a USB download cable and downloaded the firing logs using SYNC in the off-line mode. I saved a copy of the PDF of the firing log to a CD and later placed the CD containing the firing log into evidence as ED #1. I also provided a copy of the CD to VCI detective Jesse Hanshew.

After downloading the X26P, I inspected it and found no signs of external damage. I turned the X26P on and observed the central information display illuminated as it should. I pulled the trigger and performed a short spark test, in which the X26P appeared to operate normally.

I returned the X26P to the cardboard box I received it in, re-secured it with zip-ties, resealed it with evidence tape and returned it to the property/evidence room. I had possession of the Taser until approximately 1325 hours.

Taser #2: At approximately 1325 hours, retrieved item SRPD #21. The item was sealed in a white cardboard box with evidence tape. I cut the evidence tape and opened the box. Inside I found an X26P Taser zip-tied to the box. I removed the zip-ties and took the Taser from the box. I noted the following: an X26P Taser with serial number [redacted], which still had the battery inserted. The Taser had an additional marking on it that stated, "Property of Santa Rosa Police 11637."

I connected the X26P to a USB download cable and downloaded the firing logs using SYNC in the off-line mode. I saved a copy of the PDF of the firing log to a CD and later placed the CD containing the firing log into evidence as ED #2. I also provided a copy of the CD to VCI detective Jesse Hanshew.

After downloading the X26P, I inspected it and found no signs of external damage. I turned the X26P on and observed the central information display illuminated as it should. I pulled the trigger and performed a short spark test, in which the X26P appeared to operate normally.

I returned the X26P to the cardboard box I received it in, re-secured it with zip-ties, resealed it with evidence tape and returned it to the property/evidence room. I had possession of the Taser until approximately 1342 hours.

Taser #3: At approximately 1345 hours, retrieved item SRPD #9. The item was sealed in a white cardboard box with evidence tape. I cut the evidence tape and opened the box. Inside I found an X26P Taser zip-tied to the box. There was also an un-deployed Taser cartridge zip-tied to the box. I removed the Taser from the box and noted the following: an X26P Taser with serial number [redacted] which still had the battery inserted. The Taser had an additional marking on it that stated, "Property of Santa Rosa Police 00947."

I connected the X26P to a USB download cable and downloaded the firing logs using SYNC in the off-line mode. I saved a copy of the PDF of the firing log to a CD and later placed the CD containing the firing log into evidence as ED #3. I also provided a copy of the CD to VCI detective Jesse Hanshew.

After downloading the X26P, I inspected it and found no signs of external damage. I turned the X26P on and observed the central information display illuminated as it should. I pulled the trigger and performed a short spark test, in which the X26P appeared to operate normally.

I returned the X26P to the cardboard box I received it in, re-secured it with zip-ties, resealed it with evidence tape and returned it to the property/evidence room. I had possession of the Taser until approximately 1400 hours.

Taser Download Analysis:

Taser #1: I reviewed the Taser firing log for item SRPD #35 to analyze what was recorded. I noted that prior to my downloading the device on 09/29/17, it had last been downloaded on 10/24/2016. I also noted that the Taser is using firmware version 04.024.

The firing log showed the following for 08/05/17:

1.At 06:17:17, the Taser was armed (safety taken off). It was kept in the armed position for 14 seconds before the safety was turned back on.
2.The Taser was again armed (safety taken off) at 06:18:18
3.At 06:20:44 there was a trigger pull with a 5 second duration.
4.At 06:20:53 there was a second trigger pull with a 5 second duration.
5.At 06:21:00 the Taser's safety was turned back on.

Note: When a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. I noticed the X26P's internal clock was reset back 7 minutes and 11

seconds to match the network set times. In essence, 7 minutes and 11 seconds should be subtracted from all events in the firing log to match any other synchronized items (dispatch transmissions, etc).

Taser #2: I reviewed the Taser firing logs for item SRPD #21 to analyze what was recorded. I noted that prior to my downloading the device on 09/29/17, it had last been downloaded on 03/02/2017. I also noted that the Taser is using firmware version 04.030.

The firing logs showed the following for the date in question:

1.At 06:14:02 the Taser was armed (safety taken off).
2.At 06:16:58 there was a trigger pull with a 5 second duration.
3.At 06:18:53 the Taser's safety was turned back on.

Note: When a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. I noticed the X26P's internal clock was reset forward 1 minute and 11 seconds to match the network set times. In essence, 1 minute and 11 seconds should be added to all events in the firing log to match any other synchronized items (dispatch transmissions, etc).

Taser #3: I reviewed the firing logs for item SRPD #9 to analyze what was recorded. I noted that prior to my downloading the device on 09/29/17, it had last been downloaded on 10/24/16. I also noted that the Taser is using firmware version 04.024.

The firing logs showed that the Taser had no trigger pulls on the date in question.

Note: When a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. I noticed the X26P's internal clock was reset back 4 minutes and 31 seconds to match the network set times. In essence, 4 minutes and 31 seconds should be subtracted from all events in the firing log to match any other synchronized items (dispatch transmissions, etc).

SEARCH WARRANT SERVICE AT [redacted] ON 08/08/2017

On the afternoon of 08/08/2017, I was notified by SCSO VCI Detective J. Toney he had received a telephone call from SCSO VCI Detective J. Hanshew informing about the need to conduct a secondary search of the residence at [redacted] Santa Rosa. Detective Toney requested I assist him in serving the aforementioned search warrant. I was further informed that it was believed there were two outstanding bullet projectiles believed to be somewhere in the residence.

On 08/08/2017, at approximately 1725 hours, I arrived at the residence and assisted in serving the search warrant SRPD VCI Detective G. Wojcik had authored. Present for the service of the search warrant were the following SCSO staff:

Patrol Deputy Juan Valencia
Patrol Deputy Andrew Pieper and his Field Training Officer, Deputy Tom Howard
PCI Detective K. Petersen
PCI Detective T. Peirsol
CSI Detective T. Newton
CSI Detective M. Baraz
CSI Sgt. V. Eaton
VCI Detective J. Toney
VCI Intern N. Mueller

I initially took a position in the backyard of the residence, but ultimately proceeded to the interior of the residence assisting in clearing the residence. After the residence was deemed clear and secure, I assisted with the search for the two outstanding bullets.

Ultimately, CSI Sgt. V. Eaton located two bullet strikes in the exposed wood subfloor of the hallway.

Detective Newton photographed the bullet strikes. I assisted Detective Baraz with removing the wood flooring, exposing the two projectiles.

The projectiles were collected by Detective Newton. See Detective Newton's supplemental report for further information.

I left the scene at approximately 1900 hours, signing out on the major incident log managed by Deputy J. Valencia.

Nothing further. End of supplemental report.

Supplemental Report:

On 8/05/2017 at approximately 0900 hours, I was contacted by Detective Sergeant Murphy regarding an Officer involved shooting which involved Santa Rosa PD Officers. Sergeant Murphy requested available Detectives respond to SRPD`s office for a briefing.

After being briefed on the incident, Detectives responded to the area of [redacted] to conduct neighborhood interviews. I arrived at approximately 1300 hours and contacted or attempted contact with residents on the north side of West Steele Lane at Apple Valley Lane and to the east of Iroquois Street on West Steele Lane.

I attempted contact with the residents at [redacted], apartments [redacted] The residents at [redacted] did not answer the door or were not home. I was advised by the residents at apartment [redacted] that nobody lived at apartment [redacted] and it was empty.

I observed a group of people standing near the intersection of W. Steele Lane and Apple Valley Lane and asked if anyone lived near the area of [redacted] Most of the subjects lived further down the street on Apple Valley Lane and were standing just to observe what was going on. I spoke to the following people who had a direct connection with the occupants of [redacted]

[redacted] lives at [redacted] his father is the home owner and reporting party to the original incident which prompted SRPD to arrive on scene at [redacted] told me he didn`t know who lived at the residence other than his father, mother and a man named [redacted] said neither his father nor his mother had ever mentioned any problems with tenants in the past.

[redacted] left to go to work at [redacted] at approximately 0550 am and when he drove past his parents`

house there wasn't anything going on, there were no police at the residence. [redacted] drove westbound towards Marlowe Road and didn't drive past his parents' house when he left. [redacted] said the only way he knew something was going on was because he received a phone call from a neighbor.

I also spoke with [redacted] wife, [redacted] and her father, [redacted] Both live with [redacted] at [redacted] When asked if they had heard anything at approximately 0600-0615 hours, they said no, nothing.

I later spoke with [redacted] who resides at [redacted] which is two doors to the west of Iroquois Street. [redacted] was at home and had woken up around 0500. [redacted] said he didn't hear any yelling or loud bangs like gunshots. [redacted] said he drove his wife to work just before 0700 and they saw the patrol cars and fire trucks outside, but they didn't hear anything prior. [redacted] had never noticed any problems at the residence prior to this.

I checked the apartment complex north east of the residence and contacted [redacted] who lives at [redacted] was sleeping and said he didn't hear anything at the time. When he woke up he spoke with his mother and she had heard that something happened. I later spoke with [redacted] mother, [redacted] and was told she had been sleeping when everything happened. She was awakened by the sound of sirens coming from the ambulance and fire trucks.

I was wearing my department issued BWC while interviewing neighbors, this report is merely a summary of what was said during the interviews.

Nothing Further.

Re: Critical Incident Investigation

****

SUPPLEMENT:

On 8-7-17 at approx. 0843 hrs., Det. Horsman and I arrived at the Sonoma County Coroner`s Office to attend the autopsy of S-Pablo Garcia-Garcia.

On 8-7-17 at approx. 0852 hrs., Deputy District Attorney C. Rodriguez, District Attorney Investigator D. Urton, and Sonoma County Sheriff`s Office CSI detective, Det. T. Newton arrived at Sonoma County Coroner`s Office.

On 8-7-17 at approx. 0910 hrs., Deputy District Attorney C. Fowler arrived at the Sonoma County Coroner`s Office.

On 8-7-17 at approx. 0915 hrs., Sonoma County Sheriff`s Office Investigations Division Supervisor, Lt. T. Duke arrived at the Sonoma County Coroner`s Office. Shortly thereafter, however, Lt. Duke would leave the Count Morgue Facility (CMF).

About this time, Forensic Pathologist Verilhac did not continue on with the autopsy of Garcia due to the fact that the County Morgue Facility`s (CMF) X-ray machine was inoperable. It was then decided that Garcia would be transported to the Napa County Coroner`s Officer so that X-rays of his body could be performed. Garcia`s body was then transported to the Napa County Coroner`s Officer by Sonoma County Coroner`s detective, Det. B. Kidder.

On 8-8-17 at approx. 0900 hrs., Det. Horsman and I traveled to and arrived at the Sonoma County Coroner`s Office. There, we met with CSI detective, Det. T. Newton who was already at CMF.

On 8-8-17 at approx. 0905 hrs., District Attorney Investigator D. Urton and Deputy District Attorney C. Fowler arrived at CMF.

On 8-8-17 at approx. 0914 hrs., Garcia's body was wheeled into the autopsy examination room. After which, the lock (#28524) securing Garcia's human remains pouch (aka: body bag) was cut. Forensic Pathologist Verilhac then began her external examination of Garcia with the assistance of Forensic Pathologist Assistant, R. Hayes.

On 8-8-17 at approx. 0920 hrs., Sonoma County Sheriff's Office Investigations Supervisor, Lt. T. Duke arrived at the Sonoma County Coroner's Office.

On 8-8-17 at approx. 1022 hrs., Lt. Duke left the Sonoma County Coroner's Office.

On 8-8-17 at approx. 1103 hrs., Forensic Pathologist Verilhac began her internal examination of Garcia.

On 8-8-17 at approx. 1147 hrs., Det. Newton contacted me in the autopsy viewing room. According to Det. Newton, Garcia's blood tested presumptive positive for methamphetamine.

On 8-8-17 at approx. 1252 hrs., Det. Newton contacted me in the autopsy viewing room. At that time, Det. Newton informed me that they had located and recovered a total of three (3) bullets from Garcia's body.

On 8-8-17 at approx. 1332 hrs., Forensic Pathologist Verilhac concluded the autopsy. After which, Forensic Pathologist Verilhac concluded that the cause of death was most likely the result of multiple gunshot wounds.

Refer to Dr. Verilhac's autopsy report for further details.

Re: The Officer-Involved-Fatal-Shooting of Pablo Garcia-Garcia D.O.B. [redacted]

****

SUPPLEMENT:

On the morning of 8-5-17, I learned officers from the Santa Rosa Police Department were involved in an officer-involved-fatal-shooting. At the time, myself and other members of the Sonoma County Sheriff`s Office Violent Crime Investigations Unit were completing a murder investigation in the Sonoma Valley.

On 8-5-17 at approximately 1045 hrs., I was notified by acting Violent Crime Investigations supervisor, Det. Sgt. S. Murphy, that the Santa Rosa Police Department invoked the Sonoma County Employee-Involved Fatal Incident Protocol (93-1). As such, the Sonoma County Sheriff`s Office, specifically, the Violent Crime Investigations Unit was designated as the lead agency in investigating the Santa Rosa Police shooting having occurred earlier that morning.

Due to the fact that we were in the process of completing an un-related homicide investigation, Det. Sgt. Murphy advised me that members of the Violent Crime Investigations Unit would begin our investigation later this afternoon (on 8-5-17).

****

ARRIVAL AT THE SANTA ROSA POLICE DEPARTMENT:

On 8-5-17 at approximately 1400 hrs., I woke to a call from Det. Sgt. Murphy. At the time, Det. Sgt. Murphy asked that I be at the Santa Rosa Police Department at approximately 1500 hours for a briefing.

On 8-5-17 at approximately 1500-1515 hrs., I arrived at SRPD. There, I met with several members of the Sonoma County Sheriff's Office and the Santa Rosa Police Department. Not long thereafter, the supervisor of the Santa Rosa Police Departments Violent Crime Investigations Unit, Det. Sgt. J. Ludtke, provided us with a briefing regarding the incident. The following is a summary of that briefing:

On 8-5-17 at approximately 0558 hrs., officers with the Santa Rosa Police Department were dispatched to a residence on [redacted] (later found to be [redacted] for a disturbance. Upon entering the residence, Santa Rosa Police Officers located a subject (later identified as S-Pablo Toribeo Garcia-Garcia) who was hiding underneath a bed, while armed with a knife. During the encounter, Santa Rosa Police Officers deployed Tasers and chemical agents, but neither had any effect on the subject.

According to Det. Sgt. Ludtke, at one point during the encounter Garcia stood-up while still armed with the knife. As a result, the Santa Rosa Police Officers shot Garcia who ultimately retreated into a nearby bathroom where he succumbed to his injuries and died.

According to Det. Sgt. Ludtke, several witnesses had already been interviewed by members of the Santa Rosa Police Department, while the children located within the residence at the time of the incident were scheduled to be interviewed at the Redwood Children's Center (RCC).

Additionally, Det. Sgt. Ludtke informed us that members of the Petaluma Police Department processed the Santa Rosa Police Officers involved in the incident and Santa Rosa Police Violent Crime Investigations detective, Det. G. Wojcik, authored a Search Warrant for the residence located at [redacted] in Santa Rosa.

****

BRIEFING BY SONOMA CUONTY SHERIFF'S DVSA DETECTIVES:

Once Det. Sgt. Ludtke concluded his briefing, we were briefing by members of the Sonoma County Sheriff's Office Domestic Violence Sexual Assault (DVSA) Unit. Apparently, members of DVSA conducted witness interviews consisting of members who were present within the residence at the time of the incident. The following is a summary of that briefing:

According to the briefing, Garcia's was known at the residence as "El Chapo" or simply, "Pablo." Earlier this morning, Garcia apparently stabbed another person in the residence and it was believed Garcia had some type of "anger-issues"

NOTE: Later, I learned DVSA Det. Regan would interview [redacted] who reported that Garcia was, in fact, acting strange that morning, was armed with a knife, and stabbed [redacted] in the foot which precipitated the call to the Santa Rosa Police Department. Refer to Det. Regans' supplemental report.

During the briefing, I learned there was another resident (later found to be W-[redacted] who apparently witnessed the incident.

NOTE: Later, I learned DVSA Det. F. Schmidt conducted an in-depth interview with W-[redacted] who observed Garcia's actions, the fact that he was armed, and his encounter with members of the Santa Rosa Police Department. Refer to Det. Schmidt's supplemental report.

****

VIEWING OF SRPD BWC RECORDINGS:

While at the Santa Rosa Police Department, I was allowed to view the body-worn-camera (BWC) recordings associated with Santa Rosa Police Officer J. Badger.

NOTE: Refer to a separate supplemental reports for the details associated with Officer Badger`s and Officer Vlahandres` BWC recording which depicts their interaction with Garcia in the moments before, during, and after lethal force was used.

****

EVIDENCE PROVIDED BY SANTA ROSA POLICE DEPARTMENT:

On 8-5-17 at approximately 1624 hrs., Santa Rosa Police detective, Det. J. Bjornstrom provided me with a black thumb drive containing three (3) BWC videos related to the following Santa Rosa Police Officers:

-Officer J. Badger
-Officer P. McAllister
-Officer N. Vlahandres

NOTE: Later, I marked the above thumb drive as evidence item #6JJH before booking it into Sonoma County Sheriff`s Office property/evidence.

Later, I was provided an additional thumb drive that contained Santa Rosa Police Department BWC recordings associated with the following Santa Rosa Police Officers:

-Officer Albini
-Officer Badger
-Officer M. Crosby
-Officer Dunn
-Officer P. McAllister
-Officer Philip
-Officer Schindler
-Officer N. Vlahandres

NOTE: Later, I marked the above thumb drive as evidence item #7JJH before booking it into Sonoma County Sheriff`s Office property/evidence.

****

SCENE WALK THROUGH:

On 8-5-17 at approximately 1637 hrs., I traveled to and arrived at the scene located at [redacted] in Santa Rosa. There, I observed a uniformed Santa Rosa Police Officer (Officer B. Klein #470) standing just outside the front entry north door leading into the residence. Also, I noticed crime scene tape spanning across the north side of the residence, adjacent to the south side of [redacted]

At the scene, I met with the following personnel:

-Santa Rosa Police Detective G. Wojcik
-Santa Rosa Police Detective J. Bjornstrom
-DDA C. Rodriguez
-DAI D. Urton
-DAI M. Stapleton

Additionally, I encountered Sonoma County Sheriff's Detective, Det. M. Crean and Det. T. Piersol who were in possession of the crime scene log.

Before entering the scene, Sonoma County Sheriff's Office Crime Scene Investigations Detective, Det. T. Newton, videotaped the crime scene. Refer to Det. Newton's supplemental report.

On 8-5-17 at approximately 1713 hrs., I donned rubber gloves and white shoe coverings before Det. Horsman and I followed Det. Newton into [redacted] (crime scene).

On 8-5-17 at approximately 1722 hrs., I exited the residence with Det. Horsman. After exiting the residence the first time, I spoke with DVCSA Det. Regan. In essence, Det. Regan explained that the assault with a deadly weapon occurred in the bedroom directly across from the bathroom located in the hallway.

On 8-5-17 at approximately 1730-1740 hrs., I again donned rubber gloves and white shoe coverings before re-entering the residence. Specifically, to view additional rooms and room configuration within the residence. After which, I took nine (9) digital photos of the interior scene.

NOTE: Later, I downloaded the above photos onto a CD-R disc that I labeled as evidence item #1JJH before booking it into Sonoma County Sheriff's Office property/evidence.

On 8-5-17 at approximately 1747 hrs., I exited the residence. After which, Det. Newton and Det. Baraz began to process the residence. Refer to Det. Newton and Det. Baraz's supplemental reports.

SONOMA COUNTY CORONER'S ARRIVAL:

On 8-5-17 at approximately 1933 hrs., Sonoma County Chief Deputy Coroner, Det. Sgt. A. Mancilla and Detective Coroner T. Rountree arrived on scene. Refer to Sonoma County Coroner's Office Death Investigation (CR# 17-0830).

On 8-5-17 at approximately 1940 hrs., the members of the Sonoma County Coroner's Office contract removal service, [redacted] arrived on scene.

On 8-5-17 at approximately 2000 hrs., [redacted] entered the scene with a fingerprint I.D. in an attempt to confirm Garcia's identity. After which, they took custody of Garcia's body by placing him into a body back and securing it with a lock (#28524).

On 8-5-17 at approximately 2042 hrs., Garcia's body was removed from the residence by [redacted]

On 8-5-17 at approximately 2100 hrs., I re-entered the scene to assist in a search for cellular phones. As a result, Det. Newton collected the following items:

-Item #TN12: Cellular phone possibly belonging to [redacted] ([redacted])
-Item #TN13: White iPhone, possibly belonging to Garcia

On 8-5-17 at approximately 2126 hrs., I placed a service of Search Warrant form and a Search Warrant Inventory form on the kitchen table within the residence.

On 8-5-17 at approximately 2130 hrs., I exited [redacted] (crime scene).

INTERVIEW WITH SANTA ROSA POLICE OFFICER PARK MCALLISTER:

On the afternoon of 8-8-17, Det. Horsman and I arrived at the [redacted] to conduct interviews with Santa Rosa Police Officers involved in the fatal-shooting of Garcia.

On 8-8-17 at approximately 1528 hrs., Det. Horsman activated his hand-held Olympus digital voice recorder before beginning his interview with Santa Rosa Police Officer Park McAllister.

NOTE: The interview itself was conducted in [redacted] Present for our interview with Officer McAllister was myself and Officer McAllister's attorney, Zachery A. Lopes, with the Law Offices of Rains, Lucia, Stern, St. Phalle & Silver, PC.

After approximately twenty one (21) minutes and thirty-three (33) second into the first interview with Officer McAllister, Det. Horsman took his first break.

On 8-8-17 at approximately 1624 hrs., Det. Horsman re-activated his hand-held Olympus digital voice recorder before continuing on with his interview with Officer McAllister for the next two (2) minutes and one (1) second. After which, we took another break.

On 8-8-17 at approximately 1635 hrs., Det. Horsman re-activated his hand-held Olympus digital voice recorder before continuing on with his interview with Officer McAllister for the next two (2) minutes and sixteen (16) seconds. After which, we took another break.

On 8-8-17 at approximately 1702 hrs., Det. Horsman re-activated his hand-held Olympus digital voice recorder before continuing on with his interview with Officer McAllister for the next one (1) minute and four (4) seconds. After which, Det. Horsman concluded his interview with Officer McAllister.

NOTE: Later, I downloaded the four (4) audio recordings depicting Det. Horsman's interview with Officer McAllister onto a CD-R disc labeled as evidence item #2JJH. Later, Det. Horsman had the interviews with Officer McAllister transcribed. I downloaded the transcribed interviews with Officer McAllister into the "attachments" module of this I/leads report (see attached). Refer to the audio recordings and transcripts (which were authenticated) depicting the interview with Officer McAllister in its entirety.

Refer to Det. Horsman's supplemental report.

SANTA ROSA POLICE DEPARTMENT FORENSIC TASER DOWNLOADS:

On 9-29-17 at approximately 1200 hrs., I contacted and spoke with Deputy E. Dickey #1019 regarding the forensic download of three (3) Tasers seized from the following Santa Rosa Police Officers:

-SRPD #35: X26P Taser (SN # [redacted]) - Officer N. Vlahandres
-SRPD #21: X26P Taser (SN # [redacted]) - Officer J. Badger
-SRPD #9: X26P Taser (SN # [redacted]) - Officer P. McAllister

**TASER FORENSIC DOWNLOAD ANALYSIS SUMMARY:

Regarding Taser #1 (SRPD #35) and according to Deputy Dickey's supplemental report, she indicated that the firing log associated with Taser #1 depicted five (5) notable actions that occurred on 8-5-17. They following is a summary of those actions related to the above Taser #1 (SRPD #35):

-At 06:17:17, the Taser was armed (safety taken off). It was kept in the armed position for 14 seconds before the safety was turned back on.

-The Taser was again armed (safety taken off) at 06:18:18

-At 06:20:44 there was a trigger pull with a 5 second duration.

-At 06:20:53 there was a second trigger pull with a 5 second duration.

-At 06:21:00 the Taser's safety was turned back on.

NOTE: According to Deputy Dickey's supplemental report, when a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. Deputy Dickey noticed the X26P's internal clock was reset back 7 minutes and 11 seconds to match the network set times. In essence, 7 minutes and 11 seconds should be subtracted from all events in the firing log to match any other synchronized items (e.g., dispatch transmissions, etc.).

Regarding Taser #2 (SRPD #21) and according to Deputy Dickey's supplemental report, she indicated that the firing log associated with the Taser #2 depicted three (3) notable actions that occurred on 8-5-17. They following is a summary of those actions related to the above Taser #2 (SRPD #21):

-At 06:14:02, the Taser was armed (safety taken off).

-At 06:16:58, there was a trigger pull with a 5 second duration.

-At 06:18:53, the Taser's safety was turned back on.

NOTE: According to Deputy Dickey's supplemental report, when a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. Deputy Dickey, noticed the X26P's internal clock was reset forward 1 minute and 11 seconds to match the network set times. In essence, 1 minute and 11 seconds should be added to all events in the firing log to match any other synchronized items (e.g., dispatch transmissions, etc.).

Regarding Taser #32 (SRPD #9) and according to Deputy Dickey's supplemental report, she indicated that the firing log associated with the Taser #32 indicated there WERE NO trigger pulls on the date in question (8-5-17).

Note: According to Deputy Dickey's supplemental report, when a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. Deputy Dickey noticed the X26P's internal clock was reset back 4 minutes and 31 seconds to match the network set times. In essence, 4 minutes and 31 seconds should be subtracted from all events in the firing log to match any other synchronized items (e.g., dispatch transmissions, etc.).

Refer to Deputy Dickey's supplemental report for further details.

SANTA ROSA FIRE PRE-HOSPITAL CARE REPORT:

On 8-5-17 at approximately 0917 hrs., I received an email from Coroners detective, Det. T. Rountree. Attached to Det. Rountree's email was a four (4) page copy of the Santa Rosa Fire pre-hospital care report (SRS172170028). The following is a summary of the pre-hospital care report which occurred on 8-5-17:

-Call received at 6:07:32 hrs.
-Dispatched at 6:07:49
-Enroute at 6:09:55
-At scene at 6:12:59
-At PT (patients) side at 6:37:00
-Available at 7:10:56

In the end, Santa Rosa Fire staff pronounced dead at the scene on 8-5-17 at 6:39 hours from "penetrating traumatic arrest."

NOTE: Later, I scanned the above Santa Rosa Fire pre-hospital care report into the "attachments" module of this I/leads report. See attached.

SUPPLEMENT:

During the course of this investigation and while wearing headphones, I carefully watched and listened to Officer Badger`s body-worn-camera (BWC) recordings captured which were later captured on a thumb drive and two DVD-R discs that was I labeled as evidence item #6JJH & #7JJH, respectively. The following is a summary of the two (2) BWC video files associated with Officer Badger:

VIDEO #1 (PICT0019.mp4):

I was provided with two (2) BWC recordings associated with Officer Badger. The first video depicted a recording before the incident on 8-5-17 at approximately 0553 hours and depicted an encounter with a WMA that appeared unrelated to the incident involving Garcia. Still, this initial BWC recording was approximately five (5) minutes and twenty-nine (29) seconds. Refer to the initial uninvolved BWC recording.

VIDEO #2 (PICT0020.mp4):

On 8-5-17 at approximately 0605 hrs., the second BWC recording associated with Officer Badger begins. It is apparent this recording is directly related to the incident involving Garcia and begins with Officer Badger at the front of his (Garcia`s) residence on [redacted] This second recording lasts approximately thirty-five (35) minutes and three (3) seconds. The following is a summary of Officer Badger`s second BWC recording:

On 8-5-17 ant approximately 0606 hrs., Officer Badger entered Garcia`s residence and contact a HMA with another Santa Rosa Police Officer who appeared to speaking in partial Spanish (believed to be Officer

Vlahandres). At that time, the HMA sounded as if he was distraught and crying.

On 8-5-17 at approximately 0607 hrs., Officer Badger can be heard using his police radio to request "Code-3" medical respond to the scene so that they could treat a "small laceration." A short time later, Officer Badger can be seen checking Garcia`s bedroom after obtaining misc. keys from the distraught HMA they were previously speaking with. After opening the door (with keys), Officer Badger announced himself ("Santa Rosa Police") along with another officer.

Officer Badger and another officer viewed Garcia`s bedroom from the threshold and while using flashlights. About this time, Officer Badger mentioned to another officer that the crime was a "245" (I knew to be the Penal Code Section 245, assault with a deadly weapon). In the end, Officer Badger did not locate Garcia in his bedroom the first time they searched from the threshold.

After which, Officer Badger asked the residents how it was he could access the backyard (apparently referring to the 245 P.C. suspect). Not long thereafter, Officer Badger walked around the east side of the residence and met another Santa Rosa Officer in the backyard. However, their search was fruitless.

On 8-5-17 at approximately 0610 hrs., Officer Badger was asked to re-enter the residence. As a result, Officer Badger swiftly made his way back into Garcia`s residence via the front (north) etnry door. Once inside, Officer Badger directed another Santa Rosa Police Officer to take "this guy to medical." After which, Officer Badger then walked to the bedroom door leading into Garcia`s bedroom, which is directly across from a common east bathroom. Both of which are accessed via the east hallway of the residence, located east of the front door. There, Officer Badger met with Officer Vlahandres who was standing in the threshold of the bedroom door. It was then that Officer Vlahandres said something similar to "it sounds like he`s against the wall."

Officer Badger remained at the threshold of Garcia`s bedroom door, while Officer Vlahandres entered the bedroom and began to search underneath misc. items within the room itself (e.g., bed frame, mattresses, etc.). It was obvious to me that Officer Vlahandres located and observed Garcia positioned underneath the bed and misc. mattresses. All the while, Officer Vlahandres has his Taser in his right hand.

Both Officer Badger and Officer Vlahandres would announce themselves several times as police officers, both in English and Spanish. However, Garcia did not respond. Still, Officer Vlahandres continued to move items away from Garcia. In doing so, they learned Garcia was naked.

On 8-5-17 at approximately 0612 hrs., Officer Badger can be heard requesting "one more unit" (I knew to be one more Santa Rosa Police Officer) via his police radio. Not long thereafter, Officer Vlahandres tells Officer Badger that Garcia was in possession of or a knife. As Officer Vlahandres does so, he points at the area he was addressing. Officer Badger responds, "I see it." Officer Badger then tells Officer Vlahandres to "get your Taser out."

In the next several moments, Officer Vlahandres and Officer Badger would give clear concise orders to Garcia in an effort to gain his compliance and disarm him. Officer Badger and Officer Vlahandres did so by giving such orders as, "drop the knife," "put the knife on the ground, now," and "put the knife down and let me see your hands!" These clear and concise commands, in both English and Spanish, would continue several times.

On 8-5-17 at approximately 0613 hrs., Officer Vlahandres would move an item(s) out of the way that apparently exposed Garcia. Officer Vlahandres and Officer Badger continued to give Garcia commands in English and Spanish. Shortly thereafter, Garcia can be seen entering Officer Badger`s BWC camera view. At

hat time, Garcia can be seen lying supine with his arms up over his head, underneath a bed located adjacent to the west bedroom wall. Moments later, Garcia moved his hands toward his upper torso when Officer Badger can be heard saying, "It`s on his stomach" (believed to be referring to the knife). Officer Badger and Officer Vlahandres continue to give Garcia commands in Spanish (e.g., "manos arriba"). Garcia does not respond, but can be heard moaning and rambling.

On 8-5-17 at approximately 0614 hrs., one of the officers can be heard saying, "He`s grabbing it." Officer Badger can then be heard ordering Garcia to "put the knife down." Officer Badger and Officer Vlahandres then repeat in Spanish, "manos arriba" (translated in English to "hands up").

Officer Badger then moved to the threshold of the Garcia`s bedroom door, while Officer Vlahandres is position directly in front of him. Officer Vlahandres continued to have his Taser in his right hand, pointed in Garcia`s direction. Garcia had by now re-positioned himself from a supine position to possibly a kneeling or sitting position. However, Officer Badger`s BWC camera only captured a portion of Garcia body, from approximately his upper chest to his head.

On 8-5-17 at approximately 0614 hrs., Officer Vlahandres orders Garcia to place the knife on the ground and, in Spanish, tells Garcia that it will be okay (e.g., "esta bien"). Still, Garcia does not respond. Moments later, Officer Badger says, "You ready?" After which, Officer Vlahandres deployed his Taser which, in some fashion, made contact with Garcia. Garcia can be heard grunting, while Officer Vlahandres orders him to "put it down." Officer Vlahandres` Taser deployment appeared (via the Taser arcing sound) to cycle for a full five (5) seconds.

Officer Vlahandres then moves to the right (west) side of the bedroom door threshold, while deploying what appeared to be a second five (5) second Taser cycle (via the Taser arcing sound). Moments later, Garcia`s arms can be seen thrashing about, while Officer Vlahandres states, "I lost my connection."

About this time, Officer Badger points his Taser at Garcia from the left (east) side of the bedroom door threshold. Garcia remains in either the seated or kneeling position located in the southwest corner of the bedroom. As he did so, Officer Badger states, "Put the knife down now!"

On 8-5-17 at approximately 0615 hrs., Officer Vlahandres can be heard speaking into his police radio, "George 6, Taser deployednot effective." Right afterward, Garcia can be heard saying, "I don`t talk no morel`m saying leave." Officer Badger responds, "Put the knife down, now!" All the while, Officer Badger is pointing his Taser in Garcia`s direction.

Garcia then states, "(inaudible) for real." Officer Badger again orders, "Put the knife down, now!" Garcia then stated, "(inaudible) okay." Officer Badger again orders, "Put the knife down now!" Officer Vlahandres can be heard again informing Santa Rosa Police Department dispatch that his Taser deployment was ineffective. After which, Officer Badger said, "He`s gonna cut his arm."

Officer Badger orders Garcia to "Put the knife down now." Still, Garcia does not respond. Officer Vlahandres can then be heard asking Officer Badger, "Pepper Spray?" Officer Badger replies, "Yeah." Moments later, Officer Vlahandres deploys Pepper Spray toward Garcia while he remained inside the bedroom. Garcia does not react, does not respond verbally, and does not move from his position located in the southwest corner of the bedroom.

Officer Vlahandres then orders Garcia to "put the knife down." Garcia responds, "I can`t I have a problem." Officer Badger and Officer Vlahandres both repeat "Put the knife down." Via Officer Badger`s BWC

ecording, Garcia can be seen manipulating something on the floor, behind misc. cushions in front of him. Officer Badger then orders, "Hands uphands up!" Officer Vlahandres and later Officer Badger would issues orders in Spanish by saying, "Manos arriba." However, Garcia did not answer, does not comply, and remains in in the southwest corner of the bedroom. Officer Badger and Officer Vlahandres would continue to give Garcia commands to drop the knife or "put the knife down."

On 8-5-17 at approximately 0616 hrs., Garcia can be heard saying, "I tell youI don`t want to talk peopleserious!" Officer Badger again orders Garcia to "put the knife down, now!" Garcia responds, "Please!"

Officer Vlahandres then tells Garcia that he and Officer Badger were there to help him. Garcia replies that they were not there to help him. All the while, Officer Badger orders Garcia to put the knife down. Garcia then said, "(inaudible) got problems with mefor real." Officer Vlahandres continues to plead with Garcia that they are there to help him. Garcia continues to say something, but it was difficult to understand via the BWC recording.

On 8-5-17 at approximately 0616 hrs., Garcia enters the view of Officer Badger`s BWC recording. As he does so, Garcia can be seen holding the knife in his right hand and waving it around as he is speaking. Garcia can be heard saying, "You understand what I am sayingplease?" After which, Officer Badger and Officer Vlahandres can be heard telling Garcia that they were there to help him. Garcia replies, "NoI don`t want helpI wannamyself."

Officer Badger continues to tell Garcia they are there to help him. Garcia calmly replies, "I say no." Officer Vlahandres then asks, "What`s going on?" Garcia replies, "I say nothat`s it." Officer Badger orders, "Were nere to help youput the knife down." Garcia replies, "Uh-uhno." Officer Vlahandres replies, "We can`t help you if you don`t tell us what`s going on." Garcia forcefully responds, "Pleaseturn the light off and go!" After which, Garcia starts to grunt before saying, "(inaudible) kill you too." Officer Vlahandres replies, "You don`t want to do that sir...were here to help you."

On 8-5-17 at approximately 0617 hrs., Garcia said, "Clean my eyesclean my eyes." About that time, Officer Badger notifies Santa Rosa Police Department dispatch (via his radio) that Garcia remained in possession of the knife. Officer Vlahandres orders Garcia to "put the knife on the ground." Garcia replies, "Clean my eye."

Officer Badger can be heard speaking into his police radio indicating Garcia remained in possession of the knife in the bedroom, nearest the front door. As this was occurring, Garcia can be heard saying something that was difficult to understand. However, Officer Badger`s BWC recording captured what sounded as if metal was striking something. As this was occurring, Garcia is again yelling something that I was unable to understand.

Moments later, Officer Badger and Officer Vlahandres attention is quickly diverted toward Garcia. It was then that Officer Badger`s BWC camera captures Garcia standing up. This revealed that Garcia was completely naked, but his skin appearing as though it was wet.

Garcia then began to advance toward Officer Badger and Officer Vlahandres while saying something that I could not understand. As this was occurring, Officer Badger deployed his Taser, which appeared (by the sound Garcia was emitting), may have struck Garcia`s body. As a result, Garcia can be heard grunting and moving to his right (east).

As Officer Badger`s Taser continued to cycle, Officer Vlahandres orders Garcia to "get ondrop the knife!"

After Officer Badger's initial Taser cycle, Garcia can be seen maneuvering himself to his knees. As this occurs, Garcia can be seen looking directly at Officer Badger and Officer Vlahandres, while clearly in possession of the knife in his right hand. This is depicted on Officer Badger's BWC video at 0617 hours (on 8-5-17).

On 8-5-17 at approximately 0618 hrs., Officer Badger backs-up down the hallway, eastbound, while Officer Vlahandres back-up down the hallway, westbound, toward the front door. Moments later, Garcia can be seen emerging from the bedroom via the threshold of the bedroom door.

Officer Badger continues to retreat down the hallway, seeking cover at the far east master bedroom. As this is occurring, orders are being issued from one or both of the officer, which consisted of "drop it" and "drop the knife." Moments later, gunfire can be heard just before a loud noise as if something fell to the ground.

After the shooting, other Santa Rosa Police Officers arrive on scene. Those officers are informed that Garcia is in the bathroom located directly across from Garcia bedroom. And, Officer Badger's BWC recording captures the fact that a HFA is located in the bedroom he retreated into and the manner in which he evacuates the HFA out of the bedroom (via a window).

After extracting the HFA out of the east bedroom, Officer Badger re-enters the residence via the front door. There, he meets with other Santa Rosa Police Officers. After some talk, Officer Badger tasks himself with evacuating other residents of the residence. All the while, other misc. Santa Rosa Police Officers maintained their position just outside the east common bathroom, which is located adjacent to the east hallway, and across from the bedroom the incident began in.

At some point, Officer Badger does learn that Garcia is "down in the bathroom." Still, Officer Badger continues to make attempts to evacuate the other residents of the residence. Officer Badger then meets with other Santa Rosa Police Officers on W. Steele Lane and obtains a ballistic shield. As he does so, he briefed the officers on the "situation," and how the incident transpired. After which, Officer Badger, using a ballistic shield, re-entered the residence. Before entering the residence, another Santa Rosa Police Officer can be heard trying to communicate with Garcia in Spanish.

On 8-5-17 at approximately 0633-0634 hrs., Officer Badger entered the bathroom along with other misc. Santa Rosa Police Officers. There, they encountered Garcia on the bathroom floor. Officer Badger's BWC recording also captured a large knife resting left of the bathroom sink, on a small counter top.

On 8-5-17 at approximately 0635 hrs., Officer Badger placed Garcia in handcuffs, while another officer appears to try and place "combat gauze" somewhere on Garcia's wound(s). A short time later, Officer Badger exited the residence, while Santa Rosa Fire personnel can be seen entering.

Once outside, Officer Badger is told he needs to be sequestered by another officer, while remaining outside in front of the residence, adjacent to south side of [redacted]

On 8-5-17 at approximately 0640 hrs., Officer Badger concludes his BWC recording.

Refer to Officer Badger's BWC recording.

During the course of this investigation and while wearing headphones, I carefully watched and listened to Officer Vlahandres` body-worn-camera (BWC) recordings which were later captured on a thumb drives and provided to me. I later downloaded the recordings onto two (2) DVD-R discs that I labeled as evidence item #6JJH & #7JJH, respectively. The following is a summary of the two (2) BWC video files associated with Officer Vlahandres:

VIDEO #1 (PICT0030.mp4):

The first (1st) video depicted a recording before the incident on 8-5-17 at approximately 0530 hours and appeared to depict an encounter with subjects that appeared unrelated to the incident involving Garcia. Still, this initial BWC recording was approximately twenty-five (25) minutes and twenty (20) seconds.

Refer to the initial uninvolved BWC recording.

VIDEO #2 (PICT0031.mp4):

Officer Vlahandres second (2nd) BWC video starts at 0617 hours (on 8-5-17). This second (2nd) BWC recording was approximately seventeen (17) minutes and fifty-one (51) seconds and was directly related to the incident involving Garcia. The following is a summary of Officer Vlahandres second BWC recording:

Officer Vlahandres` BWC recording began by initially captures him standing on the right side (west) of the

›edroom door threshold. At that time, Garcia can be heard grunting before stating, "(inaudible)kill you too." Officer Vlahandres responds, "You don`t want to do that sir, were here to help you."

On 8-5-17 at approximately 0617 hrs., Garcia said, "Clean my eyesclean my eyes." About that time, Officer Badger notifies Santa Rosa Police Department dispatch (via his radio) that Garcia remained in possession of the knife. Officer Vlahandres orders Garcia to "put the knife on the ground." Garcia replies, "Clean my eye."

Officer Badger can be heard on Officer Vlahandres` BWC recording speaking into his police radio indicating Garcia remained in possession of the knife in the bedroom, nearest the front door. As this was occurring, Garcia can be heard saying something that was difficult to understand. However, Officer Vlahandres` BWC recording captured what sounded as if metal was striking something. As this was occurring, Garcia is again yelling something that I was unable to understand.

On 8-5-17 at approximately 0617 hrs., the voices/commands of both Officer Badger and Officer Vlahandres appear to elevate. Officer Vlahandres` BWC recording then captures the right side of Garcia`s body, specifically, his right hand and a portion of his right forearm. It was in these BWC video frames Garcia can be seen holding a knife in his right hand. As this was occurring, Officer Badger and Officer Vlahandres yelled, "Put it down!" Moments later, Officer Badger can be seen deploying his Taser at Garcia, which appears to have struck him.

On 8-5-17 at approximately 0618 hrs., Officer Vlahandres` BWC captures Garcia slightly bent over onto a bed located on the east side of the bedroom. This appeared to be a result of Officer Badger`s successful Taser deployment. Officer Vlahandres can be heard, ""get ondrop the knife!"

Moments later, Officer Vlahandres` BWC captures him backing-up, westbound, via the hallway, and toward the front door. As this is occurring, Officer Vlahandres` BWC captures Garcia emerging from the bedroom via the threshold of the bedroom door. As Garcia does so, Officer Vlahandres` BWC captures one of Garcia`s feet and what appears to be his right hand. It was during video frames that Garcia can clearly be seen holding a large knife in his right hand. Officer Vlahandres can also be heard yelling, "Drop itdrop the knife."

Officer Vlahandres` BWC then captures Garcia bending over slightly,, while Officer Vlahandres yells, "Drop the knife!" However, Garcia DOES NOT comply. Instead, and in an instant, Garcia quickly stands back-up. Afterward, Garcia thrusts forward toward the hallway. As this occurs, Officer Vlahandres fires several gunshots at Garcia. Garcia then enters the common bathroom located directly across from the bedroom where the incident began. After which, it sounds as though Garcia falls to the ground, before closing the bathroom door.

Officer Vlahandres then speaks to Officer Badger and other arriving Santa Rosa Police Officers that Garcia was located inside the bathroom, across from the bedroom the incident began in. An unknown Santa Rosa Police Officer can also be heard ordering Garcia to open the bathroom door, with his hands empty, so that they could help him. However, there is no response.

About that time, an unknown named Santa Rosa Police Supervisor asked everyone just outside the bathroom "who shot?" Officer Vlahandres can be seen motioning to the supervisor that he had, in fact, fired during the incident and verbalized he fired four (4) times. Officer Vlahandres would remain at the far west end of the hallway adjacent to the living room for some time. There, officers can be heard ordering (in English) Garcia to open the door and emerge with his hands empty so that they can help him.

On 8-5-17 at approximately 0620 hrs., another person can be heard attempting to speak with and issue orders to Garcia in fluent Spanish. However, Garcia did not respond, nor did the bathroom ever open. About this time, an officer can be heard asking Officer Vlahandres if he thought he "hit" Garcia (apparently with the gunfire). Officer Vlahandres responded that he believed he did, in fact, strike Garcia with gunfire, but he admitted he was unsure.

On 8-5-17 at approximately 0622 hrs., Officer Vlahandres BWC recording captures him apparently providing a statement to someone near him. This statement was related to what had previously transpired. In doing so, Officer Vlahandres can be heard telling someone, "So we had two Taser deployments and Pepper Spray and it was...not really effective...um...we pulled back, he got up started walking towards us...um...and then...we pulled back...I pulled back to right here...and...he started charging out with the knife up...and...that`s when..." After which, someone continued to give Garcia instructions in fluent Spanish and would continue for some time.

On 8-5-17 at approximately 0626 hrs., someone can be heard on Officer Vlahandres` BWC recording telling them that Garcia was down in the bathroom and the knife was located inside. In fact, someone can be heard telling Officer Vlahandres and other officers that Garcia was positioned facedown in the bathroom, with his head away from the door. And, it was suggested that they wait to enter the bathroom until they were able to obtain a "shield." All the while, instructions for Garcia were being given in Spanish, while Officer Vlahandres remained at the far west end of the hallway, adjacent to the living room.

On 8-5-17 at approximately 0633 hrs., additionally Santa Rosa Police Officers entered the residence via the front north door. Approximately 1-2 minutes later, officers entered the bathroom where Garcia was located. All the while, Officer Vlahandres remained at the west end of the hallway, adjacent to the living room near the front door.

On 8-5-17 at approximately 0635 hrs., Officer Vlahandres exited Garcia`s residence via the front north door. Not long after exiting Garcia`s residence, Officer Vlahandres` BWC recording concludes.

Refer to Officer Vlahandres` BWC recording.

SUPPLEMENT:

During the course of this investigation and while wearing headphones, I carefully watched and listened to Officer McAllister`s two (2) body-worn-camera (BWC) recordings which were later captured on thumb drives and provided to me. I later downloaded the recordings onto two (2) DVD-R discs that I labeled as evidence item #6JJH & #7JJH, respectively. The following is a summary of the two (2) BWC video files associated with Officer McAllister:

VIDEO #1 (PICT0015.mp4):

The first (1st) video depicted a recording before the incident on 8-5-17 at approximately 0553 hours and appeared to depict an encounter with a WMA that appeared unrelated to the incident involving Garcia. In fact, this contact appeared to have occurred in front of Luigi`s Restaurant located at 1000 Hopper Avenue in Santa Rosa. Still, this initial BWC recording was approximately five (5) minutes and forty-seven (47) seconds.

Refer to the initial uninvolved BWC recording.

VIDEO #2 (PICT0016.mp4):

Officer McAllister second (2nd) BWC video starts at 0618 hours (on 8-5-17). Officer McAllister`s second (2nd) BWC recording was approximately twenty-one (21) minutes and fifty-seven (57) seconds and was directly related to the incident involving Garcia. The following is a summary of Officer Vlahandres second

3WC recording:

Officer McAllister's BWC recording begins with him already in Garcia's residence and positioned at the far west end of the hallway, adjacent to the living room/front door. It was apparent to me that Officer Vlahandres had already deployed deadly force and Garcia had already moved into the common bathroom, across from the bedroom where the incident initiated. Officer McAllister would remain in the aforementioned positioned for some time.

On 8-5-17 at approximately 0634 hrs., Officer McAllister is captured entering the bedroom where Garcia was initially contacted by Officer Badger and Officer Vlahandres. After which, Officer McAllister is captured walking into the bedroom located at the east end of the residence.

On 8-5-17 at approximately 0635 hrs., Officer McAllister is captured standing in the hallway just outside the bathroom where Garcia fled into. There, Officer McAllister's BWC recording captures Garcia lying face down on the bathroom floor with his hands handcuffed behind his back. Not long after, it appears another Santa Rosa Police Officer was attempting to render aid to Garcia by determining where he may have been shot, while holding what appeared to be a bandage.

After which, the same Santa Rosa Police Officer asks Officer McAllister to obtain the assistance of medical personnel. Officer McAllister then exits Garcia's residence before informing Santa Rosa Fire staff they could enter the residence. McAllister remained outside the residence, adjacent to the south side of [redacted] until his BWC recording concluded.

On 8-5-17 at approximately 0640 hrs., Officer McAllister concluded his BWC recording.

Refer to Officer McAllister's BWC recording.

SUPPLEMENT:

As noted in a previous supplemental report, on 8-5-17 at approximately 1624 hours Santa Rosa Police detective, Det. J. Bjornstrom, provided me with a black thumb drive containing three (3) BWC videos related to the following Santa Rosa Police Officers:

-Officer J. Badger
-Officer P. McAllister
-Officer N. Vlahandres

NOTE: Later, I marked the above thumb drive as evidence item #6JJH before booking it into Sonoma County Sheriff`s Office property/evidence.

Refer to additional supplemental reports depicting the details of the BWC recordings associated with Officer Badger, Officer Vlahandres, and Officer McAllister.

As noted in a previous supplemental report, I was also provided an additional thumb drive that contained Santa Rosa Police Department BWC recordings associated with the following Santa Rosa Police Officers:

-Officer Albini
-Officer Badger
-Officer M. Crosby
-Officer Dunn

Officer P. McAllister
-Officer Philip
-Officer Schindler
-Officer N. Vlahandres

NOTE: Later, I marked the above thumb drive as evidence item #7JJH before booking it into Sonoma County Sheriff's Office property/evidence.

I viewed the BWC recordings related to the following Santa Rosa Police Officers:

-Officer Albini
-Officer M. Crosby
-Officer Philip
-Officer Dunn
-Officer Schindler

After reviewing the BWC recordings related to the above Santa Rosa Police personnel, I learned that none of BWC recordings associated with Officer Albini, Officer Crosby, Officer Philip, Officer Dunn, and Officer Schindler captured the incident or the use of deadly force by Officer Vlahandres.

In fact, according to the BWC recordings associated with Officer Albini, Officer Crosby, Officer Philip, Officer Dunn, and Officer Schindler, they appeared to indicate they arrived sometime after the incident took place.

Refer to the BWC recording related to Officer Albini, Officer Crosby, Officer Philip, Officer Dunn, and Officer Schindler.

Supplement Narrative

On 08-05-2017, at about 1500 hours, I responded to Santa Rosa Police Department for a Critical Incident briefing "Officer Involved Shooting" (SRPD #17-01261). CSI Detective M. Baraz and I were tasked with responding to the scene to locate, document, process, and preserve possible evidence. A search warrant for the residence was already secured.

At approximately 1700 hours, Detective Baraz and I arrived on scene ([redacted]). I saw the roadway was closed, a major incident crime scene access log was started, and the scene was cordoned off with yellow crime scene tape. Detective Baraz and I signed the crime scene log.

I put on fresh protective boot coverings and latex gloves to minimize scene contamination. I began a video walk-through at approximately 1713 hours. The video walk-through was a brief video recording to document the scene as it appeared when I entered.

I noted the residence was a corner lot at the intersection of W. Steele Lane at Iroquois Street. The address was [redacted] The house was green with white trim and appeared to be a 3 bedroom 2 bath home. The home appeared to have an attached and detached additions for more living quarters. The garage was converted into a living space complete with 4 beds, night stands, multiple refrigerators, cooking area, dining table, and laundry area.

The majority of the incident/scene appeared to take place in a narrow hallway which stretched east from the entry (front door). This included a bathroom on the N/W side of the hallway and a bedroom on the S/W side of the hallway. I could smell and feel the irritating effects of Oleoresin Capsicum (OC) spray within the hallway, bathroom, and bedroom.

I saw 5 expended 9mm cartridges on the hallway floor. I saw a Taser cartridge and wires on the hallway floor that extended to the S/W bedroom. I saw two beds in the S/W bedroom. The mattresses were apart from the bed frames and the room was cluttered with blankets, clothing, and furniture cushions.

I observed a decedent on the bathroom linoleum floor. The decedent was naked, handcuffed, and covered in blood. I saw a large stainless butcher knife on top of the bathroom sink. Medical waste was attached to the decedent and located on top of the bathroom sink.

I took overall photographs to document the scene. I then placed numbered evidence placards beside items of evidence.

Detective M. Baraz set up the FARO Focus scanner and collected scans of the scene. Detective Baraz later took the scans he had captured and registered them in the SCENE computer software. Detective Baraz created a Web Share, which is an interactive 360 degree photographic presentation of the crime scene as we encountered it.

Detective Baraz later placed the presentation onto a thumb drive and booked it into Property/Evidence as evidence item #3-1430.

I took another set of overall photographs to document the scene with the numbered evidence placards in place (showing size, perspective, and relationship). I began the process of collecting items of evidence which were packaged, labeled, and sealed as follows:

Item #TN1 Expended 9mm cartridge on hallway floor
Item #TN2 Expended 9mm cartridge on hallway floor
Item #TN3 Expended 9mm cartridge on hallway floor
Item #TN4 Expended 9mm cartridge on hallway floor
Item #TN5 Expended 9mm cartridge on hallway floor
Item #TN6 Taser cartridge, wire, AFIDS, blast doors on hallway floor and S/W bedroom floor
Item #TN7 White "Under Armour" baseball cap on hallway floor.
Item #TN8 Medical waste on top of hallway bathroom sink
Item #TN9 Stainless butcher knife (12 inches in length) on top of hallway bathroom sink
Item #TN10 Taser cartridge and wire N/E bedroom floor and hallway bathroom

The Sonoma County Sheriff's Coroner Sgt. A. Mancilla was advised the decedent's body was ready for removal. The identity of the decedent was unknown (John Doe). I collected a set of inked impressions from the decedent's left hand for possible identification purposes. The removal service arrived on scene and took possession of the body. The body was placed into a body bag and locked/secured with coroner seal #28524. The body was then transported to the Coroner's Office pending autopsy.

VCI Detectives assisted Detective Baraz and I with a search of the decedent's bedroom in an attempt to obtain his identity or locate any further items of evidence. The following items were determined to be possible items of evidence:

Item #TN11 Indicia and paperwork on a book shelf in the S/W bedroom
Item #TN12 LG flip cell phone on the floor under the bed in the S/W bedroom
Item #TN13 Apple I-phone on a book shelf in the S/W bedroom

I left a copy of the Search Warrant Inventory List and secured the residence. I signed out on the Major Incident Crime Scene Access Log and the scene was released. I transported all items of evidence to the Sheriff's Office CSI secured Laboratory. Using a fresh piece of sterile butcher paper and protective latex gloves I removed the knife (item #TN9) from the knife box. I placed the knife on the butcher paper and took a photograph of the knife with a ruler to show size and perspective.

I placed the knife back into the knife box and packaged, labeled, and sealed all items of evidence.

I began a search in CAFIS (Web Achieve) and located a booking for Garcia-Garcia, Pablo DOB: [redacted] The date of arrest was 05-02-2014 (D#248167). The official taking fingerprints was [redacted] I obtained a copy of the ten print card and compared it to the inked impressions taken from the decedent (John Doe) at the scene.

I analyzed, compared, and evaluated the ten print card of Garcia-Garcia, Pablo to the inked impressions taken from "John Doe" (the decedent). I determined the fingerprints were a positive match and identified "John Doe" as Pablo Garcia-Garcia DOB: [redacted] I had Sgt. T. Koeppel conduct a blind verification. Sgt. Koeppel confirmed the identification was a positive match.

The autopsy was scheduled for 08-08-2017, at 0900 hours. Present in the autopsy viewing area were VCI Detectives J. Hanshew and J. Horsman and Deputy District Attorney C. Fowler and District Attorney Investigator D. Urton. Present for the autopsy was Pathologist K. Verilhac, Forensic Assistant R. Hayes, and myself. The Coroner seal/lock #28524 was cut and removed in my presence. I collected the Coroner seal as evidence item #TNA1, at 0915 hours. I began taking overall photographs of the decedent, with and without a scale to document the condition of the body. I collected the following items during the course of the autopsy:

#TNA2 Medical waste at 0925 hours
#TNA3 Handcuffs from wrists at 1005 hours
#TNA4 Taser barb from stomach at 1040 hours
#TNA5 Taser barb from left shoulder at 1043 hours
#TNA6 Bullet from right chest at 1110 hours
#TNA7 Bullet from back at 1250 hours
#TNA8 Bullet from Sacrum at 1330 hours

I packaged, labeled, and sealed all items of evidence and transported them back to the CSI secured Laboratory.

Based on the information from the autopsy (only 3 bullets recovered, but 5 expended cartridges found at the scene) a search pursuant to the addendum search warrant was initiated, at approximately 1725 hours, at [redacted] Present for the search were VCI Detectives J. Toney and J. Fowler with CSI Sgt. V. Eaton, Detective Baraz, and myself.

I observed the hallway rugs and carpet had been removed as was the linoleum on the bathroom floor. It was unknown who had removed the flooring prior to our arrival. With the naked eye we were unable to locate the two outstanding bullets and/or strike marks.

Utilizing a forensic light source with amber and yellow forensic goggles two strike marks were located in the hallway wooden subfloor. I photographed the strike marks with and without a scale to show size and perspective. Detective Baraz used a pry tool to dig up the sub floor exposing the bullets embedded in the wood. I photographed the bullets prior to extraction.

Using fresh protective latex gloves I collected the bullet furthest east as evidence item #1-1430 and the bullet furthest west as evidence item #2-1430. I packaged, labeled, and sealed the bullets and later transported the items to the CSI secured Laboratory.

I photographed the damage to the residence and left a copy of the Search Warrant Inventory List at approximately 1900 hours.

I downloaded my video walk -through onto a DVD as evidence item #TDN
I downloaded my scene and autopsy photographs onto a DVD as evidence item #TDN1
I downloaded my photographs of the addendum search warrant onto a CD as evidence item #TDN2.

All items of evidence were packaged, labeled, and sealed. I submitted all items of evidence to Property/Evidence.

Nothing further at this time.

Supplement Narrative

SUPPLEMENTAL INVESTIGATION

On 8-5-17 at about 0900 hours I was called out to assist in a Officer Involved Shooting Critical Incident at [redacted] in Santa Rosa. I was briefed at the SRPD and asked to canvass the immediate neighborhood with other SCSO Detectives to locate any witnesses to this incident. I responded to [redacted] and began my canvass. I activated my body worn camera (BWC) during my contacts with the below mentioned citizens in the neighborhood. I later downloaded my BWC at the SCSO Main Office. This report is a summary of my contacts.

At 1327 hours myself and SCSO Detective Richard Sedgwick contacted the residents living at [redacted] We spoke with [redacted] and his wife [redacted] who live with their three children at this residence. I asked them if they had heard any yelling, or loud noises around six this morning. Both [redacted] said they heard nothing this morning around six o`clock, but that around two or three o`clock in the morning they heard voices. [redacted] said he walked out to his car and looked down the driveway towards West Steele Ln. [redacted] said he saw two or three guys walking along the street and sidewalk back and forth towards the 7-11 store. [redacted] said one of them may have been carrying a bag from the store. [redacted] said he might be able to identify the guys he saw walking outside earlier in the morning.
[redacted] said the corner green house ([redacted]) has an old couple living there, and that they rent out rooms to single Hispanic males. Both [redacted] and [redacted] said that the single males living there drink alcohol all the time, and that there is a lot of people coming and going from the residence all the time. They guessed that drugs were being used by the residents there and maybe even sold based on all the traffic coming and going from the residence. I completed my interview and thanked them.

At about 1338 hours myself and SCSO Det. Sedgwick attempted to contact the residents of [redacted] which is the residence directly south of [redacted] We did not get a response at the door, and I found one of the residents, [redacted] across the street where I spoke with him. I asked [redacted] if he heard or saw anything earlier this morning and he said no. [redacted] said he was awoke by something around six o`clock this morning but did not know what it was. [redacted] said he did not know anything was going on until he came outside just a few minutes ago.
[redacted] said an older man named [redacted] and his wife bought the residence at [redacted] about 10-12 years ago. [redacted] said for the last couple of years [redacted] has been renting out space in his garage and a building in the backyard to single Hispanic males. I completed my interview and thanked him.

At about 1344 hours myself and SCSO Det. Sedgwick contacted the two residents of [redacted] This residence is located across the street from [redacted] on the west side of [redacted] I spoke with [redacted] who said they had slept in this morning and had not heard or seen anything. They only knew something was going on when they saw all the police cars when they looked outside this morning. I completed my interview and thanked them.
At about 1351 hours myself and SCSO Det. Sedgwick contacted the residents at [redacted] which is located south of [redacted] I spoke with [redacted] asking them if they heard or saw anything earlier this morning. Both replied that they had not heard or seen anything. I completed my interview and thanked them.

At about 1356 hours I contacted the resident, [redacted] located at [redacted] This

residence is located in the Cedar Woods complex across the street and east of [redacted] This residence fronts west [redacted] and is located on the south side of the complex. I asked [redacted] if she had heard or seen anything earlier this morning and she said no. I completed my interview and thanked her.

At about 1358 hours I attempted contact at both [redacted] but got no response. These two residents are located farther east in the Cedar Woods complex, and are on the southside fronting [redacted]

I contacted the cashier at the 7-11 store located at [redacted] and asked about obtaining the security video from the store. I was told to contact an employee named [redacted] who could assist in getting me a copy of the video from earlier this morning. I will follow up with the employee and complete a separate supplemental report for the video.

On 08/05/2017 at approximately 1745 hrs, I was dispatched to respond to [redacted] Santa Rosa to conduct crime scene security.

I arrived and contacted SCSO Detective Crean who instructed me to take over the crime scene log and conduct security of the outer perimeter of the residence.

At approximately 2133 hrs, I was relieved of my duties and the crime scene perimeter was dismantled. I completed the crime scene log and ensured everyone was properly logged out.

I scanned and attached the crime scene log to this ILeads report. I booked in the original crime scene log into SCSO property as TP-1.

On 08/08/2017 at approximately 1725 hours. FTO Deputy Howard and I assisted Sonoma County Sheriff's VCI Detectives in executing a search warrant at [redacted] Santa Rosa.

Upon approach of the residence, Deputy Valencia spoke, in Spanish, with a male outside of the residence on the west side. Deputy Valencia notified the male that the detectives had a search warrant for the residence. The male provided a house key to open the front door. He was not sure if anyone was inside.

Knock and notices were given in English and in Spanish. During the announcement, Detective Toney used the house key to unlock and open the front door. I assisted the detectives in securing the residence. The northwest bedroom door was locked. I used my boot to kick open the door. The door was made of thin wood. The door, itself, broke away from the lock. The wood around the lock was splintered in several areas. A 6 inch circumference surrounding the handle caved out slightly.

Detective Toney notified Deputy Howard that he would take pictures of the damages to the door.

After the residence had been secured. I spoke with (IO) [redacted] I utilized Deputy Valencia as a translator and determined that [redacted] had already been interviewed and identified in a previous encounter with detectives/deputies at this residence.

Deputy Valencia spoke with another subject who was located inside of the house. See his supplement for further details.

Deputy Howard and I left the residence at approximately 1755 hours.

Nothing further.

SUPPLEMENTAL REPORT
SCSO Case # 170805-019
Detective Matt Regan

On 8/5/17, at about 1100 hours, I was assigned to assist with witness interviews regarding the Santa Rosa Police Department Critical Incident that occurred at [redacted] on the morning of 8/5/17. I conducted four interviews, all of which were captured to digital audio recordings. None of the interviewees spoke English, so the interviews were conducted with the assistance of Santa Rosa Police Department Detective de Leon as a Spanish interpreter. The interviews follow in summary. Please refer to the digital recordings for specifics.

[redacted]

On 8/5/17, [redacted] was in her room in the back of the residence. [redacted] room is not accessible from the inside of the main residence, and her room was essentially an outbuilding that was not attached to the main residence. She lives in the small room with her husband and their two daughters. They had only been living there for approximately one week due to renovations occurring at their normal residence.

At about 0600 hours, [redacted] was in the room with her two daughters, who were sleeping at the time. Her husband was not home because he had already left for work. [redacted] was asleep when she awoke due to hearing some yelling that sounded like it was coming from the main house. She heard loud, strong voices saying something similar to "Stand up!" A short time later, [redacted] heard what sounded like two gunshots. A few seconds after that, [redacted] opened the door to her room and looked outside. She saw a Santa Rosa Police Officer standing at the back of the main residence. The police officer told her to come outside. [redacted] woke up her two daughters, who had not heard any of the commotion or gunshots, and followed the police officer out of her house and into the front yard of the property.

[redacted] does not know any of the people that live at the house and only ever saw the "man and wife" that live at the house. She did not know anyone`s name.

[redacted]

[redacted] said that she was asleep in her bed when her husband and the police woke her up and told her to get out of the house. She was taken out of the house through her bedroom window. She lives in the bedroom with her husband, [redacted] She did not hear any yelling or gunshots because she was asleep. She

never saw anything either because she left the house through her bedroom window.

When walking through the front door of the main house, [redacted] lives in the farthest right rear bedroom in the residence. [redacted] has lived at the residence for approximately eleven years.

Other than her husband, [redacted] does not know anybody that lives at the house. She knew that there were some men living in the garage, a couple living in a room in the backyard of the house, and that "the man who did the bad thing" lived in a room on the other side of the hallway from her bedroom. I asked further about "the man who did the bad thing." She said that all she knew was that he was called "El Chaparro," and that she never really saw him other than when he would come home from work, or leave for work. He had only lived at the house for about five months.

[redacted]

[redacted] had only lived at the residence for two or three months. He lived in the garage of the residence with his two roommates, "[redacted]" and "[redacted]" (later identified as [redacted]. He knew of four other people that lived inside the house; [redacted] and his wife [redacted], and two other men who were roommates with each other. [redacted] did not know the names of the two men. One was described as 50 to 56 years old, fat, 5` 3" tall, light skin, mustache, short salt and pepper colored hair which was balding on top, with a bandage on his left arm. The other, younger man was described as 30 to 35 years old, short, and was referred to as "El Chaparro." He did not know these two men, but he did see them cooking in the kitchen every now and then. He said that they were both nice, but that he never really spoke to them other than to say hello.

[redacted] was asleep in his bed, in the garage, when the incident occurred. He was awoken by his roommate, [redacted] because he had heard a loud noise coming from the living room. They were too frightened to come out of the garage. A short time later, Santa Rosa Police Officers knocked on the garage door and escorted [redacted] and his roommates out of the house.

[redacted]

[redacted] had lived in the house for approximately seven or eight years. He has had several roommates over the years, but his most recent was named "Pablo." Pablo had lived with [redacted] for approximately three or four months. He was described as dark skinned and short, humble and quiet. Pablo`s sister (unknown name) had brought him to the house to find a room.

Pablo was always very quiet, but was very nice. [redacted] and Pablo got along very well with each other. However, in the last few days Pablo had been acting strangely. The owner of the house, [redacted] had also noticed this and mentioned it to [redacted] Pablo had begun talking to himself. [redacted] would walk into their bedroom and Pablo would be lying face down on his bed, talking to himself. Pablo would stay in bed all day long. [redacted] said that this was very out of the ordinary. He thought that maybe Pablo was smoking or drinking something to make him act this way, but he never actually saw Pablo ingest any drugs or alcohol. [redacted] described Pablo`s talking as if he was dreaming out loud.

On 8/5/17, at about 0400 or 0500 hours, [redacted] awoke to Pablo yelling about a rooster and a chicken. He was talking to himself and throwing rags around the room. Pablo said that there was a rooster and chicken inside their room and that he was trying to catch them. He had a large kitchen knife in his hand, which [redacted] described as long and white. Suddenly, Pablo jumped onto [redacted] bed on his knees, then quickly jumped off again. [redacted] said that Pablo appeared to be chasing and trying to catch his imaginary chicken.

[redacted] was concerned about Pablo`s behavior, especially because he was wielding a knife, so he told Pablo that he was going to leave the room. He headed for their bedroom door, but Pablo said something similar to, "Don`t open the door. You`ll let it out!" [redacted] tried to open the door, but Pablo swung the knife at [redacted] in a slashing motion, toward his stomach. [redacted] was able to dodge the knife and avoid getting cut by jumping back away from the blade. Pablo then stabbed downward toward [redacted] stabbing him in the foot. [redacted] was injured, but still able to move. He did not wait for Pablo to attack again and instead ran to their bedroom window, which was open, and dove out of it. Pablo did not follow after him.

[redacted] ran around the house to where his landlord`s bedroom window was located. He knocked on the window and, when [redacted] opened it, told him to call the police because Pablo was acting crazy. [redacted] called the Santa Rosa Police Department, who arrived shortly thereafter. When the police officers came inside the house, [redacted] told them about what had occurred. The officers escorted [redacted] out to an ambulance that was waiting down the street so that he could receive medical attention for the stab wound to his foot. While he was walking out to the ambulance, he heard two or three shots fired from inside of the house. He did not see anything else after that because he was loaded into the ambulance and taken to the hospital.

All of the interviews were copied to a CD and booked into evidence at the Sonoma County Sheriff`s Office.

SUPPLEMENTAL REPORT:
SRPD Critical Incident
SCSO CR # 170805-019
DVSA Detective Fred Schmidt #1391

INVESTIGATION:

On 8/05/2017, I responded to Santa Rosa Police Department to assist with interviewing witnesses regarding this case. Petaluma Police Officer Z. Rivera assisted by translating for the three witnesses who spoke only Spanish. The following is a summary of the witness statements. The interview was captured via my audio recorder. I later transferred the recordings to a CD. The CD was booked into Property/Evidence at the Sonoma County Sheriff's Office (SCSO). The following is a brief overview of the interview. Please refer to the CD for specific details.

Interview with [redacted] told me he is the property owner and has lived at the residence since 2001. [redacted] told me he rents out bedrooms and a granny unit and currently has 9 renters. I asked [redacted] if he knew why I was there talking to him. [redacted] told me he called the police because a renter (Identified as Pablo or "Chapo") went crazy this morning. [redacted] said he didn`t know Pablo`s last name. [redacted] said Pablo has lived at his house for approximately 1 year. [redacted] said he was introduced to Pablo by a previous renter because Pablo was looking for a place to live. [redacted] told me Pablo shares a room with a male named [redacted] said he is friendly with Pablo but they aren`t friends. [redacted] said he has never seen Pablo act like he did last night. [redacted] said Pablo used to work in the fields harvesting grapes but recently lost that job. [redacted] said Pablo recently got a job working for a car wash.

[redacted] described Pablo as being easily upset and appeared nervous. [redacted] said Pablo wasn`t dating and the only family [redacted] knew of was a sister who possibly lived in Windsor. [redacted] didn`t have any further information about the sister. [redacted] said Pablo is a mild drinker and wasn`t aware of any drug history. [redacted] said Pablo`s drink of choice is beer and he only saw him consume a few every once in a while. [redacted] said he didn`t pay attention if Pablo had any problems. [redacted] said he would see Pablo daily and said Pablo didn`t make mention of having any major problems/ concerns to him or other renters aside from losing his job at the vineyard. [redacted] said Pablo got the car wash job approximately 3 days ago. [redacted] said Pablo was only out of work for a few days.

I asked [redacted] if Pablo ever displayed any odd behavior. [redacted] said no. I asked [redacted] to elaborate on Pablo being easily upset. [redacted] said that one time, [redacted] opened [redacted] bedroom door and motioned to him for help. [redacted] told [redacted] Pablo was upset at [redacted] for no reason. [redacted] told [redacted] he walked by Pablo`s bed and might have brushed against Pablo. Pablo became upset and [redacted] didn`t understand. I asked [redacted] if any threats were made or weapons used. [redacted] told me no. I asked [redacted] to describe Pablo`s level of anger. [redacted] said something to the effect of, "Pablo was upset." [redacted] said Pablo was yelling loudly and aggressively moving his hands while relaying to [redacted] why he was upset at [redacted] Pablo said [redacted] touched him. Pablo did not elaborate further on being touched. [redacted] said in his opinion, Pablo was more upset than he would have been in the situation and [redacted] felt Pablo was over reacting. [redacted] said none of his renters have ever mentioned having any similar incidents with Pablo. [redacted] said he wasn`t aware of any further issues

between Pablo and [redacted] I asked [redacted] if Pablo had an arrest history. [redacted] said Pablo mentioned he had been arrested once but [redacted] didn't know any specifics about the arrest. [redacted] said he didn't have any additional insight on Pablo.

I asked [redacted] to describe the chain of events which led to [redacted] calling Santa Rosa Police. [redacted] said on 8/4/17 at approximately 2200 hours, [redacted] was getting ready for bed and saw Pablo was in the front yard and was seated on a tree stump. [redacted] told Pablo it was time for bed. Pablo acknowledged [redacted] said Pablo was alone and appeared in a normal mood. [redacted] told me he has a house rule that renters go to bed around 2200 hours so no one is inconvenienced by undue noise. [redacted] said Pablo routinely gets home from work at approximately 1800 hours. [redacted] said he didn't speak with anyone else, aside from his wife prior to going to sleep. [redacted] said he didn't see Pablo consume any alcohol prior to going to sleep.

[redacted] said early in the morning, he heard loud knocking on his bedroom window. [redacted] said he asked who it was and heard [redacted] demanded for [redacted] to come to the window. [redacted] appeared excited and told [redacted] that Pablo is going crazy in their room and was in possession of a knife or scissors. [redacted] said he had to jump out the bedroom window because he was scared. [redacted] asked [redacted] to call the police and also asked [redacted] to open the front door so he could come into the house since he was locked out. [redacted] said in his excitement, he accidentally dialed too many numbers in an attempt to call Santa Rosa Police. [redacted] said he was still able to reach 911 and said he told the dispatcher that his renter was going crazy in his house and was in possession of a knife or scissors.

[redacted] said he opened his bedroom door and walked down the hall toward the front door. [redacted] said he asked his wife to stay in the master bedroom. [redacted] said he didn't hear any noises coming from Pablo's room and said the bedroom door was closed. [redacted] opened the front door for [redacted] to enter. [redacted] said he saw [redacted] was bleeding from the leg. [redacted] asked [redacted] why he was bleeding, [redacted] told [redacted] something to the effect of, "I don't know, maybe I was stabbed." [redacted] said he and [redacted] waited in the front room for the police to arrive. [redacted] said 2 or 3 officers arrived. [redacted] said the officers were in the hallway and began calling to Pablo to come out of the bedroom with his hands up. [redacted] said he didn't see the officers with anything in their hands initially. [redacted] said the officers were giving Pablo commands in English and Spanish. [redacted] said he heard the officers give Pablo the commands approximately 5 times. [redacted] said he and [redacted] were seated in the front room while the officers attempted to gain Pablo's compliance. [redacted] said he was close enough to see what was transpiring in the hallway.

[redacted] said Pablo didn't appear to want to put his hands up. I asked [redacted] to elaborate. [redacted] said he heard what he thought was an electrical weapon being discharged. [redacted] said he then remembered seeing something in the officer's hands. [redacted] said he didn't know what the police were holding. [redacted] said he heard a lot of noise coming from Pablo's bedroom. [redacted] described the noise as Pablo climbing under his bed. [redacted] said he saw Pablo come out of the bedroom and appeared to run into the bathroom which was across the hall from Pablo's bedroom. [redacted] said he was not able to see if Pablo had anything in his hands. [redacted] then drew a top down view of the hallway and told me each room's location. (I later placed the drawing into evidence.) [redacted] said when Pablo ran into the bathroom and refused to come out, the officers continually told Pablo to come out of the bathroom with his hands up to no avail. [redacted] told me he felt the officers thought Pablo had a weapon. [redacted] said the officers sounded loud and scared of what was transpiring. [redacted] said at one point he also heard Pablo's voice but was unable to understand what was being said. I asked [redacted] to elaborate. [redacted] told me the officers were knocking on the door and Pablo refused to come out.

. asked [redacted] if the officers did anything when Pablo came out of the room and went into the bathroom. [redacted] said he heard a loud popping sound (1 pop) but didn`t know what it was from. [redacted] told me he saw a lot of movement when Pablo went into the bathroom. I asked [redacted] to elaborate. [redacted] told me the officers appeared to quickly back up when Pablo exited the room. [redacted] said the officer`s immediately went back to Pablo`s door and continued giving him commands to come out with his hands up. [redacted] said he noticed there were officers on either side of Pablo`s bedroom door. [redacted] said he felt the officers backed away because he felt they thought Pablo had exited out the back and was gone.

[redacted] appeared confused with me asking him to elaborate. [redacted] was trying to explain that the officers had backed away from the bedroom because Pablo didn`t come out of the bedroom but when they heard noises within, the officers went back to investigate. [redacted] said that is when Pablo ran into the bathroom. I asked [redacted] what the officers did when Pablo exited the room. [redacted] said the officers did nothing. [redacted] said the officers continued ordering Pablo to come out with his hands up. [redacted] said he then heard the popping sound and said he didn`t see or hear anything after Pablo ran into the bathroom as he was escorted outside to a patrol car by an officer.

[redacted] said things were calm at first and said that quickly changed. [redacted] said something like this has never happened before. [redacted] described feeling bad because he knew Pablo was crazy and didn`t know what was going to occur which scared him. [redacted] said he was worried about his wife who was still in the bedroom at the end of the hall. [redacted] added he was also worried of the possibility that Pablo had a firearm in his possession instead of a knife or scissors. This worried [redacted] who said if Pablo came out of the bedroom with a firearm, this could have posed a risk of crossfire which could have placed his wife in danger. [redacted] said he was thankful officers were able to get his wife out of the house safely.

[redacted] said while he was in the back of the patrol car, he saw officers escorting others out of the house. [redacted] said he could not hear anything. [redacted] had nothing further to add but said his thoughts were scattered so the interview ended. I thanked [redacted] and provided him with a business card with the case number on the back and asked him to call me if he remembered anything additional.

Next I interviewed [redacted] who is a tenant and resides in the garage. Officer Rivera translated for [redacted] who spoke only Spanish. The following is a summary of [redacted] statement. The interview was captured via my audio recorder. I later transferred the recordings to a CD. The CD was booked into Property/Evidence at the Sonoma County Sheriff`s Office (SCSO). The following is a brief overview of the interview. Please refer to the CD for specific details.

Interview with [redacted]

[redacted] said he has lived at the house for a 3 months. [redacted] said he didn`t know why he was at Santa Rosa Police Department. [redacted] said he rents the garage which he shares with [redacted] and [redacted] said he uses the kitchen and bathroom inside the house but mainly stays in the garage. I asked [redacted] if he knew who lived in the house. [redacted] said he knew the owners, [redacted] and his garage roommates. [redacted] said he knew of another family who lived in the shed in the back yard. I asked [redacted] if he knew Pablo. [redacted] said he knew [redacted] had a roommate named "Chapo" but didn`t know his real name. [redacted] said he works all day, comes home, eats and goes to sleep and doesn`t mingle with the others. [redacted] said he has never heard of other tenants having issues with each other. [redacted] said he thought this was odd because everyone in the house is friendly and gets along. [redacted] elaborated and said the tenants don`t interact much but when they do, they are friendly.

[redacted] said there was nothing out of the ordinary occurring at the house last night. [redacted] said he ate dinner at 1800 hours and went to bed between 2100-2130 hours. [redacted] said he routinely wakes himself, today he was

woken up to a lot of talking outside the house. [redacted] said he thought he saw emergency lights shining through the garage window so he saw up to see what was occurring. [redacted] said the garage window partially faces the street and front of the house. [redacted] elaborated and said he saw emergency lights from a fire truck. I asked [redacted] what he saw occurring outside when he looked. [redacted] said he thought there was a crash outside because there is an intersection nearby so he continued to look outside. [redacted] said Santa Rosa Police entered the garage a short time later and asked them to exit the garage/ house. [redacted] said he didn't understand what the Police Officer said. I asked [redacted] what he saw when he was escorted outside via through the house. [redacted] said he saw a lot of officers. [redacted] said he didn't see anything odd but said everyone looked busy. [redacted] further described being walked into the house from the garage, through the house and into the front yard. [redacted] said he was walked across the street and was asked to wait on the sidewalk. [redacted] said while he waited on the sidewalk, no one talked about what occurred.

[redacted] said he had no further information as to what occurred so the interview ended.

Next I interviewed [redacted] who is a tenant and resides in the garage. Officer Rivera translated for [redacted] who spoke only Spanish. The following is a summary of [redacted] statement. The interview was captured via my audio recorder. I later transferred the recordings to a CD. The CD was booked into Property/Evidence at the Sonoma County Sheriff's Office (SCSO). The following is a brief overview of the interview. Please refer to the CD for specific details.

Interview with [redacted]
[redacted] said he has lived at the house for 5 years and resides in the garage. [redacted] also described being friendly to the other tenants but said he kept to himself and didn't mingle much. [redacted] said he was only friends with the two males he shares the garage with. [redacted] said he knew [redacted] as they had worked together in past jobs. [redacted] described [redacted] as serious and said at times, was not friendly. [redacted] said [redacted] suffered from possible Epilepsy/ seizures which altered his consciousness. [redacted] knew of "Chapo" (Pablo) and said he shared a room with [redacted] said he was friendly/ courteous with Pablo. [redacted] described Pablo and [redacted] relationship as courteous but they were not friends. [redacted] said he wasn't aware of Pablo and [redacted] having any arguments nor did he hear from other tenants of them having issues. [redacted] said Pablo lived in the house for approximately 1 year.

I asked [redacted] if Pablo had an arrest history or issues with drugs/ alcohol. [redacted] said no. [redacted] said he only saw Pablo periodically consume alcohol (beer). [redacted] said he didn't pay much attention to other tenants and only focused on working and keeping to himself. I asked [redacted] if he noticed if Pablo had money problems or anger issues. [redacted] said he was unaware of Pablo having money problems. [redacted] said Pablo was easily angered. [redacted] elaborated and said he and other tenants avoided Pablo while they were utilizing the kitchen and bathrooms, he further said they would allow Pablo to finish whatever he was doing as to avoid being in his way. [redacted] could only describe Pablo as curt, short tempered and bad character type of person. [redacted] said he would just avoid Pablo. I asked [redacted] to elaborate as to why he felt this way of Pablo. [redacted] said he wasn't privy to any specific incidents nor did he hear of any involving other tenants but said Pablo just had an air about him that caused them to give Pablo space. [redacted] added that Pablo would give dirty looks that made others uncomfortable around him. I asked [redacted] if he ever saw Pablo with any type of weapons. [redacted] said no.

I asked [redacted] if he remembered anything occurring at the house last night. [redacted] said no. I asked what time [redacted] went to sleep. [redacted] said he went to sleep at approximately 2100 hours. I asked [redacted] how he was woken up this morning. [redacted] said he heard yelling early this morning. [redacted] said he felt the noise was outside the garage but didn't hear anything specific. [redacted] said he was still waking up and couldn't make out what was occurring. [redacted] said within minutes, a Santa Rosa Police

officer entered the garage and asked them to exit through the house. I asked [redacted] if there is a window on the garage. [redacted] said yes and described it as having blinds. [redacted] said he didn't look out the window to see what was occurring. I asked [redacted] if he saw flashing lights through the window. [redacted] said he thought he saw flashing lights through a gap between the ground and garage door.

I asked [redacted] to elaborate on what he saw while the police officer brought him and his roommates through the house from the garage. [redacted] said while he was being escorted outside, he saw a police officer holding what appeared to be a handgun. [redacted] said the officer was pointing the gun down the hallway, toward the bathroom. [redacted] said he also saw a piece of paper on the ground in the hallway. He didn't know what was occurring nor did he see anything else. I asked [redacted] of there was just the one officer or were there more. [redacted] said he saw approximately 3 officers in the area of the hallway while he was being escorted outside. [redacted] said he didn't remember seeing if the other officers had their guns drawn. I asked [redacted] if he heard anything while being escorted outside. [redacted] said he didn't hear anything. I asked [redacted] if he heard the officers saying anything. [redacted] said yes and added that he didn't understand as they were speaking English. [redacted] said he and his roommates were escorted across the street and asked to wait on the sidewalk. [redacted] said he asked what occurred but no one had any answers. I asked [redacted] if he was able to see the house while they were waiting outside. [redacted] said a firetruck, paramedics and other police cars were in the area and he was unable to see much. [redacted] said he saw the home owners (The [redacted]) and [redacted] were brought out of the house. He saw [redacted] was placed into an ambulance.

[redacted] said he didn't know what occurred and was confused. I had no further questions for [redacted] so the interview ended.

Additionally, I learned a family rents a shed in the back yard who might have witnessed/ heard the incident. Other detectives interviewed the parents so the children could be interviewed at the Redwood Children's Center later in the afternoon.

The children, [redacted] and [redacted] were accompanied to RCC by their parents ([redacted]).

The interviews were conducted by forensic interviewer [redacted] and watched by Sonoma County District Attorney Office Deputy DA Robin Hammond and myself. The interviews were translated by Certified Court interpreter [redacted] because the children spoke only Spanish.

The first interview began at 1730 hours and was captured on DVD. The DVD was later booked into Property/Evidence at the Sonoma County Sheriff's Office (SCSO). The following is a brief overview of the interview. Please refer to the DVD for specific details.

Interview with [redacted]

[redacted] said she, sister, mother and father live in the house (Shed). [redacted] said she was home with her sister and mom. [redacted] said her dad wasn't home as he was working. [redacted] said she was woken up in the morning by her mother who told her the police were coming. [redacted] said she was hiding from the police. [redacted] said the police were looking for her. [redacted] could not elaborate on why the police were looking for her. [redacted] was unable to provide any insight into the incident as she was having trouble understanding the questions possibly due to her age.

The interview ended at 1749 hours.

The second interview began at 1755 hours and was captured on DVD. The DVD was later booked into Property/Evidence at the Sonoma County Sheriff's Office (SCSO). The following is a brief overview of the interview. Please refer to the DVD for specific details.

Interview with [redacted]
[redacted] said she lives in the house (Shed) with her mom, dad and sister ([redacted]). [redacted] said a friend of her mom's lives in the main house. [redacted] didn't know the name of the friend. [redacted] said the friend has two grown children that live in the house. [redacted] said no one else lives in the house. [redacted] said she doesn't go into the main house. [redacted] said she was woken up this morning by her mother. [redacted] said Santa Rosa Police asked her mother, sister and herself to exit the house because someone was going to do something. [redacted] said the Santa Rosa Police told her mom a guy was trying to set traps. [redacted] said she didn't see anything while she was at the house. [redacted] said she heard a man walking but he left after the police arrived. [redacted] said when the police arrived, she was sleeping. [redacted] was unable to provide any further details.

The interview ended at 1815 hours.

Nothing further.

Supplemental Investigative Report
Case # 170805-019
Sonoma County Sheriff`s Office
Detective Jeff Toney
Violent Crime Investigations Unit

On 08/08/2017, at approximately 1400 hours, I briefed with VCI Detective, Jesse Hanshew, regarding the post mortem examination of (OF-1) Pablo Garcia-Garcia. During the post mortem examination that was conducted by Forensic Pathologist, Kimi Verilhac, three bullets were recovered from Garcia-Garcia`s body.

Based on the findings during the autopsy of Garcia-Garcia, and the fact there were five expended shell casings located at the scene ([redacted] during scene processing, it was determined we would need to return to the scene to possibly locate two bullets which remained outstanding.

I telephoned Santa Rosa Police Department (SRPD) VCI Detective, Greg Wojcik, and briefed him on the findings during the autopsy. Knowing Detective Wojick authored the original search warrant for the premises at [redacted] during the initial investigation, I requested he author an addendum search warrant, allowing investigators to return to the property to search for the outstanding bullets.

At approximately 1700 hours, I met with SRPD Detective Wojick at the Sonoma County Sheriff`s Office and he provided me a an addendum search warrant for the premises located at [redacted] Santa Rosa, CA. I reviewed the search warrant and noted it had been reviewed by Sonoma County Deputy District Attorney C. Fowler, and signed by Sonoma County Superior Court Judge, Elliot Daum, at approximately 1645 hours. I also noted the search warrant was ordered sealed by Judge Elliot Daum.

EXECUTION OF SEARCH WARRANT AT [redacted] SANTA ROSA, CA

At approximately 1725 hours, Sonoma County Sheriff`s deputies, Tom Howard, Andrew Pieper, Juan Valencia, along with Sheriff`s detectives Kyle Petersen, Tom Peirsol, Jayson Fowler, Michael Baraz, Troy Newton, Sergeant Vance Eaton, and I, responded to [redacted] Santa Rosa, CA to execute the search warrant.

Upon arrival, resident (IO-2) [redacted] was contacted as he was sitting on the west side of the residence. Deputy Valencia (Spanish speaking) explained the purpose of our presence. [redacted] provided Deputy Valencia a key to the front door of the residence and said he didn't believe there was anyone inside the residence.

Deputies Howard and Valencia accompanied me to the front door of the residence. Knock and notice announcements were given in both Spanish and English. Hearing no response, I used the front door key to unlock the door.

Upon entry, (CO-13) [redacted] was contacted in the hallway bathroom and he was escorted outside. During the protective sweep, three locked bedrooms (doors) off the eastern hallway were forcibly breached for safety purposes after hearing no response during knock and notice. The doors of the bedrooms were forcibly breached to ensure the safety of the Sheriff's Office personnel on scene and the occupant(s) of the residence. Photographs were taken by CSI detectives throughout the execution of the warrant.

After the residence was secured, a search pursuant to the addendum search warrant was initiated by Sonoma Crime Scene Investigations detectives, Baraz, Newton and Sergeant Eaton. During the search, there were two bullets recovered beneath the wood flooring in the hallway. The bullets were marked for identification purposes as items 1-1430 and 2-1430. Refer to Detective Newton and Detective Baraz' supplemental reports for details of their observations, findings and the evidence collection process.

Deputy Valencia contacted/interviewed [redacted] further. Refer to Deputy Valencia's supplemental report for further details regarding his actions and the statements he obtained from [redacted]

After the search of the premises was completed, I left copies on the kitchen table of the Notice of Service of Search Warrant and a Search Warrant Inventory List, which documents the items seized from the premise. Copies of these forms have been attached to this report.

At approximately 1900 hours, Sheriff's Office personnel exited the residence. Upon leaving, I placed the front door keys on the kitchen table as requested by [redacted] and I locked the front door as I exited.

Nothing further at this time

****

On 08/08/2017, at approximately 1725 hours, I assisted Sonoma County Sheriff's VCI Detectives in executing a search warrant at [redacted] Santa Rosa.

While approaching the residence, (CO) [redacted] was contacted outside on the west side of the residence. [redacted] stated he lived at the residence. [redacted] was informed that detectives had a search warrant for the residence. [redacted] provided a house key to open the front door and was not sure if someone was inside.

Knock and notices was given in English and Spanish. During the announcement, Detective Toney used the house key to unlock and open the front door. Once inside the residence, we made contact with (CO) [redacted] who was inside the bathroom. [redacted] exited the bathroom and was escorted outside by detectives while the residence was secured.

After the residence had been secured, I contacted [redacted] outside. [redacted] told me he has lived at the residence for approximately one month and his bedroom is located to the south of the kitchen. [redacted] told me that he had not been interviewed by detectives regarding the shooting at the residence. [redacted] told me that he left the residence on 08/05/2017, at approximately 0430 hours and did not see Pablo inside the residence. Prior to leaving for work, [redacted] used the restroom inside the residence and kitchen before leaving for work. [redacted] had no further information.

While at the residence, I filled out a Sonoma County Sheriff's Department Major Incident Access Log. The access log was later booked into evidence as item #1-JV.

The residence was left secured at 1900 hours.

Narratives

On 08/05/17 at approximately 0900 hours, I was contacted at home by Sgt Justice and asked to respond to SRPD to assist with an Officer Involved Shooting (OIS) investigation. I went to the SRPD and received a briefing on what was currently known about the incident. I was asked to complete a search warrant for the following Santa Rosa Police personnel`s body worn cameras:

Sgt. Philp (ID #385)
Sgt. Mahurin (ID #416)
Officer Vlanhandreas (ID #529)
Officer Badger (ID #514)
Officer McAllister (ID #530)
Officer Dunn (ID #403)
Officer Cincera (ID #404)
Officer Albini (ID #418)
Officer Fajardin (ID #429)
Officer Buenrostro (ID #526)
Officer Turner (ID #527)
Officer Schindler (ID #518)

I completed the search warrant and it was signed on 08/05/17 by the Honorable Judge Daum. A copy of the search warrant was provided to SRPD Sgt Ludtke, and the body camera footage was to be provided to the Sonoma County Sheriff`s Detectives whe were the lead investigators on the case. On 08/07/17, I completed the search warrant return and filed a sealed copy at the court house.

Incident/Investigation Report

Agency: Petaluma Police Department Case Number: 17-0003898

Narratives

On 8/5/17, I responded to Santa Rosa Police Department to assist in the investigation of an officer involved shooting. The Sonoma County Sheriff's Department was the primary agency in charge of the investigation.

I was assigned to respond to [redacted] in Santa Rosa to assist with CSI Tech Allisha Fix. Allisha was assigned to take all of the officer's duty equipment into evidence. My role was to observe the collection of evidence.

I responded with Allisha to collect Park McCallister's equipment. Also present was Sergeant Gilman with the Petaluma Police Department. Allisha asked me to render Park's service weapon safe. I removed the magazine and handed it to Allisha. I then removed one round which I found was in the chamber of the pistol. I then handed the pistol to Allisha to be collected as evidence. Allisha took the round I removed from the chamber and collected it as evidence. I observed Allisha take photographs and collect the gear and equipment in accordance with correct evidence preservation. Allisha retained all evidence collected and returned it to the Santa Rosa Police Department.

Detective Gerke with the Petaluma Police Department observed the collection of gear from Jeff Badger and Nick Vlahandreas. Refer to Detective Gerke's supplement.

I responded back to the Santa Rosa Police Department to meet with Allisha. Also present was Detective Gerke. I observed Allisha remove Jeff Badger's magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 17 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

Allisha removed Park McCallister's magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 17 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

Allisha removed Nick Vlahandreas' magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 11 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

I was then assigned to observe Joshua Young with Santa Rosa I.T. download each of the officer's Taser's information into the server at the Santa Rosa Police Department. I observed Joshua download the following officer's Tasers, Nick Vlahandreas, Jeff Badger, Park McCallister, Sergeant Kyle Philip, Mark Fajardin, and Travis Dunn. Sergeant Gilman with the Petaluma Police Department observed Joshua download the Tasers for Officer's Amanda Cincera and Edward Buenrostro.

The duty equipment collected by Allisha Fix was booked into evidence at the Santa Rosa Police Department.

Narratives

On 8/8/17, I responded to the Santa Rosa Police Department and met with Allisha Fix to inventory the remaining magazines which were on the duty belts of the officers involved in the shooting. Allisha removed the rounds in the magazines and photographed them. I inventoried Park McCallister's first magazine and found 17 rounds. I inventoried Park McCallister's second magazine and found 17 rounds. I put the rounds back in the respective magazines after they were photographed. The magazines were placed back into evidence at the Santa Rosa Police Department.

I inventoried the rounds in the magazines from Jeff Badger. In the first magazine I found 17 rounds. In the second magazine I found 17 rounds. Allisha photographed the rounds. I put the rounds back into the respective magazines. The magazines were placed back into evidence at the Santa Rosa Police Department.

I inventoried the rounds in the magazines from Nick Vlahandreas. In the first magazine I found 17 rounds. In the second magazine I found 16 rounds. Allisha photographed the rounds. I put the rounds back into the respective magazines. The magazines were placed back into evidence at the Santa Rosa Police Department.

Case #17-3898
Sonoma County Wide Protocol Investigation:

On Saturday August 5th, 2017 at approximately 0830 hours, I was assigned as the on call detective for the Petaluma Police Department when Investigations Sergeant Paul Gilman called me. Sgt. Gilman advised the Petaluma Police Department received a request to from the Santa Rosa Police Department to assist in the investigation an officer involved shooting. Sgt. Gilman advised the Santa Rosa Police Department was invoking the Employee Involved Fatal Incident Protocol. The Sonoma County Sheriff s Department was assigned as the lead investigating agency and the Petaluma Police Department would be assisting them.

Briefing was to be held at the Santa Rosa Police Department, which is located at 965 Sonoma Ave, Santa Rosa.

At approximately 1000 hours, members of the Petaluma Police Department, including myself, responded to the Santa Rosa Police Department for the scheduled briefing. During the briefing the Petaluma Police Department was assigned to observe Crime Scene Investigator (CSI) Allisha Fix (Santa Rosa Police Department) in the collection of the involved officer`s duty gear and weapons.

The officers involved in the incident were currently at [redacted] in Santa Rosa. Each officer had been assigned a [redacted] within [redacted] An additional Santa Rosa officer had been assigned to be with each involved officer while the investigation was being conducted. Myself, Sgt. Gilman, Detective Walter Spiller, and CSI Fix responded to the above [redacted]

Sgt. Gilman, CSI Fix, and myself responded to Officer Jeff Badger`s [redacted] I observe CSI Fix collect and photograph the duty belt and other equipment, which Officer Badger was wearing at the time this incident occurred. CSI Fix collected the evidence / equipment in accordance with correct evidence preservation techniques. While collecting Officer Badger`s equipment CSI Fix requested I render Officer Badger`s service weapon safe. I placed protective gloves on and then removed Officer Badger`s firearm from his duty belt. I removed the magazine from the firearm. The magazine was given to CSI Fix, who placed it into evidence. I then removed a live round from the chamber of the pistol. The above round was given to CSI Fix, who placed it into evidence.

JH: Okay. Have you had ample time to gather your thoughts and otherwise prepare for this interview?

NV: I have.

JH: Okay. Anything that would hinder you giving a statement here today?

NV: Not at all.

JH: Okay. And I don't know of any close relationship or friendship between the two of us. As a matter of fact, this is, this interview's the first time I've met you before -

NV: Correct.

JH: - um, do you know of any closer relationship or friendship between the two of us?

NV: No.

JH: Okay. Now, in regards to the day of the incident, were you sick or injured on that day?

NV: No.

JH: Did you receive any injuries as a result of the incident?

NV: No.

JH: And at the time of the incident were you suffering from any medical conditions or taking any medications that may have impaired your abilities as a law enforcement officer?

NV: No.

JH: Prior to the incident, uh, when did you last sleep?

NV: I slept Friday morning from about 6:00 'til 4:00 in the afternoon.

JH: Okay. And prior to the incident, when did you last eat?

NV: I ate, I had a protein bar maybe 2½ hours before that.

****

JH: Before the incident?

NV: Yes.

JH: Okay. And have you, prior to the incident, consumed any alcoholic beverages within the 24 hours prior to that incident?

NV: No.

JH: Okay. And how long have you been with the Santa Rosa Police Department?

NV: About 5 months.

JH: Any employment at prior agencies or any -

NV: Yes, I was a police officer with the City of Scotts Valley for about 2½ years.

JH: Okay. Prior to that?

NV: No.

JH: Okay. Any, um, prior training, uh, firearms instructor, DT, SWAT, anything like that that you're part of now or previously a part of?

NV: No.

JH: Okay. Any other specialized training you received, for example, crisis intervention training, tactical communications, drug recognition expert, any of those types of training, have you p, participated in, uh, any of those types of trainings?

NV: The Department mandated training. But other than that, nothing outside that realm.

JH: Okay. Um, and your current assignment is what exactly?

NV: I'm a patrol officer for Santa Rosa Police Department.

JH: And the nature of your duties on patrol?

****

NV: To respond to calls for service, be proactitive, enforce California, um, s, law, Federal law, and City ordinances.

JH: Okay. And your work hours, your days, hours, of your shift.

NV: I work Friday through Sunday, 6:30 p.m. to 7:00 a.m.

JH: Okay. And the time you started the shift, um, that incapsulated the incident?

NV: Yes, sir.

JH: What time was that?

NV: The start of the incident?

JH: The start of the shift for that day.

NV: For the start of the shift was 6:30 p.m. on Friday.

JH: And your call sign on that, radio call sign on that day?

NV: George 6.

JH: Okay. thats a uniformed assignment?

NV: Yes.

JH: Do you know the number of the vehicle you used?

NV: 64.

JH: Okay. That's a marked patrol vehicle?

NV: Yes.

JH: Any mechanical defects that you know of with that vehicle?

NV: No.

****

JH: Okay. Um, you mentioned you were, it's a uniformed assignment, um, and we'll start with your uniform itself. Uh, can you describe for me, from head to toe, what your uniform consisted of? Outside of your gun belt, just your uniform.

NV: I was wearing a long sleeve, Class C Santa Rosa Police uniform. It had Santa Rosa Police patches on both shoulders. Uh, badge on the left side, and my name on the right side. Um, and then I was wearing my duty belt, and the Class C BDU pants and boots.

JH: Okay. And that Class C uniform, is that a tan, LAPD blue, or, how would you describe the color.

NV: Blue.

JH: Okay. And let's talk about, uh, you were wearing a hat at the time?

NV: Yes, sir.

JH: And let's talk about your belt. If you could describe your, uh, duty belt, going from the center to the right and all way back to the center

NV: Okay. Um, I have my double handcuff case, pepper spray, my firearm, a Q-ring, um, my baton, radio, taser and two extra magazines.

JH: Okay. And your firearm, can you give me the, uh, make and model of it?

NV: It's a Glock 17, it's a 9 millimeter.

JH: Okay. Any, um, uh, backup guns that you carry?

NV: No.

JH: No. Okay. Any other, uh, firearms, a rifle, a shotgun, anything like that that you had at the time of the incident?

NV: There was a shotgun in my patrol vehicle, but it was locked away during the incident.

JH: Okay. Um, do you have, uh, any recording devices on your uniform?

NV: I had, was wearing a body worn camera.

****

****

JH: And where is that exactly?

NV: It's approximately right here, um, my sternum.

JH: And, for the record, the officer is pointing, uh, mid-chest, in between the breast area. Is that about right?

NV: Correct, yeah.

JH: Okay. So, Officer, if you can, please in kind of your own words, in a free flowing narrative, your own story, uh, can you tell us how you came about the incident? What you were doing before, in, in the best detail possible, just give us your own version about what happened and as detailed as possible.

NV: Uh, as, as I recall, I was driving, um, I believe I was driving on Brookwood and a call for service came out for Officer Badger and Officer Turner. Um, dispatch was not too clear with details, uh, it seemed that there was a, a language barrier. Somebody was asking for the police rápido. I recall that being on the screen looking at the incident. There was mention of a knife and a roommate that was, roommate or s, some person that was staying at the house wasn't acting normal. Uh, those offices were dispatched to the residence. I attached myself to the call. Um, and we all headed to that location. We arrived on scene, um, I believe that we all parked in the same general area. Um, I don't recall the street right now. It's, um, right on the corner where the house is, and believe it was North Coast. Um, Officer Turner and Officer Badger were already on scene. Um, they were talking with a, uh, Hispanic gentleman on the front porch, uh, front entrance of the house. I went walking up. Uh, Officer Turner and Officer Badger advised that they didn't speak Spanish. I have a, a limited knowledge of Spanish, uh, so I attempted to see if I could elicit any further detail. I asked the gentleman what was going on and he said that, I can't remember what he, what he initially said, but, um, I asked him if there was a knife. Um, and he said he didn't see it; however, there was somebody inside who did. So he brought the three of us inside the house. Um, we went in through the front door and walked to the right, which is where the kitchen and living room area was located. In the kitchen, on, somebo, there was another gentleman in a white shirt, um, he was on the phone. He saw that we were there and he was quite emotional. He was crying and very upset. He hung up the phone, uh, asked him what was happening and he began speaking incredibly fast in Spanish. I could not understand what he said, but he started making movements like this. Um, I asked him if there was a knife and he said yes, um, and then I observed on his pant leg there was blood. Um, it looked like the blood was coming from his skin onto the pants. He was wearing a, like sweats, and it appeared that the blood was soaked through where it was visible on the outside. Um, so we asked him where this happened and he pointed to one of the bedrooms that was located along the south side of the

****

house, uh, closest to the living room. That shared a wall with the living room. So I told both gentlemen to wait where they were. Uh, Officer Badger, Officer Turner and myself we went to the room, uh, which was locked. We had to obtain a key from, I forget which gentleman provided the key. Officer Badger, I believe, opened the door. Prior to opening the door he announced our presence. English and in Spanish. Um, we didn't know what we were goin' into. Excuse me. And, um, he announced multiple times, Santa Rosa Police Department, uh, policía and he opened the door. And it seemed like the door wouldn't open, there was, it seemed like there was something behind the door. But he opens the door, and we do a quick peek inside the room and we don't see anybody in there. And, looking through the room, there's a, a window. And, it was a, a normal size window, you know, someone could easily fit through. The window was open, the blinds were to the side, and the screen door was, uh, the screen was missing. So we didn't know if he had run from the house. Um, we went, exited the room and went back to the two Hispanic gentlemen. Um, and Officer Badger and Officer Turner went to go and see if he was in the back yard somewhere. While I was in the kitchen/living room area, while I was talking with the two gentlemen, um, just, just trying to get some basic detail, um, and at that time from my interpretation of what had happened, uh, I believe that a, an assault with a deadly weapon had occurred. I believe that the, the gentleman that had the bloody let, that someone had tried to cut him with a knife, um, and in my mind it was a felony, violent felony that had just occurred. Uh, we didn't know if the suspect was still on scene, so the other two officers, Officer Turner and Officer Badger went to the back yard, um, to see if he was out there. As I'm talking with the two gentlemen in the living room and the kitchen, we hear a noise from the room. It sounds like something, an object I being dragged across the wall, making, uh, a noise. I don't know what it is but it's, it was loud enough to cause all of us to look, and one of the gentlemen said, "He's in there, he's still in there." So I go to the room, I announce myself, uh, policía, Santa Rosa Police, and I open the door. I can't recall if the light to the room had been turned on when we initially went to the room to, to search it or if I turned it on then or if it was turned on later, um, but I remember seeing Officer Turner through the window and he was in the back yard and I told him, hey, get back in here, the guy's still here. So, there were two beds in the room. The bed on the right appeared disheveled and, you know, upended. The mattresses weren't sitting on the, the bed as they usually are. The bed on the left was. It appeared that somebody had slept there but nothing out of the ordinary happened. The right one, it just didn't look right. There were, they were off center, the mattress and the box spring. So I grabbed those and moved them over because that was the direction of where I heard the noise from. As I'm moving the box spring and the mattress off the bed, I see a pair of legs, um, no pants on or anything, that I see legs so, he's in here. Officer Badger and Officer Turner get back into the house. Uh, I say, hey, he's right here. I believe I, at that point, I realized that the gentleman's naked. Uh, so I move stuff off the bed so that we can have a better view of him 'cause we didn't know where the knife was, if there were any other weapons, or, really what was going on with this guy. And every time I would move something, he would keep crawling back and back, farther away, trying to, what appeared to be,

****

he was trying to hide from us. Um, so I got the mattresses and the box spring off and there w, it was a twin bed, and there were these rungs that were on top of the bed. Um, kinda keeping everything up. Just the bed frame, it was off the ground a little bit and there was some drawers or something up above, beneath the bed. Um, and that was preventing us from having a clear view of the gentleman so I grabbed the rungs and I moved them so that way we could see him. Under the bed were what appeared to be couch cushions, something, to that effect, they were cloth filled with, I don't know, some s, stuffing or something. Um, and once I had the rungs off, he would take those and he was trying to put 'em all over his body. So, like he was tryin' to, still tryin' hide. I believe it was at this point that I saw that the knife was still next to the subject. Uh, it was a silver, almost like a butcher's knife, it was about, what appeared to me to be 8 to 12 inches long. Um, sharp on one side and came to a point. Um, Officer Badger and I began giving directions to the man to put his hands up, um, in Spanish. excuse me and, Officer Badger, I believe, told Officer Turner to take the two gentlemen out of the house to keep them safe. Um, at this point, we believe it's only this gentleman in this room; however, there are multiple other rooms in the house. We don't know who's in there at that point and this is the only room that we have been in besides the kitchen and the living room. Um, so we're giving the guy commands and, you know, we, we're continually giving him commands and they're clear, concise commands. Más arriba. Más arriba, hands up. And he keeps crawling so I grab the cushions and move them aside so that we can have a, a better view of him. I'm able to get all of the cushions except for one, I believe, and he kinda puts that on his, his, mid region, you know to his, protecting his groin and stomach it looks like. We keep givin' him commands, hands up, hands up, um, I believe, put the knife down. And, he puts the knife down and he puts his hands up, behind the bed frame. Not to a position where we can readily access his person and detain him. Um, I don't, I don't even know who would have been to detain him in handcuffs from that position, just because his hands were behind the head board, in between the wall, his hands, and then the head board. There wouldn't have been enough room to, to twist him around to get him in, in a position, um, and it wasn't necessarily safe enough to access the knife. It was still extremely close to him. Uh, at this point, we were in the door frame, Officer Badger and I, we're approximately 12 to 15 feet away from this gentleman, uh, so, keep tellin' him, keep his hands up, uh, and I, I believe I took my taser out at this point. Um, it could have been after, but, he puts his hands down, he picks the knife back up. And he kinda sits up, on the ground, still has the, the cushion protecting, you know, from right here approximately his, his chest, down, um, and he was, he was moving erratically, he was, it didn't appear to be a normal state for somebody. It was, it was early in the morning, um, and he was, he was fidgety, he was movin' all over the place, you know, he, he appeared, you know, wide eyed and just, and not normal. Uh, so, at, I'm still believing that this is the susb, this subject has a knife, just like dispatch said that s, the suspect had a knife, so I'm believing that this is the suspect in the 245 that we are currently investigating, or attempting to begin our investigation. Um, the gentleman sits up and I have my taser out, and I thought I had a clear shot to deploy my tasers to incapacitate the gentleman using a less legal force option to attempt to detain him, um,

********** 8
***

****

so that we could safety remove him from the situation to get him away from the knife. My taser was not effective. Um, I believe I only got one probe into the subject. I don't know where the second one went. Possibly into the, the cushion. However, it was not a, an effective taser deployment. Uh I notified dispatch of this and the gentleman pointed the knife at me. The tip of the blade pointing towards Officer Badger and I, um, moving it around. Uh, I believe I pressed the trigger on my taser again which activated another 5 second cycle of my taser. Um, which didn't appear to have any effect on him. You know, he just kinda worked through it. Um, and he made multiple, um, movements at that point where he was bringing the knife back like he was going to throw it. Um, my thought process at that point, you know, he, if he throws the knife from that distance it's gonna inflect great bodily injury or death, uh, from that distance. We're extremely close and, um, we advised dispatch that we, dispatch asked if we needed another officer from Edward team. I advised yes we do, preferably a Spanish speaker. Um, unfortunately Officer Badger and I didn't, we don't have a, we're not fluent in Spanish. Um, so I advised Officer Badger I'm going to deploy some pepper spray to try and just do something using a less lethal force option to try and get the subject to put the knife down. Um, all the while Officer Badger and I are continually giving commands, um, to put his hands up, to drop the knife. I deploy the taser, or, excuse me, the pepper spray, and I get the pepper spray across the subject's eyes and he puts his hand up. The hand without the knife in it, and blocks the pepper spray. There was a, a blanket that he grabbed that was in front of him and he began wiping the pepper spray from his eyes. Um, it didn't seem to have much of an effect on him, and, you know, at this point we're, we're tryin' to, to use the lowest force option to try and detain this guy. Um, and he said something to the ef, the gentleman said something to the effect of this ends now. I don't know if that's an exact quote that he, he used, though it was something to that effect, and that kinda, it w, it was an odd statement to make. You know, it's not something, um, in my almost 3 years of being a law enforcement officer that somebody says during minor action. Um, so, he stood up, and Officer Badger deployed his taser and the gentleman fell forward onto the bed, the, the clean bed, the other bed in the room. He didn't fall completely face down to where he was parallel with the floor, it was kinda like he just, he fell over but he was leaning against the bed, still in a, a standing position. At this point he was 5 to 10 feet away from Officer Badger and I in the, where we were in the, the door frame. Um, Officer Badger said get him and I said to him, "He still has the knife." Um, at that point I did not believe that there was a safe way that I could take this gentleman into custody. Um, knowing that the taser cycle is 5 seconds I did not believe that there was a way that I could safely get to him and control him in a manner that I could get the knife. The taser cycle ended. Um, the gentleman turned towards Officer Badger and I and as he was turning both of us seemed like at the same time, we retreated backwards from the door, um, in opposite directions. The gentleman turned towards us, continued to turn towards us and took a step. It, it seemed like with the knife raised. Um, and as he turned, I believe I, I un-holstered my firearm, um, and as he came towards us with the knife raised, I fired multiple shots at him. I fired, I was in fear for my life, Officer Badger's life, and anybody else in the house. I feared that

****

the gentleman with the knife was gonna cause great bodily injury or even death to anyone that he encountered, and Officer Badger and I were a little bit more than an arm's length away from this gentleman. Um, I fired while retreating backwards away from this gentleman and he ran directly across the hallway into what appeared to be a bathroom. What we later found out was a bathroom. Um, and he shut the door. And when he shut the door he didn't shut it all the way to where the door was closed. There was still a little gap, um, that the door was open. However, um, I didn't, there was no way I was gonna go into that room after what we just encountered in the bedroom. Um, so Officer Badger and I took positions of cover to attempt to protect ourself and give us some space, some distance between this gentleman with the knife and other officers arrived on scene, um, and got the rest of the people out of the house. Which it turned out there was quite a few people in, in the house. Um, and officers arrived on scene with the shield and were able to, to enter the bathroom after continually giving commands, um, to this, the gentleman and determined that the, the scene was secure.

JH: Okay. Um, as we talked about before, um, we know that the body worn camera footage does exist, um, do you wanna view that today?

NV: Yes, please.

JH: Okay. Um, uh, we'll, we will take a break here shortly, um, for any follow up questions and we can make that available to ya, but in the event, or, of, uh, given the fact that you want to view the body camera footage I just want to redo this admonition, okay. Uh, in this case there is audio/video evidence that you will have an opportunity to view after you have given your initial statement, which you've done. Uh, the video evidence has limitations and may depict the events differently than you recall and may not depict all of the events as seen or heard by you. Video has a limited field of view and may not capture events normally seen by the human eye. The "frame rate" of the video may limit the camera's ability to capture the movements normally seen by the human eye. Lighting as seen on the video may be different than what is seen by the human eye. Videos are a two dimensional media and may not capture depth, distance or positional orientation as well as the human eye. Remember the video evidence is intended to assist your memory and ensure that your initial statement explains your state of mind at the time of the incident. You should not feel in any way compelled or obligated to explain any difference in what you remember and acted upon from what viewing the additional evidence provides you. If listening to audio recordings or, uh, viewing video recordings provides additional clarity to what you remember, that is fine. If it does, if it does not, that is fine too. Any questions about that?

Officer Nick Vlahandreas: No.

JH: Okay. Um, we're gonna go ahead and take a break if that's okay with you.

NV = Officer Nick Vlahandres (Interviewee)

ZL = Zachary A. Lopes (Rains, Lucia, Stern, St. Phalle & Silver, PC)

Interview Date 8/8/2017 @ 1923 Hours

JH: Today is, uh, 8/8/2017 at 1923 hours. Detective Hansh, Jesse Hanshew and Joe Horsman, uh, [redacted] um, with Officer Vlahandreas.

NV: Correct.

JH: And, uh, his attorney, Mr. Lopes. Um, Officer Vlahandreas I just have a couple follow-up questions. Um, can you explain, um, - I do know that your body worn camera was activated. Can you explain at what point you actually activated it during the course of the incident or do you recall?

NV: I cannot recall if when I got out of my patrol vehicle when I initially got on scene I can't recall if I actually activated my camera. However, I do know, I recall, um, after my first taser deployment I looked down and I didn't see the, the green light blinking on my body worn camera, and I saw that the lens was up and I activated it. Um, so I don't know if there was a point that it was on and when I was moving the bed frames it's possible that it could have, um, shut off my body worn camera just by coming into contact with the bed, but I don't recall if I had it on at that point. I just don't recall. I know after the, the first initial taser deployment I did activate my body worn camera, um, and it was on throughout the entirety of the rest of the incident.

JH: Okay, um, early on, uh, in your encounter with the gentleman who was underneath the bed, um, you, you described, I understood sitting here with you today, some movements with a knife. Can you just clarify that for the record for those that would listen to it later? Can you describe that for me?

DETECTIVE: Det. J. Hanshew #1627 TYPED BY: SpeakWrite

****

NV: At which point?

JH: Um, early on near or around the time when, uh, you deployed your OC pepper spray.

NV: Well, he, um, took the knife in a, uh, throwing motion was one of the, uh, the times that he moved the knife, um, almost like he was gonna throw a baseball. He had his opposite hand, his free hand without the knife extended towards us, pointing towards Officer Badger and I in the doorframe. The hand with the knife was, um, raised back as if he was getting ready to throw so, uh, a baseball. Um, it was, his hand was, so almost behind his head with his forearm extended upwards towards the s, the sky with the knife in hand, um, as if he was getting ready to throw it.

JH: Okay, and I think you recall another motion while he was in possession of the knife, um, moving his ho, hand side to side, do you recall that? Um, or am I mischaracterizing the movement you were trying to describe earlier?

NV: He was quite fidgety. He was moving the knife all over.

JH: Okay.

NV: Um, there was no rhyme or reason to the, the way he was moving the knife at, throughout the majority of the, the incident. Um, it, it was he was all over the place.

JH: Okay. Uh, you mentioned that at some point he's underneath the bed, a cushion, uh, may have been on top of him at this point. The knife was, um, either on him or beside him, and again I don't want to mischaracterize your statement, uh, at what point does, does he obtain the knife? Can you go through that for me one more time?

NV: I believe it was when I was trying to take, um, items off the bed. He had grabbed a knife and he had it in his hand close to his body, um, and that was the reason I couldn't get that last cushion. Um, however, when were continually giving him commands and he initially, he did put his hands up by the baseboard.

JH: Okay.

****

DETECTIVE: Det. J. Hanshew #1627 TYPED BY: SpeakWrite

NV: Or the, the headboard of the, the frame, the bed frame. Um, he was lying on his back when he had his hands raised at that point without the knife in his hand. The knife was close to his upper body on the, I believe, his right side of his body, um, wi, easily within arm's reach.

JH: Okay, and initially when you were moving the cushions was it on his body, to his sides, in between his legs, or where was it exactly before you obtained it, um, when you were moving the cushions in that kind of area about that time?

NV: Off the top of my head I can't recall. I'd have to refer to my body worn camera.

JH: Okay, no problem. Um, and, and you mentioned earlier – well, do you recall the suspect saying anything that you understood, uh, whether it be in Spanish or English?

NV: He said something to the effect of this ends now. Uh, I can't recall all the other statements that he made without referring to my body worn camera.

JH: Okay, anything else, Detective Horsman regarding follow-up?

JH1: No.

JH: Mr. Lopes, regarding follow-up?

ZL: I have nothing else.

JH: Okay, I think we're gonna take one more break. Uh, you did want to do that, uh, body worn camera footage. We're gonna make that available to you. So, we're gonna take one more break and do that. Um, 8/8/2017. The time is 1928 hours.

Um, Officer Vlahandreas you were able to view your body worn camera video. Is there anything you want to expand upon or clarify within the details of your original statement?

NV: It's just after reviewing the body worn camera I'm really, refreshes my recollection as to how aggressive the subject was towards us, um, and just non-compliant with orders, um, and how we tried to really deescalate the situation and try and use the, the lowest force option, um, and I, you know, it, it really, uh, we like, we tried for quite a while to try and get him to comply with us, um, to give him every opportunity that we could, um, to try and help him, um, and he, you know, the statements that he made were, uh, that I, it was something, it just, it really refreshed my, my recollection and we didn't really think of that, um, prior to reviewing that.

JH1: Um, you're free to leave at any time. You are not obligated to answer any question asked by myself or Detective Hanshew. Um, it's my understanding that there was a body-worn camera, uh, that you had at the time of this incident. Have you reviewed that video prior to this interview?

PM: No.

JH1: Okay. And at this time, are you prepared to provide a statement, uh, regarding what occurred?

PM: Yes.

JH1: Okay. Have you had ample time to gather your thoughts and otherwise prepare for this interview?

PM: Yes.

JH1: Anything that would hinder giving a statement at this time?

PM: No.

JH1: And just to clarify, um, I just met you prior to this. Was that the first time we ever met?

PM: Yes.

JH1: And we have no close relationship that either one of us know about. Is that true?

PM: Not that I'm aware of.

JH1: Okay, all right. So we'll start off with, um, are you sick or injured or were you at the time of this incident?

PM: Uh, no on both counts.

JH1: Okay. Did you receive any injuries as a result of this incident?

****

PM: No.

JH1: At the time of the incident, were you suffering from any medical condition or taking any medication that may have impaired your abilities as a law enforcement officer?

PM: No.

JH1: In reference to this specific event, and we're gonna' do both since there's been time since this occurred, but in reference to that event, when was the last time you slept prior to the event occurring?

PM: The day of that incident?

JH1: Correct.

PM: Um, would have been the day before, was the 4th I suppose, that Thursday. Um, I took about a 2 ½ hour nap between say 1 and 3:30.

JH1: Okay.

PM: And then I, probably 8 or 9 hours the night before into the morning of the 4th.

JH1: Okay. And in reference to, and, and I know it's tough goin' back in time to that day at this point, there has been time, but do you remember when you had last eaten prior to the, that event?

PM: Uh, I had some, like, berries and, uh, yogurt probably about 3:30ish.

JH1: Okay. And had you consumed any alcoholic beverages in the 24 hours leading up to preceding the event?

PM: No.

JH1: All right, we're gonna' be goin' into background data, um, just your general experience at this point. Um, so how long have you been at the agency, uh, Santa Rosa?

****

PM: Since March.

JH1: And how long in law enforcement total? In other words, were there any prior agencies before?

PM: Yes, uh, I graduated the Academy in December of 2005. I worked for the Torrance Police Department until 2008 and then the Stockton Police Department from 2008 to 2011 and then from 2011 'til I started at Santa Rosa and I worked for the El Segundo Police Department.

JH1: Okay. And in terms of your prior training, and when I say prior training, um, when it comes to stuff like firearms, SWAT, um, anything you could describe for us?

PM: I was a member of the SWAT team in El Segundo for approximately 5 years.

JH1: Um, prior training as it relates to your duties, and the examples of that would be technical, tactical communications, drug recognition expert, uh, stuff you've done, uh, that you've been trained in.

PM: Uh, well, I've been through a SWAT school, um, and some firearms classes related to that. Uh, I've been through, uh, an arides class by CHP. It's a drug and alcohol recognition, so not, not a DRE, but training related to that. And then I did a 40-hour seminar for, uh, with a wet lab for DUI and that's all that comes to mind.

JH1: Okay. Um, any prior special assignments or collateral duties?

PM: I was a motor officer for 3 years in El Segundo and then again, SWAT for 5 years was a collateral assignment.

JH1: Okay. Um, in reference to your present assignment at the Santa Rosa Police Department, what would be the nature of your duties?

PM: Patrol.

JH1: And work hours and shift at the time of this incident?

****

PM: Friday through Monday, graveyards, which is, uh, 6:30 p.m. to 7:00 a.m., so 6:30 p.m. Friday.

JH1: And in reference to this event, what time did you start?

PM: Uh, 6:30.

JH1: Okay. And your call sign?

PM: I was 6 George 5 that night.

JH1: And is that your normal call sign?

PM: No.

JH1: Okay. Does it vary from shift to shift?

PM: It does.

JH1: And is this a uniform or non-uniform assignment?

PM: Uniform.

JH1: And how long have you been in this assignment?

PM: Uh, including training?

JH1: Uh, let's do both. Let's do when you got off training and then when you began.

PM: Okay, well, –

JH1: Approximately.

PM: – I started in March, uh, so in, in the training program. Uh, about mid to late April I got off the training.

****

JH1: Okay.

PM: And I've been solo since then.

JH1: And that has all been with, uh, on the graveyard shift that you described?

PM: No, uh, it's all been, uh, days and afternoons –

JH1: Okay.

PM: – up until we just started, uh, graveyards, so I think it was my fifth graveyard shift.

JH1: Okay.

PM: It, one, one night 2 weeks prior to that and one full weekend and this was the Friday. So I think that makes it No. 5.

JH1: Okay. And the vehicle that you were using or assigned at the time?

PM: Uh, I don't know.

JH1: Okay.

PM: I think it was 59, but I'm not sure. It's not my assigned vehicle.

JH1: Okay. And the uniform that you described or that you said you were in uniform patrol, can you describe that just for the record?

PM: It's a 511 BDU style, cargo pants, long sleeved upper shirt with a Sam Brown belt –

JH1: Okay.

PM: – and boots.

JH1: And, like, uh, does it have the insignia Santa Rosa on it or what does it –

****

PM: Yeah, patches on both arms, a badge and my name on the front.

JH1: Okay. And in terms of the equipment that you carry, um, if you could kind of, and usually the easiest way is start from top to bottom, bottom to top, however you wanna' do it, um, but if you can go over your equipment and if there was any defects with it, with any of your equipment.

PM: Um, you're talkin' about, like, body camera –

JH1: Taser, body camera, gun, um, –

PM: Okay.

JH1: – stuff like that.

PM: Uh, body camera and I wear an earpiece for the radio, so earpiece and a mic attached to my vest in the front –

JH1: Okay.

PM: – and body camera and then my belt, which contains, uh, let's see if I can get everything here, uh, magazine case and flashlight and holder, a radio, handcuff case, two of 'em, one in the front and one in the back, uh, OC spray and a handgun and a baton ring, baton.

JH1: Okay. And can you just describe your firearm for me?

PM: It's a Glock 9 millimeter.

JH1: Okay. Um, any other firearms, uh, that you may have on you, uh, backups, and then any other firearms that you carry in your vehicle?

PM: Uh, there's a shotgun in the vehicle. That's it.

JH1: Uh, any other less lethal things that you carry?

PM: No.

****

JH1: All right, so we're gonna' get into your statement now. I'm gonna' read, read a little blurb first. Um, so the nature of this investigation concerns a significant incident you were recently involved in. It occurred in the general area of [redacted] at the residence, um, where we viewed your body camera footage. Um, what I'm gonna' have you do is I want you to describe the, the event in as much detail as you can. I want you to include the time of the event, names of witnesses and names of officers as best you can recall. Include all the information you can remember relative to the circumstances. Um, so and to put that into easier terms, I want you to just go back in time and I'm gonna' let you just give a, just tell the story of what occurred, uh, just lead, leading up to it and then going through the entire event.

PM: Okay.

JH1: All right?

PM: Um, I was driving to the station when the call came out. Um, it came out as a, I believe a 415, which is just kind of a general term 'cause they couldn't get a lot of information. I think the, uh, caller came in over a Spanish translator, so, uh, the information was limited that was provided. And I don't recall looking at it on, on the, uh, MDC. I just heard it over the radio. And, uh, I think at some point they mentioned something about someone had a small cut. Um, they didn't say where on their body, body or how they, how they got the cut, uh, that I heard anyway. I made it back to the station. I was doin' some paperwork. Uh, there, there were units on scene. Uh, they dispatched two units, I think Anthony Turner and, uh, Jeff Badger were dispatched and I think, uh, Nick attached himself, I mean, he, he just, he assigned himself to the call and, and went to it. Um, at some point, uh, I think it was Officer Badger, uh, said it was clear for medical to respond and, and provide aid for the person that needed it. Uh, if they gave the nature of injury, I, I didn't hear it, um, so I kind of thought that the situation was stabilized. It was cleared for, uh, paramedics to respond which generally means it's a pretty stable situation. Um, so I'm still at the station and they asked for a Code 6 which is an additional unit. So I start, I clean up my paperwork and start headin' out to my car and they say someone is armed with a knife. So I responded from the station Code 3, um, all the way to the residence, parked along the, uh, the southwest corner. There was an ambulance and Officer Turner's at the ambulance with a, a citizen I don't know what they're being treated for, how they're related to the call, I just know someone was obviously injured and being

****

treated. Uh, I walked by Officer Turner, I asked him where, where everybody was. Uh, he said they're in the house, uh, that addressed the call. I make my way to the front door. The front door is open. And at some point from responding initially to that point, the officers inside said they were in a room just inside the front door. So lookin' through the front door and, uh, it's a T intersection probably 3 to 5 feet where it's a threshold to, to make it through that intersection, and I can't tell which side that they're on. They said they're inside of a room next to the front door. So I don't know if they're to the right or the left or if there's one on either side, I'm not sure. So I'm not really sure where to go. So I call out to, like, where you guys at type of thing and I hear, I start entering the house, I'm a step or, step or two into the house and I hear, uh, Nick, you know, drop the knife, drop the knife at least twice, uh, and could be more, but at least twice, very loud, very clear and I could tell it's comin' from the left. And as he's yelling that, uh, he crosses in front of me out of the hallway, so from my left moving left to right, back peddling, and as he comes into view, uh, he starts firing. Um, I'm not exactly sure how many rounds, at least five, uh, maybe six who knows more, but there was a, once he started firing, he kept firing. There was no pause that I recall. Uh, it was a short burst of fire and then he stopped, uh, firing that is. He kept, uh, backin' up and he moved to his right so he'd be in the living room and he took some cover behind a wall, uh, still looking down the hallway. And as he was passing me firing, uh, besides the fact it was very loud, I wasn't sure which way he was gonna' go, so I backed out of the residence again. Um, I kind of stayed at the threshold, saw where he went, uh, made my way, my way back inside to where he was. There was a, another male adult in the living room where Nick was. Um, he was wearing a green shirt I think. I have no idea who it was or who he ended up bein' identified as. Uh, I evacuated him, uh, basically just told him get out and then got back with Nick. And he was stationed down the hallway. And I asked him where the guy was and he said the guy was in the bathroom, which the door on the left side, the door was ajar probably an inch or so. So we couldn't see in, we couldn't see him. Uh, I asked Nick if he, if he hit the guy and he said he's not, he wasn't sure, he thinks so, uh, something to that effect, but he's not sure if the guy's been shot. So I'm lookin' down the hallway lookin' for any sign that the guy was shot, like, blood in the, on the walls or the, uh, the carpet or the entryway, uh, to the bathroom door and I didn't see anything, uh, to indicate that he'd been shot. Uh, I'm lookin' down the hall. I can see a set of taser lines, the wires. Uh, one's kind of facing, uh, you know, horizontal with the, uh, I'm sorry, parallel with the, uh, hallway and there's another set coming out of a bedroom to the right. So one had been fired the opposite direction basically, at least that's where the wires were run. I don't know where they were fired obviously. Uh, so we're there, I start givin' some

****

commands for him to come out empty hands. Uh, I did that several times. At some point while I'm givin' the commands, I hear a, like, a groan or a moan, a noise from what I, what I think is the bathroom and, uh, no response any time from the commands. Uh, I didn't hear anything other than a moan that probably lasted 1 second. Um, by this time some more units had arrived. Sergeant Mahern was in there. He started givin' I presume similar commands, but in Spanish. I don't know what he was saying. I don't speak Spanish. Uh, but he's giving commands in Spanish. Between the two of us, we probably gave several dozen commands. Um, another officer, Benrostro showed up. He's more fluent in Spanish, uh, I take it, it sounded like that way anyway. Uh, he, he took over commands which were pretty much continuous, uh, from the start to finish. Uh, during that time, we were also workin' on, uh, we had created a cross-fire situation with Officer Badger in the back bedroom. That was on the same side as the bathroom. Uh, and there was also another resident in there with him, so he was able to evacuate through a window, uh, on the north side of the house and then, uh, the other resident, I think it was just one, I'm not sure, I never saw the person, uh, so we were confident that the left side of the house was, uh, evacuated, but there were some people in the garage, uh, and there were some people in the back, right bedroom. So they got evacuated. There was a door leading to the back bedroom they were able to, uh, use. I'm not sure who evacuated 'em. And then I think it was four people or so were evacuated. They, they came past us and out the front door. Um, so at that point, we were pretty confident that all the residents were evacuated from the, the house. And again, we still hadn't heard anything from inside the bathroom. Um, close to that point when I think everybody had been evacuated, I, I asked, uh, bathroom window, if there was one. There was. They gained access. I mean, I don't know if it was open or if they broke it, but somebody got eyes in there and it was related to me via Sergeant Mahern that the guy was down and, uh, the knife was not visible. I didn't get, like, I didn't, I don't know what they saw to indicate that he was down. I don't know if they saw his feet, his back, I'm not sure how much of the body they saw, just that he was down. Uh, at some point while doin' evacuations, we were kinda' talkin' about how we were gonna' get up there. I asked the sergeant if he has a shield in his car. Uh, he did not, so he requested one over the radio and I heard somebody at the station say that they would get it, they had to go to the SWAT van and then they'd be en route with it. About the time that, uh, I was notified the guy was down, uh, about the same time the, over the radio I heard the, the, uh, shield was about 2 minutes away. And I suggested we wait for the shield. Uh, I think it, I think the sergeant agreed, uh, just 'cause of the proximity and the narrow hallway and the, where the body was, uh, we weren't sure if he was still capable of, of an attack. Uh, if he was

****

lying in wait, uh, the distance we would have been, by the time we were able to see through, through the door, could have easily, uh, produced another attack on officers, you know, injury to us, also, you know, forcing more rounds to be fired at him. So we waited, uh, like I said it was supposed to be 2 minutes. I'm not sure how long it ended up being. Uh, three officers arrived with the shield. I think it was Jeff Badger, uh, Majardon and there was a third officer. I, I don't know his name. I think he's a SWAT officer, but I'm not sure. Uh, they dictated their own approach, made an approach, made entry, determined he was down. Uh, I went past 'em to clear, or to clear the bedroom and I saw that they were, uh, providing some medical aid to him. I'm, I'm not sure how much medical aid or what they were doing, but there were, they were providing aid. Uh, I went outside and told the sergeant that I, I witnessed the, the shooting and we were kind of sequestered at that point and held outside. And that was pretty much the end of, the end of the event.

JH1: Okay. And then we'll just go over these real quick. This is just in terms of, uh, your positioning and just to clarify.

PM: Mm hmm.

JH1: Um, and correct me if I'm wrong in any of this your position, um, you first entered, but ultimately made your way behind, uh, Nick?

PM: Yes. I went in, out and then back in.

JH: Okay. Um, let's go down, uh, let's take a break at this point. Um, so we're gonna' go off the record and then, uh, we'll discuss and if we have any follow up, we'll go from there. So going off the record.

Uh, so, Officer McAllister, uh, in this case there is audio-video evidence that you will have an opportunity to view. Um, video evidence has limitations and may depict the events differently than you recall. It may not depict all of the events as seen or heard by you. Video has a limited field of view and may not capture events normally seen by the human eye. The "frame rate" of video may limit the camera's ability to capture movements nor, normally seen by the human eye. Lighting as seen on the video may be different than what is seen by the human eye. Videos are a 2-dimensional medium and may not capture depth, distance, positional orientation as well as the human eye. Sonoma County Sheriff's Office
Violent Crime Investigations Unit
Det. Jesse Hanshew #1627
CR#170805-019

Case Summary Associated with the Death of:
Pablo Toribeo Garcia-Garcia D.O.B. [redacted]
[redacted]
Santa Rosa, CA 95403

Introduction:

On the morning of August 5th, 2017, Pablo Toribeo Garcia-Garcia died after being shot by a peace officer employed by the Santa Rosa Police Department. As a result, the Sonoma County Law Enforcement Employee-Involved Fatal Incident Protocol (#93-1) was invoked.

The purpose of this protocol is to set forth procedures and guidelines to be used by Sonoma County law enforcement agencies in the criminal investigation of specifically defined incidents involving law enforcement employees. Accordingly, and per the Sonoma County Law Enforcement Employee-Involved Fatal Incident Protocol (#93-1), members of the Sonoma County Sheriff's Office Violent Crime Investigations Unit assumed responsibility as the lead investigative entity for this critical incident investigation. As a result, I was assigned as the lead detective in this case.

The Sonoma County Sheriff's Office Violent Crime Investigations Unit is charged with the overall responsibility for supervising, coordinating, and conducting the criminal investigation associated with Garcia's death. As such, the Sonoma County Sheriff's Office Violent Crime Investigations Unit has attempted, during the course of this investigation, to identify facts to demonstrate whether or not violations of criminal law have occurred during the incident associated with Garcia's death.

Additionally, members of the Sonoma County Coroner's Office (CR#17-0830), Rohnert Park Department of Public Safety (CR#17-0003259), Petaluma Police Department (CR#17-0003898), Santa

Rosa Police Department (CR#17-10261), and Sonoma County District Attorney's Office also participated in this investigation.

Summary of Facts:

The following is a summary of facts intended to assist the reader in understanding this report and its conclusions. It is not a substitute for the volumes of reports, interviews, and other evidence from which it is derived.

This summary of fact is a factual account of the incident where conclusions are drawn after careful review and consideration of physical evidence, review of misc. documents, body-worn-camera (hereinafter referred to as BWC) recordings, post-incident interviews with involved Santa Rosa Police Officers, area residents, residents residing within the residence where the shooting took place, documents associated with the Santa Rosa Rosa Fire Department, and other individuals.

NOTE: During the course of this investigation, involved parties would estimate their times when referencing the incident or portions thereof. Some of the time estimates differed with other involved parties. However, although the time estimates varied, they were plausible.

According to law enforcement records, Garcia was born in Mexico on [redacted] At the time of his death, Garcia was approximately 61.5 inches tall, approximately 138.5 pounds, with black hair and brown eyes.

During the course of this critical incident investigation, I learned Garcia recently lost his job harvesting grapes, but did find work at an unknown named car wash approximately three days before his death. The investigation also revealed Garcia's next-of-kin was his sister, "[redacted]"

Garcia's' criminal history as depicted in his one (1) page California record of arrest and prosecution (RAP) consisted of [redacted]

As a result of his most recent arrest for [redacted] having occurred on May 2nd, 2014, Garcia was ordered thirty-six (36) month formal Sonoma County Probation (SCR-663585) on July 28th, 2015. The court-ordered terms of Garcia's probation included, but were not limited to, [redacted]

On that same date (July 28th, 2015) and associated with the aforementioned false imprisonment case (SCR-663585), Sonoma County Superior Court Judge, the Honorable J . Conger, served Garcia with a Criminal Protective Order (CPO) where he was the restrained party from "Jane Doe."

On November 20th, 2015, Garcia's probation was summarily revoked and a bench warrant was issued for his arrest by Sonoma County Superior Court Judge, the Honorable S. Averill (control #5465536).

Initial Call to the Santa Rosa Police Department:

On August 5th, 2017, at approximately 0558 hrs., the Santa Rosa Police dispatch center received a call from RP-[redacted] residing at [redacted] in Santa Rosa.

At that time, [redacted] requested that police respond to his residence "rapido." [redacted] would continue to report to that someone at his residence was "acting crazy" and that another person within the residence told him that the subject who was "acting crazy" also had a knife.

Events Leading Up to the Critical Incident:

On August 5th, 2017, at approximately 0603 hrs., Santa Rosa Police Officer Badger (6G3) arrived at [redacted] Approximately two (2) minutes later at approximately 0605 hrs., Santa Rosa Police Officer Vlahandres (6G6) arrived on scene as well.

NOTE: During the incident, both Officer Vlahandres and Officer Badger would activate their BWC which captured large portions of the incident, including, the use of deadly force.

On August 5th, 2017, at approximately 0606 hrs., Officer Badger entered Garcia's residence and contact a HMA with another Santa Rosa Police Officer who appeared to speaking in partial Spanish (believed to be Officer Vlahandres). At that time, the HMA sounded as if he was distraught and crying.

On August 5th, 2017, at approximately 0607 hrs., Officer Badger can be heard using his police radio to request "Code-3" medical respond to the scene so that they could treat a "small laceration." A short time later, Officer Badger can be seen checking Garcia's bedroom after obtaining misc. keys from the distraught HMA they were previously speaking with. After opening the door (with keys), Officer Badger announced himself ("Santa Rosa Police").

Officer Badger and another officer viewed Garcia's bedroom from the door threshold. About this time, Officer Badger mentioned to another officer that the crime was a "245" (I knew to be the Penal Code Section 245, assault with a deadly weapon). In the end, Officer Badger did not initially locate Garcia in his bedroom.

Officer Badger then asked the residents how it was Garcia could access the backyard. Not long thereafter, Officer Badger walked around the east side of the residence and met another Santa Rosa Officer in the backyard. However, their search was fruitless.

On August 5th, 2017, at approximately 0610 hrs., Officer Badger was asked to re-enter the residence. As a result, Officer Badger swiftly made his way back into Garcia's residence via the front (north) entry door. Once inside, Officer Badger directed another Santa Rosa Police Officer to take "this guy to medical." After which, Officer Badger walked to the bedroom door leading into Garcia's

bedroom, which is directly across from a common east bathroom. Both of which (bathroom and Garcia's bedroom) are accessed via hallway that travels east and west and located east of the front door. There, Officer Badger met with Officer Vlahandres who was standing in the threshold of the bedroom door. It was then that Officer Vlahandres said something similar to "it sounds like he's against the wall."

Officer Badger remained at the threshold of Garcia's bedroom door, while Officer Vlahandres entered the bedroom and began to search underneath misc. items within the room itself (e.g., bed frame, mattresses, etc.). During his search, Officer Vlahandres located and observed Garcia positioned underneath the bed and misc. mattresses. All the while, Officer Vlahandres had his Taser in his right hand.

Both Officer Badger and Officer Vlahandres would announce themselves several times as police officers, both in English and in Spanish. However, Garcia did not respond. Still, Officer Vlahandres continued to move items away from Garcia. In doing so, they learned Garcia was naked.

On August 5th, 2017, at approximately 0612 hrs., Officer Badger can be heard requesting "one more unit" via his police radio. Not long thereafter, Officer Vlahandres tells Officer Badger that Garcia was in possession of or a knife. As Officer Vlahandres does so, he points at the area he was referencing. Officer Badger responds, "I see it." Officer Badger then tells Officer Vlahandres to "get your Taser out."

In the next several moments, Officer Vlahandres and Officer Badger would give clear concise orders to Garcia in an effort to gain his compliance and disarm him. Officer Badger and Officer Vlahandres did so by giving such orders as, "drop the knife," and "put the knife on the ground, now," and "put the knife down and let me see your hands!" These clear and concise commands, in both English and in Spanish, would continue several more times.

On August 5th, 2017, at approximately 0613 hrs., Officer Vlahandres moved item(s) out of the way to apparently expose Garcia. Officer Vlahandres and Officer Badger continued to give Garcia commands in English and in Spanish. Shortly thereafter, Garcia in captured on Officer Badger's BWC. At that time, Garcia can be seen lying supine with his arms up over his head, underneath a bed located adjacent to the west bedroom wall.

Moments later, Garcia moved his hands toward his upper torso when Officer Badger can be heard saying, "It's on his stomach" (believed to be referring to the knife). Officer Badger and Officer Vlahandres continue to give Garcia commands in Spanish (e.g., "manos arriba"). However, Garcia did not respond, but can be heard moaning and rambling.

On August 5th, 2017, at approximately 0614 hrs., one of the officers can be heard saying, "He's grabbing it." Officer Badger can then be heard ordering Garcia to "put the knife down." Officer Badger and Officer Vlahandres then repeat in Spanish, "manos arriba" (translated in English to "hands up").

Officer Badger then moved to the threshold of the Garcia's bedroom door, while Officer Vlahandres is position directly in front of him. Officer Vlahandres continued to have his Taser in his

right hand, pointed in Garcia's direction. Garcia had by now re-positioned himself from a supine position to possibly a kneeling or sitting position. However, Officer Badger's BWC camera only captured a portion of Garcia body, from approximately his upper chest to his head.

On August 5th, 2017, at approximately 0614 hrs., Officer Vlahandres orders Garcia to place the knife on the ground and, in Spanish, tells Garcia that it will be okay (e.g., "esta bien"). Still, Garcia does not respond.

Moments later, Officer Badger says, "You ready?" After which, Officer Vlahandres deployed his Taser which, in some fashion, made contact with Garcia. Garcia can be heard grunting, while Officer Vlahandres orders him to "put it down." Officer Vlahandres' Taser deployment appeared (via the Taser arcing sound) to cycle for a full five (5) seconds.

Officer Vlahandres then moves to the right (west) side of the bedroom door threshold, while deploying what appeared to be a second five (5) Taser cycle. Moments later, Garcia's arms can be seen thrashing about, while Officer Vlahandres states, "I lost my connection." About this time, Officer Badger pointed his Taser at Garcia from the left (east) side of the bedroom door threshold. Garcia remains in either the seated or kneeling position located in the southwest corner of the bedroom, while Officer Badger orders Garcia to "put the knife down, now!"

On August 5th, 2017, at approximately 0615 hrs., Officer Vlahandres can be heard speaking into his police radio, "George 6, Taser deployed...not effective." Right afterward, Garcia can be heard saying, "I don't talk no more...I'm saying leave." Officer Badger responds, "Put the knife down, now!" All the while, Officer Badger is pointing his Taser in Garcia's direction.

Garcia then states, "(inaudible) for real." Officer Badger again issues the order, "Put the knife down, now!" Garcia replies, "(inaudible) okay." Officer Badger again orders Garcia to "put the knife down, now!" Officer Vlahandres can be heard again informing Santa Rosa Police Department dispatch that his Taser deployment was ineffective. After which, Officer Badger said, "He's gonna cut his arm."

Officer Badger again states, "Put the knife down, now!" Still, Garcia does not respond. Officer Vlahandres can then be heard asking Officer Badger, "Pepper Spray?" Officer Badger replies, "Yeah." Moments later, Officer Vlahandres deploys Pepper Spray toward Garcia while he remained inside the bedroom. Garcia does not react, does not respond verbally, and does not move from his position located in the southwest corner of the bedroom.

Officer Vlahandres again orders Garcia to "put the knife down." Garcia responds, "I can't...I have a problem." Officer Badger and Officer Vlahandres both repeat, "Put the knife down." Officer Badger's BWC recording captures Garcia manipulating something on the floor, behind misc. cushions in front of him. Officer Badger then firmly orders, "Hands up...hands up!" Officer Vlahandres and later Officer Badger would issues orders in Spanish by saying, "Manos arriba." However, Garcia did not answer, does not comply, and remains in in the southwest corner of the bedroom. Officer Badger and Officer Vlahandres would continue to give Garcia commands to drop the knife or "put the knife down."

On August 5th, 2017, at approximately 0616 hrs., Garcia can be heard saying, "I tell you…I don't want to talk people…serious!" Officer Badger again orders Garcia to "put the knife down, now!" Garcia responds, "Please!"

Officer Vlahandres then tells Garcia that he and Officer Badger were there to help him. Garcia replies that they were not there to help him. All the while, Officer Badger orders Garcia to put the knife down. Garcia then said, "(inaudible) got problems with me…for real." Officer Vlahandres continues to plead with Garcia that they are there to help him. Garcia continues to say something, but it was difficult to understand via the BWC recording.

On August 5th, 2017, at approximately 0616 hrs., Garcia enters the view of Officer Badger's BWC recording. As he does so, Garcia can be seen holding the knife in his right hand and waving it around as he is speaking. Garcia can be heard saying, "You understand what I am saying…please?" After which, Officer Badger and Officer Vlahandres can be heard telling Garcia that they were there to help him. Garcia replies, "No…I don't want help…I wanna…myself."

Officer Badger continues to tell Garcia they are there to help him. Garcia calmly replies, "I say no." Officer Vlahandres then asks, "What's going on?" Garcia replies, "I say no…that's it." Officer Badger says, "Were here to help you," before ordering, "Put the knife down!" Garcia replies, "Uh-uh…no."

Officer Vlahandres replies, "We can't help you if you don't tell us what's going on." Garcia forcefully responds, "Please…turn the light off and go!" After which, Garcia starts to grunt before saying, "(inaudible) wanna kill you too." Officer Vlahandres replies, "You don't want to do that sir...were here to help you."

On August 5th, 2017, at approximately 0617 hrs., Garcia said, "Clean my eyes…clean my eyes." About that time, Officer Badger notifies Santa Rosa Police Department dispatch (via his radio) that Garcia remained in possession of the knife. Officer Vlahandres again orders Garcia to "put the knife on the ground." Garcia replies, "Clean my eye." As this was occurring, Garcia can be heard saying something that was difficult to understand. However, Officer Vlahandres' BWC recording captured what sounded as if metal was striking something.

Eventually, the voices/commands of both Officer Badger and Officer Vlahandres appear to elevate. Officer Vlahandres' BWC recording then captures the right side of Garcia's body, specifically, his right hand and a portion of his right forearm. It was in these BWC video frames Garcia can be seen holding a knife in his right hand. As this was occurring, Officer Badger and Officer Vlahandres yelled, "Put it down!" Moments later, Officer Badger can be seen deploying his Taser in Garcia's direction. This Taser deployment appears to strike Garcia.

On August 5th, 2017, at approximately 0618 hrs., Officer Vlahandres' BWC captures Garcia slightly bent over onto a bed located on the east side of the bedroom. This appeared to be a result of Officer Badger's successful Taser deployment. Officer Vlahandres can be heard saying, "Get on…drop the knife!"

According to Officer Vlahandres, Garcia was now positioned approximately five to ten (5-10) feet from their position at the threshold of the bedroom door. Moments later and after Officer Badger's Taser deployement concluded, Garcia turned toward the two of them with what Officer Vlahandres described as the "knife raised."

Officer Vlahandres then backs-up, westbound, via the hallway, and toward the front door. As this is occurring, Officer Vlahandres' BWC captures Garcia emerging from the bedroom via the threshold of the bedroom door. As Garcia does so, Officer Vlahandres' BWC captures one of Garcia's feet and what appears to be his right hand. It was during these next video frames that Garcia can clearly be seen holding a large knife in his right hand. Officer Vlahandres can also be heard yelling, "Drop it…drop the knife."

Officer Vlahandres' BWC then captures Garcia bend over slightly, while Officer Vlahandres yells, "Drop the knife!" However, Garcia does not comply. Instead, and in an instant, Garcia quickly stands back-up, while still holding the knife.

Garcia then thrusts forward toward the hallway. As this occurs and according to Officer Vlahandres, he found himself "a little bit more than an arm's length away from this gentlemen" (Garcia). Fearing for his life, Officer Badger's life, and the lives of the other residents within in residence located at [redacted], Officer Vlahandres fired what ws later determined to be five (5) gunshots at Garcia.

Garcia then fled across the hallway into a common bathroom located directly across from the bedroom where the incident began. There, Garcia would be pronounced dead by Santa Rosa Fire Department personnel at approximately 0639 hrs.

Post-Mortem Examination of Pablo Garcia-Garcia:

On August 8th, 2017, at approximately 0914 hrs., the post-mortem exam (autopsy) was performed on Garcia's body by Forensic Pathologist, Dr. K. Verilhac, M.D. and Forensic Pathologist's Assistant, R. Hayes.

On August 8th, 2017, at approximately 1147 hrs., Det. Newton contacted me in the autopsy viewing room. According to Det. Newton, Garcia's blood tested presumptive positive for methamphetamine.

On August 8th, 2017, at approximately 1252 hrs., Det. Newton contacted me in the autopsy viewing room. At that time, Det. Newton informed me that they had located and recovered a total of three (3) bullets from Garcia's body.

On August 8th, 2017, at approximately 1332 hrs., Forensic Pathologist Verilhac concluded the autopsy. After which, Forensic Pathologist Verilhac concluded that the cause of death was most likely the result of multiple gunshot wounds.

NOTE: On August 8th, 2017, at approximately at approximately 1725 hrs., another search of [redacted] was conducted via Search Warrant. As a result, two (2) additional bullets (items #1-1430 & #2-1430) were, in fact, located beneath the wood flooring in the hallway of the residence.

Conclusion:

This criminal investigation will be forwarded to the Sonoma County District Attorney's Office for review.

Do you understand that?

JB: Yes.

********** 1
***

****

JH: Okay. Um, and just so we're clear, um, I understand there's, uh, body-worn camera footage. Um, have you reviewed any of that footage prior to us talking or this interview here?

JB: No.

JH: Okay. And have you had ample time to gather your thoughts and otherwise prepare for this interview?

JB: Yes.

JH: Okay. Anything that would hinder you from giving a statement?

JB: No.

JH: Okay. Um, and I don't know of any, but, uh, there is no close relationship or friendship between the two of, two of, or you and I?

JB: No.

JH: Okay. Um, and so, I'm gonna go through a series of questions. Um, if you could just answer 'em as directly as you can or offer an explanation. Are you sick or injured today?

JB: No.

JH: Were you sick or injured on the day of the incident?

JB: No.

JH: Okay. Did you receive any injuries as a result of the incident?

JB: No.

JH: At the time of the incident were you suffering from any medical condition or taking any medications that may have impaired your abilities as a law enforcement officer?

****

JB: No.

JH: Uh, prior to the incident, when did you last sleep?

JB: I last slept, so I took a nap before my shift that day from 2:00 p.m. until 5:00 p.m.

JH: Okay.

JB: And then obviously slept the night before.

JH: Okay. Uh, prior to the incident, when did you last sleep, uh, or eat rather, I apologize?

JB: Uh, ****, sometime between the night. I don't know an exact time. I just had a sandwich and a protein bar.

JH: Okay. And prior to the incident, had you consumed any alcoholic beverages in the 24 hours prior to?

JB: No.

JH: We'll get into a little background information. Um, how long have you been with the Santa Rosa Police Department?

JB: About 20 months.

JH: Okay. Any, um, prior agencies that you were employed by before that?

JB: No.

JH: Okay. Um, any specialized training, firearms instructor, SWAT, defensive tactics?

JB: No.

JH: Uh, any prior trainings regarding, uh, crisis intervention, tactical communications, drug recognition, any of those types of things?

****

JB: No.

JH: Okay. Um, no other collateral duties outside of what we've already talked about?

JB: No.

JH: Uh, what is your current assignment in the police, Santa Rosa Police Department?

JB: Just regular patrol.

JH: Okay. And the nature of the duties?

JB: Uh, just workin' the streets, enforcing laws, community policing.

JH: Okay. And what are your work hours, uh, during your shift?

JB: Uh, so I work Friday, Saturday, Sunday 6:30 p.m. 'til 7:00 in the morning.

JH: Okay. And the time on the date of the incident, or the shift that encapsulated the incident, what time did you start your shift?

JB: Uh, 6:30 p.m. the night before.

JH: And your call sign on that particular shift?

JB: Uh, George 3.

JH: That's a uniform but non-uniform assignment?

JB: Uniformed.

JH: And how long have you been in that assignment?

JB: About 20 months.

****

JH: Okay. And do you know the vehicle you used or assigned, do you know the number to it or?

JB: Yeah, it's No. 44.

JH: Okay. Do you know of any mechanical defects with the vehicle?

JB: No.

JH: In talking, you mentioned you, you were in full uniform at the time. Um, could you start with your uniform itself, moving from your head to your feet, uh, for what you were wearing at the time regarding your uniform?

JB: So, from the top, I was wearing a long-sleeve, um, **** tactical BDU shirt with patches on each shoulder, um, the star on the left side, the Santa Rosa Police star **** stitched into the shirt with my name over the right side of my chest. Um, obviously then I have my radio over here above my throat with the body-worn camera right underneath it. Then, as you move down, I got my belt. Want me to go what's on my belt or?

JH: Yeah, if you can, go from the center of your belt to the right, all the way back around.

JB: Okay. So, starting to the right I have, I had my cuffs, then I believe it's my gun, then it's pepper spray, and then on the backside I have my radio, I have my Taser, baton and magazine pouch.

JH: Okay.

JB: And then obviously on the bottom I had my BDU pants and tactical ****.

JH: Okay. And you mentioned a body-worn camera? Maybe I missed it, is that, where is that exactly located on your body or mounted?

JB: Uh, it's in the center of my chest, just about right underneath my center chest area.

JH: Were you wearing any type of hat at the time?

****

JB: I had no hat at all.

JH: Any less lethal devices during that shift that you, besides your Taser?

JB: No.

JH: And what type of firearm do you have?

JB: The Glock 17.

JH: And that shoots what caliber if you know.

JB: Uh, 9 millimeter.

JH: Okay. Any other equipment you deployed on that shift?

JB: No.

JH: Okay. So Officer Badger if you can, um, in your own words kind of, just in a story about how you became involved in the incident, what you were doing when, when you found yourself, um, becoming involved in the incident and what you did, in, in the greatest detail if possible, uh, if you can recall, just in a free flowing narrative.

JB: Um, so it was approximately, you know, 6:00, getting towards the end of 5 in the morning. Um, I got dispatched to the area of the 2400 block of [redacted] Um, dispatch was letting us know that basically there was a language barrier between them and the reporting party, um, but that they had notified us that the reporting party had asked for, you know, police rapido. I know that that's fast. Um, that there's a resident in the house possibly that had a knife, um, and that there's not much other detail. Um, I arrived on scene. There's some condos that are being built to the east of the house. Um, I pulled into that driveway, exited my vehicle, and as I'm walking west approaching the house, um, I noticed that the front door was open. Um, goin' into the call, there's, you know, raised the hair on the back of your neck is what they always say, um, so I kinda stood by in the driveway, um, trying to see if I could see anything because the, the front door was wide open. Um, I didn't see anybody standing there at first, and nobody was outside wait, waiting for our response. Um, so the, you know, seconds later, uh, backup

****

officers arrived. I notified them, saying hey, it was Officer Turner and Officer Nick, I don't know his last name, but, um, I say hey, the front door is open. I go I haven't seen anybody yet, let's, you know, approach with caution. We're walkin' up the driveway, we see a subject that's in the front window that's to the right of the front door so the north side of the house, northwest side, um, see a subject standing inside, um, seemed kinda walking around it looks like their kitchen area. We approach the door, I knock. A male adult, Hispanic male adult, comes to the front of the door. Right then, there's a language barrier between us, we can't really, I didn't understand what he was saying. Um, Officer Nick Vlahandreas was able to kinda communicate with him briefly and just kinda get some basic information. They let us inside the residence. We walk in, and then immediately to the right, there is another Hispanic male adult, uh, with blood on his body and around his hands. He had a, what looked like a wrap around his left forearm, and then we were tryin' to get basic information as to where this person was, um, kind of what was goin' on, and they just pointed to a bedroom, you know, and then they, when we were kinda talking to them, we were, like, keepin' an eye on the bedroom, and the subject that had the wrap around his arm and had blood on him was makin', you know, a hand movement about the knife. Immediately I call for, you know, Code 2 medical, you know, I got a subject with possible lacerations, unknown uh injuries to him. Uh, Officer Turner goes down the hall, and he's checkin' all the other bedrooms. The one bedroom that they said he was, the subject was in was locked. I asked 'em if they had any keys. Uh, they provided me with those keys, and I tried 'em. Um, I was able to get the door unlocked. Um, we kinda pushed the door open, you know, announcing hey Santa Rosa Police Department, come out with your hands up, Santa Rosa Police Department. Um, no response. We push the door open a little bit more. We had a peek. Uh, there are two beds in the room, and there was stuff kind of everywhere, it was just a mess, and the window that was in the, uh, bedroom, the screen was open, and as if there was like a suitcase leaning up against it. So, my immediate thought was that the subject had fled outside the window and possibly ran into the backyard. Um, again, we didn't see anything initially inside the room. Um, I can't remember if we closed the door or not, but then, I told, I grabbed Officer Turner, I said hey let's go to the backyard. Um, had Officer Nick stand by the, the bedroom door just in case, you know, he was hiding in there, initially. Um, we go out, exit the front door, go around the side of the house, get into the backyard, and immediately when we get in there, Officer Nick calls us and says hey, you know, I heard some movement inside the bedroom, uh, you guys might wanna come back in here. We walk back in there, and then, I think it was that time I told Officer Turner, I said hey, if he's in here, let's get medical to stand outside, so you go

****

bring the victim out to medical so they don't come in here. Um, again, we go into the bedroom door, announce ourselves, hey Santa Rosa Police Department, come out with your hands up. Um, again, no response, so we start movin' things around. Um, there was a couple mattresses on the bed that was on the right side of the room, and we were movin' those mattresses, and that's when we first saw the subjects moving around underneath. We saw a leg. Um, so we started movin' 'em more, you know, announcing ourselves, hey, Santa Rosa Police Department, come out and show us your hands. We get the mattresses all the way off onto the other bed. Um, still all we see is just the lower half of the subject was naked, um, we can't see his hands, can't see really anything else. I try and walk along the side of the bed to see if I can see his face or anything, and then that's when I saw a knife come out from the bedframe, approximately 12-inch kitchen knife, um, silver, and, so it was at that time I backtracked and let Officer Nick know, hey he's still got the knife. Um, you know, we continued to give commands, give commands, hey, Santa Rosa Police Department, show us your hands, drop the knife, drop the knife. Um, on the bedframe there was like pieces of wood as if the mattress was sitting on top of that. We remove that, and we're able to see the subject, still see the knife in hand. What we're trying to then, again, communicate with him, hey, drop the knife, drop the knife, you could obviously see it in his hand. Um, he's got, he's hiding his left hand, but then also the knife's kinda, knife kinda disappears. So I'm thinkin' that he initially had dropped it kind of in the back area where I first saw it. Um, so, my thought process is if I can kind of creep, and if I can see the knife in a certain area, I can go hands on with the subject, you know, detain him until we can throw him in handcuffs. Um, as I'm walking kinda around, he's got a pillow laying on his stomach, and they're pillow like kinda raised, and I see the knife underneath, um, the pillow as if he was tryin' to bait us, 'cause he had showed us both hands eventually, but I wasn't comfortable with going in just seein' both hands because I still didn't know where the knife was. So when I saw it then my thought was that he was trying to bait us in to going, and basically approach him and then he can grab the knife and potentially attack us. I again let Nick know the knife still underneath the pillow. He did get rid of it, he's still got it, um, so we backed track again into the doorway of the bedroom and, um, again we're still just giving commands, you know, hey, show us your hands, show us your hands. Um, and, and then that's when he basically sits up on his knees, immediately sits up on his knees. We're still indicating you should drop the knife, give us your hands, show us your hands, drop the knife and that's when Officer Nick grabs his Taser and, um, as we're speaking with him he's, uh, he's not making any sense. Um, he's basically just speaking gibberish, I don't know remember exactly what he's saying but I heard words like, you know, death, I didn't mean to kill

****

anyone, uh, something along those lines and so we're sitting there like trying to just say man, you know, we're here to help, just drop the the knife, we're here to help you, um, and he did drop the knife. So then that's when Officer Nick deployed his Taser, um, it's ineffective, the knife is still in his hand, doesn't drop. Um, basically he has like a 5-second ride and immediately after it's done he's sitting there and he starts ripping out the Taser wires. Again, we're still giving him commands like hey, drop the knife, we're here to help you, just try to state the fact that we're trying to get this **** comply and drop the knife. He's continuing just to talk, you know, gibberish and, um, that's when Nick goes, hey, should I pepper spray him and my thought process is if we can get him to drop the knife, we can go in there and go hands-on with him. At least if we can get the knife away from him that way, there's probably, probably gonna be a fight, you know, inside that little bed, but, we know the knife is away from him and, um, go hands on with him. So I said yeah and that's when Nick pepper sprays him and it's almost as if we just irritated the subject more. He still again kept the knife in his hand, kept talking to us and there was like a piece of cloth or a sheet that was in front of him he was just, he was like trying to wipe it from his face. Um, and he's still on his knees at this point, we're still trying to give commands, hey drop the knife, we're here to help and then he has the knife and still in his right hand he's still trying to wipe his face and he kind of puts it up to his, uh, his armpit. Um, I don't remember if I said something to Nick or if I just been thinking that, you know, hey this guys gonna possibly maybe harm himself or cut himself with the knife, or, I don't know what type of route he's processing in his head. Um, then, you know, we had Taser it didn't work, we had pepper spray it didn't work, um, he's on his knees, he's not really comprehending what we're saying. He's not obeying our commands and then that's when he stands up, um, so from there we're approximately, you know maybe 10 feet and we're still in the doorway. He's standing up like in the bedframe of the bed and I draw my Taser because my initial thought is if he's coming right at me we'll, we'll try and go one more effective Taser and, you know, have him drop the knife. Nick notified me, hey, I got my gun out. Obviously if something he does come at us and the Taser is ineffective then we have to go with legal force. Um, again we're still giving him commands, hey, drop the knife, drop the knife. We're here to help you, um, and he's just not obeying it. That's when he took an aggressive, you know, leap towards me. I deployed my Taser and the way that we had thrown the mattresses up on the bed he was able to rest vertically on the mattress. Um, I saw the Taser was effective but the knife was still in his hand. He still didn't drop the knife and, and that's when it was just like a split second where I'm thinking once this guy's next to you what's he gonna do. Um, and that's when basically he kind of stands right back up and he comes at us with, uh, the

****

knife through the doorway. Um, basically there's a hallway and, you know, we know that there was a female in the back room to my left that's there still a female in there. Um, so I immediately just break off from Nick and I don't remember if I was transitioning to my firearm in case he came at me but that's when I heard pop, pop, pop. Um, as soon as I heard that, um, you know, I checked myself to make sure I was good obviously because, you know, we were in a possible crossfire situation and I immediately check, uh, the female behind me to make sure she wasn't hurt. Uh, she notified me that she was good and basically I look out there and they're telling me, you know, Officer Nick he's like, hey, he's in the bathroom. Um, we didn't see the knife at this point so I don't know if he was hit, if he's just barricading himself in the bathroom now. I didn't want to bring the female through the hallway and have him open the door and were in a fighting match with another, you know, resident in the house so I go through her bedroom window, I get out I grab her and then it was at that time Officer **** was there and he was trying to figure out who else was in the house so that 1 We could get all the occupants in the house out safely and then do what we need to do to affect and take the guy into custody. Uh, so at this time we didn't know if he had been hit or what his plans or what he was doing in there, um, **** not obeying to any commands we were giving, um, so I learned that there's a couple more subjects inside the garage basically in the **** a couple more subjects in like the back. So I go through the front door through the garage I get three more males, walk them all out, go back into the back house and there was a adult female with two children. We get them out into the front and then they said that there might have been another person in one of the back bedrooms so I went with Officer Albini and Officer Wagner, climbed in through the window, didn't see anything, checked the last bedroom and then they were clear. Uh, I remember hearing on the radio trying to get a shield one of our riot shields uh, so I know when those were coming and so as I walk back to the front Officer Shindler had propped off the screen window and said hey, he's laying on the bathroom floor right there. Um, so that's when I grabbed the shield from Officer Dunn. So myself, Officer Dunn and Officer ****, who those two are on SWAT, um, basically doing tactical entry with the shield to approach the subject and see what he's still doing in there. Um, as soon as we opened the door I pressed the shield on his back. The knife is still in his right hand, I had to pry the knife from his hand that's when I, um, took the knife and handed it to Officer ****. We take the shield off the subject's back, put him in handcuffs, flip him over and try to render aid and at the initial point we didn't see any entry wounds on his stomach or back so then we had called for medical to enter the house it was clear for them and that's when they pronounced him dead.

****

JH: Okay. We're gonna take a quick short break.

JB: Okay.

JH: And then, um, see if we **** conduct any follow-up questions but for now we'll take a short break. I'll go off the record. Um, 8/8/2017 at 1741 hours.

JH = Detective Jesse Hanshew (Primary Interviewer)

JH1 = Detective Joseph Horsman (Second Interviewer)

JB = Officer Jeffrey Badger (Interviewee)

ZL = Zachary A. Lopes (Rains, Lucia, Stern, St. Phalle & Silver, PC)

8/8/2017 @ 1802 Hours

JH Today is 8/8/2017 at 1802 hours. Detective Jesse Hanshew, um, regarding, uh, Case No. 170805-019, at [redacted] with Officer Jeffrey Badger from the Santa Rosa Police Department. We're continuing on with some follow-up questions regarding the same interview before that began at 1720 hours. Again, if I can have everybody in the room introduce themselves, spell their last name for the record, please, starting with Detective Horsman.

Other Speaker: Detective Joseph Horsman, violent crimes.

JB: Officer Jeffrey Badger, Santa Rosa Police Department, uh, last names gunna be B-A-D-G-E-R.

Other Speaker: Zachary Lopes, **** for Officer Badger, Lopes, L-O-P-E-S.

JH: Thank you, Um, Officer, Badger, I just have some follow-up questions related to your original statement.

JB: Mm hm.

JH: Um, you mentioned previously that you were going into what you referred to as a locked door. Were you guys investigating, investigating a crime at the time?

JB: Um, so when the initial call that came out with our dispatchers, we obviously didn't have much information, and we arrived on scene, you know, we located subject with some cuts

****

into his body, some lacerations, and said that the guy with the knife was in there and that he had been swinging the knife around him. Um, so at that time, you know, we're investigating a felony assault with a deadly weapon and that's why, you know, we had entered that room.

JH: Okay.

JB: **** find out where he was.

JH: So you in fact determined there was a crime violation.

JB: Yes.

JH: A felony is how you describe it.

JB: A felony, felony crime.

JH: Okay. Um, you mentioned giving commands. Um, who exactly was giving commands? Was you and your partner or just one? Uh, may, maybe I misunderstood.

JB: Um, I know for a fact I was giving some commands. Um, as far as Officer Nick and Officer Turner, again, I'd have to review the body camera just to get an exact if they were giving commands also. Um, but I know, you know, before entering the room we were **** announce – I was announcing at least officer Santa Rosa Police Department come out with your hands.

JH: Okay. Uh, were the commands given in English and Spanish or just one or the other?

JB: I know I just gave in English.

JH: Did you hear commands being given in Spanish?

JB: Um, I –

JH: If you can recall?

****

JB: – I don't recall if, uh, I know I didn't give any commands in Spanish.

JH: 'Kay.

JB: Um, as far as again, Officer Nick or Officer Turner, I'd have to review the body cameras to make sure that, uh, see if they actually gave some commands Spanish.

JH: And do you speak Spanish Officer Badger?

JB: I do not.

JH: Okay. You mentioned, um, suspect was making statements you kinda characterized as gibberish?

JB: Mm hm.

JH: Was that in English or Spanish or do you recall?

JB: Um, it was in English, and then, um, as his exact statements of what he was saying, um, again, at the time right now I don't remember an exact statement he was, uh, providing us, but I know, you know, he was mentioning death and just basically wasn't making any sense to what he was saying.

JH: Okay. Uh, and when you referred previously to the position of the suspect, and let's start with the first occasion when you mentioned he went from his knees, if I'm understanding you correctly, to when he stood up. Um, what, in distance and feet, how far do you think he was from you, and then how far from, was he from, uh, your partner?

JB: Um, so we were both in the doorway so when he had got up from his knees to standing, um, I'd say it was approximately, you know, 7 to 8 feet.

JH: 'Kay. And when he went on the first occasion before he, the Taser was deployed, you said he began to approach you?

JB: Yeah, so, eh, um, he was standing up. That's when I drew my Taser out on him, um, and then you know he's havin' that knife within his hand. He's pointing it at us. Um, he's

****

makin', you know, this type of motion where as if, you know, he's gonna stab us with it. Uh, he's movin' it back and forth as like, in like a sawing motion. Um, and then at one point he almost like threw the knife, looked like he was gonna throw the knife at us, and then it was at that time he basically made it in a crescent manner where he's jumpin' out and I'm thinkin' that he's gonna come, you know, attack me with that knife.

JH: And in feet, what's the diff, distance at that point?

JB: So, I'd say, you know, when he's first standing up I was probably, you know, 7 to 8 feet, and you know, after that I was probably 5, 6 feet.

JH: 'Kay, and what did you think was gonna happen?

JB: Um, I, you know, I, at that time, you know, hadn't obeyed our commands. Um, the Taser was ineffective, the pepper spray was ineffective. Um, you know, he's sittin' there speakin' about death and basically speaking nonsense to us. Um, he'd already assaulted one subject with a knife. Um, you know the process, my thought processes was, you know, somebody that can basically go through those, you know, the pepper spray and Taser and have no effect on 'em, there's gotta be somethin' else, you know, with a controlled substance or alcohol, um, with them, um, and then obviously the pepper spray made him feel like more agitated and irritated with us. Um, so I thought he was tryin' to approach us to attack us at that time.

JH: 'Kay. And how did you feel at that moment when you thought he was gonna attack you?

JB: I mean, obviously I thought my life was, you know, uh, in danger, um, and that's why, you know, I thought, hey, if I can deploy a Taser one more time without having to use lethal, and he can drop the knife, I can go hands on with him. Um, but there's also that thought of, you know, hey, if this Taser is not effective, now I'm potentially gonna be hands on with the guy with a knife, but I, my partner has lethal. Um, so actually we felt, felt that our, I felt that my, you know, life was in danger –

JH: 'Kay.

JB: – somebody approaching me with a knife.

****

JH: 'Kay. Um, and you mentioned previously that, um, you found you, your, yourself moving down the hallway. Um, what did you believe was gonna happen if you did not back up down that hallway?

JB: Uh, I thought I was gonna be potentially stabbed with the knife. I thought I was gonna be assaulted with it.

JH: Okay.

JB: Um, I know if I woulda been staying in the doorway, um, just based on his behavior. You know, he's pointin' the knife at us, talkin' about death. Um, you know, he's irritated and agitated. Already just assaulted somebody else. Um, I'm just another, basically person in his path from, you know, just tryin' to stop him.

JH: 'Kay.

JB: From what he's tryin' to do.

JH: Uh, did you see, you mentioned the shots bein' fired previously. Did you actually see the shots bein' fired, or did you just hear 'em at the time?

JB: I did not. I just heard 'em.

JH: You just heard 'em. Okay. Uh, did you notice where the suspect was at the time when you heard the shots bein' fired?

JB: Um, I do not. Like, like I said in the last time, um, you know, there's just, he was up on the bed, and there was just basically a split second where, and that's when he attacked us, you know, in the doorway. Uh, and that's when we split. I know he hadn't come my way.

JH: Okay.

JB: Um, so then I didn't see – but I, no, I didn't obviously see what was the next step for this.

JH: Did you happen to see, and if you didn't that's fine. Did you happen to see where the knife was, in which hand or how it was positioned in any way, shape or form when the shots were bein' fired?

****

DETECTIVE: Det. J. Hanshew #1627 TYPED BY: SpeakWrite

****

JB: Um, I did not. No.

JH: Okay.

JH: You mentioned, um, moving a female from a back bedroom out a window.

JB: Mm hmm.

JH: Why did you go in that manner versus just right out the front door?

JB: Um, so the way that ha, that bedroom was set up, so there's, you know, you walk into the house. Um, and you go east through the house, you know, there's, the bathroom. There's the bedroom with, uh, the subject with knife in it, then there was another bedroom and a bedroom. Well she was in this back, you know, the northeast side of the house, and in order for me to take her out to the front of the house, I would have to have bring her past the subject with the knife.

JH: Oh. Yeah.

JB: He's already assaulted again one subject, resident in the house. He's came at me and my partner with the knife, um, and if I bring her there, and he happens to, you know, I did – I was, unknown to me if he was shot or if he was injured or what he was doin' in the bathroom. I, I didn't wanna bring a female through the house and potentially put her life in danger, um, it happened over the door and somewhere with the –

JH: Okay.

JH: Oh, once last thing I forgot. When you described initially the first Taser deployment, I believe by your partner –

JB: Uh huh.

JH: Um, and he went from under the bed, uh, to the kneeling position. Where was the knife exactly, at that moment? Do you recall which hand or how it was positioned?

JB: So, he was layin' down on the ground and then that's when he sat up, um, on his knees.

JH: Okay.

****

JB: He had the knife in his right hand.

JH: Okay.

JB: As if he was just holding it, just, um –

JH: For the record, your arm's bent at the elbow.

JB: Bent, uh, like a 45-degree.

JH: Okay.

JB: Where the knife was, you know, pointed towards our direction.

JH: Okay.

JB: And that's when that first Taser was deployed.

JH: Okay. Now moving to your Taser deployment.

JB: Uh huh.

JH: Um, tell me again, and describe for me, the position of the knife, if, in which hand, if you can describe or no, um, and, and in what fashion it was, uh, positioned.

JB: Um, again, he was standing up and I believe he had it in his right hand, and he's pointin' it at us, um, you know, makin' that movement as if he was gonna throw it at us, kinda like that forward and back motion as if you're using a, a saw. Um, and he still had, you know, his arm bent like at like a 45-degree with the knife pointing towards us, and then that's when he basically leapt, made that aggressive movement towards me, still with the knife in his hand, um, approachin' us. So then, I feared for my safety that he's -. I'm only about, you know, now 5 feet away from the subject. Um, I gotta react quickly, and that's when I deployed my taser.

JH: Okay. Um, do you recall if he said anything at that time? Or, that you recall?

JB: Um, I did not, again. For an exact statement, I would **** body camera.

JH: I don't have any other questions. Detective Horsman, do you have anything else?

****

JH1: Um, I think you just at this point. Um, do you wish to view any of the video recordings related to this event at this time?

JB: yeah, I'd like it see it.

JH1: Okay.

JH: Okay.

JH: So lemme just read you an admonition before, uh, we make that available to you, okay?

JB: Mm hmm.

JH: In this case, there is audio and video evidence that you will have an opportunity to view after you have given your initial statement, which you've done. Uh, the video evidence has limitations and may depict the events differently than you recall, and may not depict all of the events as you've seen or heard, uh, as seen or heard by you. Video has a limited field of view and may not capture events normally seen by the human eye. The "frame rates" video may limit the camera's ability to capture movements normally seen by the human eye. Uh, lighting as seen in the video may be different than what is seen by the human eye. Uh, videos are a two-dimension medium and may not capture depth, distance or positional orientation as well as the human eye. Remember the video evidence is intended to assist your memory and ensure that your initial statement explains your state of mind at the time of the incident. You should not feel in any way compelled or obligated to explain any difference in what you remember or acted upon from what viewing the additional evidence provides you. If listening to audio recordings or viewing video recordings provides additional clarity to what you remember, that is fine. If it does not, that is fine too.

JB: Okay.

JH: Any questions about that?

JB: No.

JH: Okay. So we're gonna go off the record again so we can make that available to you. The current time 8/7/2017 at 1815 hours.

JH: Today is 8/8/2017 at 1832 hours. Detective Jesse Hanshew and Joe Horsman at the [redacted] with Officer Badger and his attorney, Mr. Lopes. Officer Badger has viewed the, uh, body worn camera video that we took a break for previously. Uh, is there, do you need to add or clarify any details of your previous statement Mr. Badger?

JB: Uh, after reviewing my body camera **** refresh my memory of the incident. Um, I remember one of the questions you had asked me was about giving commands in Spanish and if I did it or not. Um, at the time I didn't remember if I did or not, but obviously watching my camera I was able to see that, you know, Officer Nick was giving, you know, verbal commands in Spanish and I was repeating them.

JH: Okay.

JB: We just – I wanted to get compliance with him and just have him basically, you know, show us his hands and drop the knife. Um, and that's why I was obviously repeating Officer Nick. Obviously, two voices are obviously better than one, but you know, we didn't want to kind of confuse him. So, Officer Nick was basically giving those commands and then I would repeat them.

JH: Okay. Anything else you'd like to add or clarify?

JB: Um, and obviously, no, just the refresh of the memory, just his demeanor or how he, uh, approached me after I deployed my taser. Um, you know, he's, uh, in that aggressive manner where he's got that forearm bent, you know, at like a 45-degree angle. The knife is pointed at me. Um, he's actively trying to get over the bedframe to approach us. Um,

you know, I, obviously, it felt like my life was in, uh, danger. Um, you know, I felt like, uh, he was trying to approach me to assault me with the knife. You know, he's obviously agitated. He's upset and aggressive, and he was trying to do whatever he could do to approach me and attack me with it.

JH: Were you scared at the time?

JB: No.

JH: Okay. Um, anything else clarified, or clarifying issues or anything you want to add?

JB: No. I think that that helped me out.

JH: Uh, Detective Horsman?

JH1: Nothing.

JH: Mr. Lopes?

ZL: I got nothing to add.

JH. Okay. So, we're going to go ahead and go off the record. Again, 8/8/2017. The time now is 1834 hours.

Case No. 170805-019
Sonoma County Sheriff`s Office
Violence Crime Investigations Unit
Det. Hanshew #1627
Re: Critical Incident Investigation

****

SUPPLEMENT:

On 8-7-17 at approx. 0843 hrs., Det. Horsman and I arrived at the Sonoma County Coroner`s Office to attend the autopsy of S-Pablo Garcia-Garcia.

On 8-7-17 at approx. 0852 hrs., Deputy District Attorney C. Rodriguez, District Attorney Investigator D. Urton, and Sonoma County Sheriff`s Office CSI detective, Det. T. Newton arrived at Sonoma County Coroner`s Office.

On 8-7-17 at approx. 0910 hrs., Deputy District Attorney C. Fowler arrived at the Sonoma County Coroner`s Office.

On 8-7-17 at approx. 0915 hrs., Sonoma County Sheriff`s Office Investigations Division Supervisor, Lt. T. Duke arrived at the Sonoma County Coroner`s Office. Shortly thereafter, however, Lt. Duke would leave the Count Morgue Facility (CMF).

About this time, Forensic Pathologist Verilhac did not continue on with the autopsy of Garcia due to the fact that the County Morgue Facility`s (CMF) X-ray machine was inoperable. It was then decided that Garcia would be transported to the Napa County Coroner`s Officer so that X-rays of his body could be performed. Garcia`s body was then transported to the Napa County Coroner`s Officer by Sonoma County Coroner`s detective, Det. B. Kidder.

On 8-8-17 at approx. 0900 hrs., Det. Horsman and I traveled to and arrived at the Sonoma County Coroner`s Office. There, we met with CSI detective, Det. T. Newton who was already at CMF.

On 8-8-17 at approx. 0905 hrs., District Attorney Investigator D. Urton and Deputy District Attorney C. Fowler arrived at CMF.

On 8-8-17 at approx. 0914 hrs., Garcia's body was wheeled into the autopsy examination room. After which, the lock (#28524) securing Garcia's human remains pouch (aka: body bag) was cut. Forensic Pathologist Verilhac then began her external examination of Garcia with the assistance of Forensic Pathologist Assistant, R. Hayes.

On 8-8-17 at approx. 0920 hrs., Sonoma County Sheriff's Office Investigations Supervisor, Lt. T. Duke arrived at the Sonoma County Coroner's Office.

On 8-8-17 at approx. 1022 hrs., Lt. Duke left the Sonoma County Coroner's Office.

On 8-8-17 at approx. 1103 hrs., Forensic Pathologist Verilhac began her internal examination of Garcia.

On 8-8-17 at approx. 1147 hrs., Det. Newton contacted me in the autopsy viewing room. According to Det. Newton, Garcia's blood tested presumptive positive for methamphetamine.

On 8-8-17 at approx. 1252 hrs., Det. Newton contacted me in the autopsy viewing room. At that time, Det. Newton informed me that they had located and recovered a total of three (3) bullets from Garcia's body.

On 8-8-17 at approx. 1332 hrs., Forensic Pathologist Verilhac concluded the autopsy. After which, Forensic Pathologist Verilhac concluded that the cause of death was most likely the result of multiple gunshot wounds.

Refer to Dr. Verilhac's autopsy report for further details.

Sonoma County Sheriff`s Office Case No. 170805-019
Santa Rosa Police Dept. Case No. 17-0010261
Sonoma County Coroner`s Office Case No. 17-0000830
Sonoma County Sheriff`s Office
Violent Crime Investigations Unit
Det. Hanshew #1627
Re: The Officer-Involved-Fatal-Shooting of Pablo Garcia-Garcia D.O.B. [redacted]

****

SUPPLEMENT:

On the morning of 8-5-17, I learned officers from the Santa Rosa Police Department were involved in an officer-involved-fatal-shooting. At the time, myself and other members of the Sonoma County Sheriff`s Office Violent Crime Investigations Unit were completing a murder investigation in the Sonoma Valley.

On 8-5-17 at approximately 1045 hrs., I was notified by acting Violent Crime Investigations supervisor, Det. Sgt. S. Murphy, that the Santa Rosa Police Department invoked the Sonoma County Employee-Involved Fatal Incident Protocol (93-1). As such, the Sonoma County Sheriff`s Office, specifically, the Violent Crime Investigations Unit was designated as the lead agency in investigating the Santa Rosa Police shooting having occurred earlier that morning.

Due to the fact that we were in the process of completing an un-related homicide investigation, Det. Sgt. Murphy advised me that members of the Violent Crime Investigations Unit would begin our investigation later this afternoon (on 8-5-17).

****

ARRIVAL AT THE SANTA ROSA POLICE DEPARTMENT:

On 8-5-17 at approximately 1400 hrs., I woke to a call from Det. Sgt. Murphy. At the time, Det. Sgt. Murphy asked that I be at the Santa Rosa Police Department at approximately 1500 hours for a briefing.

On 8-5-17 at approximately 1500-1515 hrs., I arrived at SRPD. There, I met with several members of the Sonoma County Sheriff`s Office and the Santa Rosa Police Department. Not long thereafter, the supervisor of the Santa Rosa Police Departments Violent Crime Investigations Unit, Det. Sgt. J. Ludtke, provided us with a briefing regarding the incident. The following is a summary of that briefing:

On 8-5-17 at approximately 0558 hrs., officers with the Santa Rosa Police Department were dispatched to a residence on [redacted] (later found to be [redacted]) for a disturbance. Upon entering the residence, Santa Rosa Police Officers located a subject (later identified as S-Pablo Toribeo Garcia-Garcia) who was hiding underneath a bed, while armed with a knife. During the encounter, Santa Rosa Police Officers deployed Tasers and chemical agents, but neither had any effect on the subject.

According to Det. Sgt. Ludtke, at one point during the encounter Garcia stood-up while still armed with the knife. As a result, the Santa Rosa Police Officers shot Garcia who ultimately retreated into a nearby bathroom where he succumbed to his injuries and died.

According to Det. Sgt. Ludtke, several witnesses had already been interviewed by members of the Santa Rosa Police Department, while the children located within the residence at the time of the incident were scheduled to be interviewed at the Redwood Children`s Center (RCC).

Additionally, Det. Sgt. Ludtke informed us that members of the Petaluma Police Department processed the Santa Rosa Police Officers involved in the incident and Santa Rosa Police Violent Crime Investigations detective, Det. G. Wojcik, authored a Search Warrant for the residence located at [redacted] in Santa Rosa.

****

BRIEFING BY SONOMA CUONTY SHERIFF`S DVSA DETECTIVES:

Once Det. Sgt. Ludtke concluded his briefing, we were briefing by members of the Sonoma County Sheriff`s Office Domestic Violence Sexual Assault (DVSA) Unit. Apparently, members of DVSA conducted witness interviews consisting of members who were present within the residence at the time of the incident. The following is a summary of that briefing:

According to the briefing, Garcia`s was known at the residence as "El Chapo" or simply, "Pablo." Earlier this morning, Garcia apparently stabbed another person in the residence and it was believed Garcia had some type of "anger-issues"

NOTE: Later, I learned DVSA Det. Regan would interview [redacted] who reported that Garcia was, in fact, acting strange that morning, was armed with a knife, and stabbed [redacted] in the foot which precipitated the call to the Santa Rosa Police Department. Refer to Det. Regans` supplemental report.

During the briefing, I learned there was another resident (later found to be W-[redacted]) who apparently witnessed the incident.

NOTE: Later, I learned DVSA Det. F. Schmidt conducted an in-depth interview with W-[redacted] who observed Garcia`s actions, the fact that he was armed, and his encounter with members of the Santa Rosa Police Department. Refer to Det. Schmidt`s supplemental report.

****

VIEWING OF SRPD BWC RECORDINGS:

While at the Santa Rosa Police Department, I was allowed to view the body-worn-camera (BWC) recordings associated with Santa Rosa Police Officer J. Badger.

NOTE: Refer to a separate supplemental reports for the details associated with Officer Badger`s and Officer Vlahandres` BWC recording which depicts their interaction with Garcia in the moments before, during, and after lethal force was used.

****

EVIDENCE PROVIDED BY SANTA ROSA POLICE DEPARTMENT:

On 8-5-17 at approximately 1624 hrs., Santa Rosa Police detective, Det. J. Bjornstrom provided me with a black thumb drive containing three (3) BWC videos related to the following Santa Rosa Police Officers:

-Officer J. Badger
-Officer P. McAllister
-Officer N. Vlahandres

NOTE: Later, I marked the above thumb drive as evidence item #6JJH before booking it into Sonoma County Sheriff`s Office property/evidence.

Later, I was provided an additional thumb drive that contained Santa Rosa Police Department BWC recordings associated with the following Santa Rosa Police Officers:

-Officer Albini
-Officer Badger
-Officer M. Crosby
-Officer Dunn
-Officer P. McAllister
-Officer Philip
-Officer Schindler
-Officer N. Vlahandres

NOTE: Later, I marked the above thumb drive as evidence item #7JJH before booking it into Sonoma County Sheriff`s Office property/evidence.

****

SCENE WALK THROUGH:

On 8-5-17 at approximately 1637 hrs., I traveled to and arrived at the scene located at [redacted] in Santa Rosa. There, I observed a uniformed Santa Rosa Police Officer (Officer B. Klein #470) standing just outside the front entry north door leading into the residence. Also, I noticed crime scene tape spanning across the north side of the residence, adjacent to the south side of [redacted]

At the scene, I met with the following personnel:

-Santa Rosa Police Detective G. Wojcik
-Santa Rosa Police Detective J. Bjornstrom
-DDA C. Rodriguez
-DAI D. Urton
-DAI M. Stapleton

Additionally, I encountered Sonoma County Sheriff's Detective, Det. M. Crean and Det. T. Piersol who were in possession of the crime scene log.

Before entering the scene, Sonoma County Sheriff's Office Crime Scene Investigations Detective, Det. T. Newton, videotaped the crime scene. Refer to Det. Newton's supplemental report.

On 8-5-17 at approximately 1713 hrs., I donned rubber gloves and white shoe coverings before Det. Horsman and I followed Det. Newton into [redacted] (crime scene).

On 8-5-17 at approximately 1722 hrs., I exited the residence with Det. Horsman. After exiting the residence the first time, I spoke with DVCSA Det. Regan. In essence, Det. Regan explained that the assault with a deadly weapon occurred in the bedroom directly across from the bathroom located in the hallway.

On 8-5-17 at approximately 1730-1740 hrs., I again donned rubber gloves and white shoe coverings before re-entering the residence. Specifically, to view additional rooms and room configuration within the residence. After which, I took nine (9) digital photos of the interior scene.

NOTE: Later, I downloaded the above photos onto a CD-R disc that I labeled as evidence item #1JJH before booking it into Sonoma County Sheriff's Office property/evidence.

On 8-5-17 at approximately 1747 hrs., I exited the residence. After which, Det. Newton and Det. Baraz began to process the residence. Refer to Det. Newton and Det. Baraz's supplemental reports.

SONOMA COUNTY CORONER'S ARRIVAL:

On 8-5-17 at approximately 1933 hrs., Sonoma County Chief Deputy Coroner, Det. Sgt. A. Mancilla and Detective Coroner T. Rountree arrived on scene. Refer to Sonoma County Coroner's Office Death Investigation (CR# 17-0830).

On 8-5-17 at approximately 1940 hrs., the members of the Sonoma County Coroner's Office contract removal service, [redacted] arrived on scene.

On 8-5-17 at approximately 2000 hrs., [redacted] entered the scene with a fingerprint I.D. in an attempt to confirm Garcia's identity. After which, they took custody of Garcia's body by placing him into a body back and securing it with a lock (#28524).

On 8-5-17 at approximately 2042 hrs., Garcia's body was removed from the residence by [redacted]

On 8-5-17 at approximately 2100 hrs., I re-entered the scene to assist in a search for cellular phones. As a result, Det. Newton collected the following items:

-Item #TN12: Cellular phone possibly belonging to [redacted] ([redacted]
-Item #TN13: White iPhone, possibly belonging to Garcia

On 8-5-17 at approximately 2126 hrs., I placed a service of Search Warrant form and a Search Warrant Inventory form on the kitchen table within the residence.

On 8-5-17 at approximately 2130 hrs., I exited [redacted] (crime scene).

INTERVIEW WITH SANTA ROSA POLICE OFFICER PARK MCALLISTER: JOE

On the afternoon of 8-8-17, Det. Horsman and I arrived at [redacted] to conduct interviews with Santa Rosa Police Officers involved in the fatal-shooting of Garcia.

On 8-8-17 at approximately 1528 hrs., Det. Horsman activated his hand-held Olympus digital voice recorder before beginning his interview with Santa Rosa Police Officer Park McAllister.

NOTE: The interview itself was conducted in [redacted] Present for our interview with Officer McAllister was myself and Officer McAllister`s attorney, Zachery A. Lopes, with the Law Offices of Rains, Lucia, Stern, St. Phalle & Silver, PC.

After approximately twenty one (21) minutes and thirty-three (33) second into the first interview with Officer McAllister, Det. Horsman took his first break.

On 8-8-17 at approximately 1624 hrs., Det. Horsman re-activated his hand-held Olympus digital voice recorder before continuing on with his interview with Officer McAllister for the next two (2) minutes and one (1) second. After which, we took another break.

On 8-8-17 at approximately 1635 hrs., Det. Horsman re-activated his hand-held Olympus digital voice recorder before continuing on with his interview with Officer McAllister for the next two (2) minutes and sixteen (16) seconds. After which, we took another break.

On 8-8-17 at approximately 1702 hrs., Det. Horsman re-activated his hand-held Olympus digital voice recorder before continuing on with his interview with Officer McAllister for the next one (1) minute and four (4) seconds. After which, Det. Horsman concluded his interview with Officer McAllister.

NOTE: Later, I downloaded the four (4) audio recordings depicting Det. Horsman`s interview with Officer McAllister onto a CD-R disc labeled as evidence item #2JJH. Later, Det. Horsman had the interviews with Officer McAllister transcribed. I downloaded the transcribed interviews with Officer McAllister into the "attachments" module of this I/leads report (see attached). Refer to the audio recordings and transcripts (which were authenticated) depicting the interview with Officer McAllister in its entirety.

Refer to Det. Horsman`s supplemental report.

SANTA ROSA POLICE DEPARTMENT FORENSIC TASER DOWNLOADS:

On 9-29-17 at approximately 1200 hrs., I contacted and spoke with Deputy E. Dickey #1019 regarding the forensic download of three (3) Tasers seized from the following Santa Rosa Police Officers:

-SRPD #35: X26P Taser (SN [redacted] - Officer N. Vlahandres
-SRPD #21: X26P Taser (SN [redacted] Officer J. Badger
-SRPD #9: X26P Taser (SN [redacted] - Officer P. McAllister

**TASER FORENSIC DOWNLOAD ANALYSIS SUMMARY:

Regarding Taser #1 (SRPD #35) and according to Deputy Dickey's supplemental report, she indicated that the firing log associated with Taser #1 depicted five (5) notable actions that occurred on 8-5-17. They following is a summary of those actions related to the above Taser #1 (SRPD #35):

-At 06:17:17, the Taser was armed (safety taken off). It was kept in the armed position for 14 seconds before the safety was turned back on.

-The Taser was again armed (safety taken off) at 06:18:18

-At 06:20:44 there was a trigger pull with a 5 second duration.

-At 06:20:53 there was a second trigger pull with a 5 second duration.

-At 06:21:00 the Taser's safety was turned back on.

NOTE: According to Deputy Dickey's supplemental report, when a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. Deputy Dickey noticed the X26P's internal clock was reset back 7 minutes and 11 seconds to match the network set times. In essence, 7 minutes and 11 seconds should be subtracted from all events in the firing log to match any other synchronized items (e.g., dispatch transmissions, etc.).

Regarding Taser #2 (SRPD #21) and according to Deputy Dickey's supplemental report, she indicated that the firing log associated with the Taser #2 depicted three (3) notable actions that occurred on 8-5-17. They following is a summary of those actions related to the above Taser #2 (SRPD #21):

-At 06:14:02, the Taser was armed (safety taken off).

-At 06:16:58, there was a trigger pull with a 5 second duration.

-At 06:18:53, the Taser's safety was turned back on.

NOTE: According to Deputy Dickey's supplemental report, when a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. Deputy Dickey, noticed the X26P's internal clock was reset forward 1 minute and 11 seconds to match the network set times. In essence, 1 minute and 11 seconds should be added to all events in the firing log to match any other synchronized items (e.g., dispatch transmissions, etc.).

Regarding Taser #32 (SRPD #9) and according to Deputy Dickey's supplemental report, she indicated that the firing log associated with the Taser #32 indicated there WERE NO trigger pulls on the date in question (8-5-17).

Note: According to Deputy Dickey's supplemental report, when a Taser is connected to a USB download cable, it automatically synchronizes to the time clock on the computer which downloads it. Deputy Dickey noticed the X26P's internal clock was reset back 4 minutes and 31 seconds to match the network set times. In essence, 4 minutes and 31 seconds should be subtracted from all events in the firing log to match any other synchronized items (e.g., dispatch transmissions, etc.).

Refer to Deputy Dickey's supplemental report for further details.

SANTA ROSA FIRE PRE-HOSPITAL CARE REPORT:

On 8-5-17 at approximately 0917 hrs., I received an email from Coroners detective, Det. T. Rountree. Attached to Det. Rountree's email was a four (4) page copy of the Santa Rosa Fire pre-hospital care report (SRS172170028). The following is a summary of the pre-hospital care report which occurred on 8-5-17:

-Call received at 6:07:32 hrs.
-Dispatched at 6:07:49
-Enroute at 6:09:55
-At scene at 6:12:59
-At PT (patients) side at 6:37:00
-Available at 7:10:56

In the end, Santa Rosa Fire staff pronounced dead at the scene on 8-5-17 at 6:39 hours from "penetrating traumatic arrest."

NOTE: Later, I scanned the above Santa Rosa Fire pre-hospital care report into the "attachments" module of this I/leads report. See attached.

SUPPLEMENT:

During the course of this investigation and while wearing headphones, I carefully watched and listened to Officer Badger`s body-worn-camera (BWC) recordings captured which were later captured on a thumb drive and two DVD-R discs that was I labeled as evidence item #6JJH & #7JJH, respectively. The following is a summary of the two (2) BWC video files associated with Officer Badger:

VIDEO #1 (PICT0019.mp4):

I was provided with two (2) BWC recordings associated with Officer Badger. The first video depicted a recording before the incident on 8-5-17 at approximately 0553 hours and depicted an encounter with a WMA that appeared unrelated to the incident involving Garcia. Still, this initial BWC recording was approximately five (5) minutes and twenty-nine (29) seconds. Refer to the initial uninvolved BWC recording.

VIDEO #2 (PICT0020.mp4):

On 8-5-17 at approximately 0605 hrs., the second BWC recording associated with Officer Badger begins. It is apparent this recording is directly related to the incident involving Garcia and begins with Officer Badger at the front of his (Garcia`s) residence on [redacted] This second recording lasts approximately thirty-five (35) minutes and three (3) seconds. The following is a summary of Officer Badger`s second BWC recording:

On 8-5-17 ant approximately 0606 hrs., Officer Badger entered Garcia`s residence and contact a HMA with another Santa Rosa Police Officer who appeared to speaking in partial Spanish (believed to be Officer

Vlahandres). At that time, the HMA sounded as if he was distraught and crying.

On 8-5-17 at approximately 0607 hrs., Officer Badger can be heard using his police radio to request "Code-3" medical respond to the scene so that they could treat a "small laceration." A short time later, Officer Badger can be seen checking Garcia`s bedroom after obtaining misc. keys from the distraught HMA they were previously speaking with. After opening the door (with keys), Officer Badger announced himself ("Santa Rosa Police") along with another officer.

Officer Badger and another officer viewed Garcia`s bedroom from the threshold and while using flashlights. About this time, Officer Badger mentioned to another officer that the crime was a "245" (I knew to be the Penal Code Section 245, assault with a deadly weapon). In the end, Officer Badger did not locate Garcia in his bedroom the first time they searched from the threshold.

After which, Officer Badger asked the residents how it was he could access the backyard (apparently referring to the 245 P.C. suspect). Not long thereafter, Officer Badger walked around the east side of the residence and met another Santa Rosa Officer in the backyard. However, their search was fruitless.

On 8-5-17 at approximately 0610 hrs., Officer Badger was asked to re-enter the residence. As a result, Officer Badger swiftly made his way back into Garcia`s residence via the front (north) etnry door. Once inside, Officer Badger directed another Santa Rosa Police Officer to take "this guy to medical." After which, Officer Badger then walked to the bedroom door leading into Garcia`s bedroom, which is directly across from a common east bathroom. Both of which are accessed via the east hallway of the residence, located east of the front door. There, Officer Badger met with Officer Vlahandres who was standing in the threshold of the oedroom door. It was then that Officer Vlahandres said something similar to "it sounds like he`s against the wall."

Officer Badger remained at the threshold of Garcia`s bedroom door, while Officer Vlahandres entered the bedroom and began to search underneath misc. items within the room itself (e.g., bed frame, mattresses, etc.). It was obvious to me that Officer Vlahandres located and observed Garcia positioned underneath the bed and misc. mattresses. All the while, Officer Vlahandres has his Taser in his right hand.

Both Officer Badger and Officer Vlahandres would announce themselves several times as police officers, both in English and Spanish. However, Garcia did not respond. Still, Officer Vlahandres continued to move items away from Garcia. In doing so, they learned Garcia was naked.

On 8-5-17 at approximately 0612 hrs., Officer Badger can be heard requesting "one more unit" (I knew to be one more Santa Rosa Police Officer) via his police radio. Not long thereafter, Officer Vlahandres tells Officer Badger that Garcia was in possession of or a knife. As Officer Vlahandres does so, he points at the area he was addressing. Officer Badger responds, "I see it." Officer Badger then tells Officer Vlahandres to "get your Taser out."

In the next several moments, Officer Vlahandres and Officer Badger would give clear concise orders to Garcia in an effort to gain his compliance and disarm him. Officer Badger and Officer Vlahandres did so by giving such orders as, "drop the knife," "put the knife on the ground, now," and "put the knife down and let me see your hands!" These clear and concise commands, in both English and Spanish, would continue several times.

On 8-5-17 at approximately 0613 hrs., Officer Vlahandres would move an item(s) out of the way that apparently exposed Garcia. Officer Vlahandres and Officer Badger continued to give Garcia commands in English and Spanish. Shortly thereafter, Garcia can be seen entering Officer Badger`s BWC camera view. At

that time, Garcia can be seen lying supine with his arms up over his head, underneath a bed located adjacent to the west bedroom wall. Moments later, Garcia moved his hands toward his upper torso when Officer Badger can be heard saying, "It`s on his stomach" (believed to be referring to the knife). Officer Badger and Officer Vlahandres continue to give Garcia commands in Spanish (e.g., "manos arriba"). Garcia does not respond, but can be heard moaning and rambling.

On 8-5-17 at approximately 0614 hrs., one of the officers can be heard saying, "He`s grabbing it." Officer Badger can then be heard ordering Garcia to "put the knife down." Officer Badger and Officer Vlahandres then repeat in Spanish, "manos arriba" (translated in English to "hands up").

Officer Badger then moved to the threshold of the Garcia`s bedroom door, while Officer Vlahandres is position directly in front of him. Officer Vlahandres continued to have his Taser in his right hand, pointed in Garcia`s direction. Garcia had by now re-positioned himself from a supine position to possibly a kneeling or sitting position. However, Officer Badger`s BWC camera only captured a portion of Garcia body, from approximately his upper chest to his head.

On 8-5-17 at approximately 0614 hrs., Officer Vlahandres orders Garcia to place the knife on the ground and, in Spanish, tells Garcia that it will be okay (e.g., "esta bien"). Still, Garcia does not respond. Moments later, Officer Badger says, "You ready?" After which, Officer Vlahandres deployed his Taser which, in some fashion, made contact with Garcia. Garcia can be heard grunting, while Officer Vlahandres orders him to "put it down." Officer Vlahandres` Taser deployment appeared (via the Taser arcing sound) to cycle for a full five (5) seconds.

Officer Vlahandres then moves to the right (west) side of the bedroom door threshold, while deploying what appeared to be a second five (5) second Taser cycle (via the Taser arcing sound). Moments later, Garcia`s arms can be seen thrashing about, while Officer Vlahandres states, "I lost my connection."

About this time, Officer Badger points his Taser at Garcia from the left (east) side of the bedroom door threshold. Garcia remains in either the seated or kneeling position located in the southwest corner of the bedroom. As he did so, Officer Badger states, "Put the knife down now!"

On 8-5-17 at approximately 0615 hrs., Officer Vlahandres can be heard speaking into his police radio, "George 6, Taser deployednot effective." Right afterward, Garcia can be heard saying, "I don`t talk no morel`m saying leave." Officer Badger responds, "Put the knife down, now!" All the while, Officer Badger is pointing his Taser in Garcia`s direction.

Garcia then states, "(inaudible) for real." Officer Badger again orders, "Put the knife down, now!" Garcia then stated, "(inaudible) okay." Officer Badger again orders, "Put the knife down now!" Officer Vlahandres can be heard again informing Santa Rosa Police Department dispatch that his Taser deployment was ineffective. After which, Officer Badger said, "He`s gonna cut his arm."

Officer Badger orders Garcia to "Put the knife down now." Still, Garcia does not respond. Officer Vlahandres can then be heard asking Officer Badger, "Pepper Spray?" Officer Badger replies, "Yeah." Moments later, Officer Vlahandres deploys Pepper Spray toward Garcia while he remained inside the bedroom. Garcia does not react, does not respond verbally, and does not move from his position located in the southwest corner of the bedroom.

Officer Vlahandres then orders Garcia to "put the knife down." Garcia responds, "I can`t I have a problem." Officer Badger and Officer Vlahandres both repeat "Put the knife down." Via Officer Badger`s BWC

:ecording, Garcia can be seen manipulating something on the floor, behind misc. cushions in front of him. Officer Badger then orders, "Hands uphands up!" Officer Vlahandres and later Officer Badger would issues orders in Spanish by saying, "Manos arriba." However, Garcia did not answer, does not comply, and remains in in the southwest corner of the bedroom. Officer Badger and Officer Vlahandres would continue to give Garcia commands to drop the knife or "put the knife down."

On 8-5-17 at approximately 0616 hrs., Garcia can be heard saying, "I tell youI don`t want to talk peopleserious!" Officer Badger again orders Garcia to "put the knife down, now!" Garcia responds, "Please!"

Officer Vlahandres then tells Garcia that he and Officer Badger were there to help him. Garcia replies that they were not there to help him. All the while, Officer Badger orders Garcia to put the knife down. Garcia then said, "(inaudible) got problems with mefor real." Officer Vlahandres continues to plead with Garcia that they are there to help him. Garcia continues to say something, but it was difficult to understand via the BWC recording.

On 8-5-17 at approximately 0616 hrs., Garcia enters the view of Officer Badger`s BWC recording. As he does so, Garcia can be seen holding the knife in his right hand and waving it around as he is speaking. Garcia can be heard saying, "You understand what I am sayingplease?" After which, Officer Badger and Officer Vlahandres can be heard telling Garcia that they were there to help him. Garcia replies, "NoI don`t want helpI wannamyself."

Officer Badger continues to tell Garcia they are there to help him. Garcia calmly replies, "I say no." Officer Vlahandres then asks, "What`s going on?" Garcia replies, "I say nothat`s it." Officer Badger orders, "Were nere to help youput the knife down." Garcia replies, "Uh-uhno." Officer Vlahandres replies, "We can`t help you if you don`t tell us what`s going on." Garcia forcefully responds, "Pleaseturn the light off and go!" After which, Garcia starts to grunt before saying, "(inaudible) kill you too." Officer Vlahandres replies, "You don`t want to do that sir...were here to help you."

On 8-5-17 at approximately 0617 hrs., Garcia said, "Clean my eyesclean my eyes." About that time, Officer Badger notifies Santa Rosa Police Department dispatch (via his radio) that Garcia remained in possession of the knife. Officer Vlahandres orders Garcia to "put the knife on the ground." Garcia replies, "Clean my eye."

Officer Badger can be heard speaking into his police radio indicating Garcia remained in possession of the knife in the bedroom, nearest the front door. As this was occurring, Garcia can be heard saying something that was difficult to understand. However, Officer Badger`s BWC recording captured what sounded as if metal was striking something. As this was occurring, Garcia is again yelling something that I was unable to understand.

Moments later, Officer Badger and Officer Vlahandres attention is quickly diverted toward Garcia. It was then that Officer Badger`s BWC camera captures Garcia standing up. This revealed that Garcia was completely naked, but his skin appearing as though it was wet.

Garcia then began to advance toward Officer Badger and Officer Vlahandres while saying something that I could not understand. As this was occurring, Officer Badger deployed his Taser, which appeared (by the ;ound Garcia was emitting), may have struck Garcia`s body. As a result, Garcia can be heard grunting and moving to his right (east).

As Officer Badger`s Taser continued to cycle, Officer Vlahandres orders Garcia to "get ondrop the knife!"

After Officer Badger's initial Taser cycle, Garcia can be seen maneuvering himself to his knees. As this occurs, Garcia can be seen looking directly at Officer Badger and Officer Vlahandres, while clearly in possession of the knife in his right hand. This is depicted on Officer Badger's BWC video at 0617 hours (on 8-5-17).

On 8-5-17 at approximately 0618 hrs., Officer Badger backs-up down the hallway, eastbound, while Officer Vlahandres back-up down the hallway, westbound, toward the front door. Moments later, Garcia can be seen emerging from the bedroom via the threshold of the bedroom door.

Officer Badger continues to retreat down the hallway, seeking cover at the far east master bedroom. As this is occurring, orders are being issued from one or both of the officer, which consisted of "drop it" and "drop the knife." Moments later, gunfire can be heard just before a loud noise as if something fell to the ground.

After the shooting, other Santa Rosa Police Officers arrive on scene. Those officers are informed that Garcia is in the bathroom located directly across from Garcia bedroom. And, Officer Badger's BWC recording captures the fact that a HFA is located in the bedroom he retreated into and the manner in which he evacuates the HFA out of the bedroom (via a window).

After extracting the HFA out of the east bedroom, Officer Badger re-enters the residence via the front door. There, he meets with other Santa Rosa Police Officers. After some talk, Officer Badger tasks himself with evacuating other residents of the residence. All the while, other misc. Santa Rosa Police Officers maintained their position just outside the east common bathroom, which is located adjacent to the east hallway, and across from the bedroom the incident began in.

At some point, Officer Badger does learn that Garcia is "down in the bathroom." Still, Officer Badger continues to make attempts to evacuate the other residents of the residence. Officer Badger then meets with other Santa Rosa Police Officers on W. Steele Lane and obtains a ballistic shield. As he does so, he briefed the officers on the "situation," and how the incident transpired. After which, Officer Badger, using a ballistic shield, re-entered the residence. Before entering the residence, another Santa Rosa Police Officer can be heard trying to communicate with Garcia in Spanish.

On 8-5-17 at approximately 0633-0634 hrs., Officer Badger entered the bathroom along with other misc. Santa Rosa Police Officers. There, they encountered Garcia on the bathroom floor. Officer Badger's BWC recording also captured a large knife resting left of the bathroom sink, on a small counter top.

On 8-5-17 at approximately 0635 hrs., Officer Badger placed Garcia in handcuffs, while another officer appears to try and place "combat gauze" somewhere on Garcia's wound(s). A short time later, Officer Badger exited the residence, while Santa Rosa Fire personnel can be seen entering.

Once outside, Officer Badger is told he needs to be sequestered by another officer, while remaining outside in front of the residence, adjacent to south side of W. Steele Ln.

On 8-5-17 at approximately 0640 hrs., Officer Badger concludes his BWC recording.

Refer to Officer Badger's BWC recording.

SUPPLEMENT:

During the course of this investigation and while wearing headphones, I carefully watched and listened to Officer Vlahandres` body-worn-camera (BWC) recordings which were later captured on a thumb drives and provided to me. I later downloaded the recordings onto two (2) DVD-R discs that I labeled as evidence item #6JJH & #7JJH, respectively. The following is a summary of the two (2) BWC video files associated with Officer Vlahandres:

VIDEO #1 (PICT0030.mp4):

The first (1st) video depicted a recording before the incident on 8-5-17 at approximately 0530 hours and appeared to depict an encounter with subjects that appeared unrelated to the incident involving Garcia. Still, this initial BWC recording was approximately twenty-five (25) minutes and twenty (20) seconds.

Refer to the initial uninvolved BWC recording.

VIDEO #2 (PICT0031.mp4):

Officer Vlahandres second (2nd) BWC video starts at 0617 hours (on 8-5-17). This second (2nd) BWC recording was approximately seventeen (17) minutes and fifty-one (51) seconds and was directly related to the incident involving Garcia. The following is a summary of Officer Vlahandres second BWC recording:

Officer Vlahandres` BWC recording began by initially captures him standing on the right side (west) of the

oedroom door threshold. At that time, Garcia can be heard grunting before stating, "(inaudible)kill you too." Officer Vlahandres responds, "You don`t want to do that sir, were here to help you."

On 8-5-17 at approximately 0617 hrs., Garcia said, "Clean my eyesclean my eyes." About that time, Officer Badger notifies Santa Rosa Police Department dispatch (via his radio) that Garcia remained in possession of the knife. Officer Vlahandres orders Garcia to "put the knife on the ground." Garcia replies, "Clean my eye."

Officer Badger can be heard on Officer Vlahandres` BWC recording speaking into his police radio indicating Garcia remained in possession of the knife in the bedroom, nearest the front door. As this was occurring, Garcia can be heard saying something that was difficult to understand. However, Officer Vlahandres` BWC recording captured what sounded as if metal was striking something. As this was occurring, Garcia is again yelling something that I was unable to understand.

On 8-5-17 at approximately 0617 hrs., the voices/commands of both Officer Badger and Officer Vlahandres appear to elevate. Officer Vlahandres` BWC recording then captures the right side of Garcia`s body, specifically, his right hand and a portion of his right forearm. It was in these BWC video frames Garcia can be seen holding a knife in his right hand. As this was occurring, Officer Badger and Officer Vlahandres yelled, "Put it down!" Moments later, Officer Badger can be seen deploying his Taser at Garcia, which appears to have struck him.

On 8-5-17 at approximately 0618 hrs., Officer Vlahandres` BWC captures Garcia slightly bent over onto a bed located on the east side of the bedroom. This appeared to be a result of Officer Badger`s successful Taser deployment. Officer Vlahandres can be heard, ""get ondrop the knife!"

Moments later, Officer Vlahandres` BWC captures him backing-up, westbound, via the hallway, and toward the front door. As this is occurring, Officer Vlahandres` BWC captures Garcia emerging from the bedroom via the threshold of the bedroom door. As Garcia does so, Officer Vlahandres` BWC captures one of Garcia`s feet and what appears to be his right hand. It was during video frames that Garcia can clearly be seen holding a large knife in his right hand. Officer Vlahandres can also be heard yelling, "Drop itdrop the knife."

Officer Vlahandres` BWC then captures Garcia bending over slightly,, while Officer Vlahandres yells, "Drop the knife!" However, Garcia DOES NOT comply. Instead, and in an instant, Garcia quickly stands back-up. Afterward, Garcia thrusts forward toward the hallway. As this occurs, Officer Vlahandres fires several gunshots at Garcia. Garcia then enters the common bathroom located directly across from the bedroom where the incident began. After which, it sounds as though Garcia falls to the ground, before closing the bathroom door.

Officer Vlahandres then speaks to Officer Badger and other arriving Santa Rosa Police Officers that Garcia was located inside the bathroom, across from the bedroom the incident began in. An unknown Santa Rosa Police Officer can also be heard ordering Garcia to open the bathroom door, with his hands empty, so that they could help him. However, there is no response.

About that time, an unknown named Santa Rosa Police Supervisor asked everyone just outside the bathroom "who shot?" Officer Vlahandres can be seen motioning to the supervisor that he had, in fact, fired during the ncident and verbalized he fired four (4) times. Officer Vlahandres would remain at the far west end of the hallway adjacent to the living room for some time. There, officers can be heard ordering (in English) Garcia to open the door and emerge with his hands empty so that they can help him.

On 8-5-17 at approximately 0620 hrs., another person can be heard attempting to speak with and issue orders to Garcia in fluent Spanish. However, Garcia did not respond, nor did the bathroom ever open. About this time, an officer can be heard asking Officer Vlahandres if he thought he "hit" Garcia (apparently with the gunfire). Officer Vlahandres responded that he believed he did, in fact, strike Garcia with gunfire, but he admitted he was unsure.

On 8-5-17 at approximately 0622 hrs., Officer Vlahandres BWC recording captures him apparently providing a statement to someone near him. This statement was related to what had previously transpired. In doing so, Officer Vlahandres can be heard telling someone, "So we had two Taser deployments and Pepper Spray and it was...not really effective...um...we pulled back, he got up started walking towards us...um...and then...we pulled back...I pulled back to right here...and...he started charging out with the knife up...and...that`s when..." After which, someone continued to give Garcia instructions in fluent Spanish and would continue for some time.

On 8-5-17 at approximately 0626 hrs., someone can be heard on Officer Vlahandres` BWC recording telling them that Garcia was down in the bathroom and the knife was located inside. In fact, someone can be heard telling Officer Vlahandres and other officers that Garcia was positioned facedown in the bathroom, with his head away from the door. And, it was suggested that they wait to enter the bathroom until they were able to obtain a "shield." All the while, instructions for Garcia were being given in Spanish, while Officer Vlahandres remained at the far west end of the hallway, adjacent to the living room.

On 8-5-17 at approximately 0633 hrs., additionally Santa Rosa Police Officers entered the residence via the front north door. Approximately 1-2 minutes later, officers entered the bathroom where Garcia was located. All the while, Officer Vlahandres remained at the west end of the hallway, adjacent to the living room near the front door.

On 8-5-17 at approximately 0635 hrs., Officer Vlahandres exited Garcia`s residence via the front north door. Not long after exiting Garcia`s residence, Officer Vlahandres` BWC recording concludes.

Refer to Officer Vlahandres` BWC recording.

SUPPLEMENT:

During the course of this investigation and while wearing headphones, I carefully watched and listened to Officer McAllister`s two (2) body-worn-camera (BWC) recordings which were later captured on thumb drives and provided to me. I later downloaded the recordings onto two (2) DVD-R discs that I labeled as evidence item #6JJH & #7JJH, respectively. The following is a summary of the two (2) BWC video files associated with Officer McAllister:

VIDEO #1 (PICT0015.mp4):

The first (1st) video depicted a recording before the incident on 8-5-17 at approximately 0553 hours and appeared to depict an encounter with a WMA that appeared unrelated to the incident involving Garcia. In fact, this contact appeared to have occurred in front of [redacted] located at [redacted] Hopper Avenue in Santa Rosa. Still, this initial BWC recording was approximately five (5) minutes and forty-seven (47) seconds.

Refer to the initial uninvolved BWC recording.

VIDEO #2 (PICT0016.mp4):

Officer McAllister second (2nd) BWC video starts at 0618 hours (on 8-5-17). Officer McAllister`s second (2nd) BWC recording was approximately twenty-one (21) minutes and fifty-seven (57) seconds and was directly related to the incident involving Garcia. The following is a summary of Officer Vlahandres second

BWC recording:

Officer McAllister's BWC recording begins with him already in Garcia's residence and positioned at the far west end of the hallway, adjacent to the living room/front door. It was apparent to me that Officer Vlahandres had already deployed deadly force and Garcia had already moved into the common bathroom, across from the bedroom where the incident initiated. Officer McAllister would remain in the aforementioned positioned for some time.

On 8-5-17 at approximately 0634 hrs., Officer McAllister is captured entering the bedroom where Garcia was initially contacted by Officer Badger and Officer Vlahandres. After which, Officer McAllister is captured walking into the bedroom located at the east end of the residence.

On 8-5-17 at approximately 0635 hrs., Officer McAllister is captured standing in the hallway just outside the bathroom where Garcia fled into. There, Officer McAllister's BWC recording captures Garcia lying face down on the bathroom floor with his hands handcuffed behind his back. Not long after, it appears another Santa Rosa Police Officer was attempting to render aid to Garcia by determining where he may have been shot, while holding what appeared to be a bandage.

After which, the same Santa Rosa Police Officer asks Officer McAllister to obtain the assistance of medical personnel. Officer McAllister then exits Garcia's residence before informing Santa Rosa Fire staff they could enter the residence. McAllister remained outside the residence, adjacent to the south side of [redacted] until his BWC recording concluded.

On 8-5-17 at approximately 0640 hrs., Officer McAllister concluded his BWC recording.

Refer to Officer McAllister's BWC recording.

SUPPLEMENT:

As noted in a previous supplemental report, on 8-5-17 at approximately 1624 hours Santa Rosa Police detective, Det. J. Bjornstrom, provided me with a black thumb drive containing three (3) BWC videos related to the following Santa Rosa Police Officers:

-Officer J. Badger
-Officer P. McAllister
-Officer N. Vlahandres

NOTE: Later, I marked the above thumb drive as evidence item #6JJH before booking it into Sonoma County Sheriff`s Office property/evidence.

Refer to additional supplemental reports depicting the details of the BWC recordings associated with Officer Badger, Officer Vlahandres, and Officer McAllister.

As noted in a previous supplemental report, I was also provided an additional thumb drive that contained Santa Rosa Police Department BWC recordings associated with the following Santa Rosa Police Officers:

-Officer Albini
-Officer Badger
-Officer M. Crosby
-Officer Dunn

-Officer P. McAllister
-Officer Philip
-Officer Schindler
-Officer N. Vlahandres

NOTE: Later, I marked the above thumb drive as evidence item #7JJH before booking it into Sonoma County Sheriff's Office property/evidence.

I viewed the BWC recordings related to the following Santa Rosa Police Officers:

-Officer Albini
-Officer M. Crosby
-Officer Philip
-Officer Dunn
-Officer Schindler

After reviewing the BWC recordings related to the above Santa Rosa Police personnel, I learned that none of BWC recordings associated with Officer Albini, Officer Crosby, Officer Philip, Officer Dunn, and Officer Schindler captured the incident or the use of deadly force by Officer Vlahandres.

In fact, according to the BWC recordings associated with Officer Albini, Officer Crosby, Officer Philip, Officer Dunn, and Officer Schindler, they appeared to indicate they arrived sometime after the incident took place.

Refer to the BWC recording related to Officer Albini, Officer Crosby, Officer Philip, Officer Dunn, and Officer Schindler.

SUPPLEMENT:

On the morning of 4-17-18, I realized I failed to obtain a copy of the Santa Rosa Police Department dispatch recordings related to this officer-involved-fatal-shooting of S-Pablo T. Garcia-Garcia. As a result, I telephoned Santa Rosa Police detective, Det. J. Bjornstrom, and requested a copy of all the Santa Rosa Police dispatch recordings related to this incident.

On the afternoon of 4-17-18, Santa Rosa Police detective, Det. J. Bjornstrom, dropped-off one (1) CD-R disc containing several Santa Rosa Police Department dispatch recordings with staff at the front counter of the Sonoma County Sheriff`s Office.

On 4-17-18 at approximately 1500 hrs., I was provided a CD-R disc (containing misc. SRPDD dispatch recordings), which I labeled as evidence item #8JJH. After receiving the disc, I listened to every recording downloaded onto item #8JJH. The recordings appeared consistent with statements overhead via Officer Badger`s and Officer Vlahandres` BWC recordings leading up to, during, and after deadly force was used.

Refer to the Santa Rosa Police Department dispatch recordings.

NOTE: Later, I booked evidence item #8JJH into Sonoma County Sheriff`s Office property/evidence.

SUPPLEMENT:

On 5-17-18, I was contacted by Deputy District Attorney C. Fowler who was in the process of reviewing this case.

According to DDA Fowler, during her review she was unable to locate the BWC video recordings and photos taken by Santa Rosa Police Officer A. Turner #527. Apparently, they were not included with her investigative binder.

On 5-17-18 at approximately 1300 hrs., Det. J. Bjornstrom provided me with a single DVD-R disc that contained Officer Turner`s BWC video recordings associated with the incident and the photos he took of the victim who had sustained a wound to his leg on the morning of 8-5-17.

I then watched Officer Turner`s BWC video. The following is a short summary of Officer Turner`s BWC video:

On the morning of the incident, Officer Turner can be seen arriving on scene and, ultimately, meeting with Officer Badger. Officer Turner and Officer Badger are captured encountering subjects inside the residence, before walking outside to check the area of the backyard. In the backyard, Officer Turned is asked to re-enter the residence.

Once inside the residence for the second time, Officer Badger ordered Officer Turner to escort [redacted] outside so that his leg could be treated by medics. Officer Turner would take [redacted] outside, while Officer

Badger and Vlahandreas were searching S-Pablo Garcia-Garcia's bedroom.

On 8-5-17 at approximately 0618 hours and while [redacted] was being escorted toward an ambulance, Officer Turner's BWC video captures what appears to be five (5) gunshots emitting from the area of [redacted] In fact, Officer Turner can be heard hurrying [redacted] into the ambulance before remaining outside, on the north side of the residence with other misc. witnesses.

Refer to the Officer Turner's BWC video recordings and photos.

NOTE: After receiving the above disc, I marked it as evidence item #9JJH before booking it into Sonoma County Sheriff's Office property/evidence.

Supplemental Investigative Report
Case # 170805-019
Sonoma County Sheriff`s Office
Detective Jeff Toney
Violent Crime Investigations Unit

On 08/08/2017, at approximately 1400 hours, I briefed with VCI Detective, Jesse Hanshew, regarding the post mortem examination of (OF-1) Pablo Garcia-Garcia. During the post mortem examination that was conducted by Forensic Pathologist, Kimi Verilhac, three bullets were recovered from Garcia-Garcia`s body.

Based on the findings during the autopsy of Garcia-Garcia, and the fact there were five expended shell casings located at the scene [redacted] during scene processing, it was determined we would need to return to the scene to possibly locate two bullets which remained outstanding.

I telephoned Santa Rosa Police Department (SRPD) VCI Detective, Greg Wojcik, and briefed him on the findings during the autopsy. Knowing Detective Wojick authored the original search warrant for the premises at [redacted] during the initial investigation, I requested he author an addendum search warrant, allowing investigators to return to the property to search for the outstanding bullets.

At approximately 1700 hours, I met with SRPD Detective Wojick at the Sonoma County Sheriff`s Office and he provided me a an addendum search warrant for the premises located at [redacted] Santa Rosa, CA. I reviewed the search warrant and noted it had been reviewed by Sonoma County Deputy District Attorney C. Fowler, and signed by Sonoma County Superior Court Judge, Elliot Daum, at approximately 1645 hours. I also noted the search warrant was ordered sealed by Judge Elliot Daum.

EXECUTION OF SEARCH WARRANT AT [redacted] SANTA ROSA, CA

At approximately 1725 hours, Sonoma County Sheriff`s deputies, Tom Howard, Andrew Pieper, Juan Valencia, along with Sheriff`s detectives Kyle Petersen, Tom Peirsol, Jayson Fowler, Michael Baraz, Troy Newton, Sergeant Vance Eaton, and I, responded to [redacted] Santa Rosa, CA to execute the search warrant.

Upon arrival, resident (IO-2) [redacted] was contacted as he was sitting on the west side of the residence. Deputy Valencia (Spanish speaking) explained the purpose of our presence. [redacted] provided Deputy Valencia a key to the front door of the residence and said he didn't believe there was anyone inside the residence.

Deputies Howard and Valencia accompanied me to the front door of the residence. Knock and notice announcements were given in both Spanish and English. Hearing no response, I used the front door key to unlock the door.

Upon entry, (CO-13) [redacted] was contacted in the hallway bathroom and he was escorted outside. During the protective sweep, three locked bedrooms (doors) off the eastern hallway were forcibly breached for safety purposes after hearing no response during knock and notice. The doors of the bedrooms were forcibly breached to ensure the safety of the Sheriff's Office personnel on scene and the occupant(s) of the residence. Photographs were taken by CSI detectives throughout the execution of the warrant.

After the residence was secured, a search pursuant to the addendum search warrant was initiated by Sonoma Crime Scene Investigations detectives, Baraz, Newton and Sergeant Eaton. During the search, there were two bullets recovered beneath the wood flooring in the hallway. The bullets were marked for identification purposes as items 1-1430 and 2-1430. Refer to Detective Newton and Detective Baraz' supplemental reports for details of their observations, findings and the evidence collection process.

Deputy Valencia contacted/interviewed [redacted] further. Refer to Deputy Valencia's supplemental report for further details regarding his actions and the statements he obtained from [redacted]

After the search of the premises was completed, I left copies on the kitchen table of the Notice of Service of Search Warrant and a Search Warrant Inventory List, which documents the items seized from the premise. Copies of these forms have been attached to this report.

At approximately 1900 hours, Sheriff's Office personnel exited the residence. Upon leaving, I placed the front door keys on the kitchen table as requested by [redacted] and I locked the front door as I exited.

Nothing further at this time

INITIAL RESPONSE-

On 08/05/2017, at approximately 1045 hours, I began assisting in this investigation. I attended a briefing at the Santa Rosa Police Department at approximately 1500 hours. At approximately 1700 hours, I responded to the scene where this Critical Incident took place ([redacted]. I conducted a walkthrough of the scene with Lead Detective Jesse Hanshew.

PABLO GARCIA`S SISTER [redacted]

On 08/07/2017, at approximately 1142 hours, I interviewed Pablo`s sister, [redacted] at the Sheriff`s Main Office. Her husband and daughter ([redacted] accompanied her. I audio recorded the interview, which was conducted in Spanish. I later booked the audio recording into Evidence as item JH-1. I had the interview transcribed/translated. I later attached a copy of this transcription/translation into I-leads as an attachment.
See recording and transcription for further details.

OFFICER INTERVIEWS-

On 08/08/2017, I assisted Detective Hanshew with the interviews of SRPD Officer`s Park McAllister, Jeffrey Badger, and Nick Vlahandres. I conducted the interview of SRPD Officer McAllister. I was present as Detective Hanshew interviewed the other Officers.
Detective Hanshew ultimately booked recordings of these interviews into Evidence. The interviews were later transcribed for reference. See those recordings, transcriptions, and Detective Hanshew`s report for further details.

Nothing further.

Y le dije, este, "¿Qué pasa?" Y me dijo, este, "Quiero que vengas aquí adonde vive tu hermano." Y le dije, "¿Por qué?" Le pregunté por qué.	know this number." And I answered, and they told me, "Are you [redacted]" And I told him, "Yes." I told him, "Who is speaking?" And he told me, "I am [redacted] a, a friend of your brother." And I told him, well, "What is going on?" And he told me, well, "I want you to come here where your brother lives." And I told him, "Why?" I asked him why.
168.	Detective Horsman	Uh huh.	Uh huh.
169.	[redacted]	Mm hmm. Pues, que, "Nomás necesito que vengas rápido. Los señores de la casa quieren hablar contigo"	Mm hmm. Well, that, "I only need you to come quick. The gentlemen of the house want to speak with you."
170.	Detective Horsman	Okay.	Okay.
171.	[redacted]	Y, pues, yo ya, ya venía ya, de hecho, ya a medio camino ya. Le dije yo, "Ahorita llego, como en unos 15 minutos," le dije. Y, cuando yo llegué, me dijo el señor que lo sentía mucho, que no sabía qué es lo que realmente había pasado porque él, a las cuatro de la mañana, se había puesto – Ni ellos mismos sabían qué es lo que había pasado con él, fue lo que me dijo el señor, y que cuando había llegado la policía, que es, todos salieron afuera, y ya la poli, la policía afuera de que estuvo con él, pero, no, ellos no saben nada –	And, well, I already, I was coming already, in fact, already halfway there already. I told him, "I will arrive in a moment, like in some 15 minutes," I told him. And, when I arrived, the gentleman told me that he was very sorry, that he did not know what is it that had really happened because he, at four in the morning, had put himself – Not even they themselves knew what is it that had really happened with him, was what the gentleman told me, and that when the police had arrived, that is, everyone went outside, and then to poli, the police outside of that it was with him, but, no, they do not know anything –
172.	Detective Horsman	Okay.	Okay.
173.	[redacted]	– fue lo que me dijo el señor.	– was what the gentleman told me.
174.	Detective Horsman	Okay.	Okay.
175.	[redacted]	Pero fue –	But it was –
176.	Detective Horsman	¿Y esto fue [redacted] Tienes el número para [redacted] ¿Es un amigo de –	And this was [redacted] Do you have the number for [redacted] s he a friend of –
177.	[redacted]	Es un amigo –	He is a friend –
178.	Detective Horsman	– Pablo?	– Pablo?
179.	[redacted]	– de –	– of –
180.	Detective Horsman	¿Tienes el número en tu celular?	Do you have the number on your cell phone?
181.	[redacted]	Sí. Creo que sí lo tengo porque él me llamó ayer para avisarme que estaba ****.	Yes. I think that I do have it because he called me yesterday to let me know that he

			was ****.
182.	Detective Horsman	¿Y cuánto tiempo ha vivido Pablo ahí en ese casa?	And how long has Pablo lived there in that house?
183.	Other Speaker	Entre un año y medio a dos, creo. No estoy muy, este, seguro, porque él vivía en la ciudad de Healdsburg.	Between a year-and-a-half and two, I believe. I am not very, well, sure, because he lived in the city of Healdsburg.
184.	Detective Horsman	¿Con ustedes antes?	With you before?
185.	Other Speaker	No.	No.
186.	[redacted]	Nuh uh.	Nuh uh.
187.	Other Speaker	Aparte.	Apart.
188.	Detective Horsman	Okay.	Okay.
189.	Other Speaker	Y ahí – Y ya se mudó para acá por el trabajo que él consiguió, que trabaja en el ****.	And there – And then he moved to here for the job that he got, that he works in the ****.
190.	Detective Horsman	Okay.	Okay.
191.	Other Speaker	Consiguió – Por eso se movió, para conseguir right de ir a trabajar.	He got – That is why he moved, to get right to go to work.
192.	Detective Horsman	Okay.	Okay.
193.	Other Speaker	Sí.	Yes.
194.	Detective Horsman	¿Y cuánto tiempo ha estado Pablo aquí en los Estados Unidos? ¿Sabes?	And how long has Pablo been here in the United States? Do you know?
195.	Other Speaker	Uh, no sé exactamente. Serían unos, uh –	Uh, I do not know exactly. They would be some, uh –
196.	[redacted]	Desde el 2014 entró –	He entered since 2014 –
197.	Detective Horsman	Okay.	Okay.
198.	[redacted]	– pero, en el 2015, este, este, él tuvo un, un problema con la, con la policía.	– but, in 2015, well, well, he had a, a problem with the, with the police.
199.	Detective Horsman	¿Qué, qué pasó ese vez?	What, what happened that time?
200.	[redacted]	Um, no estuvo claro, tampoco, porque, uh, él, este – Nada más yo lo, lo, lo había llamado, y como no me contestaba –	Um, it was not clear, either, because, uh, he, well – Just I,I,I, him, had called him, and since he did not answer –
201.	Detective Horsman	Uh huh.	Uh huh.
202.	[redacted]	– yo me preocupé, y lo, lo fui a buscar a donde vivía, y, pues, no, no estaba él donde vivía.	– I got worried, and him, I went to look for him where he lived, and, well, no, he was not where he lived.
203.	Detective Horsman	¿Y esto es cuando él estaba viviendo en Healdsburg? ¿O estaba viviendo ahí en [redacted] en ese –	And this is when he was living in Healdsburg? Or was he living there in [redacted] in that –
204.	Other Speaker	Um.	Um.
205.	[redacted]	Él vivía en la [redacted] En la [redacted]	He lived in [redacted] In the [redacted]

206.	Detective Horsman	Okay.	Okay.
207.	[redacted]	Ahí vivía él cuando pasó eso.	He lived there when that happened.
208.	Detective Horsman	Okay. Y, uh –	Okay. And, uh –
209.	[redacted]	Y yo cuando –	And I when –
210.	Detective Horsman	¿Ha, hablastes con Pablo sobre lo que pasó?	Ha, did you speak with Pablo about what happened?
211.	[redacted]	Pues, no pude platicar mucho, porque lo fui a visitar. Estaba aquí en esta cárcel de acá.	Well, I could not talk a lot, because I went to visit him. He was here in this prison of here.
212.	Detective Horsman	Okay.	Okay.
213.	[redacted]	Y, um, lo vine a visitar, y me dijo – Dice, pues, "Me agarraron," dice, y, y, este, "Tuve problemas," dice, "y me agarraron, y entonces no sé qué vaya a pasar."	And, um, I came to visit him, and he told me – He says, well, "They caught me," he says, and, and, well, "I had problems," he says, "and they caught me, and then I do not know what is going to happen.
214.	Detective Horsman	Okay.	Okay.
215.	[redacted]	Y dice, "Pero, este, me dijeron que necesito – " Me estaba él pidiendo 7,500 dólares que le cobraban de fianza para salir.	And he tells me, "But, well, they told me that I need – " He was asking me for 7,500 dollars that they were charging him as bail to get out.
216.	Detective Horsman	Okay.	Okay.
217.	[redacted]	Pero yo le dije, "No," le dije, "yo no tengo dinero. Dónde voy a agarrar yo ese dinero. Es mucho dinero –	But I told him, "No," I told him, "I do not have money. Where am I going to get that money. It is too much money –
218.	Detective Horsman	Yeah.	Yeah.
219.	[redacted]	– No tengo dinero," le dije. Entonces le, me, me dijo él, este, "Es que si no me, si no me saca de ese, me van a deportar." "Pues, que te deporten," le dije, "No vas a ir a otro lugar. Al pueblo te vas a ir."	– I do not have money," I told him. Then the, me, he told me, well, "It is that if not me, if you do not get me out of that one, they are going to report me." "Well, let them deport you," I told him, "You are not going to go to another place. You are going to go to the town."
220.	Detective Horsman	Yeah.	Yeah.
221.	[redacted]	Y fue lo que yo le dije a él. Y, pues, lamentablemente, sí lo deportaron, pero él me habló cuando ya venía a medio camino. Él me habló, que si yo le podía conseguir –	And it is what I told him. And, well, regrettably, they did deport him, but he called me when he was already coming halfway there. He called me, that if I could get him –
222.	Detective Horsman	Y –	And –
223.	[redacted]	– un dinero.	– a money.

224.	Other Speaker	Se volvió a regresar ****.	He came back ****.
225.	[redacted]	Se volvió a regresar cuando lo sacaron a –	He came back when they get him out to –
226.	Detective Horsman	¿So deportaron –	So they deported –
227.	[redacted]	Uh huh. Y, este –	Uh huh. And, well –
228.	Detective Horsman	– y luego cuánto tiempo hasta que regresó?	– and then how long until he came back?
229.	[redacted]	No duró. Nada más, creo, duró como dos días en el des, allá en el, la frontera, y de ahí él se regresó nomás.	He did not last. Just, I think, he lasted like two days in the des, over there in the, the border, and from there he just came back.
230.	Detective Horsman	Okay.	Okay.
231.	[redacted]	Pues, se regresó, y estuvo, pues – Fue donde – Se fue a vivir con el señor, pero él estaba trabajando.	Well, he came back, and he was, well – He went where – He went to live with the gentleman, but he was working.
232.	Detective Horsman	¿Cuál señor?	Which gentleman?

	Horsman		
306.	[redacted]	Uh huh. Y él **** –	Uh huh. And he **** –
307.	Detective Horsman	¿Y él pensaba que alguien estaba persiguiendo a él?	And he thought that somebody was chasing him?
308.	[redacted]	Uh huh.	Uh huh.
309.	Other Speaker	Sí.	Yes.
310.	[redacted]	Y el corrió, y se metió a la casa de la señora, pero le digo, "¿Y por qué te metistes a una casa así?" Dice, "No sé ni por qué lo hice, pero es que yo me metí porque me estaban siguiendo." Le digo, "¿Realmente te estaban siguiendo, o eran alucinaciones tuyas?" "No sé," me dijo él, "Yo no sé," pero –	And he ran, and he got inside the house of the lady, but I tell him, "And why did you get inside a house like this?" He says, "I do not even know why I did it, but it is that I got inside because they were following me." I tell him, "Were they really following you, or were they hallucinations of yours?" "I do not know," he told me, "I do not know," but –
311.	Detective Horsman	¿Y qué pie, piensas usted?	And what pie, do you think?
312.	[redacted]	Pues, no –	Well, no –
313.	Detective Horsman	¿No?	No?
314.	[redacted]	No sé. Yo no, no tengo ****.	I do not know. I do not, do not have ****.
315.	Other Speaker	Más que nada, él sufrió – Él, este, recibió terapias más que nada en la –	More than anything, he suffered – He, well, received therapies more than anything in the –
316.	[redacted]	En la cárcel le dijeron que –	In jail they told him that –
317.	Other Speaker	El condado le ofreció terapias.	The county offered him therapies.
318.	[redacted]	– que él estaba –	– that he was –
319.	Other Speaker	No sé realmente, porque a él – Él es muy privado. Es muy reservado él.	I do not really know, because to him – He is very private. He is very reserved.
320.	[redacted]	Casi no habla. Él no –	He barely talks. He does not –
321.	Other Speaker	No nos dice sus cosas.	He does not tell us his things.
322.	[redacted]	– no platica ****.	– does not talk ****.
323.	Detective Horsman	¿Y droga? ¿Usa drogas?	And drug? Does he use drugs?
324.	[redacted]	Que yo sepa, no.	That I know, no.
325.	Detective Horsman	Okay.	Okay.
326.	[redacted]	Que yo sepa, no.	That I know, no.
327.	Detective Horsman	¿Ustedes saben?	Do you know?
328.	Other Speaker	No, no sabemos –	No, we do not know –
329.	Detective Horsman	Okay.	Okay.
330.	Other Speaker	– si usaba droga –	– if he used drugs –
331.	[redacted]	Um.	Um.
332.	Other Speaker	– o no. Y, de ahí, fue, este, ese el motivo que	– or not. And, from there, that, well, was the

		lo encarcelaron, pero de ahí afuera, que sepamos que haya tenido problemas con otras cosas, no.	reason that they jailed him, but other than that, that we know that he had had problems with other things, no.
333.	Detective Horsman	Okay.	Okay.
334.	Other Speaker	No sabemos nada de él así.	We do not know anything about him like this.
335.	Detective Horsman	¿Y, antes, durante – ¿Cuando ustedes estaban en México, tenía problemas ahí en México?	And, before, during – When you were in Mexico, did he have problems there in Mexico?
336.	[redacted]	No.	No.
337.	Other Speaker	No.	No.
338.	Detective Horsman	Okay.	Okay.
339.	[redacted]	No, era un, un niño normal.	No, he was a, a normal kid.
340.	Other Speaker	Era un muchacho calmado, un niño calmado.	He was as quiet boy, a quiet kid.
341.	Detective Horsman	Okay.	Okay.
342.	[redacted]	Igual, lo que – El trabajo, y ****.	Equal, what – The work, and ****.
343.	Detective Horsman	¿Y el salud mental de él? ¿Qué piensas? ¿Piensas que tenía problemas men, mental o qué?	And the mental health of him? What do you think? Do you think that he had men, mental problems or what?
344.	[redacted]	No sabría decirle. La verdad, no sé.	I would not know how to tell you. Honestly, I do not know.
345.	Detective Horsman	Okay.	Okay.
346.	[redacted]	Mm hmm.	Mm hmm.
347.	Other Speaker	Se mira bien él. Uh, platicas bien con él, pero no sabe uno – No sé cuál es lo que, lo que pasa. Cierto, que no puedes creer, pues, que él sea así.	He looks well. Uh, you speak well with him, but one does not know – I do not know which is what, what is going on. Certainly, that you cannot believe, well, that he is like this.
348.	[redacted]	Yo no puedo creer, pues, lo que, lo que me dijo el señor de que él haya tomado un cuchillo, y, y que esa fue la razón de que la policía lo, lo agredió. Digo, pero cómo puede ser posible si – No, para mí no – Um, era una persona tranquila, pues. Um.	I cannot believe, well, what, what the gentleman told me about him having taken a knife, and, and that that was the reason that the police him, attacked him. I mean, but how can it be possible if – No, for me not – Um, he was a calm person, well. Um.
349.	Detective Horsman	En, entiendo, pero estabas diciendo que antes estaba diciendo que personas estaban siguiendo –	En, I understand, but you were saying that he was telling you before that people were following –
350.	[redacted]	Mm hmm.	Mm hmm.
351.	Detective Horsman	– a él. Um, ¿él estaba diciendo otras cosas como eso? ¿Eso es – ¿Fue normal para él decir cosas como eso, que hay personas persiguiendo y todo eso?	– him. Um, was he saying other things like that? That is – Was it normal for him to say things like that, that there are persons chasing and all that?

352.	[redacted]	Pues, para mí, yo digo que no, porque yo le pregunté. Le digo, "¿Y tú viste a las personas?" "Sí," dice, "yo lo miré."	Well for me, I say that no, because I asked him. I tell him, "And you saw the persons?" "Yes," he says, "I saw him."
353.	Detective Horsman	¿Pero eso fue –	But that was –
354.	[redacted]	Uh –	Uh –
355.	Detective Horsman	– la primera vez que él ha dicho algo como eso?	– the first time that he has said something like that?
356.	[redacted]	Sí, uh huh.	Yes, uh huh.
357.	Detective Horsman	Okay.	Okay.
358.	Other Speaker	Sí.	Yes.
359.	[redacted]	Y porque yo le dije, "¿Cuál fue el motivo? ¿Por qué te metieron a la cárcel?" Le digo, "¿Qué hiciste?" Y ya me dijo.	And because I told him, "Which was the reason? Why did they put you in jail?" I tell him, "What did you do?" And then he told me.
360.	Detective Horsman	Okay.	Okay.
361.	[redacted]	Pues, que dice que, "Así, así pasó. Um, me metí a la casa de la señora." Le digo, "¿Y qué le hicistes a la señora? ¿No le hicistes daño?" "No," dice, "no le hice daño." "Yo nomás corrí," dice, "para escaparme de la persona que me iba siguiendo," fue lo que me dijo él.	Well, he tells me that, "Like this, it happened like this. Um, I got inside the hose of the lady." I tell him, "And what did you do to the lady? You did not harm her?" "No," he says, "I did not harm her." "I just ran," he says, "to escape from the person who was following me," was what he told me.
362.	Detective Horsman	Okay.	Okay.
363.	[redacted]	Mm hmm.	Mm hmm.
364.	Detective Horsman	Um, ¿tiene más familia ahí en México él?	Um, does he have more family there in Mexico?
365.	[redacted]	Mis papás.	My parents.
366.	Detective Horsman	Okay. ¿Y ellos ya saben lo que pasó?	Okay. And they already know what happened?
367.	[redacted]	Ya.	Already.
368.	Other Speaker	Sí.	Yes.
369.	Detective Horsman	¿Ya has llamado?	You have already called?
370.	Other Speaker	****. Sí.	****. Yes.
371.	[redacted]	Sí.	Yes.

473.	[redacted]	[redacted]	[redacted]
474.	Detective Horsman	[redacted]	[redacted]
475.	[redacted]		
476.	Detective Horsman	5. Okay. ¿Y su mamá cómo se llama?	5. Okay. And what is his mom's name?
477.	[redacted]	Ella se llama [redacted]	Her name is [redacted]
478.	Detective Horsman	[redacted] ¿Y él tiene hijos, hijas, novia ahí –	[redacted] And does he have sons, daughters, girlfriend there –
479.	[redacted]	Nuh uh.	Nuh uh.
480.	Detective Horsman	– nada?	– nothing?
481.	[redacted]	My hermano no.	Not my brother.
482.	Other Speaker	No, no tiene.	No, he does not have.
483.	[redacted]	Era soltero.	He was single.
484.	Detective Horsman	Okay. Y es –	Okay. And it is –
485.	[redacted]	Él –	He –
486.	Detective Horsman	– usted y él, ¿y hay más, um, y, um, hermanos, hermanas?	– you and him, and are there more, um, and, um, brothers, sisters?
7.	[redacted]	Sí, ****.	Yes, ****.
488.	Detective Horsman	¿Y todos ellos están ahí en México –	And all of them are there in Mexico –
489.	[redacted]	Están allá en México.	They are over there in Mexico.
490.	Detective Horsman	– todavía?	– still?
491.	Other Speaker	Sí.	Yes.
492.	Detective Horsman	Okay. Um, qué fue la otra pregunta que tenía. ¿Y ya has hablado con, con tu papá, y ellos saben lo que pasó?	Okay. Um, what was the other question I had. And you have already spoken with, with your dad, and they know what happened?
493.	[redacted]	Sí.	Yes.
494.	Detective Horsman	Okay.	Okay.
495.	[redacted]	Y él quiere, él quiere que yo le dé una explicación, que qué fue lo que realmente pasó con su hijo, me dijo.	And he wants, he wants me to give him an explanation, that what was it that really happened with his son, he told me.
496.	Detective Horsman	Yo entiendo. Sí es –	I understand. It is –
497.	[redacted]	Pues, él me encarga, sí –	Well, he entrusts me, yes –
498.	Detective Horsman	Y, por ese razón, nosotros estamos inves, investigando. Um, fue las s, uh, Policía de	And, for that reason, we are inves, investigating. Um, it was the s, uh, Santa

		Santa Rosa. Son –	Rosa Police. They are –
9.	Other Speaker	Mm hmm.	Mm hmm.
500.	Detective Horsman	– separados nosotros. Nosotros somos sheriff, ellos policía –	– separated us. We are sheriff, they police –
501.	Other Speaker	Mm hmm.	Mm hmm.
502.	Detective Horsman	– y, cuando algo como esto pasa, um, otro departamento, uh, investiga lo que pasó.	– and, when something like this happens, um, another department, uh, investigates what happened.
503.	Other Speaker	Mm hmm.	Mm hmm.
504.	Detective Horsman	Um, so todavía estamos tratando de entender lo que pasó. Lo que puedo decir es, las personas que vivían ahí estaban diciendo que él estaba portando muy raro.	Um, so we are still trying to understand what happened. What I can say is, the persons who lived there were saying that he was behaving very weird.
505.	[redacted]	Mm hmm.	Mm hmm.
506.	Other Speaker	Mm hmm.	Mm hmm.
507.	Detective Horsman	Um, tenía cuchillo. Se apuño a uno de los, um, um, personas que estaba allá. ¿Oíste, este –	Um, he had knife. He stabbed one of the, um, um, persons who was over there. Did you hear, well –
508.	[redacted]	Mm hmm.	Mm hmm.
509.	Detective Horsman	– esto?	– this?
510.	[redacted]	Mm hmm.	Mm hmm.
511.	Detective Horsman	El persona que él vivía junto en el cuarto, él se apuño a él. Uh, ¿qué, qué oístes sobre eso?	The person that he lived together in the room, he stabbed him. Uh, what, what did you hear about that?
512.	[redacted]	Sí, que el señor dice que tenía una, que le hizo él una herida en su rodilla.	Yes, that the gentleman says that he had a, that he gave him a wound in his knee.
513.	Detective Horsman	Okay. Yeah, so eso pasó antes de que ellos llegaron, la policía. Um, y luego, cuando ellos estaban hablando con, con Pablo, él todavía tenía el cuchillo, y fue un cuchillo muy grande. Um, y luego estaban tratando de hablar con él por – No sé el tiempo exacto, pero fue por como cinco minutos tratando de hablar con él para ver qué estaba pasando, y luego él se corrió sobre ellos con el cuchillo, y eso es cuando dispararon. Um, todo está en video porque ellos tienen video.	Okay. Yeah, that happened before they arrived, the police. Um, and then, when they were talking with, with Pablo, he still had the knife, and it was a very big knife. Um, and then they were trying to talk with him for – I do not know the exact time, but it was for like five minutes trying to talk with him to see what was going on, and then he ran over them with the knife, and that is when they shot. Um, everything is on video because they have video.
514.	Other Speaker	Um.	Um.
515.	Detective Horsman	Um, so todo esto está en video. Um, so, um, en el futuro, um, eso va a ser algo que más personas pueden ver. Um, pero eso es lo que pasó, lo que yo sé –	Um, so all this is on video. Um, so, um, in the future, um, that is going to be something that more people can see. Um, but that is what happened, what I know –
516.	Other Speaker	Sí.	Yes.
517.	Detective Horsman	– que pasó.	– that happened.

518.	Other Speaker	Una pregunta que tengo, ¿en el Internet, aparece este caso, verdad?	A question that I have, on the Internet, this case appears, right?
519.	Detective Horsman	Uh huh.	Uh huh.
520.	Other Speaker	Nos dijeron que fue el domingo de la mañana, y en el, en el Internet, aparece que fue el Sábado. ¿Realmente, cuál día fue el día que pasó esto?	They told us that it was on the Sunday of the morning, and on the, on the Internet, it appears that it was on Saturday. Really, which day was the day that this happened?
521.	Detective Horsman	Um, fue – Estoy tratando, porque habían muchas cosas pasando. Fue el, la mañana de Sábado, pienso.	Um, it was – I am trying, because there were many things going on. It was the, the morning of Saturday, I think.
522.	Other Speaker	Y entonces –	And then –
523.	[redacted]	Pero el señor me dijo que fue el, el día de ayer a las cuatro, el domingo a las cuatro de la mañana.	But the gentleman told me that it was the, yesterday at four, on Sunday at four in the morning.
524.	Other Speaker	Y entonces que –	And then that –
525.	[redacted]	Entonces por eso ayer me avisaron hasta la, hasta las, casi ****.	Then that is why they let me know yesterday until the, until the, almost ****.
526.	Detective Horsman	No. No, fue el, el sábado. Yeah. El sábado fue a las como seis de la mañana.	No. No, it was on, on Saturday. Yeah. On Saturday it was at like six in the morning.
527.	Other Speaker	****.	****.
528.	Detective Horsman	Eso es cuando ocurrió.	That is when it happened.
9.	Other Speaker	Ese, lo, lo que no estamos muy, este, muy creídos en esto, porque eran cuatro personas que fuimos a, en la casa de ellos, a preguntar por él.	That, what, what we are not very, well, convinced in this, because they were four people that we went to, in their house, to ask for him.
530.	Detective Horsman	Yeah.	Yeah.
531.	Other Speaker	Y contaron que, "No, sí fue hoy. Fue hoy," y, y hoy nos quedamos –	And they told that, "No, it was today. It was today," and, and today we stayed –
532.	[redacted]	Sí.	Yes.
533.	Other Speaker	– hoy ya cuando supimos este caso en el Internet –	– today when we then knew this case on the Internet –
534.	Detective Horsman	Yeah.	Yeah.
535.	Other Speaker	– este, estaba que es, fue es, en la mañana –	– well, it was that it is, was is, in the morning –
536.	[redacted]	Que fue el sábado.	That it was on Saturday.
537.	Other Speaker	– del sábado.	– of the Saturday.
538.	Detective Horsman	Sí, eso es –	Yes, that is –
539.	Other Speaker	Entonces –	Then –
540.	Detective Horsman	– donde ocu, cuando ocurrió, el sábado.	– where ocu, when it happened, on Saturday.
1.	Other Speaker	No puedo, no puedo creer más que nada.	I cannot, I cannot believe more than

		Pues, yo como cuñado, yo, este, conviví muchos ratos con él, y no puedo creer, pues, que es, él haya, le haya pasado así de esa manera, y que la, la gente es, los que vivían en la casa con él, dicen el domingo, y, y la policía lo subió, que fue el sábado. Entonces estoy, estoy un poco confuso, y –	anything. Well, I as a brother-in-law, I, well, lived many moments with him, and I cannot believe, well, that is, he had, it had happened to him in that way, and that the, the people is, the ones who lived in the house with him, say on Sunday, and, and the police moved it up, that it was on Saturday. Then I am, I am a little confused, and –
542.	Detective Horsman	Yeah	Yeah.
543.	Other Speaker	– es –	– is –
544.	Detective Horsman	Fue, fue el sábado. No sé por qué ellos dijeron eso. Quizás – Yo no sé, pero realmente, um, no agarrábamos mucho información de ellos. Estábamos tratando de saber, uh, cómo se llama Pablo.	It was, it was on Saturday. I do not know why they said that. Perhaps – I do not know, but really, um, we did not grab a lot of information from them. We were trying know, uh, what was Pablo's name.
545.	Other Speaker	Mm hmm.	Mm hmm.
546.	Detective Horsman	Ellos no sabían el nombre de él. Pues, no estaban diciendo. Estaban diciendo que él usaba un, un nombre, el Chapo. ¿Has oído esto?	They did not know his name. Well, they were not saying. They were saying that he used a, a name, the Chapo. Have you heard this?
547.	Other Speaker	Um.	Um.
548.	[redacted]	Sí, el Chaparro –	Yes, the Chaparro –
549.	Other Speaker	Sí.	Yes.
550.	[redacted]	– ese.	– that one.
551.	Detective Horsman	¿El Chaparro? ¿Y qué –	The Chaparro? And what –
552.	Other Speaker	Sí.	Yes.
553.	Detective Horsman	– significa eso? ¿Todo –	– does that mean? All –
554.	Other Speaker	Bajito de estatura.	Short of stature.
555.	[redacted]	Um, bajo.	Um, short.
556.	Detective Horsman	Okay –	Okay –
557.	[redacted]	****.	****.
558.	Detective Horsman	– ¿pero todos usan eso para él?	– but everyone uses that for him?
559.	Other Speaker	Um –	Um –
560.	Detective Horsman	¿Ese nombre?	That name?
561.	Other Speaker	Nosotros no	Not us.
562.	[redacted]	No.	No.
563.	Detective Horsman	Okay.	Okay.
564.	[redacted]	**** por su nombre.	**** by his name.
565.	Other Speaker	Es su apodo que ponen sus amigos nomás.	It is just his nickname that his friends give

			him.
5.	Detective Horsman	Okay.	Okay.
567.	[redacted]	Y también **** –	And also **** –
568.	Detective Horsman	So –	So–
569.	[redacted]	– el Chaparrito.	– the short one.
570.	Detective Horsman	So tocó mucho tiempo para nosotros nada más saber quién fue él, porque las –	So it took a long time for us to just know who he was, because the –
571.	Other Speaker	Mm hmm.	Mm hmm.
572.	Detective Horsman	– personas que estaban viviendo ahí no sabían el nombre de él. Nada más el Chapo, el Chaparrito. Eso es –	– persons who were living there did not know his name. Just the Chapo, the Chaparrito. That is –
573.	Other Speaker	Sí.	Yes.
574.	Detective Horsman	– todo. So no sé.	– all. So I do not know.
575.	Other Speaker	Porque, cuando llegamos, pienso que aquí hay una mentira de ellos porque ellos sabían cómo se llamaba. Cuando nosotros llegábamos, o yo, o mi, mi esposa iba y preguntaba, preguntábamos – No preguntábamos por Chapo. Preguntábamos –	Because, when we arrived, I think that there is a lie from them because they knew what his name was. When we arrived, or I, or my, my wife went and asked, we asked – We did not ask for Chapo. We asked –
576.	[redacted]	Yo, yo iba –	I, I went –
7.	Other Speaker	– por Pablo.	– for Pablo.
578.	[redacted]	– cada ocho días a recoger un dinero. Él, él estaba pagando un terreno en México, y yo cada ocho días **** –	– every eight days to pick up a money. He, he was paying a land lot in Mexico, and every eight days I **** –
579.	Other Speaker	¿Pagando qué?	Paying what?
580.	[redacted]	Un terreno.	A land lot.
581.	Detective Horsman	¿Qué es?	What is?
582.	Other Speaker	El compró –	He bought –
583.	Other Speaker	Well, it's, like, a place where, like –	Well, it's, like, a place where, like –
584.	Detective Horsman	Ellos – ¿Ustedes compraron juntos?	They – You bought together?
585.	Other Speaker	Él.	He.
586.	[redacted]	****.	****.
587.	Detective Horsman	Oh, él.	Oh, he.
588.	[redacted]	Él, para él. Se com –	He, for him. He com –
589.	Other Speaker	Nomás que ella se encargaba de mandar su dinero de él pa', para la compra que hizo de ese –	Just that she was in charge of sending his money of him to, to the purchase that he made of that –
590.	Detective Horsman	¿Y por qué –	And why –

591.	Other Speaker	– terre –	– terre –
592.	Detective Horsman	– ustedes estaban haciendo eso y no él?	– were you doing that and not he?
593.	Other Speaker	Porque él, este, él no tiene, este, forma cómo mandarlo. A veces, cuando son, este, un dinero, el gobierno pide cómo, cómo comprobarlo. Él lo que no quería es que, que el gobierno supiera que estaba él aquí. Entonces él, este, él tenía miedo que lo agarrara la policía, lo llevara otra vez.	Because he, well, he does not have, well, a way how to send it. Sometimes, when they are, well, a money, the governments asks for how, how to prove it. What he did not want is that, that the government knew that he was here. Then he, well, he was afraid that the police would catch him, take him again.
594.	Detective Horsman	Oh, sí.	Oh, yes.
595.	Other Speaker	Uh huh.	Uh huh.
596.	Detective Horsman	Él estaba pagando.	He was paying.
597.	Other Speaker	Sí, estaba pagando.	Yes, he was paying.
598.	[redacted]	Y él nos daba, nos daba a nosotros el dinero.	And he gave us, he gave us the money.
599.	Detective Horsman	Oh.	Oh.
600.	[redacted]	Y ya nosotros nos encargábamos de mandarlo –	And then we took care of sending it –
601.	Other Speaker	Mandarlo –	Sending it –
602.	[redacted]	– pues, a México.	– well, to Mexico.
603.	Detective Horsman	Okay.	Okay.
604.	Other Speaker	– para él.	– for him.
605.	Detective Horsman	¿Y cuánto, cuánto dinero cada ocho días?	And how much, how much money every eight days?
606.	[redacted]	Um, pues, a mí me entregaba lo que son 500, 600. Y esta semana me dijo, "Voy a agarrar un buen dinero –	Um, well, he handed me what are 500, 600. And this week he told me, "I am going to grab a good money –
607.	Detective Horsman	Okay.	Okay.
608.	[redacted]	– y te voy a dar unos 600, 700," dice, "hasta 800, quizás, si – "	– and I am going to give you some 600, 700," he says, "even 800, perhaps, if – "
609.	Detective Horsman	¿Cada ocho días?	Every eight days?
610.	Other Speaker	Mm hmm, sí.	Mm hmm, yes.
611.	[redacted]	Mm hmm, sí.	Mm hmm, yes.
612.	Detective Horsman	¿Y luego usted mandas ese dinero a México –	And then you send that money to Mexico –
613.	Other Speaker	Sí.	Yes.
614.	Detective Horsman	– para qué?	– for what?
615.	[redacted]	Para pagarse él su terreno.	For him to pay his land lot.

616.	Detective Horsman	Okay. Porque él com –	Okay. Because he com –
617.	Other Speaker	Sí.	Yes.
618.	Detective Horsman	– él compró un terreno –	– he bought a land lot –
619.	[redacted]	Mm hmm.	Mm hmm.
620.	Detective Horsman	– ahí.	– there.
621.	[redacted]	Un terreno que estaba –	A land lot that he was –
622.	Other Speaker	Sí.	Yes.
623.	[redacted]	– pagando.	– paying.
624.	Other Speaker	Su intención era que se vino él pa' acá – Este, el record que él tenía, él, aquí –	His intention was that he came to here – Well, the record that he had, he, here –
625.	Detective Horsman	Uh huh.	Uh huh.
626.	Other Speaker	– este, lo trasladaron en otra, este, cárcel. No me acuerdo en qué, este, área lo pasaron a él.	– well, they transferred him in another, well, jail. I do not remember in what, well, area they moved him.
627.	Detective Horsman	Okay.	Okay.
628.	Other Speaker	Y, este, que lo mandaron para allá para cubrir lo que él debía allá en ese condado, decían.	And, well, that they sent him over there to cover what he owed over there in that county, they said.
629.	[redacted]	Que pagara, pues, con cárcel allá.	That he paid, well, with jail over there.
630.	Other Speaker	Pero –	But –
631.	Detective Horsman	¿En México?	In Mexico?
632.	[redacted]	No –	No –
633.	Other Speaker	Aquí.	Here.
634.	[redacted]	– acá en –	– here in –
635.	Other Speaker	No me acuerdo cómo se llamaba.	I do not remember how it was called.
636.	[redacted]	Cómo se llama lugar donde lo trasladaron.	How the place where they transferred him is called.
637.	Other Speaker	Y dijeron que él estuvo ahí, y que él hizo algo mal. Así le dijeron. Le dicen cuando él –	And they said that he was there, and that he did something bad. They told him this. They tell him when he –
638.	[redacted]	Él nunca estuvo –	He never was –
639.	Other Speaker	– jamás –	– never –
640.	[redacted]	– en ese –	– in that –
641.	Other Speaker	– jamás fue para allá ****.	– he never went over there ****.
642.	[redacted]	– estado, en ese lugar.	– state, in that place.
643.	Other Speaker	Entonces –	Then –
644.	[redacted]	Pero no recuerdo, la verdad, de aquí, um, de a – Porque él estuvo en la cárcel de aquí de Santa Rosa –	But I do not remember, honestly, from here, um, from to – Because he was in the jail of here of Santa Rosa.

645.	Detective Horsman	Uh huh.	Uh huh.
646.	[redacted]	Y no sé. No sé, este, cómo fue que lo trasladaron para allá a él, que porque, según, que allá lo pedían porque tenía que pagar, que allá tenía – No sé qué, qué es lo que tenía que pagar allá –	And I do not know. I do not know, well, hot it was that they transferred him over there, that because, according, that they were asking for him over there because he had to pay, that over there he had – I do not know what, what is it that he had to pay over there –
647.	Detective Horsman	Okay.	Okay.
648.	[redacted]	– fue lo que él me dijo, y dice –	– was what he told me, and he says –
649.	Detective Horsman	¿Y ahí tenía problemas en México?	And did he have problems there in Mexico?
650.	Other Speaker	No –	No –
651.	Detective Horsman	¿Algún problema?	Any problem?
652.	Other Speaker	– no.	– no.
653.	[redacted]	Um.	Um.
654.	Other Speaker	Lo que él quería – Como ya había comprado este terreno, y, este, nos contó él que es la intención de pagar ese terreno que él ya debía, y entonces, este, vino él total de borrar –	What he wanted – Since he had already bought that land lot, and, well, he told us that it is the intention to pay that land lot that he already owed, and then, well, he came determined to erase –
655.	[redacted]	Terminar de pagar –	Finish paying –
656.	Other Speaker	– su record.	–his record.
657.	[redacted]	– y cua, cuando pagara el, el lote, él iba a tratar de juntar más dinero para co, consultar con un abogado, que él quería limpiar el record que él tenía en la cárcel.	– and cua, when he paid the, the land lot, he was going to try to put more money together to co, consult with a lawyer, that he wanted to clean the record that he had in the jail.
658.	Detective Horsman	¿Que él tenía aquí?	That he had here?
659.	[redacted]	Uh huh –	Uh huh –
660.	Other Speaker	Sí.	Yes.
661.	[redacted]	– ese.	– that one.
662.	Detective Horsman	¿Porque él quería quedar aquí?	Because he wanted to stay here?
663.	[redacted]	Sí –	Yes –
664.	Other Speaker	Sí, él quería ****.	Yes, he wanted ****.
665.	[redacted]	– él quería quedarse.	– he wanted to say.
666.	Detective Horsman	Okay.	Okay.
667.	[redacted]	Eso es lo que dijo –	That is what he said.
668.	Detective Horsman	Okay.	Okay.
669.	[redacted]	– que, que ya, pues, este, más que nada, hasta	– that, that already, well, well, more than

		arreglar el record y seguir trabajando bien para que pudiera hacer su casa. Eso fue lo que me dijo.	anything, until fixing the record and continuing to work well so he could make his house. That is what he told me.
670.	Detective Horsman	Okay. Um, y lo siento realmente, y yo no sé qué pasó.	Okay. Um, and I am really sorry, and I do not know what happened.
671.	Other Speaker	Sí.	Yes.
672.	Detective Horsman	Lo que yo puedo decirte es, cuando vio el video –	What I can tell you is, when he saw the video –
673.	Other Speaker	Sí.	Yes.
674.	Detective Horsman	– um, él estaba portando muy raro –	– um, he was behaving very weird –
675.	Other Speaker	Mm hmm.	Mm hmm.
676.	Detective Horsman	– como si estaba en drogas, o quizás había algo pasando, you know, en el me, en el mente, pero no era normal, y por eso estoy tratando de entender si esto es algo nuevo, o si, you know, uh – Porque yo no sé.	–as if he was on drugs, or perhaps there was something going on, you know, in his me, in his mind, but it was not normal, and that is why I am trying to understand if this is something new, or if, you know uh – Because I do not know.
677.	[redacted]	Pues, es lo que me dijeron también a mí. Cuando vine a pedir información de él, les dije, "¿Dónde se lo llevaron?" Me dijeron, "No," dice, "es que aquí aparece – " Me dijeron aquí en la cárcel cuando vine a pedir información, "Aquí aparece – Dice que él ya, ya está libre de aquí." De la cárcel de aquí ya estaba libre, pero no sé si fue migración que se lo llevó para allá o cómo pasó.	Well, it is what they also told me. When I came to ask for information about him, I told them, "Where did you take him?" They told me, "No," he says, "it is that here it appears – " They told me here in the jail when I came to ask for information, "Here it appears – It says that he already, is already free from here." He was already free from the jail of here, but I do not know if it was migration that took him over there or how it happened.
678.	Detective Horsman	¿Estás hablando de el 2015?	You are talking about 2015?
679.	[redacted]	En la cárcel.	In the jail.
680.	Other Speaker	Mm hmm.	Mm hmm.
681.	[redacted]	Sí, uh huh, el de –	Yes, uh huh, the one of –
682.	Other Speaker	Sí.	Yes.
683.	[redacted]	– la cárcel aquí del 2015. Y me dijo – Me dijeron allí – Dice, "Es que él," dice, este, "estuvo recibiendo, también, este, como, como algo, como, psiquiátrico."	– the jail here of 2016. And he told me – They told me over there – He says, "It is that he," he says, well, "was receiving, also, well, like, something like, like, psychiatric."
684.	Detective Horsman	Uh huh.	Uh huh.
685.	[redacted]	Como que él –	Like that he –
686.	Detective Horsman	¿En el cárcel?	In the jail?
687.	[redacted]	Uh huh, eso fue –	Uh huh, that was –
688.	Other Speaker	Sí.	Yes.
689.	[redacted]	– lo que me dijeron a mí.	– what they told me.

690.	Detective Horsman	Okay.	Okay.
691.	[redacted]	Y s – A mí se me hizo raro, porque, digo, que yo sepa, el no sufre –	And s – It seemed weird for me, because, I mean, that I know, he does not suffer –
692.	Detective Horsman	Okay.	Okay.
693.	Other Speaker	Pero casi no ha convivido –	But he has barely lived –
694.	[redacted]	Uh huh.	Uh huh.
695.	Other Speaker	– con nosotros. No ha vivido –	– with us. He has not lived –
696.	Detective Horsman	Okay.	Okay.
697.	Other Speaker	– con nosotros. Siempre es una persona alejado, separado, pues, siempre.	– with us. He is always a distant, separated person, well, always.
698.	Detective Horsman	Entiendo.	I understand.
699.	Other Speaker	Sí, va y visitaba nomás.	Yes, he just goes and visited.
700.	[redacted]	No, él visitaba, pero –	No, he visited, but –
701.	Detective Horsman	Uh –	Uh –
702.	Other Speaker	Normal.	Normal.
703.	[redacted]	– nunca se portó mal cuando nos visitaba. Era normal.	– he never behaved badly when he visited us. He was normal.
704.	Detective Horsman	Okay.	Okay.
705.	Other Speaker	Sí.	Yes.
706.	Detective Horsman	¿Y los amigos de él saben si él estaba usando drogas, o –	And do his friends know if he was using drugs, or –
707.	Other Speaker	No sabemos.	We do not know.
708.	[redacted]	No sabemos.	We do not know.
709.	Detective Horsman	– qué piensan?	– what do you think?
710.	Other Speaker	No sabemos –	We do not know –
711.	[redacted]	****.	****.
712.	Other Speaker	– porque –	– because –
713.	Detective Horsman	Okay.	Okay.
714.	Other Speaker	– no sabes cuál y quiénes son sus amigos. Realmente, no nos contaba eso. Él era **** –	– you do not know which and who are his friends. Really, he did not tell us about that. He was **** –
715.	Detective Horsman	Okay.	Okay.
716.	Other Speaker	– aquí en sus cosas.	– here in his things.
717.	Detective Horsman	Okay. Um –	Okay. Um –
718.	[redacted]	Sí, nada más nos veíamos cada ocho días que	Yes, we just saw each other every eight days

		él me daba el dinero para mandara para México.	that he gave me the money to send to Mexico.
719.	Detective Horsman	Okay.	Okay.
720.	Other Speaker	Que el mantiene a sus, a sus papás igual. Uh, son señores muy mayor de edad, y él – A base de él, ayudaba a sus papás. Igual, el dinero que mandaba allá se dividía pa' su terreno, gastos pa' sus papás, y nada más.	That he supports his, his parents anyway. Uh, they are very old seniors, and he – On basis of him, he helped his parents. Anyway, the money that he sent over there was divided for his land lot, expenses for his parents, and nothing else.
721.	Detective Horsman	Okay.	Okay.
722.	Other Speaker	Sí. Pasó esto, y están tristes, y, este, pero, pues, no hay, no hay palabras.	Yes. This happened, and they are sad, and well, but, well, there are no, there are no words.
723.	Detective Horsman	Y, y, y realmente no hay. Y lo siento mucho, pero, um, uh, no sé qué pasó. Pero él – Algo estaba pasando en el mente de él. No sé si fue drogas, o si fue el salud mental de él, pero, um, él trat, trató de, de, um, apuñar a uno, a la policía. Um –	And, and, and there really are not. And I am very sorry, but, um, uh, I do not know what happened. But he – Something was going on in his mind. I do not know if it was drugs, or if it was his mental health, but, um, he trat, tried to, to, um, stab one, the police. Um –
724.	Other Speaker	Mm hmm.	Mm hmm.
725.	Detective Horsman	– y por eso esto pasó. Um, de todos modos, triste.	– and that is why this happened. Um, at any rate, sad.
726.	Other Speaker	Sí.	Yes.
727.	Detective Horsman	Um, y entiendo eso.	Um, and I understand that.
728.	Other Speaker	Sí, es, es duro, y eso es lo que no ha estado muy claro a nosotros porque, si fue el sábado, la persona de la casa, pues, duró en cone, en contactarnos, verdad, porque siempre cada ocho días – Y, pues, si pasó en el sábado, el domingo a fuerza tenía ella que ir a, a hablar, a pedirle al, um, que, pa' que él le entregue el dinero –	Yes, is, it is hard, and that is what has not been very clear to us because, if it was on Saturday, the person of the house, well, took long in cone, in contacting us, honestly, because always every eight days – And, well, if it happened on Saturday, on Sunday she had to go by force to, to speak, to ask the, um, that, so that he hands her the money –
729.	Detective Horsman	Yeah.	Yeah.
730.	Other Speaker	– para mandarlo allá a sus problemas allá y sus, sus deudas. Y, pues, no, nunca imaginamos hasta cuando ya venía en camino cuando le hablaron de ese, y, pues, normalmente, pues, siempre habla ya, "Vente. Ya tengo el dinero, y ya te lo llevas." Y así siempre era él, pues.	– to send it over there to his problems over there and his, his debts. And, well, no, we never imagined even when she was already coming on the way when they called her about that one, and, well, normally, well, he always calls then, "Come. I already have the money, and then you take it." And he was always like this, well.
1.	Detective	Yeah.	Yeah.

	Horsman		
2.	Other Speaker	No más, nunca, um, imaginábamos que esto – Lo llevábamos a comprar lonche en tiendas así. Compraba normalmente su lonche.	Just, we never, um, imagined that this – We took him to buy lunch in stores like this. He normally bought his lunch.
733.	Detective Horsman	Yeah.	Yeah.
734.	Other Speaker	**** que compraba ****.	**** that he bought ****.
735.	[redacted]	Lo llevaba a lavar ropa a la lavandería, y yo lo miraba normal.	I took him to wash clothes at the laundry, and I saw him normal.
736.	Detective Horsman	Yeah.	Yeah.
737.	Other Speaker	No tomaba. Yo – A que yo sepa, no, no llevaba bebidas alcohólicas cuando íbamos a comprar lonche porque, normalmente, una persona que bebe lleva su cerveza al traer su –	He did not drink. I – At that I know, no, he did not bring alcoholic beverages when we went to buy lunch because, normally, a person who drinks take their beer when bringing their –
738.	Detective Horsman	Pu, puedo –	Pu, Can I –
739.	Other Speaker	– **** –	– **** –
740.	Detective Horsman	– decirte lo que yo vio.	– tell you what I saw.
741.	Other Speaker	Mm hmm.	Mm hmm.
2.	Detective Horsman	En el video, no apareció como alguien que estaba tomando.	In the video, he did not appear like someone who was drunk.
743.	Other Speaker	Mm hmm.	Mm hmm.
744.	[redacted]	Mm hmm.	Mm hm.
745.	Detective Horsman	Fue como alguien que estaba drogado o alguien –	It was like someone who was drugged or someone –
746.	Other Speaker	****.	****.
747.	Detective Horsman	– que tenía una problema mental.	– who had a mental problem.
748.	Other Speaker	Mm hmm, mm hmm.	Mm hmm, mm hmm.
749.	Detective Horsman	Algo no era normal. Um, y no sé qué pasó. Um, y por eso yo estoy aquí para tra, tratar de entender y, y dar, um, you know, uh respuestas, uh, información para ustedes y para todos para que podamos entender por qué, por qué ha estado pasando todo esto. Uh –	Something was not normal. Um, and I do not know what happened. Um, and that is why I am here to tra, try to understand and, and give, um, you know, uh, answers, uh, information for you and for everyone so that we can understand why, why all this has been happening. Uh –
750.	Other Speaker	Sí, sí.	Yes, yes.
751.	Detective Horsman	Yeah. So –	Yeah. So –
752.	Other Speaker	Este, era, uh, era la información que buscábamos, porque no, no nos han podido dar información clara, y hasta esto, pues, uh	Well, it was uh, it was the information that we were searching, because no, they have not been able to give us clear information, and

		– Bajo esto, pues, yo creo que, um, ocuparíamos nosotros, y pediríamos en que ustedes, como ley que llevan en la mano, pedirle algo, pues, una, uh, algo que es un reporte de, de eso.	even this, well, uh – Under this, well, I believe that, um, we would need, and we would as in that you, as law that you carry in your hand, ask you something, well, a, uh, something that is a report about, about that.
753.	Detective Horsman	Pues, sí. Va a ser un –	Well, yes. It is going to be a –
754.	Other Speaker	Sí –	Yes –
755.	Detective Horsman	– un reporte –	– a very big –
756.	Other Speaker	– sí.	– yes.
757.	Detective Horsman	– muy grande.	– report.
758.	Other Speaker	Sí.	Yes.
759.	Detective Horsman	Um –	Um –
760.	Other Speaker	Y, y es una cosa, uh, apenada para nosotros, pero, um, más que nada lo, lo quieren, lo quieren – Lo queremos nosotros, el reporte. Leer bien.	And, and it is a thing, uh, ashamed for us, but, um, more than anything it, they want it, they want it – We want it, the report. To read well.
761.	Detective Horsman	Oh, claro que sí. Y ahí cuando terminamos con el reporte, um, todos van a verlo bien porque es algo, un reporte que el, um – No sé cómo decirlo, pero el, uh, um, el condado de Sonoma –	Oh, of course. And there when we finish with the report, um, everyone is going to see it well because it is something, a report that the, um – I do not know how to say it, but the, uh, um, Sonoma County –
762.	Other Speaker	Sí.	Yes.
763.	Detective Horsman	– van a verlo. Es un public record. ¿Cómo se dice un, uh –	– are going to see it. This is a public record. How do you say a, uh –
764.	Other Speaker	Un record público.	A public record.
765.	Other Speaker	Mm hmm.	Mm hmm.
766.	Detective Horsman	Yeah, porque ellos necesitan verlo, y ver qué encontramos nosotros de información, y mirar el videos, y todo. Um, so todo eso, uh – Pero va a tocar tiempo.	Yeah, because they need to see it, and see what we found about information, and watch the videos, and everything. Um, so all that, uh – But it will take time.
767.	Other Speaker	Sí.	Yes.
768.	Detective Horsman	Uh, pero eso es lo que yo sabe ahorita.	Uh, but that is what I knows right now.
769.	Other Speaker	Oh, okay.	Oh, okay.
770.	Detective Horsman	Okay, ¿tienes más preguntas?	Okay, do you have more questions?
771.	Other Speaker	Pienso que, hasta ahorita, no, no, uh, tengo más preguntas, ni creo que no sé familia aquí, pero, este, el cuerpo, pues, no sé. Uh, eso se encargará mi, este, consulado mexicano, que ya, este, contacté para ver el, el cuerpo de él, um, donde lo podemos	I think that, until now, I do not, not, uh, have more questions, nor do I believe that I do not know family here, but, well, the body, well, I do not know. Uh, my, well, Mexican consulate will take care that, that I already, well, contacted to see the, his body, um,

		recibir y todo eso, y –	where we can receive him and all that, and –
2.	Detective Horsman	Okay.	Okay.
773.	Other Speaker	– nada más –	– just –
774.	Detective Horsman	Y déjeme – Dame un momento. Déjame ir y agarrarte, um, un papel que tiene toda la información –	And let me – Give me a moment. Let me and grab you, um, a paper that has all in information –
775.	Other Speaker	Mm hmm.	Mm hmm.
776.	Detective Horsman	– um, porque ustedes necesitan hablar con, um, la oficina del coroner –	–um, because you need to speak with, um, the coroner's office –
777.	Other Speaker	Sí.	Yes.
778.	Detective Horsman	– que está – ¿Has hablado con ellos?	– that is – Have you spoken with them?
779.	Other Speaker	Sí.	Yes.
780.	Other Speaker	Sí, ya –	Yes, we already –
781.	Other Speaker	Yes, we have.	Yes, we have.
782.	Other Speaker	– hablamos.	– spoke.
783.	Detective Horsman	Oh, perfecto.	Oh, perfect.
784.	Other Speaker	**** and they said that we couldn't go 'cause they were examining his body and, uh – Well, he was gonna be available until tomorrow. Well, tomorrow we could go and look at him.	**** and they said that we couldn't go 'cause they were examining his body and, uh – Well, he was gonna be available until tomorrow. Well, tomorrow we could go and look at him.
785.	Detective Horsman	Okay, so you already –	Okay, so you already –
786.	Other Speaker	Yeah.	Yeah.
787.	Detective Horsman	Perfect. So, yeah, it will probably – Va a ser más tiempo –	Perfect. So, yeah, it will probably – It is going to be more time –

Jesse,

The suspect's family in the OIS just showed up at the PD. I referred them to you although I told them you may not be available until later.

They speak Spanish only. They have a daughter with them who speaks English.

The sister identified her brother as Pablo Garcia Toribio, [redacted] living at [redacted] He has a previous address on March Ave. in Healdsburg. He has been arrested at least one time in 2015.

The sister is [redacted] living at [redacted] Her phone number is [redacted] Her husband is with her and may be the one inquiring at your department. His name is [redacted]

We did not tell them anything really. They were told by the homeowner that police killed Pablo. She identified "Pablo Garcia-Garcia", [redacted] from a crim.net booking photo as her brother.

My phone number is [redacted] Let me know if you have any questions.

SEARCH WARRANT SERVICE AT [redacted] ON 08/08/2017

On the afternoon of 08/08/2017, I was notified by SCSO VCI Detective J. Toney he had received a telephone call from SCSO VCI Detective J. Hanshew informing about the need to conduct a secondary search of the residence at [redacted] Santa Rosa. Detective Toney requested I assist him in serving the aforementioned search warrant. I was further informed that it was believed there were two outstanding bullet projectiles believed to be somewhere in the residence.

On 08/08/2017, at approximately 1725 hours, I arrived at the residence and assisted in serving the search warrant SRPD VCI Detective G. Wojcik had authored. Present for the service of the search warrant were the following SCSO staff:

Patrol Deputy Juan Valencia
Patrol Deputy Andrew Pieper and his Field Training Officer, Deputy Tom Howard
PCI Detective K. Petersen
PCI Detective T. Peirsol
CSI Detective T. Newton
CSI Detective M. Baraz
CSI Sgt. V. Eaton
VCI Detective J. Toney
VCI Intern N. Mueller

I initially took a position in the backyard of the residence, but ultimately proceeded to the interior of the residence assisting in clearing the residence. After the residence was deemed clear and secure, I assisted with the search for the two outstanding bullets.

Ultimately, CSI Sgt. V. Eaton located two bullet strikes in the exposed wood subfloor of the hallway.

Detective Newton photographed the bullet strikes. I assisted Detective Baraz with removing the wood flooring, exposing the two projectiles.

The projectiles were collected by Detective Newton. See Detective Newton's supplemental report for further information.

I left the scene at approximately 1900 hours, signing out on the major incident log managed by Deputy J. Valencia.

Nothing further. End of supplemental report.

Supplement Narrative

CASE # 170805-019
LEAD DETECTIVE: JESSE HANSHEW
SUPERVISOR: SGT. SHANNON McALVAIN

NARRATIVE SUPPLEMENTAL:

On August 10, 2017, at about 0800 hours, I was requested to go to Santa Rosa Police Department (SRPD) and meet with Detective Hughes regarding taking custody of the SRPD evidence items in SRPD case # 17-10261. I met with Detective Hughes in the front lobby of SRPD and was escorted to the property room. The property room attendant transferred items 1 through 41 into my custody.

I took SRPD evidence items 1-41 to the Sonoma County Sheriff`s Office (SCSO) to book them into evidence. When I arrived, I opened the packaging boxes for the above evidence items and confirmed that all of the items were present. The items were then booked into the SCSO main evidence room utilizing SRPD`s same numbering system and similar descriptions.

On August 14, 2017, I received an email from Detective Lieutenant Tim Duke requesting that all non-evidentiary items that were collected during this investigation be returned to SRPD. I discussed the issue with the lead Detective, Jesse Hanshew. After consulting with Sonoma County Deputy District Attorney Caroline Fowler, it was decided that the majority of items in evidence excluding firearms and ammunition would be returned.

On August 17, 2017 I removed the following items from the SCSO evidence room to be returned to SRPD: SRPD # 1, SRPD #2, SRPD #3, SRPD #6, SRPD #7, SRPD #8, SRPD #15, SRPD #20, SRPD #25, SRPD #16, SRPD #17, SRPD #18, SRPD #27, SRPD #28, SRPD #29, SRPD #30, SRPD #32, SRPD #33, SRPD #34, SRPD #39, SRPD #13, SRPD #36, SRPD #36(A), SRPD #22, SRPD #22(A).

It should be noted that items SRPD #22(a) and SRPD 36(a) are Streamlight weapon lights that were attached to SRPD items 36 and 22. I donned protective gloves and removed the lights from the weapons packaged in SRPD #22 and SRPD #36. The lights were checked and were in working order when removed. The weapons were then re-packaged and placed back into SCSO evidence. The above-mentioned weapon actions and or barrels were not manipulated or inspected in any way while removing the weapon lights. Items SRPD #2, SRPD #16 and SRPD #28 contained the notepads from Officers, Mcallsiter, Badger and Vlahandreas. I opened the three evidence items and viewed the notebooks prior to returning them. There appeared to be no notes regarding this investigation.

On August 21, 2017 at about 0935 hours, Detective Bjornstrom from SRPD picked up evidence items SRPD # 1, SRPD #2, SRPD #3, SRPD #6, SRPD #7, SRPD #8, SRPD #15, SRPD #20, SRPD #25, SRPD #16, SRPD #17, SRPD #18, SRPD #27, SRPD #28, SRPD #29, SRPD #30, SRPD #32, SRPD #33, SRPD #34, SRPD #39, SRPD #13, SRPD #36, SRPD #36(A), SRPD #22, SRPD #22(A) from my custody. Det. Bjornstrom signed a SCSO Property Release Authorization form prior to taking custody of the items.

SCSO CR# 17-0805-019
In Reference to SRPD CR# 17-10261

Supplemental Report:

On 8/05/2017 at approximately 0900 hours, I was contacted by Detective Sergeant Murphy regarding an Officer involved shooting which involved Santa Rosa PD Officers. Sergeant Murphy requested available Detectives respond to SRPD`s office for a briefing.

After being briefed on the incident, Detectives responded to the area of [redacted] to conduct neighborhood interviews. I arrived at approximately 1300 hours and contacted or attempted contact with residents on the north side of [redacted] at Apple Valley Lane and to the east of Iroquois Street on [redacted]

I attempted contact with the residents at [redacted] apartments [redacted] The residents at [redacted] did not answer the door or were not home. I was advised by the residents at apartment [redacted] that nobody lived at apartment [redacted] and it was empty.

I observed a group of people standing near the intersection of [redacted] and Apple Valley Lane and asked if anyone lived near the area of [redacted] Most of the subjects lived further down the street on Apple Valley Lane and were standing just to observe what was going on. I spoke to the following people who had a direct connection with the occupants of [redacted]

[redacted] lives at [redacted] his father is the home owner and reporting party to the original incident which prompted SRPD to arrive on scene at [redacted] told me he didn`t know who lived at the residence other than his father, mother and a man named [redacted] said neither his father nor his mother had ever mentioned any problems with tenants in the past.

[redacted] left to go to work at [redacted] at approximately 0550 am and when he drove past his parents`

house there wasn't anything going on, there were no police at the residence. [redacted] drove westbound towards Marlowe Road and didn't drive past his parents' house when he left. [redacted] said the only way he knew something was going on was because he received a phone call from a neighbor.

I also spoke with [redacted] wife, [redacted] and her father, [redacted] Both live with [redacted] When asked if they had heard anything at approximately 0600-0615 hours, they said no, nothing.

I later spoke with [redacted] who resides at [redacted] which is two doors to the west of Iroquois Street. [redacted] was at home and had woken up around 0500. [redacted] said he didn't hear any yelling or loud bangs like gunshots. [redacted] said he drove his wife to work just before 0700 and they saw the patrol cars and fire trucks outside, but they didn't hear anything prior. [redacted] had never noticed any problems at the residence prior to this.

I checked the apartment complex north east of the residence and contacted [redacted] who lives at [redacted] was sleeping and said he didn't hear anything at the time. When he woke up he spoke with his mother and she had heard that something happened. I later spoke with [redacted] mother, [redacted] and was told she had been sleeping when everything happened. She was awakened by the sound of sirens coming from the ambulance and fire trucks.

I was wearing my department issued BWC while interviewing neighbors, this report is merely a summary of what was said during the interviews.

Nothing Further.

SUPPLEMENTAL INVESTIGATION

On 8-5-17 at about 0900 hours I was called out to assist in a Officer Involved Shooting Critical Incident at [redacted] in Santa Rosa. I was briefed at the SRPD and asked to canvass the immediate neighborhood with other SCSO Detectives to locate any witnesses to this incident. I responded to [redacted] and began my canvass. I activated my body worn camera (BWC) during my contacts with the below mentioned citizens in the neighborhood. I later downloaded my BWC at the SCSO Main Office. This report is a summary of my contacts.

At 1327 hours myself and SCSO Detective Richard Sedgwick contacted the residents living at [redacted] We spoke with [redacted] and his wife [redacted] who live with their three children at this residence. I asked them if they had heard any yelling, or loud noises around six this morning. Both [redacted] said they heard nothing this morning around six o`clock, but that around two or three o`clock in the morning they heard voices. [redacted] said he walked out to his car and looked down the driveway towards [redacted] said he saw two or three guys walking along the street and sidewalk back and forth towards the 7-11 store. [redacted] said one of them may have been carrying a bag from the store. [redacted] said he might be able to identify the guys he saw walking outside earlier in the morning.
[redacted] said the corner green house ([redacted] has an old couple living there, and that they rent out rooms to single Hispanic males. Both [redacted] said that the single males living there drink alcohol all the time, and that there is a lot of people coming and going from the residence all the time. They guessed that drugs were being used by the residents there and maybe even sold based on all the traffic coming and going from the residence. I completed my interview and thanked them.

At about 1338 hours myself and SCSO Det. Sedgwick attempted to contact the residents of [redacted] which is the residence directly south of [redacted] We did not get a response at the door, and I found one of the residents, [redacted] across the street where I spoke with him. I asked [redacted] if he heard or saw anything earlier this morning and he said no. [redacted] said he was awoke by something around six o`clock this morning but did not know what it was. [redacted] said he did not know anything was going on until he came outside just a few minutes ago.
[redacted] said an older man named [redacted] and his wife bought the residence at [redacted] about 10-12 years ago. [redacted] said for the last couple of years [redacted] has been renting out space in his garage and a building in the backyard to single Hispanic males. I completed my interview and thanked him.

At about 1344 hours myself and SCSO Det. Sedgwick contacted the two residents of [redacted] This residence is located across the street from [redacted] on the west side of [redacted] I spoke with [redacted] who said they had slept in this morning and had not heard or seen anything. They only knew something was going on when they saw all the police cars when they looked outside this morning. I completed my interview and thanked them.
At about 1351 hours myself and SCSO Det. Sedgwick contacted the residents at [redacted] which is located south of [redacted] I spoke with [redacted] asking them if they heard or saw anything earlier this morning. Both replied that they had not heard or seen anything. I completed my interview and thanked them.

At about 1356 hours I contacted the resident, [redacted] located at [redacted] This

residence is located in the Cedar Woods complex across the street and east of [redacted] This residence fronts [redacted] and is located on the south side of the complex. I asked [redacted] if she had heard or seen anything earlier this morning and she said no. I completed my interview and thanked her.

At about 1358 hours I attempted contact at both [redacted] but got no response. These two residents are located farther east in the Cedar Woods complex, and are on the southside fronting [redacted]

I contacted the cashier at the [redacted] store located at [redacted] and asked about obtaining the security video from the store. I was told to contact an employee named [redacted] who could assist in getting me a copy of the video from earlier this morning. I will follow up with the employee and complete a separate supplemental report for the video.

SUPPLEMENTAL INVESTIGATION

On 8-10-17 I talked with [redacted] who is the owner of the [redacted] convenience store located at [redacted] in Santa Rosa. I explained to [redacted] that I needed to get a copy of the security video from the night of 8-4-17 until the morning of 8-5-17. [redacted] said he would work on it and get back to me. I later provided a Staples 64 GB Flashdrive to [redacted] to download the security video onto. On 10-1-17 I received a telephone call from [redacted] saying he had finally loaded the security video onto the Flashdrive and I could pick it up. Later that same day I picked up the Flashdrive which I later booked as evidence item TP2.

I reviewed the various video clips from various cameras inside the store that started at about 2230 hours on 8-4-17 until 0630 hours on 8-5-17. During my review of the security video I did not see S- Pablo Garcia enter the store.

Supplement Narrative

Sonoma County Sheriff`s Department Case number 170805-019
Supplemental Report: SRPD Critical Incident

On August 5, 2017 at 1300 Hrs. I to responded [redacted] Santa Rosa Ca. along with other Detectives from the Sonoma County Sheriff`s Department to assist with a neighborhood canvas for possible witnesses following a critical incident involving officers of the Santa Rosa Police Dept. I was instructed to contact residents who live across the street to the north of the incident [redacted] SR Ca.). I activated my body worn camera during my contacts with the below mentioned citizens in the neighborhood. This report is a summary of my contacts.

I contacted [redacted] and [redacted] who live at [redacted] Both parties spoke only Spanish so Deputy Acevedo assisted with translation. Both [redacted] left for work at approximately 0500 and returned at about 1300 hrs. Not home during the incident.

I contacted witness [redacted] who lives at [redacted] Santa Rosa Ca. [redacted] said she was home when the incident occurred on [redacted] said she was inside her apartment and only heard the sound of what she thought was (5) gun shots, nothing further.

I talked to her boyfriend [redacted] said he didn`t see or hear anything. He had returned home from the gym and fell asleep in his vehicle listening to music on the east side of the building out of view of the incident location.

I contacted [redacted] spoke only Spanish so Deputy Acevedo assisted with translation. [redacted] said she was home asleep with her husband [redacted] and her son [redacted] said she didn`t hear or see anything. Her husband and son left earlier during the morning and never mentioned the incident.

I contacted [redacted] and her sons [redacted] (14 yrs.) and [redacted] (16 yrs.) who live at [redacted] All parties said they didn`t see or hear anything.

No further interviews conducted.

I returned to the scene at 1619 hours and took over the major incident access log. It should be noted, during the time I was conducting scene security the exterior of the scene which included the closure of [redacted] was still in effect. In addition there was an interior scene also set up blocking off the front yard and driveway access to the residence. I had all authorized personnel who entered the exterior part of the incident scene sign in making a notation if they entered the exterior perimeter of the scene or if they entered the interior scene. At 1820 hours Deputy T. Perkins arrived and relieved me taking over the access log.

SUPPLEMENTAL REPORT:
SRPD Critical Incident
SCSO CR # 170805-019
DVSA Detective Fred Schmidt #1391

INVESTIGATION:

On 8/05/2017, I responded to Santa Rosa Police Department to assist with interviewing witnesses regarding this case. Petaluma Police Officer Z. Rivera assisted by translating for the three witnesses who spoke only Spanish. The following is a summary of the witness statements. The interview was captured via my audio recorder. I later transferred the recordings to a CD. The CD was booked into Property/Evidence at the Sonoma County Sheriff`s Office (SCSO). The following is a brief overview of the interview. Please refer to the CD for specific details.

Interview with [redacted] told me he is the property owner and has lived at the residence since 2001. [redacted] told me he rents out bedrooms and a granny unit and currently has 9 renters. I asked [redacted] if he knew why I was there talking to him. [redacted] told me he called the police because a renter (Identified as Pablo or "Chapo") went crazy this morning. [redacted] said he didn`t know Pablo`s last name. [redacted] said Pablo has lived at his house for approximately 1 year. [redacted] said he was introduced to Pablo by a previous renter because Pablo was looking for a place to live. [redacted] told me Pablo shares a room with a male named [redacted] said he is friendly with Pablo but they aren`t friends. [redacted] said he has never seen Pablo act like he did last night. [redacted] said Pablo used to work in the fields harvesting grapes but recently lost that job. [redacted] said Pablo recently got a job working for a car wash.

[redacted] described Pablo as being easily upset and appeared nervous. [redacted] said Pablo wasn`t dating and the only family [redacted] knew of was a sister who possibly lived in Windsor. [redacted] didn`t have any further information about the sister. [redacted] said Pablo is a mild drinker and wasn`t aware of any drug history. [redacted] said Pablo`s drink of choice is beer and he only saw him consume a few every once in a while. [redacted] said he didn`t pay attention if Pablo had any problems. [redacted] said he would see Pablo daily and said Pablo didn`t make mention of having any major problems/ concerns to him or other renters aside from losing his job at the vineyard. [redacted] said Pablo got the car wash job approximately 3 days ago. [redacted] said Pablo was only out of work for a few days.

I asked [redacted] if Pablo ever displayed any odd behavior. [redacted] said no. I asked [redacted] to elaborate on Pablo being easily upset. [redacted] said that one time, [redacted] opened [redacted] bedroom door and motioned to him for help. [redacted] told [redacted] Pablo was upset at [redacted] for no reason. [redacted] told [redacted] he walked by Pablo`s bed and might have brushed against Pablo. Pablo became upset and [redacted] didn`t understand. I asked [redacted] if any threats were made or weapons used. [redacted] told me no. I asked [redacted] to describe Pablo`s level of anger. [redacted] said something to the effect of, "Pablo was upset." [redacted] said Pablo was yelling loudly and aggressively moving his hands while relaying to [redacted] why he was upset at [redacted] Pablo said [redacted] touched him. Pablo did not elaborate further on being touched. [redacted] said in his opinion, Pablo was more upset than he would have been in the situation and [redacted] felt Pablo was over reacting. [redacted] said none of his renters have ever mentioned having any similar incidents with Pablo. [redacted] said he wasn`t aware of any further issues

between Pablo and [redacted] I asked [redacted] if Pablo had an arrest history. [redacted] said Pablo mentioned he had been arrested once but [redacted] didn't know any specifics about the arrest. [redacted] said he didn't have any additional insight on Pablo.

I asked [redacted] to describe the chain of events which led to [redacted] calling Santa Rosa Police. [redacted] said on 8/4/17 at approximately 2200 hours, [redacted] was getting ready for bed and saw Pablo was in the front yard and was seated on a tree stump. [redacted] told Pablo it was time for bed. Pablo acknowledged [redacted] said Pablo was alone and appeared in a normal mood. [redacted] told me he has a house rule that renters go to bed around 2200 hours so no one is inconvenienced by undue noise. [redacted] said Pablo routinely gets home from work at approximately 1800 hours. [redacted] said he didn't speak with anyone else, aside from his wife prior to going to sleep. [redacted] said he didn't see Pablo consume any alcohol prior to going to sleep.

[redacted] said early in the morning, he heard loud knocking on his bedroom window. [redacted] said he asked who it was and heard [redacted] demanded for [redacted] to come to the window. [redacted] appeared excited and told [redacted] that Pablo is going crazy in their room and was in possession of a knife or scissors. [redacted] said he had to jump out the bedroom window because he was scared. [redacted] asked [redacted] to call the police and also asked [redacted] to open the front door so he could come into the house since he was locked out. [redacted] said in his excitement, he accidentally dialed too many numbers in an attempt to call Santa Rosa Police. [redacted] said he was still able to reach 911 and said he told the dispatcher that his renter was going crazy in his house and was in possession of a knife or scissors.

[redacted] said he opened his bedroom door and walked down the hall toward the front door. [redacted] said he asked his wife to stay in the master bedroom. [redacted] said he didn't hear any noises coming from Pablo's room and said the bedroom door was closed. [redacted] opened the front door for [redacted] to enter. [redacted] said he saw [redacted] was bleeding from the leg. [redacted] asked [redacted] why he was bleeding. [redacted] told [redacted] something to the effect of, "I don't know, maybe I was stabbed." [redacted] said he and [redacted] waited in the front room for the police to arrive. [redacted] said 2 or 3 officers arrived. [redacted] said the officers were in the hallway and began calling to Pablo to come out of the bedroom with his hands up. [redacted] said he didn't see the officers with anything in their hands initially. [redacted] said the officers were giving Pablo commands in English and Spanish. [redacted] said he heard the officers give Pablo the commands approximately 5 times. [redacted] said he and [redacted] were seated in the front room while the officers attempted to gain Pablo's compliance. [redacted] said he was close enough to see what was transpiring in the hallway.

[redacted] said Pablo didn't appear to want to put his hands up. I asked [redacted] to elaborate. [redacted] said he heard what he thought was an electrical weapon being discharged. [redacted] said he then remembered seeing something in the officer's hands. [redacted] said he didn't know what the police were holding. [redacted] said he heard a lot of noise coming from Pablo's bedroom. [redacted] described the noise as Pablo climbing under his bed. [redacted] said he saw Pablo come out of the bedroom and appeared to run into the bathroom which was across the hall from Pablo's bedroom. [redacted] said he was not able to see if Pablo had anything in his hands. [redacted] then drew a top down view of the hallway and told me each room's location. (I later placed the drawing into evidence.) [redacted] said when Pablo ran into the bathroom and refused to come out, the officers continually told Pablo to come out of the bathroom with his hands up to no avail. [redacted] told me he felt the officers thought Pablo had a weapon. [redacted] said the officers sounded loud and scared of what was transpiring. [redacted] said at one point he also heard Pablo's voice but was unable to understand what was being said. I asked [redacted] to elaborate. [redacted] told me the officers were knocking on the door and Pablo refused to come out.

asked [redacted] if the officers did anything when Pablo came out of the room and went into the bathroom. [redacted] said he heard a loud popping sound (1 pop) but didn't know what it was from. [redacted] told me he saw a lot of movement when Pablo went into the bathroom. I asked [redacted] to elaborate. [redacted] told me the officers appeared to quickly back up when Pablo exited the room. [redacted] said the officer's immediately went back to Pablo's door and continued giving him commands to come out with his hands up. [redacted] said he noticed there were officers on either side of Pablo's bedroom door. [redacted] said he felt the officers backed away because he felt they thought Pablo had exited out the back and was gone.

[redacted] appeared confused with me asking him to elaborate. [redacted] was trying to explain that the officers had backed away from the bedroom because Pablo didn't come out of the bedroom but when they heard noises within, the officers went back to investigate. [redacted] said that is when Pablo ran into the bathroom. I asked [redacted] what the officers did when Pablo exited the room. [redacted] said the officers did nothing. [redacted] said the officers continued ordering Pablo to come out with his hands up. [redacted] said he then heard the popping sound and said he didn't see or hear anything after Pablo ran into the bathroom as he was escorted outside to a patrol car by an officer.

[redacted] said things were calm at first and said that quickly changed. [redacted] said something like this has never happened before. [redacted] described feeling bad because he knew Pablo was crazy and didn't know what was going to occur which scared him. [redacted] said he was worried about his wife who was still in the bedroom at the end of the hall. [redacted] added he was also worried of the possibility that Pablo had a firearm in his possession instead of a knife or scissors. This worried [redacted] who said if Pablo came out of the bedroom with a firearm, this could have posed a risk of crossfire which could have placed his wife in danger. [redacted] said he was thankful officers were able to get his wife out of the house safely.

[redacted] said while he was in the back of the patrol car, he saw officers escorting others out of the house. [redacted] said he could not hear anything. [redacted] had nothing further to add but said his thoughts were scattered so the interview ended. I thanked [redacted] and provided him with a business card with the case number on the back and asked him to call me if he remembered anything additional.

Next I interviewed [redacted] who is a tenant and resides in the garage. Officer Rivera translated for [redacted] who spoke only Spanish. The following is a summary of [redacted] statement. The interview was captured via my audio recorder. I later transferred the recordings to a CD. The CD was booked into Property/Evidence at the Sonoma County Sheriff's Office (SCSO). The following is a brief overview of the interview. Please refer to the CD for specific details.

Interview with [redacted]

[redacted] said he has lived at the house for a 3 months. [redacted] said he didn't know why he was at Santa Rosa Police Department. [redacted] said he rents the garage which he shares with [redacted] and [redacted] said he uses the kitchen and bathroom inside the house but mainly stays in the garage. I asked [redacted] if he knew who lived in the house. [redacted] said he knew the owners, [redacted] and his garage roommates. [redacted] said he knew of another family who lived in the shed in the back yard. I asked [redacted] if he knew Pablo. [redacted] said he knew [redacted] had a roommate named "Chapo" but didn't know his real name. [redacted] said he works all day, comes home, eats and goes to sleep and doesn't mingle with the others. [redacted] said he has never heard of other tenants having issues with each other. [redacted] said he thought this was odd because everyone in the house is friendly and gets along. [redacted] elaborated and said the tenants don't interact much but when they do, they are friendly.

[redacted] said there was nothing out of the ordinary occurring at the house last night. [redacted] said he ate dinner at 1800 hours and went to bed between 2100-2130 hours. [redacted] said he routinely wakes himself, today he was

woken up to a lot of talking outside the house. [redacted] said he thought he saw emergency lights shining through the garage window so he saw up to see what was occurring. [redacted] said the garage window partially faces the street and front of the house. [redacted] elaborated and said he saw emergency lights from a fire truck. I asked [redacted] what he saw occurring outside when he looked. [redacted] said he thought there was a crash outside because there is an intersection nearby so he continued to look outside. [redacted] said Santa Rosa Police entered the garage a short time later and asked them to exit the garage/ house. [redacted] said he didn't understand what the Police Officer said. I asked [redacted] what he saw when he was escorted outside via through the house. [redacted] said he saw a lot of officers. [redacted] said he didn't see anything odd but said everyone looked busy. [redacted] further described being walked into the house from the garage, through the house and into the front yard. [redacted] said he was walked across the street and was asked to wait on the sidewalk. [redacted] said while he waited on the sidewalk, no one talked about what occurred.

[redacted] said he had no further information as to what occurred so the interview ended.

Next I interviewed [redacted] who is a tenant and resides in the garage. Officer Rivera translated for [redacted] who spoke only Spanish. The following is a summary of [redacted] statement. The interview was captured via my audio recorder. I later transferred the recordings to a CD. The CD was booked into Property/Evidence at the Sonoma County Sheriff's Office (SCSO). The following is a brief overview of the interview. Please refer to the CD for specific details.

Interview with [redacted]

[redacted] said he has lived at the house for 5 years and resides in the garage. [redacted] also described being friendly to the other tenants but said he kept to himself and didn't mingle much. [redacted] said he was only friends with the two males he shares the garage with. [redacted] said he knew [redacted] as they had worked together in past jobs. [redacted] described [redacted] as serious and said at times, was not friendly. [redacted] said [redacted] suffered from possible Epilepsy/ seizures which altered his consciousness. [redacted] knew of "Chapo" (Pablo) and said he shared a room with [redacted] said he was friendly/ courteous with Pablo. [redacted] described Pablo and [redacted] relationship as courteous but they were not friends. [redacted] said he wasn't aware of Pablo and [redacted] having any arguments nor did he hear from other tenants of them having issues. [redacted] said Pablo lived in the house for approximately 1 year.

I asked [redacted] if Pablo had an arrest history or issues with drugs/ alcohol. [redacted] said no. [redacted] said he only saw Pablo periodically consume alcohol (beer). [redacted] said he didn't pay much attention to other tenants and only focused on working and keeping to himself. I asked [redacted] if he noticed if Pablo had money problems or anger issues. [redacted] said he was unaware of Pablo having money problems. [redacted] said Pablo was easily angered. [redacted] elaborated and said he and other tenants avoided Pablo while they were utilizing the kitchen and bathrooms, he further said they would allow Pablo to finish whatever he was doing as to avoid being in his way. [redacted] could only describe Pablo as curt, short tempered and bad character type of person. [redacted] said he would just avoid Pablo. I asked [redacted] to elaborate as to why he felt this way of Pablo. [redacted] said he wasn't privy to any specific incidents nor did he hear of any involving other tenants but said Pablo just had an air about him that caused them to give Pablo space. [redacted] added that Pablo would give dirty looks that made others uncomfortable around him. I asked [redacted] if he ever saw Pablo with any type of weapons. [redacted] said no.

I asked [redacted] if he remembered anything occurring at the house last night. [redacted] said no. I asked what time [redacted] went to sleep. [redacted] said he went to sleep at approximately 2100 hours. I asked [redacted] how he was woken up this morning. [redacted] said he heard yelling early this morning. [redacted] said he felt the noise was outside the garage but didn't hear anything specific. [redacted] said he was still waking up and couldn't make out what was occurring. [redacted] said within minutes, a Santa Rosa Police

officer entered the garage and asked them to exit through the house. I asked [redacted] if there is a window on the garage. [redacted] said yes and described it as having blinds. [redacted] said he didn't look out the window to see what was occurring. I asked [redacted] if he saw flashing lights through the window. [redacted] said he thought he saw flashing lights through a gap between the ground and garage door.

I asked [redacted] to elaborate on what he saw while the police officer brought him and his roommates through the house from the garage. [redacted] said while he was being escorted outside, he saw a police officer holding what appeared to be a handgun. [redacted] said the officer was pointing the gun down the hallway, toward the bathroom. [redacted] said he also saw a piece of paper on the ground in the hallway. He didn't know what was occurring nor did he see anything else. I asked [redacted] of there was just the one officer or were there more. [redacted] said he saw approximately 3 officers in the area of the hallway while he was being escorted outside. [redacted] said he didn't remember seeing if the other officers had their guns drawn. I asked [redacted] if he heard anything while being escorted outside. [redacted] said he didn't hear anything. I asked [redacted] if he heard the officers saying anything. [redacted] said yes and added that he didn't understand as they were speaking English. [redacted] said he and his roommates were escorted across the street and asked to wait on the sidewalk. [redacted] said he asked what occurred but no one had any answers. I asked [redacted] if he was able to see the house while they were waiting outside. [redacted] said a firetruck, paramedics and other police cars were in the area and he was unable to see much. [redacted] said he saw the home owners (The [redacted] and [redacted] were brought out of the house. He saw [redacted] was placed into an ambulance.

[redacted] said he didn't know what occurred and was confused. I had no further questions for [redacted] so the interview ended.

Additionally, I learned a family rents a shed in the back yard who might have witnessed/ heard the incident. Other detectives interviewed the parents so the children could be interviewed at the Redwood Children's Center later in the afternoon.

The children, [redacted] were accompanied to RCC by their parents ([redacted]

The interviews were conducted by forensic interviewer [redacted] and watched by Sonoma County District Attorney Office Deputy DA Robin Hammond and myself. The interviews were translated by Certified Court interpreter [redacted] because the children spoke only Spanish.

The first interview began at 1730 hours and was captured on DVD. The DVD was later booked into Property/Evidence at the Sonoma County Sheriff's Office (SCSO). The following is a brief overview of the interview. Please refer to the DVD for specific details.

Interview with [redacted]

[redacted] said she, sister, mother and father live in the house (Shed). [redacted] said she was home with her sister and mom. [redacted] said her dad wasn't home as he was working. [redacted] said she was woken up in the morning by her mother who told her the police were coming. [redacted] said she was hiding from the police. [redacted] said the police were looking for her. [redacted] could not elaborate on why the police were looking for her. [redacted] was unable to provide any insight into the incident as she was having trouble understanding the questions possibly due to her age.

The interview ended at 1749 hours.

The second interview began at 1755 hours and was captured on DVD. The DVD was later booked into Property/Evidence at the Sonoma County Sheriff's Office (SCSO). The following is a brief overview of the interview. Please refer to the DVD for specific details.

Interview with [redacted]

[redacted] said she lives in the house (Shed) with her mom, dad and sister ([redacted] said a friend of her mom's lives in the main house. [redacted] didn't know the name of the friend. [redacted] said the friend has two grown children that live in the house. [redacted] said no one else lives in the house. [redacted] said she doesn't go into the main house. [redacted] said she was woken up this morning by her mother. [redacted] said Santa Rosa Police asked her mother, sister and herself to exit the house because someone was going to do something. [redacted] said the Santa Rosa Police told her mom a guy was trying to set traps. [redacted] said she didn't see anything while she was at the house. [redacted] said she heard a man walking but he left after the police arrived. [redacted] said when the police arrived, she was sleeping. [redacted] was unable to provide any further details.

The interview ended at 1815 hours.

Nothing further.

SUPPLEMENTAL REPORT
SCSO Case # 170805-019
Detective Matt Regan

On 8/5/17, at about 1100 hours, I was assigned to assist with witness interviews regarding the Santa Rosa Police Department Critical Incident that occurred at [redacted] on the morning of 8/5/17. I conducted four interviews, all of which were captured to digital audio recordings. None of the interviewees spoke English, so the interviews were conducted with the assistance of Santa Rosa Police Department Detective de Leon as a Spanish interpreter. The interviews follow in summary. Please refer to the digital recordings for specifics.

[redacted]

On 8/5/17, [redacted] was in her room in the back of the residence. [redacted] room is not accessible from the inside of the main residence, and her room was essentially an outbuilding that was not attached to the main residence. She lives in the small room with her husband and their two daughters. They had only been living there for approximately one week due to renovations occurring at their normal residence.

At about 0600 hours, [redacted] was in the room with her two daughters, who were sleeping at the time. Her husband was not home because he had already left for work. [redacted] was asleep when she awoke due to hearing some yelling that sounded like it was coming from the main house. She heard loud, strong voices saying something similar to "Stand up!" A short time later, [redacted] heard what sounded like two gunshots. A few seconds after that, [redacted] opened the door to her room and looked outside. She saw a Santa Rosa Police Officer standing at the back of the main residence. The police officer told her to come outside. [redacted] woke up her two daughters, who had not heard any of the commotion or gunshots, and followed the police officer out of her house and into the front yard of the property.

[redacted] does not know any of the people that live at the house and only ever saw the "man and wife" that live at the house. She did not know anyone`s name.

[redacted]

[redacted] said that she was asleep in her bed when her husband and the police woke her up and told her to get out of the house. She was taken out of the house through her bedroom window. She lives in the bedroom with her husband, [redacted] She did not hear any yelling or gunshots because she was asleep. She

never saw anything either because she left the house through her bedroom window.

When walking through the front door of the main house, [redacted] lives in the farthest right rear bedroom in the residence. [redacted] has lived at the residence for approximately eleven years.

Other than her husband, [redacted] does not know anybody that lives at the house. She knew that there were some men living in the garage, a couple living in a room in the backyard of the house, and that "the man who did the bad thing" lived in a room on the other side of the hallway from her bedroom. I asked further about "the man who did the bad thing." She said that all she knew was that he was called "El Chaparro," and that she never really saw him other than when he would come home from work, or leave for work. He had only lived at the house for about five months.

[redacted]

[redacted] had only lived at the residence for two or three months. He lived in the garage of the residence with his two roommates, [redacted] (later identified as [redacted] He knew of four other people that lived inside the house; [redacted] and his wife [redacted], and two other men who were roommates with each other. [redacted] did not know the names of the two men. One was described as 50 to 56 years old, fat, 5` 3" tall, light skin, mustache, short salt and pepper colored hair which was balding on top, with a bandage on his left arm. The other, younger man was described as 30 to 35 years old, short, and was referred to as "El Chaparro." He did not know these two men, but he did see them cooking in the kitchen every now and then. He said that they were both nice, but that he never really spoke to them other than to say hello.

[redacted] was asleep in his bed, in the garage, when the incident occurred. He was awoken by his roommate, [redacted] because he had heard a loud noise coming from the living room. They were too frightened to come out of the garage. A short time later, Santa Rosa Police Officers knocked on the garage door and escorted [redacted] and his roommates out of the house.

[redacted]

[redacted] had lived in the house for approximately seven or eight years. He has had several roommates over the years, but his most recent was named "Pablo." Pablo had lived with [redacted] for approximately three or four months. He was described as dark skinned and short, humble and quiet. Pablo`s sister (unknown name) had brought him to the house to find a room.

Pablo was always very quiet, but was very nice. [redacted] and Pablo got along very well with each other. However, in the last few days Pablo had been acting strangely. The owner of the house, [redacted] had also noticed this and mentioned it to [redacted] Pablo had begun talking to himself. [redacted] would walk into their bedroom and Pablo would be lying face down on his bed, talking to himself. Pablo would stay in bed all day long. [redacted] said that this was very out of the ordinary. He thought that maybe Pablo was smoking or drinking something to make him act this way, but he never actually saw Pablo ingest any drugs or alcohol. [redacted] described Pablo`s talking as if he was dreaming out loud.

On 8/5/17, at about 0400 or 0500 hours, [redacted] awoke to Pablo yelling about a rooster and a chicken. He was talking to himself and throwing rags around the room. Pablo said that there was a rooster and chicken inside their room and that he was trying to catch them. He had a large kitchen knife in his hand, which [redacted] described as long and white. Suddenly, Pablo jumped onto [redacted] bed on his knees, then quickly jumped off again. [redacted] said that Pablo appeared to be chasing and trying to catch his imaginary chicken.

[redacted] was concerned about Pablo`s behavior, especially because he was wielding a knife, so he told Pablo that he was going to leave the room. He headed for their bedroom door, but Pablo said something similar to, "Don`t open the door. You`ll let it out!" [redacted] tried to open the door, but Pablo swung the knife at [redacted] in a slashing motion, toward his stomach. [redacted] was able to dodge the knife and avoid getting cut by jumping back away from the blade. Pablo then stabbed downward toward [redacted] stabbing him in the foot. [redacted] was injured, but still able to move. He did not wait for Pablo to attack again and instead ran to their bedroom window, which was open, and dove out of it. Pablo did not follow after him.

[redacted] ran around the house to where his landlord`s bedroom window was located. He knocked on the window and, when [redacted] opened it, told him to call the police because Pablo was acting crazy. [redacted] called the Santa Rosa Police Department, who arrived shortly thereafter. When the police officers came inside the house, [redacted] told them about what had occurred. The officers escorted [redacted] out to an ambulance that was waiting down the street so that he could receive medical attention for the stab wound to his foot. While he was walking out to the ambulance, he heard two or three shots fired from inside of the house. He did not see anything else after that because he was loaded into the ambulance and taken to the hospital.

All of the interviews were copied to a CD and booked into evidence at the Sonoma County Sheriff`s Office.

Supplement Narrative

On 08-05-2017, at about 1500 hours, I responded to Santa Rosa Police Department for a Critical Incident briefing "Officer Involved Shooting" (SRPD #17-01261). CSI Detective M. Baraz and I were tasked with responding to the scene to locate, document, process, and preserve possible evidence. A search warrant for the residence was already secured.

At approximately 1700 hours, Detective Baraz and I arrived on scene ([redacted] I saw the roadway was closed, a major incident crime scene access log was started, and the scene was cordoned off with yellow crime scene tape. Detective Baraz and I signed the crime scene log.

I put on fresh protective boot coverings and latex gloves to minimize scene contamination. I began a video walk-through at approximately 1713 hours. The video walk-through was a brief video recording to document the scene as it appeared when I entered.

I noted the residence was a corner lot at the intersection of [redacted] at Iroquois Street. The address was [redacted] The house was green with white trim and appeared to be a 3 bedroom 2 bath home. The home appeared to have an attached and detached additions for more living quarters. The garage was converted into a living space complete with 4 beds, night stands, multiple refrigerators, cooking area, dining table, and laundry area.

The majority of the incident/scene appeared to take place in a narrow hallway which stretched east from the entry (front door). This included a bathroom on the N/W side of the hallway and a bedroom on the S/W side of the hallway. I could smell and feel the irritating effects of Oleoresin Capsicum (OC) spray within the hallway, bathroom, and bedroom.

I saw 5 expended 9mm cartridges on the hallway floor. I saw a Taser cartridge and wires on the hallway floor that extended to the S/W bedroom. I saw two beds in the S/W bedroom. The mattresses were apart from the bed frames and the room was cluttered with blankets, clothing, and furniture cushions.

I observed a decedent on the bathroom linoleum floor. The decedent was naked, handcuffed, and covered in blood. I saw a large stainless butcher knife on top of the bathroom sink. Medical waste was attached to the decedent and located on top of the bathroom sink.

I took overall photographs to document the scene. I then placed numbered evidence placards beside items of evidence.

Detective M. Baraz set up the FARO Focus scanner and collected scans of the scene. Detective Baraz later took the scans he had captured and registered them in the SCENE computer software. Detective Baraz created a Web Share, which is an interactive 360 degree photographic presentation of the crime scene as we encountered it.

Detective Baraz later placed the presentation onto a thumb drive and booked it into Property/Evidence as evidence item #3-1430.

I took another set of overall photographs to document the scene with the numbered evidence placards in place (showing size, perspective, and relationship). I began the process of collecting items of evidence which were packaged, labeled, and sealed as follows:

Item #TN1 Expended 9mm cartridge on hallway floor
Item #TN2 Expended 9mm cartridge on hallway floor
Item #TN3 Expended 9mm cartridge on hallway floor
Item #TN4 Expended 9mm cartridge on hallway floor
Item #TN5 Expended 9mm cartridge on hallway floor
Item #TN6 Taser cartridge, wire, AFIDS, blast doors on hallway floor and S/W bedroom floor
Item #TN7 White "Under Armour" baseball cap on hallway floor.
Item #TN8 Medical waste on top of hallway bathroom sink
Item #TN9 Stainless butcher knife (12 inches in length) on top of hallway bathroom sink
Item #TN10 Taser cartridge and wire N/E bedroom floor and hallway bathroom

The Sonoma County Sheriff's Coroner Sgt. A. Mancilla was advised the decedent's body was ready for removal. The identity of the decedent was unknown (John Doe). I collected a set of inked impressions from the decedent's left hand for possible identification purposes. The removal service arrived on scene and took possession of the body. The body was placed into a body bag and locked/secured with coroner seal #28524. The body was then transported to the Coroner's Office pending autopsy.

VCI Detectives assisted Detective Baraz and I with a search of the decedent's bedroom in an attempt to obtain his identity or locate any further items of evidence. The following items were determined to be possible items of evidence:

Item #TN11 Indicia and paperwork on a book shelf in the S/W bedroom
Item #TN12 LG flip cell phone on the floor under the bed in the S/W bedroom
Item #TN13 Apple I-phone on a book shelf in the S/W bedroom

I left a copy of the Search Warrant Inventory List and secured the residence. I signed out on the Major Incident Crime Scene Access Log and the scene was released. I transported all items of evidence to the Sheriff's Office CSI secured Laboratory. Using a fresh piece of sterile butcher paper and protective latex gloves I removed the knife (item #TN9) from the knife box. I placed the knife on the butcher paper and took a photograph of the knife with a ruler to show size and perspective.

I placed the knife back into the knife box and packaged, labeled, and sealed all items of evidence.

began a search in CAFIS (Web Achieve) and located a booking for Garcia-Garcia, Pablo DOB: [redacted] The date of arrest was 05-02-2014 ([redacted]). The official taking fingerprints was Auribe #[redacted] I obtained a copy of the ten print card and compared it to the inked impressions taken from the decedent (John Doe) at the scene.

I analyzed, compared, and evaluated the ten print card of Garcia-Garcia, Pablo to the inked impressions taken from "John Doe" (the decedent). I determined the fingerprints were a positive match and identified "John Doe" as Pablo Garcia-Garcia DOB: [redacted]. I had Sgt. T. Koeppel conduct a blind verification. Sgt. Koeppel confirmed the identification was a positive match.

The autopsy was scheduled for 08-08-2017, at 0900 hours. Present in the autopsy viewing area were VCI Detectives J. Hanshew and J. Horsman and Deputy District Attorney C. Fowler and District Attorney Investigator D. Urton. Present for the autopsy was Pathologist K. Verilhac, Forensic Assistant R. Hayes, and myself. The Coroner seal/lock #28524 was cut and removed in my presence. I collected the Coroner seal as evidence item #TNA1, at 0915 hours. I began taking overall photographs of the decedent, with and without a scale to document the condition of the body. I collected the following items during the course of the autopsy:

#TNA2 Medical waste at 0925 hours
#TNA3 Handcuffs from wrists at 1005 hours
#TNA4 Taser barb from stomach at 1040 hours
#TNA5 Taser barb from left shoulder at 1043 hours
#TNA6 Bullet from right chest at 1110 hours
#TNA7 Bullet from back at 1250 hours
#TNA8 Bullet from Sacrum at 1330 hours

I packaged, labeled, and sealed all items of evidence and transported them back to the CSI secured Laboratory.

Based on the information from the autopsy (only 3 bullets recovered, but 5 expended cartridges found at the scene) a search pursuant to the addendum search warrant was initiated, at approximately 1725 hours, at [redacted] Present for the search were VCI Detectives J. Toney and J. Fowler with CSI Sgt. V. Eaton, Detective Baraz, and myself.

I observed the hallway rugs and carpet had been removed as was the linoleum on the bathroom floor. It was unknown who had removed the flooring prior to our arrival. With the naked eye we were unable to locate the two outstanding bullets and/or strike marks.

Utilizing a forensic light source with amber and yellow forensic goggles two strike marks were located in the hallway wooden subfloor. I photographed the strike marks with and without a scale to show size and perspective. Detective Baraz used a pry tool to dig up the sub floor exposing the bullets embedded in the wood. I photographed the bullets prior to extraction.

Using fresh protective latex gloves I collected the bullet furthest east as evidence item #1-1430 and the bullet furthest west as evidence item #2-1430. I packaged, labeled, and sealed the bullets and later transported the items to the CSI secured Laboratory.

I photographed the damage to the residence and left a copy of the Search Warrant Inventory List at approximately 1900 hours.

I downloaded my video walk -through onto a DVD as evidence item #TDN
I downloaded my scene and autopsy photographs onto a DVD as evidence item #TDN1
I downloaded my photographs of the addendum search warrant onto a CD as evidence item #TDN2.

All items of evidence were packaged, labeled, and sealed. I submitted all items of evidence to Property/Evidence.

Nothing further at this time.

STATEMENT OF PROBABLE CAUSE

My name is T. Douglas. I am currently employed as a police officer for the City of Rohnert Park, in the County of Sonoma, California. I have been so employed since February of 2007. I have been assigned to the Investigations Bureau as a Detective since March of 2013. I possess a Master of Arts degree in Criminal Justice and an Advanced POST Certificate. I also possess a Graduate Certificate in Forensic Criminology, a Bachelor of Arts degree in Anthropology and a Bachelor of Science degree in Vocational Arts.

I have successfully completed the following related courses:

1) 996 hour- Basic Law Enforcement Academy
2) 40 hour- Interview and Interrogation Course
3) 32 hour- Crisis Intervention Academy
4) 16 hour- Computer Crimes & Identity Theft
5) 60 hour- Crime Scene Investigation

7) 80 hour- POST Institute of Criminal Investigation Homicide
8) 80 hour- POST Institute of Criminal Investigation Sexual Assault
9) 40 hour- POST Institute of Criminal Investigation Financial Crimes
10) 40 hour- POST ICI Officer Involved Shooting Investigations

As a Detective for the Department of Public Safety, I investigate any and all crimes. During the course of my employment I have participated in hundreds of arrests for various crimes. I say that the facts in support of the issuance of the search warrant are as follows:

On 08/05/17 at approximately 0900 hours, I was contacted at home by Sgt Justice and asked to respond to SRPD to assist with an Officer Involved Shooting (OIS) investigation. I went to the SRPD and received a briefing on what was currently known about the incident. I learned the following after attending the SRPD briefing and reviewing the event chronology for event number SR172170080: On 08/05/17, the Santa Rosa Police Department received a report of a disturbance in a residence at [redacted] in Santa Rosa. The residents requested the Police respond for one of the roommates who was inside the residence "acting crazy". The reporting party also said that another roommate told them that the person causing the disturbance had a knife. The caller said they could no longer hear the disturbance, and then a second person called and could be heard crying.

At that time Santa Rosa Police Officers began arriving at the residence. They found several of the occupants outside the residence, and were told the male roommate who was causing the disturbance was still inside and he had a knife. One of the subjects contacted had a small laceration, and Paramedics were requested to respond to the scene. Santa Rosa Police Officers Vlanhandreas (ID #529), Badger (ID #514), and McAllister (ID #530) made entry into the residence to attempt to locate the subject and check on any occupants.

Upon an initial search of the residence they were unable to locate anyone. Upon a second search, the male with the knife was found hiding under a mattress holding the knife. The officers attempted the get the male to drop the knife and deployed a Taser two times in an attempt to get him to drop it, and to subdue him. The Taser did not have the desired effect on the male, so the officers attempted to use pepper spray as well but it also was ineffective. At some point the male was able to make it to his feet while still holding the knife. The male moved towards the officers with the knife raised and Officer Vlahandreas deployed his firearm in an attempt to stop the male. The male then retreated into a bathroom off of a hallway.

The officers retreated and requested a shield be brought to the residence as protection so they could check the condition of the male in the bathroom after getting no response. Other officers arrived during the incident and a shield was brought to the scene. Officers went to the bathroom using the shield as protection and located the male deceased in the bathroom.

During the incident, the following additional Santa Rosa Police personnel responded to the scene.

Sgt. Philp (ID #385)
Sgt. Mahurin (ID #416)
Officer Dunn (ID #403)
Officer Cincera (ID #404)
Officer Albini (ID #418)
Officer Fajardin (ID #429)
Officer Buenrostro (ID #526)
Officer Turner (ID #527)
Officer Schindler (ID #518)

Santa Rosa Police Officers and Sergeants are equipped with Body Worn Cameras, and the cameras assigned to the above personnel may have been activated and recording during this incident. The above listed incident is document under Santa Rosa Police Department Incident Number SR172170080 and Case #17-10261.

Based on this investigation, my training and experience, and conversations I have had with other detectives and officers, I believe that the footage from the Body Worn Cameras of the involved officers from this incident will provide evidence of the reported disturbance as it occurred on 08/05/17. I therefore respectfully request a search warrant for the Santa Rosa Police Department for the requested evidence held at that location.

As required by California Penal Code Section 1540, any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure absent an order from the Court.

Finally, based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, Your affiant believes that the evidence recovered as a result of this search warrant may provide investigative leads that will lead to further interviews of witnesses and/or suspects, or reveal locations where evidence may be held or concealed, potentially leading to additional search warrants. I therefore

believe that disclosure of this Search Warrant could impede the investigation being conducted. I request that this entire Search Warrant, Statement of Probable Cause / Affidavit, and Return to Search Warrant be sealed because disclosure could irreparably harm the ongoing criminal investigation.

The affiant has probable cause to believe and does believe that person(s), property, and/or things(s) described above are lawfully seizable pursuant to Penal Code Sections 1524, as indicated above and are now located at the locations set forth above. Wherefore, affiant requests that this search warrant be issued.

I declare, under the penalty of perjury upon information, belief and personal knowledge, that the facts and opinions contained in the forgoing Statement of Probable Cause are true.

Incident/Investigation Report

Agency: Petaluma Police Department Case Number: 17-0003898

Narratives

On 8/5/17, I responded to Santa Rosa Police Department to assist in the investigation of an officer involved shooting. The Sonoma County Sheriff's Department was the primary agency in charge of the investigation.

I was assigned to respond to [redacted] in Santa Rosa to assist with CSI Tech Allisha Fix. Allisha was assigned to take all of the officer's duty equipment into evidence. My role was to observe the collection of evidence.

I responded with Allisha to collect Park McCallister's equipment. Also present was Sergeant Gilman with the Petaluma Police Department. Allisha asked me to render Park's service weapon safe. I removed the magazine and handed it to Allisha. I then removed one round which I found was in the chamber of the pistol. I then handed the pistol to Allisha to be collected as evidence. Allisha took the round I removed from the chamber and collected it as evidence. I observed Allisha take photographs and collect the gear and equipment in accordance with correct evidence preservation. Allisha retained all evidence collected and returned it to the Santa Rosa Police Department.

Detective Gerke with the Petaluma Police Department observed the collection of gear from Jeff Badger and Nick Vlahandreas. Refer to Detective Gerke's supplement.

I responded back to the Santa Rosa Police Department to meet with Allisha. Also present was Detective Gerke. I observed Allisha remove Jeff Badger's magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 17 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

Allisha removed Park McCallister's magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 17 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

Allisha removed Nick Vlahandreas' magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 11 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

I was then assigned to observe Joshua Young with Santa Rosa I.T. download each of the officer's Taser's information into the server at the Santa Rosa Police Department. I observed Joshua download the following officer's Tasers, Nick Vlahandreas, Jeff Badger, Park McCallister, Sergeant Kyle Philip, Mark Fajardin, and Travis Dunn. Sergeant Gilman with the Petaluma Police Department observed Joshua download the Tasers for Officer's Amanda Cincera and Edward Buenrostro.

The duty equipment collected by Allisha Fix was booked into evidence at the Santa Rosa Police Department.

OFFICER INVOLVED SHOOTING VCI RESPONSE

I am currently a detective assigned to the Violent Crimes Investigations (VCI) team. On 8/5/17 at approximately 0644 hours, I was the on-call VCI detective. I was contacted at home by Sgt. Ludtke and told that SRPD officers had been involved in an officer involved shooting that morning.

I responded to the SRPD station and contacted Sgt. Ludtke and other detectives. I learned that three SRPD officers, Officers Vlahandreas, Badger, and McAllister, had been involved in a shooting with a male who was declared deceased at the scene. The involved officers had initially been sequestered at the SRPD station, then were taken to [redacted] with sequestering officers.

I attended a briefing with SRPD Lieutenant Lazzarini, Sgt. Ludtke, Detectives Wojcik, DeLeon, and Hughes, and Officer Rakoski, SCSO Lieutenant Tim Duke, Petaluma PD Detectives Gilman, Rivera, Klein, Spiller, and Page, Rohnert Park DPS Detective Douglas, Sonoma County Deputy DA Carla Rodriguez, and Sonoma County DA Investigators Urton and Stapleton. The Sonoma County Sheriff's Office was designated as the lead agency in the investigation, and I assisted as the SRPD department liaison for the Sheriff's Office.

SRPD Detective Wojcik wrote a search warrant for the residence where the shooting occurred ([redacted]. Refer to his supplemental report for details. Rohnert Park DPS Detective Douglas wrote a search warrant for any Body Worn Camera (BWC) footage from officers involved in the incident. She later completed an Agency Assist report under RPDPS Case #17-3259.

Petaluma PD detectives assisted SRPD Field Evidence Technicians (FETs) with the collection of uniforms and equipment from Officers Badger, McAllister, and Vlahandreas. Their investigation will be documented under Petaluma PD Case #17-3898.

SRPD IT Technician Young (in the presence of Petaluma PD detectives) downloaded the body worn cameras from the involved officers. He later provided me with a USB drive containing that footage. On 8/10/17, Det. Hughes gave the USB drive (along with the clothing and equipment collected from the involved officers) to SCSO Det. Bailey.

That afternoon, SCSO VCI and CSI detectives served the search warrant at [redacted] I remained at the location with them from approximately 1630 hours to 2200 hours, then went off duty.

The SCSO's investigation of this Officer Involved Shooting will be documented under Case #170805-019.

SUPPLEMENT:

On 08-05-2017, at approximately 0620 hours, I responded to [redacted] to assist officers who broadcasted "Shots Fired" at the scene of a man with a knife.

At approximately 0629 hours, I arrived on scene. I assisted in securing the residence as other officers contacted the suspect. The SE bedroom door was locked and I had to force it open. Once the scene was secured, I signed into the crime scene log. I checked the north, east and south side exterior walls for any bullets that may have exited the residence during the shooting. None were located.

At approximately 0710 hours, I exited the crime scene and transported [redacted] and [redacted] from the scene to the SRPD to be questioned by detectives.

It should be noted that throughout my involvement in this incident I was equipped with a body worn camera and portions of the incident were recorded. This report is merely a summary of the incident and is not intended to be an exact transcription of the entire investigation or of what may have been captured with the body worn camera.

Supplement Narrative

SUPPLEMENTAL INVESTIGATION:

On 8/5/2017 I worked uniform patrol in a marked police unit. At approximately 0605 hours, I responded to [redacted] to assist officers who were investigating a report of a disturbance. I am proficient in the Spanish language, and I responded to the scene in order to assist the officers who were attempting to communicate with the Spanish speaking residents.

I arrived on scene at approximately 0618 hours. Upon arrival, I observed two officers positioned behind a wall in the living room area of the residence. I was informed that a subject was armed with a knife was inside a room next to the front door of the residence. It was unknown how many people were still inside the residence, and if the subject was still armed with a knife.

I was directed to speak with resident, [redacted] in order to determine how many people were inside the house. [redacted] spoke with me in Spanish and told me that three people were still inside the garage, and a second group of people were in a room at the rear of the property.

I went back inside the residence and informed the officers that people were inside the garage and in the back of the residence. While inside the residence, I began to give commands in Spanish to the individual who was in the room next to the front door. The subject did not exit the room, and it was unknown whether he was still armed with the knife.

In Spanish, I directed the subject numerous times to exit the room unarmed and with his hands up. I also advised the subject that officers and I were there to check on his welfare, and requested that he follow my instructions in order to evaluate him. I did not receive a response from the subject.

After numerous failed attempts to contact the subject, officers entered the room and found that the subject was unresponsive.

Once the residence was determined to be secure, I went outside of the house and met with eight residents. I spoke with the residents in Spanish and asked them to provide me with their name, date of birth and phone number. I also asked them where they were inside the residence when the incident occurred.

I collected the information for the following witnesses.

[redacted]

I later provided the information to Detective De Leon.

After obtaining the witnesses information, I transported [redacted] to the Santa Rosa Police Department. Officers transported the remaining seven witnesses to the Santa Rosa Police Department. I remained with the eight witnesses inside the police department training room until detectives concluded their interviews.

Once the interviews were completed, I transported [redacted] and his wife, [redacted] to a family member's residence at [redacted] The remaining six residents were picked up by their family and friends at the Santa Rosa Police Department.

It should be noted that throughout my involvement in this incident I was equipped with a body worn camera and portions of the incident were recorded. This report is merely a summary of the incident and is not intended to be an exact transcription of the entire investigation or of what may have been captured with the body worn camera. I later booked the video into Veripic at the Santa Rosa Police Department.

Supplemental Report

On 08/05/17, at approximately 0635 hours, I was monitoring radio traffic at the beginning of my shift when I heard an SRPD Officer broadcast "Shots fired" via his radio. SRPD Officers were on scene at [redacted] regarding a disturbance call and male subject with a knife. When I arrived on scene I was directed to block traffic at the intersection of W. Steele Ln. and Northcoast St. I placed my patrol vehicle in the intersection with my emergency lights activated. Officer Crosbie placed crime scene tape across the intersection as well. I stayed at that location until I was relieved by Officer Cogbill at approximately 0810 hours.

Supplement Narrative

SUPPLEMENT:

On 08-05-17 at approximately 0630 hours, I was called out with the Violent Crimes Team of the Santa Rosa Police Department regarding an officer involved shooting. SRPD officers were called to [redacted] regarding a disturbance involving a man with a knife. After making contact with a man with the knife, officers were forced to shoot the man who later died.

The Sonoma County Sheriff's Department took lead in the officer-involved shooting investigation. SRPD detectives assisted with initial scene control and peripheral duties.

Eight witnesses were contacted on the property at [redacted] and transported to SRPD by patrol officers. All of the witnesses spoke Spanish primarily. I speak Spanish fluently. I eventually assisted Det. Matthew Regan of the DVSA unit at SCSO with interviewing IO-[redacted] who lived in an outbuilding in the back yard, IO-[redacted] and IO-[redacted] Det. Regan recorded his interviews and later wrote supplemental reports regarding their content.

I later received a phone call from Ofc. May who was at [redacted] He said a man named W-[redacted] showed up at [redacted] saying he had been stabbed inside the house earlier by his roommate. I spoke briefly with [redacted] in Spanish. [redacted] had been transported from [redacted] by ambulance to Memorial Hospital, treated and released and had returned to the house. I told Ofc. May that SCSO detectives would like to speak to [redacted] Ofc. May had [redacted] transported to SRPD by Ofc. Cadaret.

I later translated while Det. Reagan interviewed [redacted] See his supplemental report for details under SCSO case #170805-019.

On 08-07-17, IO-[redacted] went to SRPD. I spoke with her briefly in Spanish. [redacted] said she was the sister of S-Pablo Garcia Toribio. [redacted] said he lived at [redacted] for the past 1.5 to two years. She said his birthday was [redacted] and his phone number was [redacted] She was told by the homeowner of [redacted] that Pablo had been killed by police.

[redacted] told me Pablo had been arrested one time in Sonoma County. I looked up the name [redacted] gave me in the Sonoma County jail computer and noticed a booking photograph from 2015. I showed the photograph of "Pablo Garcia Garcia" to [redacted] who said that was her brother. I noted that Pablo had a felony warrant for 236 PC/1203.2 PC and was on probation and had a served criminal protective order. Pablo was prohibited from having firearms or other weapons. OFFICER INVOLVED SHOOTING RESPONSE:

On 8/05/17, shortly after 600am, I was inside the briefing room of SRPD beginning my shift as a patrol officer. At that time, I learned Officers from the overnight shift were involved in a critical incident. I was learning of the incident based on radio traffic communication as the incident progressed.

Via the radio, Sgt. Mahurin requested a ballistic shield. Officer Fajardin and I obtained a ballistic shield from the station and responded to the scene on [redacted] as a tactical response unit. Upon arrival at the scene Sgt. Philp directed me to provide Officer Badger with the ballistic shield.

Sgt. Philp, Officer Fajardin and I came up with a hasty plan to contact and arrest the suspect inside the residence. Officer Badger took position at the front door with the ballistic shield. Officer Fajardin and I were equipped with our department issued SWAT rifles. Officer Badger then entered the residence and proceeded down the hall way with the ballistic cover. Officer Fajardin and I acted as lethal cover.

Once at the bathroom door Officer Badger informed us this was the last known location of the suspect. Officer Fajardin forced the bathroom door open and Officer Badger, Officer Fajardin and I entered the bathroom.

I observed a Hispanic male adult on the bathroom floor with a pool of blood near his chest area. The subject's hands were under his chest. I stood on the suspects right arm to control it while providing lethal cover to Officer Badger as he began to handcuff the suspect.

Once the suspect was placed in handcuffs I exited the bathroom and conducted a secondary search of adjoining rooms for officer safety and security purposes.

I then stood by with responding Santa Rosa Fire Department personnel as they checked on the suspect and pronounced him dead.

I collected the ballistic shield and I stored my rifle and the shield in the rear of patrol vehicle 57.

I was then directed by Sgt. Philp to transport Officer Badger to SRPD and remain with him as a sequestering officer. I remained with Officer Badger in this role until approximately 1 pm.

SUPPLEMENTAL INVESTIGATION

On 08/05/2017, at approximately 0630 hours, I responded to [redacted] after an officer broadcast over the radio shots fired. Sgt. Mahurin requested over the radio that an officer bring a shield to the scene. I was at the Santa Rosa Police Department and Sgt. Philp gave me a ballistic shield.

Ofc. Dunn and I responded to the scene code 3 in the same patrol vehicle (#57).

Once we arrived on scene Ofc. Badger briefed us on the situation. I was informed that the subject was in a bathroom. Sgt. Philp briefed Ofc. Dunn, Ofc. Badger and I that we were going to enter the bathroom and take the subject into custody. Ofc. Badger was going to use the shield to protect us from the subject and Sgt. Philp was going to handcuff the subject.

Ofc. Badger carried the ballistic shield into the house. I was armed with my patrol rifle. Several other officers were positioned in the entryway of the house focusing their attention down the hallway with their firearms drawn. Ofc. Buenrostro was calling out to the subject in Spanish. Ofc. Badger told me that the second door on the left (north side) of the hallway was the bathroom.

Ofc. Badger positioned himself and the ballistic shield on the left side of the hallway, just west of the bathroom door. I approached the partially closed bathroom door around Ofc. Badger on the right side of the hallway. I pushed the door open with my foot and it stopped after hitting a nude male subject laying on the bathroom floor. The male was on his stomach with his feet at the door. I saw blood on the ground and the male did not move when the door hit his feet.

Myself, Ofc. Badger and Ofc. Dunn entered the bathroom. I moved past the male on the floor. Ofc. Badger placed the ballistic shield on the male so that he would not be able to move. Ofc. Badger took a large knife out of the males hand and I took the knife from Ofc. Badger. I placed the knife on the bathroom sink. Ofc. Badger handcuffed the male.

Ofc. Badger and I rolled the male onto his stomach. I opened a package of QuickClot Combat Gauze and began assessing the male for gunshot wounds. I did not see any obvious gunshot wounds to the male and I left the bloody gauze on the sink. We requested that medical personnel respond into the bathroom. SRFD personnel came into the bathroom and pronounced the male deceased.

I signed into the Major Incident Log at 0656 hours.

I checked the inside and outside of the house for any obvious bullet holes and did not see any.

I then conducted scene security. At the request of Sgt. Harrington I took possession of a bottle of medication for [redacted] that was on a nightstand in the southeast bedroom. I later gave the bottle of medication to Ofc. Buenrostro at the Santa Rosa Police Department.

I conducted scene security until relieved by Ofc. Klein at 1155 hours on 08/05/2017.

It should be noted that throughout my involvement in this incident I was equipped with a body worn camera and portions of the incident were recorded. This report is merely a summary of the incident and is not intended to be an exact transcription of the entire investigation or of what may have been captured with the body worn camera.

SUPPLEMENT:

On 8-5-17 I was the oncall FET and at approximately 1031 hours Sergeant Harrington called me at home and asked me to come into work and assist with an officer involved shooting. I proceeded to SRPD and Harrington advised me I would be processing the three involved officers with the assistance of Petaluma Police Department (PPD).

I met with PPD Sergeant Paul Gilman and PPD Detectives Walt Spiller and Pat Gerke. We discussed what I would be collecting and then we proceeded to [redacted] located at [redacted] Upon arriving, we met with Officer Plattus who advised us of the [redacted] for the three involved officers. We proceeded to [redacted] and met with Officer Jeff Badger and sequestering officer, Travis Dunn.

Badger had already partially undressed out of his uniform and was only wearing his white undershirt and blue uniform pants. I took overall photographs of Badger as well as close up photographs of his hands. Badger had already removed some items from his pockets and duty belt and put them aside. I photographed these items which included: his work cell phone, radio ear piece, radio and mic, and his belt keepers. These items were released to him.

I photographed Badger`s duty belt and from left to right it contained the following: a double magazine clip holder with two magazines, key clip and keys (keys were released to Badger), extendable baton and holder, Taser and holder, radio holder, OC spray and holder, firearm and holder, and a double handcuff case containing one set of handcuffs.

Gerke removed the firearm from Badger`s duty belt and rendered the firearm safe. The firearm was a Glock 17 Gen 4, 9mm, S# [redacted] with a mounted TLR-1 Streamlight. Gerke removed one bullet from the chamber, an F C Luger 9mm, and removed the magazine clip from the firearm. The magazine clip held a capacity of 17 bullets. We later inventoried the magazine clip and determined it contained 17 F C +P 9mm bullets.

Gerke then removed the Taser from the holder and we determined there was no cartridge in the Taser or in the Taser holder on Badger`s duty belt. I photographed the Taser and the interior of the Taser holder.

Spiller and I later removed the two magazine clips from the duty belt. They each had a capacity to hold 17 bullets and we determined they each contained 17 F C +P 9mm bullets.

I collected the following items from Badger:

-blue 5.11 Tactical long sleeve SRPD uniform shirt (EV15)
-pens, notepads, and miscellaneous work related cards later removed from Badger's shirt pockets (EV16)
-blue 5.11 Tactical SRPD uniform pants and belt (EV17)
-black HWI gloves and Smith & Wesson pocket knife later removed from Badger's pants pockets (EV18)
-black Danner work boots, the right boot had apparent blood on the left side front area (EV19)
-VieVue body worn camera (EV20)
-yellow Taser without a cartridge, S# [redacted] emoved from duty belt (EV21)
-Glock 17 Gen 4, 9mm, S[redacted] with mounted TRL-1 Streamlight, removed from duty belt (EV22)
-F C Luger 9mm bullet removed from the chamber of Badger's firearm (EV23)
-magazine clip removed from Badger's firearm containing 17 F C +P 9mm bullets (EV24)
-Badger's duty belt containing: a double magazine clip holder, key clip, extendable baton and holder, Taser holder, radio holder, OC spray and holder, firearm holder, and a double handcuff case containing one set of handcuffs (EV25)
-two magazine clips removed from Badger's duty belt, each containing 17 F C +P 9mm bullets (EV26)

We then proceeded to [redacted] and met with Officer Nicholas Vlahandreas and sequestering officer, Amanda Cincera. Vlahandreas was still in full uniform and I took overall photographs of him. I also took close up photographs of his hands.

I had Vlahandreas remove his duty belt and I photographed it as it was. From left to right it contained the following: double magazine clip holder and two magazine clips, Taser and holder, radio and radio holder, extendable baton and holder, key holder and keys, firearm and holder, OC spray and holder, and a double handcuff case containing two sets of handcuffs and a handcuff key.

I removed the keys and radio from the duty belt and put them aside. Vlahandreas removed his radio ear piece and two USB drives and a work camera from his uniform pockets. I photographed all these items along with his belt keepers and released these items to him.

Gerke removed the firearm from Vlahandreas's duty belt and rendered the firearm safe. The firearm was a Glock 17 Gen 4, 9mm, S[redacted] with a mounted TLR-1 Streamlight. Gerke removed one bullet from the chamber, an F C Luger 9mm, and removed the magazine clip from the firearm. The magazine clip held a capacity of 17 bullets. We later inventoried the magazine clip and determined it contained 11 F C Luger 9mm bullets.

Gerke then removed the Taser from the holder and we determined there was no cartridge in the Taser or in the Taser holder on Vlahandreas's duty belt. I photographed the Taser and the interior of the Taser holder.

Spiller and I later removed the two magazine clips from the duty belt. They each had a capacity to hold 17 bullets and we determined one clip contained 17 F C Luger 9mm bullets and the other contained 16 F C Luger 9mm bullets.

I collected the following items from Vlahandreas:
-blue 5.11 Tactical long sleeve SRPD uniform shirt, with Vlahandreas misspelled as "Vlahanderas" (EV27)
-pens, notepad, business cards, miscellaneous work related cards, and SRPD stickers, later removed from Vlahandreas's shirt pockets (EV28)
-blue 5.11 Tactical SRPD uniform pants (EV29)
-business card, keys, Swat-T tourniquet, and Kershaw pocket knife later removed from Vlahandreas's pants pockets (EV30)
-pair of used latex gloves and a pair of black 5.11 gloves later removed from Vlahandreas's right side pants

pocket (EV31)
-large black Streamlight flashlight, removed from Vlahandreas's left side pants pocket (EV32)
-black Danner work boots (EV33)
-VieVue body worn camera (EV34)
-yellow Taser without a cartridge, S# [redacted] removed from duty belt (EV35)
-Glock 17 Gen 4, 9mm, S# [redacted] with mounted TRL-1 Streamlight, removed from duty belt (EV36)
-F C Luger 9mm bullet removed from the chamber of Vlahandreas's firearm (EV37)
-magazine clip removed from Vlahandreas's firearm containing 11 F C Luger 9mm bullets (EV38)
-Vlahandreas's duty belt containing: a double magazine clip holder, Taser holder, radio holder, extendable baton and holder, key clip, firearm holder, OC spray and holder, and a double handcuff case containing two sets of handcuffs and a handcuff key (EV39)
-magazine clip removed from Vlahandreas's duty belt, containing 17 F C Luger 9mm bullets (EV40)
-magazine clip removed from Vlahandreas's duty belt, containing 16 F C Luger 9mm bullets (EV41)

We then proceeded to [redacted] and met with Officer Park McAllister and sequestering officer, Dane Schindler. McAllister was still in full uniform and I took overall photographs of him. I also took close up photographs of his hands.

I then had him remove his duty belt and it contained the following from left to right: double magazine clip holder and two magazine clips, Taser and holder, baton ring and street stick baton, flashlight and holder, radio and holder, set of handcuffs and case, OC spray and holder, firearm and holder, set of handcuffs and case, and a key holder and keys.

I removed the keys and radio from the duty belt and put them aside. McAllister removed his radio ear piece, a USB drive, his work cell phone, and two more sets of keys from his uniform pockets. I photographed all these items along with his belt keepers and released these items to him.

Spiller removed the firearm from McAllister's duty belt and rendered the firearm safe. The firearm was a Glock 17 Gen 4, 9mm, S# [redacted] Spiller removed one bullet from the chamber, an F C Luger 9mm, and removed the magazine clip from the firearm. The magazine clip held a capacity of 17 bullets. We later inventoried the magazine clip and determined it contained 17 F C Luger 9mm bullets.

Spiller then removed the Taser from the holder on the duty belt and it appeared to have an unfired cartridge. I photographed the Taser.

Spiller and I later removed the two magazine clips from the duty belt. They each had a capacity to hold 17 bullets and we determined they each contained 17 F C Luger 9mm bullets.

I collected the following items from McAllister:
-blue 5.11 Tactical long sleeve SRPD uniform shirt (EV1)
-pens, notepad, business cards, handcuff key, SD card, FI cards, and a band aid, later removed from McAllister's shirt pockets (EV2)
-blue 5.11 Tactical SRPD uniform pants (EV3)
-pair of used latex gloves later removed from McAllister's right side pants pockets (EV4)
-pair of new latex gloves later removed from McAllister's left side pants pocket (EV5)
-VieVue body worn camera (EV6)
-black Magnum work boots (EV7)
-street stick baton, removed from duty belt (EV8)
-yellow Taser with a cartridge, S# [redacted] removed from duty belt (EV9)

-Glock 17 Gen 4, 9mm, S[redacted] removed from duty belt (EV10)
-F C Luger 9mm bullet removed from the chamber of McAllister's firearm (EV11)
-magazine clip removed from McAllister's firearm containing 17 F C Luger 9mm bullets (EV12)
- McAllister's duty belt containing: double magazine clip holder, Taser holder, baton ring, flashlight and holder, radio holder, set of handcuffs and case, OC spray and holder, firearm holder, set of handcuffs and case, and a key holder (EV12)
-two magazine clips removed from McAllister's duty belt, each containing 17 F C Luger 9mm bullets (EV14)

Gilman, Spiller, Gerke, and I all proceeded back to SRPD. I placed all items of evidence into a secure evidence storage locker except the three magazine clips removed from Officer Badger's, Vlahandreas's, and McAllister's firearms and their three VieVue body worn cameras.

We met with SRPD IT Technician Josh Young and I gave him the three body worn cameras. Young downloaded the videos from the three cameras while we waited and then returned the cameras to me. Refer to his supplement for further.

Gerke, Spiller and I then counted the bullets from each magazine clip we removed from the three involved firearms. As I stated previously, we counted 11 F C Luger 9mm bullets in Vlahandreas's magazine clip, 17 F C +P 9mm bullets in Badger's magazine clip, and 17 F C Luger 9mm bullets in McAllister's magazine clip.

I photographed each magazine and the bullets from each. I then placed the three cameras and the three magazine clips into a secure evidence storage locker.

On 8-8-17 I removed all items of evidence from the storage lockers except the three duty belts. I photographed McAllister's items including his shirt, pants, boots, body worn camera, Taser, Glock firearm and the bullet removed from the chamber. I also removed all items from the shirt and pants pockets, photographed them, and booked them in separately from the shirt and pants.

PPD Detective Spiller met with me at SRPD and we removed the three duty belts from the secure storage lockers. I photographed the duty belts again and Spiller and I removed the magazine clips from the magazine holders on the duty belts. I photographed the magazine clips as well as the rounds from each.
Each magazine clip had the capacity to hold 17 bullets. Spiller and I counted the following:
-both magazine clips from McAllister's duty belt contained 17 F C Luger 9mm bullets each
-both magazine clips from Badger's duty belt contained 17 F C +P 9mm bullets each
-one magazine clip from Vlahandreas's duty belt contained 17 F C Luger 9mm bullets and the second magazine clip contained 16 F C Luger 9mm bullets

After the duty belts, magazine clips, and rounds were photographed and counted, Spiller left. I then continued booking in the evidence. I booked all of McAllister's evidence items (EV1-14), including the duty belt and magazine clips, into SRPD Property and Evidence.

I then photographed Badger's items including his shirt, pants, boots, body worn camera, Taser, Glock firearm and the bullet removed from the chamber. I removed all items from the shirt and pants pockets, photographed them, and booked them in separately from the shirt and pants. I booked all of Badger's evidence items (EV15-26), including the duty belt and magazine clips, into SRPD Property and Evidence.

I then placed the remaining items back into a secure evidence storage locker.

On 8-9-17 I removed the remaining items from the storage locker. I photographed Vlahandreas's items

including his shirt, pants, boots, body worn camera, Taser, Glock firearm and the bullet removed from the chamber. I removed all items from the shirt and pants pockets, photographed them, and booked them in separately from the shirt and pants. I booked all of Vlahandreas's evidence items (EV27-41), including the duty belt and magazine clips, into SRPD Property and Evidence.

I then imported my photographs into VeriPic. Badger's photographs were under S#'s 146834-146882, McAllister's photographs were under S#'s 146883-146926, and Vlahandreas's photographs were under S# 146927-146970.

SUPPLEMENTAL INVESTIGATION

On August 5th, 2017, I met with officers Park McAllister, Jeffrey Badger and Nicholas Vlahandreas to provide them with replacement firearms and equipment. I also read each of them the attached "Order not to Discuss" advisement. Each officer told me that they understood the advisement, signed the original and were provided with their own copy. Each officer had their LDF attorney and POA representatives present for the advisement. I did not ask them any questions, and they did not make any statement about the incident to me.

Supplement Narrative

Supplemental Investigation:

On 08/5/2017 at approximately 0558 hrs, I heard a dispatch to [redacted] Santa Rosa, in regards to a roommate "acting strange." Based on the dispatch, it sounded like officers were going to need a Spanish speaking officer to assist them. I interrupted the dayshift briefing and requested Officer Buenrostro respond to [redacted] to assist officers.

A few minutes later, I heard an officer (unknown who) say something to the effect of "he has a knife" or "he won`t put down the knife." At this point I went in route to the scene, Code-3. I requested a less lethal WIRE, while driving to the scene. I then heard Officer Vlahandreas say he deployed his TASER and it was not effective. I arrived on scene at approximately 0617 hrs. As I was running from my vehicle to the residence, I heard four gunshots coming from inside the residence. I then heard an officer on the radio say, "Shots fired." I do not know which officer advised "shots fired."

Outside the residence was a heavyset Hispanic male wearing a green t-shirt. I told an officer behind me to detain the male because he was a potential victim and/or witness. Once inside the residence, I saw Officer Vlahandreas on one knee, against the east facing wall in the living room. Officer McAllister was above him. Both had their handguns in the direction a closed door, on the north side of the hallway.

I was advised Officer Vlahandreas shot at the suspect. Officer Vlahandreas believe he struck the suspect, but was not positive. I noticed there were five bullet casings on the floor, near Officer Vlahandreas` feet. The suspect then went into the room (later identified as a bathroom), on the northwest side of the hallway. I noticed Officer Badger was in the northeast bedroom and there was a resident in the room with him. I directed Officer Badger to get himself and the resident out of the house, through a window in the room he was located.

After securing the first resident, Officer Badger assisted with the evacuation of several more residents in the same residence. I continued to give commands, in Spanish, to the suspect, until Officer Buenrostro arrived. I then directed Officer Buenrostro to continue giving surrender instructions to the suspect (see Officer Buenrostro`s supplemental report). At some point, I was advised the suspect`s name or nickname was "Chapo." At no point did the suspect respond to my directions or Officer Buenrostro`s directions.

Once all residents were evacuated, I directed Officers Vlahandreas, Buenrosto and McAllister to keep their positions. I went to the front of the house and removed the screen covering the window to the bathroom the suspect was in. The window was not locked and I was able to slide it open. I looked inside the window and saw a Hispanic male lying face down on the ground. The male was surrounded by blood, but I could not tell if

he was breathing. Due to the lack of light, I could not see where his knife was. I then went back into the residence with Officers Buenrostro, Vlahandreas, and McAllister.

Several minutes later, Officers Dunn, Fajardin, and Badger, as well as Sergeant Philp entered the residence. See their supplemental reports about entering the bathroom and contacting the suspect.

Once the scene was secure, I spoke with Officer Vlahandreas outside. Officer Vlahandreas gave me a brief public safety statement. Officer Vlahandreas initially arrived at the residence with Officers Badger and McAllister. While doing in initial search through the residence, he did not locate the suspect. During a secondary search, they located the suspect, in a bedroom and hiding under mattresses. Officer Vlahandreas said he gave the suspect's commands in Spanish and English. The suspect was holding and "pointing" a "large butcher knife." Officer Vlahandreas used his TASER, but he didn't believe it had any effect. Officer Vlahandreas believe his TASER only connected with one barb. Officer Vlahandreas said he also used his pepper spray, but it had no effect on the suspect. Officer Vlahandreas then said another officer (I was unclear if it was Officer Badger or Officer McAllister) shot his TASER and it was initially effective. After a few seconds, the suspect charged toward Officer Vlahandreas with the knife raised above his head. Officer Vlahandreas feared he might get stabbed and believed he shot his firearm four times. The suspect then went into the bathroom and the door closed.

I then asked Officer Cincera to stay with Officer Vlahandreas and take him back to the Santa Rosa Police Department.

I also assisted one of the potential witnesses get her purse and keys from the rear de-attached units. Initially, I thought the witness (unknown name) was related to the sunroom that was turned into a bedroom. I first searched this room for the female's car keys and purse. I later located the correct room and retrieved the keys and purse with the female. The female and her two child drove to SRPD while Officer Turner followed them.

This was the extent of my work related to this investigation.

Supplement:

On 8/5/17 at approximately 0630 hours, I responded to [redacted] to assist. Officers had been dispatched to the residence and broadcast that shots had been fired. Upon arrival, I formed a team that consisted of Officer Dunn, Officer Fajardin, Officer Badger, and myself to approach the suspect behind a ballistic shield and take him into custody. We entered the residence approached and entered the room the suspect was in while Officer Buenrostro gave verbal commands in Spanish. We entered the bathroom and Officer Badger handcuffed the suspect. (Refer to each officer's supplement for further details) I exited the bathroom and assisted in clearing the garage with area of the residence. After the residence was clear I had all officers except Officer Fajardin and Officer Dunn exit the residence. At this time, medical personnel were entering to render first aid to the suspect.

I remained on scene and delegated various tasks to officers. I remained on scene until approximately 0850 hours.

It should be noted that throughout my involvement in this incident I was equipped with a body worn camera and portions of the incident were recorded. This report is merely a summary of the incident and is not intended to be an exact transcription of the entire investigation or of what may have been captured with the body worn camera.

SUPPLEMENTAL:

On 08/05/2017 I was working uniformed patrol in a marked City of Santa Rosa Police vehicle (#63).

At approximately 0612 hours, I was dispatched to the residence at [redacted] in Santa Rosa regarding a subject with a knife causing a disturbance inside the residence. I heard Officer Badger, who was already on scene, requesting additional officers to the scene because the subject still had the knife.

As I was responding to the residence I heard Officer Vlahandreas advising officers at the scene had used both OC spray and Tasers, which had been ineffective. I was equipped with an extended range impact weapon, referred to as a "wire" and advised I would be bringing this piece of equipment to the scene.

As I arrived on scene in front of the residence, I heard Officer McAllister advising "shots fired" from inside the residence. I ran into the front entryway of the home and saw Officers Vlahandreas and McAllister positioned at the end of the hallway. I noticed several shell casings on the floor of the hallway.

I learned the subject was inside one of the hallway bathrooms directly in front of these officers. This bathroom had a window facing the front of the residence on the north side of the home. I responded to the front of the residence and maintained a viewpoint on the front bathroom window in case the subject attempted to exit the building utilizing this window.

I remained in this position until the officers inside the residence were able to secure the scene.

INVESTIGATION:

On 8/5/2017, at approximately 0800 hrs., I was assigned to relieve Officer Cogbill from the scene of an incident which occurred at [redacted]

At approximately 0813 hrs., I relieved Officer Cogbill who was providing scene security outside of the established incident scene (marked by yellow caution tape) at the intersection of West Steel Ln. and Northcoast St. I provided scene security from outside of the perimeter until approximately 1032 hrs. when I was relieved by Officer May. While I was on scene, I never entered the secure perimeter and only authorized SRPD personnel were allowed to enter the incident scene. Refer to Officer Crosbie's Major Incident Log for details on who entered the scene.

I left the scene, but was dispatched back to the scene at approximately 1444 hrs., to relieve other SRPD officers. At approximately 1506 hrs., I relieved Officer Meteyer who was providing scene security outside of the established perimeter at the intersection of Iroquois St. and West Steele Ln. I provided scene security until Officer Meteyer returned at approximately 1534 hrs. While I was on scene no one entered the secure perimeter.

After Officer Meteyer returned, I relieved Officer Albini from the intersection of West Steele Ln. and Apache St. and began providing traffic control. I directed all through traffic away from the incident scene.

Supplement Narrative

SUPPLEMENTAL INFORMATION:

On 8/5/17 at approximately 0600hrs, Ofc Badger, Ofc Vlahandreas and I responded to a disturbance call at [redacted] Santa Rosa. SRPD Dispatch had been contacted by a resident inside the house who said that another resident was acting crazy. We were advised that a knife may be involved.

Ofc Badger arrived at the residence first. On my arrival, I parked on the west side of the residence (at the intersection of W Steele Lane/Iroquois St). I approached the house and met with Ofc Badger on the west side of the front garden. As we walked towards the front door (on the north side of the residence), I saw that the front door was open. We announced that we were police officers and met with two Hispanic males by the front door. These males were later identified as [redacted] (unknown last name).

By the time we had reached the front door, Ofc Vlahandreas had arrived. Ofc Vlahandreas attempted to speak with [redacted] in Spanish. They stepped back inside the house as we attempted to communicate with them.

As Ofc Badger and Ofc Vlahandreas spoke with [redacted] I stepped to the left side of Ofc Badger and attempted to clear the hallway off the entryway. The hallway ran to the east. I could see a bathroom and one closed door on the left side, and two closed doors on the right side. The bathroom was empty. Both the doors on the right side of the hallway were locked. The door at the end of the hallway on the left side was unlocked and opened into a bedroom.

As I came back down the hallway towards Ofc Badger, I saw that [redacted] had blood on his grey sweatpants. I heard Ofc Badger request medics for [redacted]

Ofc Badger indicated that the suspect was inside the first bedroom on the right side of the hallway. At this time, due to the poor communication with [redacted] I did not know if we had confirmed if the suspect had a knife. However, given that [redacted] had blood on his sweatpants, and we had been initially advised by SRPD Dispatch that a knife may be involved, I believed that the suspect had a knife and was still in possession of the weapon.

Ofc Badger had obtained a key for the door. I stood on the far side of the doorway as Ofc Badger unlocked and opened the door. Prior to opening the door, I advised Ofc Badger that I had un-holstered my Taser. I held my Taser in a ready position as we opened the door. I did this to give us a tactical option if we were to find the suspect in the bedroom.

As the bedroom door opened, I could see numerous pieces of furniture, clothing and bedding strewn throughout the bedroom. The door only partially opened; something was blocking the back of the door.

As I looked into the room, I saw a piece of black furniture lying at an angle across the bedroom. The item was long and thin, and was pointed upwards towards the far corner of the room. One end appeared to have broken the far window and was positioned so that it was sticking out of the window. It looked as if the window had been broken and then pushed open.

From my position in the hallway looking into the bedroom, I could see that furniture had been scattered around the room but it appeared that nobody was inside the room. The positioning of the furniture and the open window led me to believe the suspect had broken the window and climbed out of the bedroom. Given that there was a possible suspect with a knife, I was concerned that he had climbed out of the window and had gone to a different part of the house or was in the street with the knife.

I did not walk into the bedroom. Ofc Badger and I went outside to check the back garden while Ofc Vlahandreas remained in the hallway by the bedroom doorway. As I was checking the rear yard by the broken window, I heard Ofc Vlahandreas call to us from inside the house. He asked us to come back inside.

I followed Ofc Badger back inside the residence through the front door. I could see Ofc Vlahandreas already inside the bedroom. As Ofc Badger went towards the bedroom, he asked me to take [redacted] outside to meet the medics. I began to walk [redacted] to the front door. As we were almost at the front door, I heard Ofc Badger and Ofc Vlahandreas from inside the bedroom. It sounded like they had located somebody inside the bedroom and were trying to get them to come out. I left [redacted] in the entryway and went towards the bedroom door to assist Ofc Badger and Ofc Vlahandreas. As I tried to enter the bedroom, Ofc Badger again asked me to get [redacted] outside to the medics.

I immediately went back into the entryway and continued to escort [redacted] outside. As we got to the end of the driveway, a SRFD fire truck and an ambulance arrived. The fire truck parked next to the house on Iroquois St. The ambulance parked directly in front of the house on [redacted] I advised the fire personnel and the medics (approximately 8 - 10 people in total) that the suspect was still inside the house.

As we got to the middle of the driveway, [redacted] stopped and leaned back against a parked car. When the medics approached, [redacted] was given preliminary treatment in the middle of the driveway. As [redacted] pulled up his right pant leg, I saw that he had a bloody laceration approximately one inch wide, just below his right knee. The wound was still bleeding while [redacted] received treatment.

I photographed the laceration prior to treatment. I subsequently uploaded these photographs to Veri-pic.

I stayed with [redacted] and the other personnel to ensure that [redacted] did not go back inside the house, and to ensure the suspect could not approach us from the front or side of the house. When Ofc McAllister arrived, he parked to the west of the house in the intersection of [redacted] I directed him to the front door of the house.

A short time after Ofc McAllister entered the house, I heard several loud bangs. I recognized these noises as gunshots. The shots sounded as if they had come from inside the residence. I cannot recall how many shots I heard. Once I heard the shots, I instructed the medical crew to place [redacted] inside the ambulance and for all the medical and fire crews to move away from the house and take cover behind their vehicles. I pushed the medical gurney back around the ambulance to allow it to pull away from the driveway. It was moved around

the corner onto Iroquois St.

A short time after I heard the shots, I saw Sgt Mahurin and Ofc Buenrostro approach the front door from the west side. After they had entered, [redacted] walked out. I ran to the house and escorted [redacted] away from the front door. I initially had [redacted] sit in a vacant police car, and then had him stand on the west side of Iroquois St. Numerous other occupants from inside the house then walked out. I continued to escort them away from the front door and had them stand on the sidewalk. None of the occupants spoke English. However, I was able to get the first names of each person. In total, eight other occupants (not including [redacted] who were inside the house walked out and waited with me on Iroquois St ([redacted] with her children [redacted]

Ofc Buenrostro met with me and spoke with each of the occupants separately in Spanish.

The group of eight occupants was subsequently transported to the Santa Rosa police station by several patrol officers. At 0725hrs, I left the scene. I drove to the station and had [redacted] follow me in her personal vehicle. She transported her children [redacted] in her car in their car seats.

Once at the station, I escorted [redacted] to the Training Room. I waited with Ofc Buenrostro in the Training Room with the group of occupants. I was relieved by Ofc Ortlinghaus.

It should be noted that throughout this incident I was equipped with a body worn camera and portions of the incident were recorded. This report is merely a summary of the incident and is not intended to be an exact transcription of the entire investigation or of what may have been captured with the body worn camera. I later placed the video into Veri-Pic.

Note: At the time of writing this supplemental report, I have uploaded my body worn camera footage from this incident but have not watched the footage, or any other footage, associated with this incident.

Supplement Narrative

SUPPLEMENT:

On 08-05-2017, at approximately 0620 hours, I responded to [redacted] to assist officers who broadcasted "Shots Fired" at the scene of a male subject with a knife.

At approximately 0629 hours, I arrived on scene. I assisted in securing the residence as other officers contacted the suspect. Once the scene was secured, I signed into the crime scene log with Officer Crosbie. Officer Mahurin requested I obtain contact information from the paramedics and firefighters on scene.

I spoke with Station 1 Battalion Chief, Mark Basque who related he arrived on scene after the shots were fired. Chief Basque provided me with a log of all firefighters who were assigned to the call.

I contacted Engine 3 Captain G. Miller who arrived on scene prior to shots being fired at approximately 0612 hours. In essence. Captain Miller stated upon arrival, the fire truck was parked on the east side of Iroquois Street and the corner of W. Steele Lane. Captain Miller told me they arrived on scene just as their dispatch was notifying them to stage. Captain Miller said that she saw an SRPD officer standing in the driveway with a male subject. Captain Miller stated since the officer did not appear in distress and looked calm she made the decision to remain on scene. Captain Miller said the victim was walked over by the officer to the tailboard of the engine truck to be treated as they were parked on the corner. Captain Miller said the subject was wearing sweatpants with a small amount of blood seeping through the pants leg and she observed a minor one inch laceration to the victim's knee. She further related she had difficulty obtaining any further information due to a language barrier. Captain Miller stated as Paramedic C. Cordova provided treatment for the victim she heard approximately five shots from the direction of the residence. This was about the same time AMR was arriving on scene because they had been cleared to enter. Captain Miller stated the subject was transported to Santa Rosa Memorial Hospital.

I also spoke with Engine 3 Firefighter/Paramedic C. Cordova who was on scene prior to shots being fired. Cordova stated as he was treating the victim he heard approximately four or five shots come from the residence. Cordova stated after the scene was made safe he entered the residence to provide medical attention to the suspect. Firefighter/Paramedic Cordova made the death pronouncement of the suspect at 0639 hours.

I contacted Engine 3 Engineer J. Clough who related that he was on scene prior to shots being fired. Clough stated he also remember approximately four or five shots coming from within the residence as he was standing near the engine.

I contacted Sonoma Life Support Paramedic Supervisor, [redacted] who related a subject identified as [redacted] was transported to Santa Rosa Memorial Hospital for a inch minor laceration to his right knee. The transporting medics were EMT [redacted] and Paramedic 779 [redacted]

At approximately 0715 hours, I exited the crime scene and transported [redacted] from the scene to the Santa Rosa Police Department to be questioned by detectives.

It should be noted that throughout my involvement in this incident I was equipped with a body worn camera and portions of the incident were recorded. This report is merely a summary of the incident and is not intended to be an exact transcription of the entire investigation or of what may have been captured with the

body worn camera.

Supplement Narrative

SUPPLEMENT

On 8-5-17, at approximately 0645 hours, I was off duty and was contacted by Sergeant Ludtke who requested I respond to the Santa Rosa Police Department regarding an officer-involved shooting. I responded and arrived at SRPD at approximately 0715 hours.

At approximately 1030 hours, I attended a briefing which was attended by representatives of the Sonoma County District Attorney's Office (SCSO), the Petaluma Police Department, the Rohnert Park Department of Public Safety, the Petaluma Police Department, and SRPD. The Sonoma County Sheriff's Office was designated as the lead agency in the investigation.

I was tasked with writing a search warrant for the scene at [redacted] I authored a warrant for the location which was reviewed by Deputy District Attorney C. Rodriguez and was authorized by The Honorable Judge Daum of the Sonoma County Superior Court. I provided it to Sheriff's detectives. The probable cause for the search warrant I authored was based on a public safety statement which was given by Officer Vlahandreas, to Sgt. Mahurin, and information given to me by SRPD dispatch.

At approximately 1655 hours I responded to [redacted] I made contact with sheriff's department personnel who were tasked with searching/processing the scene and I stood by outside the perimeter while they searched. I left the residence at approximately 1945 hours. Detective Bjornstrom remained at the residence. I did not enter the scene at any point and therefore, did not sign in on the major incident log. I did not have an opportunity to view any evidence related to the search.

On 8-8-17, at approximately 1400 hours, SCSO Detective Toney called me and told me the autopsy of the suspect had been completed. He told me three bullets were recovered from the body. He also said five ammunition casings were found at the scene on 8-5-17, therefore, he believed there were likely two bullets still at the scene. He requested I author an addendum to the original warrant, in order to return to the scene to search for them.

On 8-8-17 I authored an addendum to the original warrant. It was authorized by The Honorable Judge Daum of the Sonoma County Superior Court. I then provided SCSO Detective Toney with the original addendum.

I provided the original warrant to Judge Daum via email. It included the Search Warrant/Affidavit, a Statement of Probable Cause, and a Sealing Order. Judge Daum emailed me a signed copy of the Search

Warrant/Affidavit. He did not send me a signed sealing order. Instead, he checked the box on the warrant indicating he approved Hobbs sealing. On 8-8-17 when he signed the addendum, he also signed the original Sealing Order I sent him on 8-5-17. I later determined this order was specific to court orders, not search warrants. On 8-16-17, I presented Judge Daum with the correct Search Warrant Sealing Order, which he signed.

On 8-16-17, I provided SCSO Detective Toney with the original signed Search Warrant/Affidavit, original Statement of Probable Cause, the original Sealing Order, and the correct Search Warrant Sealing Order. I had given the original signed Addendum to Detective Toney on 8-8-17 immediately after it was signed.

Supplement Narrative

SUPPLEMENTAL:

I am currently a Senior IT Technician assigned to the IT Bureau of the Santa Rosa Police Department (SRPD). I have been serving in the Sr. IT Technician role at the SRPD since September 7th, 2014. I have been with the IT Bureau of the SRPD since January 15th, 2014. I enrolled and completed the Information Technology course of study at Empire College. I graduated from Empire college in January of 2010 with an Associate`s degree in Information Technology with a concentration in Microsoft applications. I also have six technical certifications. I have also served as the Lead technician in the deployment of the Santa Rosa Police Department Body Worn Camera Program, and I have worked with the application vendor and camera vendor to implement the current solution utilized by the Santa Rosa Police Department.

On 08/05/2017 I was contacted by Sgt. Brenda Harrington of the Santa Rosa Police Department. She had requested that I come to the police station to assist in the retrieval of video footage from officer body worn cameras in response to an Officer Involved Shooting.

After arriving at the Santa Rosa Police Department, I found Sgt. Brenda Harrington inquiring as to where she wanted be to begin. Sgt. Harrington stated that Forensic Technician Allisha Fix had retrieved the body worn cameras of the officers involved in the shooting, and that Technician Fix would be stopping by my desk along with members of the Petaluma Police Department who were tasked with the investigation of the Officer Involved Shooting.

Shortly after arriving at my desk, Forensic Technician Fix along with other detectives and officers from the Petaluma Police Department came to the IT area, and she had the retrieved cameras collected in an evidence bag. After connecting the cables necessary to perform the body camera download, and getting the PC monitor in position. I started the download for the body cameras for the officers that were involved. After the cameras had completed downloading. They videos were transferred into the Veripic Evidence Locker as per the application process. Over the remaining time that I was on site at the Santa Rosa Police Department, the other officers that were not involved in the shooting, but who did respond to the OIS, brought their body camera to me, and under the observation of the Petaluma Police Department, I downloaded the other body camera video footages as well.

After the remaining officer`s cameras were downloaded. I exported all the video footage captured onto a flash drive, and took the flash drive with the videos stored on the flash drive to Sgt. Brenda Harrington so she could go over the footage with the Petaluma Police department, as well as the other officers and detectives that were present for the OIS debriefing.

DEATH INVESTIGATION REPORT

CORONER CASE # 17-0000830

NARRATIVE

SCENE DESCRIPTION:

This death occurred at the decedent's residence where he rented a room. The house had three bedrooms, it is unknown how many people lived there, the house was messy and cluttered. The decedent was lying naked in the bathroom directly across the hall from the bedroom where he had been staying. There was blood on the decedent's body as well as the floor of the bathroom. There was a belt under the decedent's body.

BODY CONDITION/POSITIONING:

The decedent was lying on his back with his hands cuffed behind his back on the bathroom floor. His head was facing north and his legs were facing straight down to the south. There was dried and coagulated blood on the front of his body as well as on his back and the floor of the bathroom. There were two taser barbs still attached to the decedent's body, one on his abdomen, near his navel, and the other on his left shoulder. There were four medical leads still attached to the decedent's body, one on each leg and one on each shoulder. I noted two defects on his upper left side near his underarm as well as two other defects on his left side near his buttocks. The decedent's body was cold to the touch, rigor mortis was present as well as lividity which was consistent with his positioning.

NARRATIVE:

On 8/05/2017 at 1905 hours, I was contacted by Sheriff's Dispatch to contact SCSO VCI Detective Jesse Hanshew regarding a death investigation resulting from an Officer Involved Shooting at [redacted] in Santa Rosa. Sheriff's Dispatch told me Hanshew was ready for me to respond in order to manipulate the decedent's body. I contacted Coroner Sergeant A. Mancilla and advised him of the call.

Sgt. Mancilla and I arrived at the scene and SCSO VCI Detective Sergeant S. Murphy told us the following in substance:

Santa Rosa Police Officers responded to the aforementioned address regarding a call of an agitated subject in the house. The officers found the subject hiding under a bed in the room across from the bathroom, he was naked and holding a knife. The subject stood up and would not comply with the officer's orders, he was pepper sprayed and tased with no effect. The subject then advanced at the officers with the knife, shots were fired by one of the officers and the subject collapsed in the bathroom. The subject was handcuffed and medics were called to the scene. Paramedic Henry Cordova pronounced death at the scene at 0639 hours.

SCSO CSI Detective Troy Newton walked us through the scene where I took photos of the decedent and the scene as I described above.

The detectives did not have positive I.D. on the subject at that time. They had information that the decedent was possibly Pablo Garcia-Garcia [redacted] from a previous booking photo. CSI Detectives rolled finger prints on the subject's hand to make a comparison in order to establish a positive I.D.

[redacted] with Northbay Mortuary Services arrived per my prior request and took possession of the decedent's body. The decedent was placed in a black zippered body bag and secured with lock #28524. [redacted] transported the decedent to the CMF where he was registered and scheduled for a postmortem examination with a Forensic Pathologist. I followed the removal service to the CMF to preserve Chain of Custody.

DEATH INVESTIGATION REPORT

CORONER CASE #
17-0000830

At the Coroner's Office I downloaded the photos to a C/D and booked it into evidence (TR-1).

On 8/06/2017 at 0140 hours, CSI Detective Troy Newton advised me through my email that he made a positive identification on the decedent through a fingerprint comparison. He identified the decedent as Pablo Garcia-Garcia.

SUPPLEMENT: by Detective L. Bottomley #2234

On 08/07/17, at approximately 1035 Hrs, I was working with Detective Horsman in an attempt to contact next of kin for the decedent. At approximately 1045 Hrs, I received a call from Detective Hanshew. He advised that a [redacted] had gone to Santa Rosa PD and identified herself as the sister of the decedent. She had talked to SRPD Detective Hector Deleon. Detective Horsman called Detective Deleon and talked to him. He said the following: At approximately 0930 Hrs this morning, [redacted] came to Santa Rosa PD and advised she was the sister of the decedent. She was contacted by one of the decedent's room mates and told about her brother's demise. Detective Deleon obtained a prior booking photo of the decedent and showed it to [redacted] She positively identified the photo as being her brother. Detective Deleon obtained a phone number for [redacted] and provided it to us. Detective Horsman called [redacted] and made arrangements for her to come to the Sonoma County Sheriff's Office for an interview.

SUPPLEMENT: By Detective B. Kidder #1740

On 8/7/2017, at approximately 1110 hours, I transported the decedent to the Napa County Coroner's Office in order to have full body x-rays conducted at the pathologist's and Detective J. Hanshew's request. The x-ray machine at the Sonoma County Coroner's Office was not functioning, so I requested an agency assist from Napa County.

I arrived at approximately 1210 hours and met with Napa County Detective Sgt. M. Foster and Coroner Detectives J. Dunnigan and S. Paris. I removed the decedent's body from the removal van and escorted him into the secured Napa County Morgue Facility. I then observed as the trio of Sgt. Foster and Detectives Dunnigan and Paris conducted full body x-rays.

At approximately 1250 hours, at the conclusion of the x-rays, I observed as Sgt. Foster downloaded the images onto a CD. He then provided the CD to me, which I secured in the removal van.

I then placed the decedent into the back of the removal van and I drove the decedent back to the Sonoma County Morgue Facility. I returned to the Sonoma County Morgue Facility at approximately 1410 hours, at which time I returned the decedent to refrigerated storage.

Detective T. Vellis uploaded the x-ray images into the "docs" tab in the Cohero record management system. I then booked the CD containing the x-rays into the evidence locker at the County Morgue Facility.

End of supplement.

-Nothing Further-

NARRATIVE (cont):

On 08/08/2017 at 0915 hours, a postmortem examination was conducted by Forensic Pathologist Dr. Kimi Verilhac.

DEATH INVESTIGATION REPORT

CORONER CASE #
17-0000830

[redacted] from Funeraria Bayview Mortuary. [redacted] took possession of the decedent 's body and removed the decedent from the CMF.

On 11/08/2017 at 2030 hours, I reviewed the final postmortem examination report submitted by Dr. Verilhac. In her report, Dr. Verilhac indicated the cause of death to be,"Multiple gunshot wounds."

I also reviewed the toxicology report submitted by NMS Labs, which showed the following substances present:

Amphetamine, Methamphetamine.

Please refer to Dr. Verilhac's final postmortem examination report and NMS Labs toxicology report for their complete findings.

Based on the information as it was presented to me and my review of the case file in its entirety, I amended the decedent's Death Certificate to reflect the cause of death indicated by Dr. Verilhac and I have mannered this death as a **"Homicide,"** which is consistent with the circumstances and cause.

CONCLUSION:

Cause of Death: Multiple gunshot wounds.

Manner of Death: Homicide. It is to be emphasized that the classification of Homicide for the purposes of death certification is a "neutral" term and neither indicates nor implies criminal intent, which remains a determination within the province of legal process.

Summary of Death: On 02/07/2018, I spoke with VCI Detective Jesse Hanshew who told me that based upon his investigation and review of the officers' body work cameras, the decedent was likely under the influence of drugs during the incident due to his erratic behavior, which was confirmed through toxicology results. The decedent was uncooperative with the responding officers, he refused to come out of the room he was in, the decedent also refused to drop the knife he was holding. A taser was used on the decedent a number of times and he was also pepper sprayed in an attempt to subdue him, but those attempts failed. The decedent lunged at the officers with a knife in his hand. The officers were forced to use deadly force and shoot him as they feared for their safety. The decedent subsequently died due to the gunshot wounds. See death investigation report by Detective Jesse Hanshew for further details of the incident.

AUTHORIZATION FOR RELEASE OF REMAINS

DECEDENT NAME: Pablo Garcia Tenbo CORONER CASE #: 17-000836

CONTROL OF REMAINS: Unless other directions have been given by the decedent, the right and duty to control the disposition of the remains of the decedent, the location and conditions of interment, and arrangements and payments for funeral goods and services, rests with the following persons in the order named:

1. An agent under a power of attorney for health care who has the right and duty of disposition under the Probate Code, Division 4.7 (commencing with § 4600).
2. The competent surviving spouse.
3. The sole surviving competent adult child of the decedent, or if there is more than one, a majority of the surviving competent adult children.
4. The surviving competent parent or parents of the decedent.
5. The sole surviving competent adult sibling of the decedent, or if there is more than one, the majority of the surviving competent adult siblings.
6. The surviving competent adult person or persons respectively in the next degree of kinship, in descending order, as they are the nearest in blood to the decedent.
7. The public administrator when the decedent has sufficient estate.

These and other relavant provisions are found in Health & Safety Code § 7100. If you would like a complete copy of this code section, please let Coroner's Unit staff know.

FAILURE TO INTER REMAINS: Pursuant to Health & Safety Code § 7100.1, if the person responsible for the interment of a decedent's remains does not do so within 30 days after the Coroner notifies or diligently attempts to notify such person, then the Coroner may inter the remains. The Coroner may recover any expenses of the interment from the responsible person.

NOTICE REGARDING RETENTION OF TISSUE/ORGAN/FLUIDS: If it is determined that a postmortem examination, toxicology or microbiology analysis is required to determine or confirm the cause and manner of death pursuant to Government Code § 27491, then tissues/organs/fluids from the body may be retained for analysis or evidentiary purposes pursuant to Government Code § 27491.4. Disposition of such remains shall occur according to the requirements of Health & Safety Code § 7054.4.

WARRANTIES OF PERSON(S) SIGNING AUTHORIZATION AND LIABILITY FOR COSTS: By signing this Authorization for Release of Remains, you are warranting the truthfulness of any fact set forth in this Authorization, the identity of the person whose remains are sought to be interred or cremated, and your authority to order interment or cremation (per Government Code § 7100). You are also liable for all costs and fees related to the transportation, storage, and release of the remains, as allowed by law (e.g., Government Code § 27472). Upon reading this provision, please provide your initials: _____

Please release the above-named Decedent's remains to the following service:

Incident/Investigation Report

Agency: Petaluma Police Department Case Number: 17-0003898

Narratives

On 8/5/17, I responded to Santa Rosa Police Department to assist in the investigation of an officer involved shooting. The Sonoma County Sheriff's Department was the primary agency in charge of the investigation.

I was assigned to respond to [redacted] in Santa Rosa to assist with CSI Tech Allisha Fix. Allisha was assigned to take all of the officer's duty equipment into evidence. My role was to observe the collection of evidence.

I responded with Allisha to collect Park McCallister's equipment. Also present was Sergeant Gilman with the Petaluma Police Department. Allisha asked me to render Park's service weapon safe. I removed the magazine and handed it to Allisha. I then removed one round which I found was in the chamber of the pistol. I then handed the pistol to Allisha to be collected as evidence. Allisha took the round I removed from the chamber and collected it as evidence. I observed Allisha take photographs and collect the gear and equipment in accordance with correct evidence preservation. Allisha retained all evidence collected and returned it to the Santa Rosa Police Department.

Detective Gerke with the Petaluma Police Department observed the collection of gear from Jeff Badger and Nick Vlahandreas. Refer to Detective Gerke's supplement.

I responded back to the Santa Rosa Police Department to meet with Allisha. Also present was Detective Gerke. I observed Allisha remove Jeff Badger's magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 17 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

Allisha removed Park McCallister's magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 17 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

Allisha removed Nick Vlahandreas' magazine which was in his service weapon. Allisha removed the rounds in the magazine. There were a total of 11 rounds in the magazine plus the round which was in the chamber. The rounds were placed back in the magazine and booked into evidence.

I was then assigned to observe Joshua Young with Santa Rosa I.T. download each of the officer's Taser's information into the server at the Santa Rosa Police Department. I observed Joshua download the following officer's Tasers, Nick Vlahandreas, Jeff Badger, Park McCallister, Sergeant Kyle Philip, Mark Fajardin, and Travis Dunn. Sergeant Gilman with the Petaluma Police Department observed Joshua download the Tasers for Officer's Amanda Cincera and Edward Buenrostro.

The duty equipment collected by Allisha Fix was booked into evidence at the Santa Rosa Police Department.

Case #17-3898
Sonoma County Wide Protocol Investigation:

On Saturday August 5th, 2017 at approximately 0830 hours, I was assigned as the on call detective for the Petaluma Police Department when Investigations Sergeant Paul Gilman called me. Sgt. Gilman advised the Petaluma Police Department received a request to from the Santa Rosa Police Department to assist in the investigation an officer involved shooting. Sgt. Gilman advised the Santa Rosa Police Department was invoking the Employee Involved Fatal Incident Protocol. The Sonoma County Sheriff's Department was assigned as the lead investigating agency and the Petaluma Police Department would be assisting them.

Briefing was to be held at the Santa Rosa Police Department, which is located at 965 Sonoma Ave, Santa Rosa.

At approximately 1000 hours, members of the Petaluma Police Department, including myself, responded to the Santa Rosa Police Department for the scheduled briefing. During the briefing the Petaluma Police Department was assigned to observe Crime Scene Investigator (CSI) Allisha Fix (Santa Rosa Police Department) in the collection of the involved officer's duty gear and weapons.

The officers involved in the incident were currently at [redacted] in Santa Rosa. Each officer had been assigned a [redacted] An additional Santa Rosa officer had been assigned to be with each involved officer while the investigation was being conducted. Myself, Sgt. Gilman, Detective Walter Spiller, and CSI Fix responded to the above [redacted]

Sgt. Gilman, CSI Fix, and myself responded to Officer Jeff Badger's [redacted] I observe CSI Fix collect and photograph the duty belt and other equipment, which Officer Badger was wearing at the time this incident occurred. CSI Fix collected the evidence / equipment in accordance with correct evidence preservation techniques. While collecting Officer Badger's equipment CSI Fix requested I render Officer Badger's service weapon safe. I placed protective gloves on and then removed Officer Badger's firearm from his duty belt. I removed the magazine from the firearm. The magazine was given to CSI Fix, who placed it into evidence. I then removed a live round from the chamber of the pistol. The above round was given to CSI Fix, who placed it into evidence.

PO BOX 1703 SAN LEANDRO, CA 94577 (877) 330-7727 WWW.REGIONAL-PATHOLOGY.COM

AUTOPSY PROTOCOL

Case No: 17-0830

Name: Pablo Garcia-Garcia

DOB: [redacted]

Age: 35 years | Height: 61-1/2 inches | Weight: 138-1/2 pounds

Sex: Male | Date of Autopsy: 08/08/2017 | Time of Autopsy: 0915 hours

Pathologist: Kimi Verilhac, M.D. | Client: Sonoma County Sheriff-Coroner

INVESTIGATIVE INFORMATION: According to investigative information, this 35-year-old male was involved in a confrontation with police officers from the Santa Rosa Police Department on 8/5/17. Officers had responded to his residence on reports of an agitated individual. He was found hiding under the bed in a bedroom, naked and holding a knife. He reportedly stood up and would not comply with officer's orders. Pepper spray and tasers were deployed with no apparent effect. He then advanced on the officers with the knife, and one of the officers shot his firearm. He collapsed in the bathroom across the hall from the bedroom. He was handcuffed, and paramedics were called to the scene. Death was pronounced at 0639 hours. The autopsy is ordered by the Sonoma County Sheriff-Coroner.

WITNESSES: Detectives J. Hanshew (VCI), J. Horsman (VCI), and T. Newton (CSI) from the Sonoma County Sheriff's Office and C. Fowler and D. Urton from the District Attorney's Office are present during the exam. I am assisted by R. Hayes.

PRELIMINARY EXAMINATION: The body is received in a plastic pouch on a preparatory table at the Sonoma County Sheriff-Coroner Office, sealed with blue seal number "28524". The body is identified by an appropriately labeled tag affixed to the right great toe, inscribed with the name "John Doe" and the case number. When first viewed at gross examination, the decedent is unclad and not accompanied by any personal effects. The decedent's hands are handcuffed behind his back, with the left arm behind the body and the hands located at the posterior right torso. Two conducted energy device darts and multiple gunshot wounds are noted on the body, described in detail in the injuries section below.

EVIDENCE OF MEDICAL THERAPY: Four EKG pads are on the shoulders and thighs.

EXTERNAL EXAMINATION: The body is that of a well-developed, well-nourished, medium pigmented, adult male whose appearance is consistent with the reported age of 35 years. There is a moderate amount of bloody fluid covering the body surfaces.

The head is atraumatic, symmetric, and normocephalic. The nose and facial bones are intact by palpation. The scalp is covered with straight black hair measuring up to 1/2 inch on the top of the head. There is a patch of black facial hair on the chin, measuring up to 1/4 inch in length. The remaining beard areas are clean shaven. The pupils are equally dilated at 5 millimeters. The irides are brown, the corneas are dull, and the sclera are white. There are two, single, red petechial hemorrhages, one on the lower right and one on the upper left palpebral conjunctiva; the remaining conjunctivae are clear. The nose is normally formed, and the nares are unobstructed. There are abundant fly eggs within the nares. The lips are normally formed. The mouth has native dentition in fair to good repair and an atraumatic mucosa. The external ears are normally formed and without drainage.

The neck is symmetric and unremarkable. The chest is normally formed and symmetric. The abdomen is soft and flat, without palpable masses. The back is straight and symmetric. The atraumatic external genitalia are those of a normally developed, adult male. The penis is uncircumcised. The testes are palpable within the intact scrotum. The anus is patent and unremarkable.

The upper extremities are normally formed and symmetric. There are no needle punctures, track marks, or ventral wrist scars. The fingernails are trimmed to the tips of the fingers, moderately soiled with bloody debris, and mildly clubbed. There is no soot or stippling on the hands. The white metal handcuffs measure 3-1/2 x 3-1/4 inches on the right, with a circumference of 8-1/4 inches around the right wrist, and 3-1/4 x 3-1/4 inches on the left, with a circumference of 8 inches around the left wrist. The handcuffs are removed and handed over to the CSI detective as evidence. There are dented impressions remaining on the bilateral wrists as follows. There is a 1 x 5/16 inch double linear impression on the lateral right wrist and a 1-1/2 x 1/4 inch linear impression on the medial right wrist with two parallel, curvilinear, yellow discolorations of the skin along each edge of the impression. There is a circumferential, curvilinear impression around the left wrist, measuring 7-1/4 inches in circumference and 1/2 inch in diameter, and there is a small amount of yellow discoloration of the skin on the ventral surface of the wrist along the impression. The skin is incised in these areas, and there is no hemorrhage into the underlying soft tissues of either wrist.

The lower extremities are normally formed and symmetric, without edema or amputations. The toenails are clean, trim, and short. The right 1st and 5th and left 5th toenails are thickened.

IDENTIFYING MARKS AND SCARS:

Scars:

1. There are three, irregular, skin-colored to hypopigmented, well-healed scars on the midline back, measuring 1/8 x 1/8 inch, 1/4 x 3/16 inch, and 3/8 x 3/16 inch each, from proximal to distal.
2. There is a 1/2 x 5/16 inch, irregular, skin-colored to hypopigmented, well-healed scar on the superior/posterior right shoulder.
3. There is a 3/8 inch, linear, hypopigmented, well-healed scar on the dorsal right elbow.

4. There is a 1-1/2 x 1/8 inch, curvilinear, hypopigmented, well-healed scar on the ventral upper left arm.
5. There is a 3/4 x 1/8 inch, linear, skin-colored to hypopigmented, well-healed scar on the lateral left hand at the base of the thumb.
6. There is a 5/16 x 3/16 inch, round to irregular, skin-colored to hypopigmented, well-healed scar on the anteromedial right thigh.
7. There is a 1-1/2 inch, linear, hypopigmented, well-healed scar on the anterior right thigh, just proximal to the knee.
8. There is a 7/8 x 1/4 inch, linear to irregular, hypopigmented, well-healed scar on the medial right knee.
9. There is a 1/2 x 3/8 inch, irregular, hypopigmented, well-healed scar on the anterior right knee.
10. There is a 1/2 x 1/4 inch, irregular, hypopigmented, well-healed scar on the anteromedial left thigh.
11. There is a 1/2 x 3/16 inch, irregular, hypopigmented, well-healed scar on the medial left knee.
12. There is a 1 x 1/8 inch, linear, skin-colored to hypopigmented, well-healed scar on the medial left ankle.
13. There is a 1/2 x 1/4 inch, irregular, skin-colored to hypopigmented, well-healed scar on the medial left ankle.

Tattoos: None identified.

EVIDENCE OF POSTMORTEM CHANGES: The body is well preserved, cold (having been refrigerated), and has not been embalmed. Rigor mortis is full and beginning to recede in the jaw and extremities. Livor mortis is pink-purple, fixed, and in a posterior distribution.

EVIDENCE OF INJURY:

CONDUCTED ENERGY DEVICE (CED) INJURIES: *There are three CED injuries on the torso, described by body region and labeled "1" to "3" for descriptive purposes only; no sequence is implied. Directions are stated with reference to standard anatomic planes with the body measured while in the horizontal position.*

1. There is a 3/16 inch, round, pink contusion on the upper left chest near the medial end of the left clavicle. It is centered at 11-3/4 inches from the top of the head and 13/16 inches left of midline. There is a semicircular, red abrasion along the edge of the contusion, from the 11:00 to 6:00 positions. There is a 1/16 inch, linear, black abrasion/puncture in the center of the contusion.
2. There is a CED dart attached to the abdomen, at the right edge of the umbilicus. The dart is centered at 26 inches from the top of the head and 3/8 inches right of midline. The CED dart is a white metal cylinder measuring 15/16 inches long x 3/16 inch in diameter, with a needle-like, 1/2 inch long x < 1/16 inch diameter "fishhook" barb at one end, embedded in the skin of the umbilicus. The dart is removed, and a <1/16 inch puncture wound is noted in the skin where the dart was attached. There is a small amount of hemorrhage in the underlying adipose tissue.
3. There is a CED dart attached to the posterior left shoulder. The dart is centered at 9-3/4 inches from the top of the head and 5-1/2 inches left of midline. The CED dart is similar to the previously described dart: a white metal cylinder measuring 15/16 inches long x 3/16 inch in diameter, with a needle-like, 1/2 inch long x < 1/16 inch diameter "fishhook" barb at one end,

embedded in the skin of the back. The opposing end has 7 inch long, slightly coiled copper-colored wire extending from it. The dart is removed, and a 5/16 x 3/16 inch, ovoid, red abrasion with a <1/16 inch puncture wound is noted in the skin where the dart was attached.

For triangulation purposes, CED injury "1" is located at 7-1/8 inches from CED dart "3". CED injury "1" is located at 14 inches from CED dart "2". CED dart "2" is located at 17 inches from CED dart "3". The two CED darts are photographed and handed over to the CSI detective as evidence.

GUNSHOT WOUNDS: *There are three penetrating gunshot wounds of the torso and one graze wound of the left upper extremity. They are described by body region and labeled "1" to "4" for descriptive purposes only; no sequence is implied. Directions are stated with reference to standard anatomic planes with the body measured while in the horizontal position.*

1. PENETRATING GUNSHOT WOUND OF LEFT CHEST:
    a. ENTRANCE: A gunshot entrance wound is located on the lateral left chest, inferior to the axilla. The entrance wound is centered 14-1/4 inches from the top of the head and 7-1/4 inches left of midline. It is a 3/8 inch round defect. There is a 1/8 inch wide, pink abrasion rim deeper within the wound, extending from the 1:00 to 6:00 positions. There is no soot or stippling on the adjacent skin. There is a purple ecchymosis posterior to the gunshot wound, described in detail under gunshot wound "2" below.
    b. PATH: The bullet perforates the skin, the underlying soft tissue, the lateral left 6th rib (with one comminuted fracture of the 6th rib, and two linear fractures of the adjacent 7th rib), the left upper lobe of lung, the left side of the pericardial sac, the heart (through the lateral left ventricle, the aortic valve, and the right atrium), the right side of the pericardial sac, the right middle lobe of lung (with a 2 x 1-1/2 inch area of purple hemorrhage within the right middle and upper lobes of lung), the anterior right 4th rib, and becomes lodged in the musculature of the anterior right chest. The left pleural cavity contains 425 mL of liquid blood. The pericardial sac contains 15 mL of liquid blood. The right pleural cavity contains 950 mL of liquid blood.
    c. PROJECTILE/SITE OF LODGMENT: A grey metal bullet with an orange metal jacket is recovered from the anterior right chest (centered approximately at 17-1/4 inches from the top of the head and 4 inches right of midline). The tip is mushroomed with 6 petals folded back toward the base. The intact base measures 5/16 to 3/8 inch (9 mm) in diameter. The bullet measures 5/8 x 5/8 x 3/8 inches overall. The projectile is photographed and handed over to the CSI detective as evidence.
    d. DIRECTION: The direction of the wound path is rightward, frontward, and slightly downward.
2. PENETRATING GUNSHOT WOUND OF LEFT CHEST:
    a. ENTRANCE: A gunshot entrance wound is located on the lateral left chest, just inferior to the gunshot wound "1". The entrance wound is centered 15-1/8 inches from the top of the head and 7 inches left of midline. It is a 7/16 x 3/8 inch ovoid defect. There is a 1/8 inch wide, pink abrasion rim deeper within the wound, extending from the 10:00 to 2:00 positions. There is no soot or stippling on the adjacent skin. There is a 2 x 1-1/4 inch, irregular, purple ecchymosis on the posterolateral left chest/back, centered at 1-5/8 inches posterior to gunshot wounds "1" and "2".
    b. PATH: The bullet perforates the skin, the underlying soft tissue, the posterolateral left 8th

rib, the left lower lobe of lung (three defects with 4 x 4 inch area of purple hemorrhage within the left lower lobe and inferior left upper lobe), the posterior left 11th rib (with a slight graze of the adjacent posterior 10th rib and fracture of the adjacent posterior 12th rib), and becomes lodged in the musculature of the back. The left pleural cavity contains 425 mL of liquid blood.

c. PROJECTILE/SITE OF LODGMENT: A grey metal bullet with an orange metal jacket is recovered from the back (centered approximately at 19 inches from the top of the head and 3/4 inches left of midline). The tip is mushroomed with 6 petals folded back toward the base. The intact base measures 5/16 to 3/8 inch (9 mm) in diameter. The bullet measures 5/8 x 9/16 x 7/16 inches overall. The projectile is photographed and handed over to the CSI detective as evidence.

d. DIRECTION: The direction of the wound path is rightward, downward, and backward.

3. PENETRATING GUNSHOT WOUND OF LEFT HIP:
   a. ENTRANCE: A gunshot entrance wound is located on the posterolateral left hip. The entrance wound is centered 27-1/4 inches from the top of the head and 5-3/4 inches left of midline. It is a 5/16 inch round defect. It is surrounded by a circumferential, red-pink abrasion rim that measures less than 1/16 inch thick. There is no soot or stippling on the adjacent skin.
   b. PATH: The bullet perforates the skin, the underlying soft tissue, the pelvic bone (through the posterior left ilium), and becomes lodged in the sacrum.
   c. PROJECTILE/SITE OF LODGMENT: A grey metal bullet with an orange metal jacket is recovered from the sacrum (centered approximately at 29 inches from the top of the head and 1 inch right of midline). The tip is mushroomed with 6 petals folded back toward the base. The intact base measures 5/16 to 3/8 inch (9 mm) in diameter. The bullet measures 9/16 x 9/16 x 3/8 inches overall. A 1/8 x 1/8 x 1/16 inch irregular fragment of grey metal is immediately adjacent to the intact bullet. The projectiles are photographed and handed over to the CSI detective as evidence.
   d. DIRECTION: The direction of the wound path is rightward, downward, and slightly backward.
4. GRAZING GUNSHOT WOUND OF LEFT ARM: There is a 1-1/2 x 3/16 inch gunshot graze wound on the dorsal upper left arm, centered at 17 inches from the top of the head and 8-3/4 inches left of midline. The graze wound is a linear, red abrasion that extends less than 1/16 inch into the superficial epidermis. There are small, faint, skin tags along the edges of the wound, with the tips pointing frontward and downward. In anatomic position, the direction of the wound is upward, rightward, and backward. The graze wound appears continuous with gunshot wound "1" above when the arm is slightly internally rotated.

BLUNT FORCE INJURIES: There is a 3/8 x <1/16 inch, linear, red abrasion on the lateral right hip. There is a 1 x <1/16 inch, linear, red abrasion on the lateral left hip. There is a 3/8 x 3/16 inch, irregular, red abrasion on the dorsolateral right elbow. There is a 1 x 5/8 inch, irregular, pink contusion on the anterior lower right leg. There is a 2-1/4 x 2 inch, irregular, pink contusion on the anterior lower right leg. There is a 3/8 x 1/16 inch, linear, red abrasion on the anterior lower right leg. There is a 3/8 x 3/8 inch, irregular, red abrasion on the dorsum of the right foot. There is a 1/4 x 1/16 inch, linear, red abrasion on the medial left knee. There is a 1-1/4 x 3/4 inch, irregular, pink contusion on the anterior left knee/lower left leg. There is a 1/16 x 1/16 inch, irregular, red abrasion on the anteromedial left ankle.

INTERNAL EXAMINATION: The subcutaneous fat is approximately 2 centimeters in its maximum thickness at the mid-abdomen. The right pleural cavity contains 950 mL of liquid blood. The left pleural cavity contains 425 mL of liquid blood. The pericardial sac contains 15 mL of liquid blood. The peritoneal cavity has no abnormal fluid or hemorrhage. There is a single fine fibrous adhesion from the left lung to the lateral thoracic wall. The serosal surfaces are otherwise smooth and glistening, where uninvolved by injury. The thoracoabdominal organs are in their usual positions. The diaphragm is intact.

CARDIOVASCULAR SYSTEM: The 270 gram heart has a normal overall shape and a smooth, glistening epicardium. The coronary arteries arise from the aorta in a normal fashion and follow their usual anatomic pathways with right dominance. The coronary ostia are patent and are partially disrupted by gunshot wound "1". The coronary arteries are patent and have no atherosclerosis. There is no occlusive thrombus of the epicardial vessels. The myocardium is red-brown, firm, and uniform, where uninvolved by injury. There is no focal fibrosis, softening, or hyperemia. The right ventricle, left ventricle, and interventricular septum measure 0.3 cm, 1.2 cm, and 1.2 cm respectively. The atrial and ventricular septa are free of defects. The cardiac chambers are normally dilated. The endocardium is smooth and glistening, without thickening or fibrosis. The aortic valve is markedly disrupted by injury. The remaining valve cusps and leaflets are of normal number, pliable, intact, and free of vegetations. The aorta and its major branches have normal pathways and are unremarkable, without atherosclerosis. There are no vascular anomalies or aneurysms. The venae cavae and major veins are all patent, intact, and unremarkable, with smooth, yellow-tan intimae.

RESPIRATORY SYSTEM: The right and left lungs weigh 240 grams and 250 grams, respectively, and have the usual lobation. The pleural surfaces are smooth and glistening, with the previously described gunshot wounds and associated hemorrhage. The lungs have minimal to small anthracotic pigment. The parenchyma is light pink where uninvolved by injury and exudes no fluid. There is a 0.5 cm, firm, white, well-circumscribed, calcified nodule in the right middle lobe. The lungs have no consolidation, infarct, gross fibrosis, or enlargement of airspaces. The tracheobronchial tree is patent with pink-tan, unremarkable mucosa and contains a moderate amount of bloody fluid. The pulmonary vessels are patent and have a yellow-tan, smooth intima without thromboemboli.

HEPATOBILIARY SYSTEM: The 1000 gram liver has a smooth, intact capsule. The hepatic parenchyma is red-brown and uniform without yellow discoloration, palpable fibrosis, hemorrhage, or mass lesion. The gallbladder is intact and contains approximately 10 milliliters of dark green, viscid bile without calculi. The gallbladder wall is thin and uniform, with a velvety, green mucosa.

HEMATOPOIETIC SYSTEM: The 30 gram spleen has an intact, smooth, grey, translucent capsule. The splenic pulp is moderately firm, purple-red, and unremarkable, with conspicuous corpuscles. The thymus has been replaced by adipose tissue. The thoracoabdominal and cervical lymph nodes are not enlarged.

ENDOCRINE SYSTEM: The pituitary gland is unremarkable. The thyroid gland is symmetric and

unremarkable, with a firm, pale red-brown parenchyma without masses or cysts. The adrenal glands have the usual golden cortical ribbon and unremarkable medullae. The pancreas has an unremarkable, lobulated, tan parenchyma, without hemorrhage, fibrosis, mass lesion, or chalky discoloration.

GASTROINTESTINAL SYSTEM: The esophagus has a smooth, grey-white mucosa. The gastroesophageal junction is unremarkable. The stomach has an intact, smooth, tan serosa and an unremarkable, tan mucosa. The gastric contents consist of approximately 50 milliliters of tan-yellow, turbid fluid without identifiable food material. The stomach does not contain identifiable tablets, capsules, or pill fragments. The duodenum has a smooth, bile-stained mucosa without ulcers. The small and large intestines and appendix are unremarkable to inspection and palpation. The rectum has a smooth, tan mucosa.

GENITOURINARY SYSTEM: The right and left kidneys weigh 90 grams and 110 grams, respectively. The renal capsules are intact and strip with ease from the underlying cortices. The kidneys have smooth cortical surfaces without persistent fetal lobulations. The renal parenchyma is firm, pale red-brown, and has the usual corticomedullary structure without masses or cysts. The pelvicalyceal systems are unremarkable, without dilation or obstruction. The ureters are normal in course and caliber to the urinary bladder. The bladder contains approximately 300 milliliters of clear, yellow urine. The mucosa is intact without erythema, mass lesion, or bladder wall thickening.

The prostate gland is grossly unremarkable and not enlarged. The right and left testes are normally situated in the scrotum and have a soft, tan, homogeneous parenchyma without hemorrhage, cyst, or mass lesion.

MUSCULOSKELETAL SYSTEM: The musculoskeletal system is well developed and free of deformity. The skeletal muscle is red-brown and firm. The skeleton is normally developed and has the previously described fractures. The lower lumbar spine is mildly kyphotic. The ribs are not brittle.

NECK: The neck is dissected in a layer-by-layer method after the thoracoabdominal contents are removed. The tongue, strap muscles, and other anterior neck soft tissues have no hemorrhage. The hyoid bone is intact without fracture or periosseous soft tissue hemorrhage, and the greater horns are fused to the superior horns of the thyroid cartilage. The cartilaginous structures of the larynx and trachea are normally formed and without fracture. The airway is unobstructed, lined by smooth, pink-tan mucosa, and contains a small amount of bloody material. There are no prevertebral fascial hemorrhages or underlying cervical vertebral fractures.

HEAD AND CENTRAL NERVOUS SYSTEM: The reflected scalp is free of trauma. The calvarium and base of skull are normally configured and have no fractures. The dura mater is intact and unremarkable. There is no epidural or subdural hemorrhage. The 1430 gram brain has symmetric cerebral and cerebellar hemispheres covered by thin, transparent leptomeninges, without subarachnoid hemorrhage, exudate, or cortical contusions. The hemispheres have a normal gyral pattern without flattening of the gyri, narrowing of the sulci, midline shift, or evidence of herniation. The arteries at the

base of the brain are free of atherosclerosis and aneurysms. Sections through the cerebral hemispheres reveal a uniform cortical ribbon overlying unremarkable white matter. The white and grey matter, deep nuclei, and ventricles are symmetric and unremarkable. The ventricles are normal in caliber and contain congested choroid plexus. The cerebellum and brainstem are free of abnormalities. The substantia nigra is normally pigmented. There are no focal hemorrhages, masses, infarcts, or other lesions. The proximal cervical spinal cord is firm, symmetric, and grossly unremarkable.

SPECIMENS RETAINED:

RETAINED TISSUE: Representative sections of organs and tissue are retained. Sections of skin (1), adipose tissue (1), liver (1), kidney (1), heart (2), lungs (5), epiglottis (1), and trachea (1) are submitted for histology.

MICROSCOPIC SECTIONS:
1. Skin and adipose tissue from umbilicus CED site.
2. Liver and right kidney.
3. Right lung.
4. Left lung.
5. Heart, trachea, distal epiglottis.

TOXICOLOGY: Samples of central and peripheral blood, vitreous humor, and urine are retained for toxicology. Toxicological testing performed on postmortem femoral blood detected methamphetamine (280 ng/mL), amphetamine (39 ng/mL), and caffeine. No alcohols, other drugs of abuse, or common medications were detected (expanded panel); please see toxicology report.

PHOTOGRAPHS: Full body overall photographs and photographs of the hands, injuries, CED darts, and bullets are taken.

RADIOGRAPHS: Full body postmortem X-rays show three radiopaque fragments consistent with bullets in the mid left chest, the right chest, and the pelvis. Radiopaque medical paraphernalia, a pair of handcuffs, and two CED darts are also identified. Possible rib and pelvic fractures are seen, without other evidence of acute or subacute bony injury.

EVIDENCE: The EKG pads, the handcuffs, the CED darts, and the bullets and bullet fragment are handed over to the CSI detective as evidence.

MICROSCOPIC EXAMINATION:

HEART: Sections of the heart demonstrate myocardium with mild, focal cardiomyocyte hypertrophy predominantly along the endocardial side of the left ventricle. There is no necrosis, fibrosis, or inflammation. The epicardium, endocardium, and cardiac vasculature are unremarkable.

LUNGS: Sections of the lungs demonstrate open and atelectatic airspaces focally containing intact,

extravasated, red blood cells. The alveolar septa are fine and delicate. The airways are unremarkable with sloughing epithelial cells and focally contain intact red blood cells admixed with a small amount of mucous. The vasculature is congested but unremarkable. There is mild to moderate anthracosis in a bronchovascular distribution. Few, minute fragments of polarizable foreign material are seen in association with anthracosis. Clusters of bacterial organisms without an associated inflammatory response are noted.

LIVER: One section of the liver demonstrates intact lobular architecture with minimal steatosis. Portal areas are free of fibrosis and inflammation. Bile ducts, sinusoids, and central veins are unremarkable.

KIDNEY: One section of the kidney shows no glomerulosclerosis. Intact glomeruli are normocellular without mesangial expansion. There is no tubular atrophy, interstitial fibrosis, or inflammation. Arteries and arterioles are unremarkable.

TRACHEA: One section of the trachea shows sloughing respiratory epithelium, with a small amount of mucous, intact red blood cells, bacterial organisms, and sloughed cells along the luminal edge. There is mild edema and a minimal amount of chronic inflammation in the underlying submucosa, without significant neutrophilic or eosinophilic inflammation. The underlying submucosal glands, cartilage, and soft tissue are unremarkable.

EPIGLOTTIS: One section of the epiglottis shows ciliated pseudostratified respiratory epithelium without inflammation. There is mild chronic inflammation in the submucosa, with one dense lymphoid aggregate. There is no significant neutrophilic or eosinophilic inflammation. The underlying submucosal glands, cartilage, and soft tissue are unremarkable.

SKIN: One section of skin from the umbilical CED site shows focal disruption of the epithelium, with very focal, mild streaming of the adjacent squamous nuclei. There is disruption of the underlying dermis, with deposition of minute, black, foreign material and adjacent bacterial growth without an associated inflammatory response. The underlying adipose tissue shows focal, minimal acute hemorrhage, with intact extravasated red blood cells within fat lobules and connective tissue.

ADIPOSE TISSUE: One section of adipose tissue from the umbilical CED site shows a small amount of acute hemorrhage within and around fat lobules. The adipose tissue is otherwise unremarkable.

AUTOPSY FINDINGS:

1. Multiple gunshot wounds.
    a. Penetrating gunshot wound of left chest ("1").
        i. Entrance: lateral left chest.
        ii. Path: perforations of left 6th rib, left lung, heart, right lung, and right 4th rib, with 1375 mL combined hemothorax.
        iii. Bullet: mushroomed, grey metal, jacketed bullet recovered from soft tissue of anterior right chest.
        iv. Direction: rightward, frontward, and slightly downward.
    b. Penetrating gunshot wound of left chest ("2").
        i. Entrance: lateral left chest.
        ii. Path: perforations of left 8th rib, left lung, and left 11th rib, with 425 mL of left

hemothorax.

iii. Bullet: mushroomed, grey metal, jacketed bullet recovered from soft tissue of back.

iv. Direction: rightward, downward, and backward.

c. Penetrating gunshot wound of left hip ("3").

i. Entrance: posterolateral left hip.

ii. Path: perforations of soft tissue, left ilium, and sacrum.

iii. Bullet: mushroomed, grey metal, jacketed bullet and bullet fragment recovered from sacrum.

iv. Direction: rightward, downward, and slightly backward.

d. Grazing gunshot wound of left arm ("4").

i. Likely in continuity with gunshot wound ("1").

2. Conducted energy device (CED) injuries.
   a. Two CED darts recovered from umbilicus and posterior left shoulder.
   b. Contusion and abrasion consistent with CED dart injury on anterior chest.
3. Reported oleoresin capsicum (pepper spray) exposure.
4. Minor cutaneous abrasions and contusions.
5. No significant natural disease.
6. Toxicology testing detected methamphetamine, amphetamine, and caffeine.

Other than the above findings, examination of the specimen(s) submitted did not reveal any positive findings of toxicological significance by procedures outlined in the accompanying Analysis Summary.

Reference Comments:

1. Amphetamine (Benzphetamine Metabolite) - Femoral Blood:

   Amphetamine (Adderall, Dexedrine) is a Schedule II phenethylamine CNS-stimulant. It is used therapeutically in the treatment of narcolepsy and obesity and also in the treatment of hyperactivity in children. Amphetamine has a high potential for abuse. When used in therapy, initial doses should be small and increased gradually. In the treatment of narcolepsy, amphetamine is administered in daily divided doses of 5 to 60 mg. For obesity and children with attention deficits, usual dosage is 5 or 10 mg daily.

   Following a single oral dose of 10 mg amphetamine sulfate, a reported peak blood concentration of 40 ng/mL was reached at 2 hr. Following a single 30 mg dose to adults, an average peak plasma level of 100 ng/mL was reported at 2.5 hr. A steady-state blood level of 2000 - 3000 ng/mL was reported in an addict who consumed approximately 1000 mg daily.

   Overdose with amphetamine can produce restlessness, hyperthermia, convulsions, hallucinations, respiratory and/or cardiac failure. Reported blood concentrations in amphetamine-related fatalities ranged from 500 - 41000 ng/mL (mean, 9000 ng/mL). Amphetamine is also a metabolite of methamphetamine, benzphetamine and selegiline.

2. Caffeine (No-Doz) - Femoral Blood:

   Caffeine is a xanthine-derived central nervous system stimulant. It also produces diuresis and cardiac and respiratory stimulation. It can be readily found in such items as coffee, tea, soft drinks and chocolate. As a reference, a typical cup of coffee or tea contains between 40 to 100 mg caffeine.

   The reported qualitative result for this substance was based upon a single analysis only. If confirmation testing is required please contact the laboratory.

3. Methamphetamine (Benzphetamine Metabolite) - Femoral Blood:

   d-methamphetamine is a DEA schedule II stimulant drug capable of causing hallucinations, aggressive behavior and irrational reactions. Chemically, there are two forms (isomers) of methamphetamine: l- and d-methamphetamine. The l-isomer is used in non-prescription inhalers as a decongestant and has weak CNS-stimulatory activity. The d-isomer has been used therapeutically as an anorexigenic agent in the treatment of obesity and has potent CNS-, cardiac- and circulatory-stimulatory activity. Amphetamine and norephedrine (phenylpropanolamine) are metabolites of methamphetamine. d-methamphetamine is an abused substance because of its stimulatory effects and is also addictive.

   A peak blood concentration of methamphetamine of 20 ng/mL was reported at 2.5 hr after an oral dosage of 12.5 mg. Blood levels of 200 - 600 ng/mL have been reported in methamphetamine abusers who exhibited violent and irrational behavior. High doses of methamphetamine can also elicit restlessness, confusion, hallucinations, circulatory collapse and convulsions.

   *In this case, the level of methamphetamine determined has not been differentiated according to its isomeric forms. Differentiation of the isomers of methamphetamine is available upon request.

Unless alternate arrangements are made by you, the remainder of the submitted specimens will be discarded two (2) years from the date of this report; and generated data will be discarded five (5) years from the date the analyses were performed.

Analysis Summary and Reporting Limits:

All of the following tests were performed for this case. For each test, the compounds listed were included in the scope. The Reporting Limit listed for each compound represents the lowest concentration of the compound that will be reported as being positive. If the compound is listed as None Detected, it is not present above the Reporting Limit. Please refer to the Positive Findings section of the report for those compounds that were identified as being present.

Acode 52198B - Cannabinoids Confirmation, Blood (Forensic) - Femoral Blood

-Analysis by High Performance Liquid Chromatography/ TandemMass Spectrometry (LC-MS/MS) for:

Compound	Rpt. Limit	Compound	Rpt. Limit
11-Hydroxy Delta-9 THC	1.0 ng/mL	Delta-9 THC	0.50 ng/mL
Delta-9 Carboxy THC	5.0 ng/mL		

Acode 52485B - Amphetamines Confirmation, Blood (Forensic) - Femoral Blood

-Analysis by High Performance Liquid Chromatography/ TandemMass Spectrometry (LC-MS/MS) for:

Compound	Rpt. Limit	Compound	Rpt. Limit
Amphetamine	5.0 ng/mL	Norpseudoephedrine	5.0 ng/mL
Ephedrine	5.0 ng/mL	Phentermine	10 ng/mL
MDA	5.0 ng/mL	Phenylpropanolamine	5.0 ng/mL
MDEA	10 ng/mL	Pseudoephedrine	5.0 ng/mL
Methamphetamine	5.0 ng/mL		

Acode 8052B - Postmortem, Expanded, Blood (Forensic) - Femoral Blood

-Analysis by Enzyme-Linked Immunosorbent Assay (ELISA) for:

Compound	Rpt. Limit	Compound	Rpt. Limit
Barbiturates	0.040 mcg/mL	Salicylates	120 mcg/mL
Cannabinoids	10 ng/mL		

-Analysis by Headspace Gas Chromatography (GC) for:

Compound	Rpt. Limit	Compound	Rpt. Limit
Acetone	5.0 mg/dL	Isopropanol	5.0 mg/dL
Ethanol	10 mg/dL	Methanol	5.0 mg/dL

-Analysis by High Performance Liquid Chromatography/Time ofFlight-Mass Spectrometry (LC/TOF-MS) for: The following is a general list of compound classes included in this screen. The detection of any specific analyte is concentration-dependent. Note, not all known analytes in each specified compound class are included. Some specific analytes outside these classes are also included. For a detailed list of all analytes and reporting limits, please contact NMS Labs.
Amphetamines, Anticonvulsants, Antidepressants, Antihistamines, Antipsychotic Agents, Benzodiazepines, CNS Stimulants, Cocaine and Metabolites, Hallucinogens, Hypnosedatives, Hypoglycemics, Muscle Relaxants, Non-Steroidal Anti-Inflammatory Agents, Opiates and Opioids.

YOU ARE THEREFORE COMMANDED TO SEARCH:

THE PREMISES located at and described as: **Santa Rosa Police Department**, located at 965 Sonoma Avenue, Santa Rosa, CA 95404 in the County of Sonoma.

FOR THE FOLLOWING PROPERTY:

All **footage from Body Worn Cameras** (BWCs) worn by Santa Rosa Police Department Officers created during the investigation of SRPD incident number SR172170080, case #17-10261, occurring on 08/05/17 between approximately 0558 hours and 0729 hours. These cameras are believed to have been worn at the time of this incident by Officers Vlahandreas, Badger, McCallister, Fajardin, Dunn, Schindler, Cincera, Albini, Buenrostro, Turner and Sergeants Philp and Mahurin and any other officers who responded to this incident.

IT IS FURTHER ORDERED that this entire Search Warrant and Statement of Probable Cause / Affidavit be sealed because disclosure could irremediably harm the ongoing criminal investigation. In accordance with California Rules of Court Rule 2.550(d), this court finds that:

There exists an overriding interest that overcomes the right of public access to the record;
The overriding interest supports the sealed record;
A substantial probability exists that the overriding interest will be prejudiced if the record is not sealed;
The proposed sealing order is narrowly tailored;
No less restrictive means exists to achieve the overriding interest.

AND TO SEIZE and examine such person(s) and/or property, and/or things or any part thereof, and to retain such property and/or things in your custody subject to order of a competent court pursuant to Penal Code § 1536. This Search Warrant and incorporated Affidavit and having been sworn to and subscribed before me, given under my hand and dated this

5th Day of August, 2017, at 3:00 AM/PM.

Wherefore, I find probable cause for the issuance of this Search Warrant and do issue it.

STATEMENT OF PROBABLE CAUSE

My name is T. Douglas. I am currently employed as a police officer for the City of Rohnert Park, in the County of Sonoma, California. I have been so employed since February of 2007. I have been assigned to the Investigations Bureau as a Detective since March of 2013. I possess a Master of Arts degree in Criminal Justice and an Advanced POST Certificate. I also possess a Graduate Certificate in Forensic Criminology, a Bachelor of Arts degree in Anthropology and a Bachelor of Science degree in Vocational Arts.

I have successfully completed the following related courses:

1) 996 hour- Basic Law Enforcement Academy
2) 40 hour- Interview and Interrogation Course
3) 32 hour- Crisis Intervention Academy
4) 16 hour- Computer Crimes & Identity Theft
5) 60 hour- Crime Scene Investigation
6) 80 hour- POST Institute of Criminal Investigation Core
7) 80 hour- POST Institute of Criminal Investigation Homicide
8) 80 hour- POST Institute of Criminal Investigation Sexual Assault
9) 40 hour- POST Institute of Criminal Investigation Financial Crimes
10) 40 hour- POST ICI Officer Involved Shooting Investigations

As a Detective for the Department of Public Safety, I investigate any and all crimes. During the course of my employment I have participated in hundreds of arrests for various crimes. I say that the facts in support of the issuance of the search warrant are as follows:

On 08/05/17 at approximately 0900 hours, I was contacted at home by Sgt Justice and asked to respond to SRPD to assist with an Officer Involved Shooting (OIS) investigation. I went to the SRPD and received a briefing on what was currently known about the incident. I learned the following after attending the SRPD briefing and reviewing the event chronology for event number SR172170080: On 08/05/17, the Santa Rosa Police Department received a report of a disturbance in a residence at [redacted]Ln. in Santa Rosa. The residents requested the Police respond for one of the roommates who was inside the residence "acting crazy". The reporting party also said that another roommate told them that the person causing the disturbance had a knife. The caller said they could no longer hear the disturbance, and then a second person called and could be heard crying.

At that time Santa Rosa Police Officers began arriving at the residence. They found several of the occupants outside the residence, and were told the male roommate who was causing the disturbance was still inside and he had a knife. One of the subjects contacted had a small laceration, and Paramedics were requested to respond to the scene. Santa Rosa Police Officers Vlanhandreas (ID #529), Badger (ID #514), and McAllister (ID #530) made entry into the residence to attempt to locate the subject and check on any occupants.

Upon an initial search of the residence they were unable to locate anyone. Upon a second search, the male with the knife was found hiding under a mattress holding the knife. The officers attempted the get the male to drop the knife and deployed a Taser two times in an attempt to get him to drop it, and to subdue him. The Taser did not have the desired effect on the male, so the officers attempted to use pepper spray as well but it also was ineffective. At some point the male was able to make it to his feet while still holding the knife. The male moved towards the officers with the knife raised and Officer Vlahandreas deployed his firearm in an attempt to stop the male. The male then retreated into a bathroom off of a hallway.

The officers retreated and requested a shield be brought to the residence as protection so they could check the condition of the male in the bathroom after getting no response. Other officers arrived during the incident and a shield was brought to the scene. Officers went to the bathroom using the shield as protection and located the male deceased in the bathroom.

During the incident, the following additional Santa Rosa Police personnel responded to the scene.

Sgt. Philp (ID #385)
Sgt. Mahurin (ID #416)
Officer Dunn (ID #403)
Officer Cincera (ID #404)
Officer Albini (ID #418)
Officer Fajardin (ID #429)
Officer Buenrostro (ID #526)
Officer Turner (ID #527)
Officer Schindler (ID #518)

Santa Rosa Police Officers and Sergeants are equipped with Body Worn Cameras, and the cameras assigned to the above personnel may have been activated and recording during this incident. The above listed incident is document under Santa Rosa Police Department Incident Number SR172170080 and Case #17-10261.

Based on this investigation, my training and experience, and conversations I have had with other detectives and officers, I believe that the footage from the Body Worn Cameras of the involved officers from this incident will provide evidence of the reported disturbance as it occurred on 08/05/17. I therefore respectfully request a search warrant for the Santa Rosa Police Department, for the requested evidence held at that location.

As required by California Penal Code Section 1540, any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure absent an order from the Court.

Finally, based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, Your affiant believes that the evidence recovered as a result of this search warrant may provide investigative leads that will lead to further interviews of witnesses and/or suspects, or reveal locations where evidence may be held or concealed, potentially leading to additional search warrants. I therefore

believe that disclosure of this Search Warrant could impede the investigation being conducted. I request that this entire Search Warrant, Statement of Probable Cause / Affidavit, and Return to Search Warrant be sealed because disclosure could irreparably harm the ongoing criminal investigation.

The affiant has probable cause to believe and does believe that person(s), property, and/or things(s) described above are lawfully seizable pursuant to Penal Code Sections 1524, as indicated above and are now located at the locations set forth above. Wherefore, affiant requests that this search warrant be issued.

I declare, under the penalty of perjury upon information, belief and personal knowledge, that the facts and opinions contained in the forgoing Statement of Probable Cause are true.

2) Peace Officers or assigned representatives are authorized, during the execution of this Search Warrant, to video record and/or digitally record, photograph, and/or take digital images of the scene, surrounding area(s), vehicles and persons present at the scene and to take measurements and make sketches of the scene and adjacent areas; and to seize weapons, bludgeons, and guns; suspected blood and other physiological fluids; hair and fibers; fingerprints, footprints, and other impressions left at the scene, as well as DNA swabs of trace evidence; gunshot residue; any and all instruments used to aid and abet in the commission of an assault with a deadly weapon on a police officer, clothing of the suspect(s) and/or victim(s); samples of

paint, glass, and other fluids and solids that may have stained or adhered to the clothing and person of the victim(s) and/or suspect(s), and law enforcement equipment left at the scene by involved officers, including, but not limited to, Electronic Control Device parts (Taser).

3) Any writings or pictures that tend to show that any person was intending to harm the officers, or other items that might show any person's ill will toward the officers, or ill will between the suspect and police.

4) Any cellular phones, smart phones, tablets, digital storage devices, memory cards, laptops, or desktop computers found on the person of the decedent or inside the location to be searched, for the following:

1. All data that constitutes evidence and instrumentalities of an assault with a deadly weapon on a police officer that occurred on 8/5/17, including communications referring or relating to these investigations, between the decedent and any unknown associates or co-conspirators, including the following:

a. All communications content, including email, text (SMS/MMS or app chats), notes, or voicemail, between the dates of **8/5/16 and 8/5/17**. This data will also include attachments, source and destination addresses, and time and date information, and connection logs, images and any other records that constitute evidence and instrumentalities of an assault with a deadly weapon on a police officer that occurred on 8/5/17, including communications referring or relating to this investigation, together with indicia of use, ownership, possession, or control of such communications or information found;

b. All location data between the dates of 8/5/16 and 8/5/17. Location data may be stored as GPS locations or cellular tower connection data. Location data may be found in the metadata of photos and social networking posts, Wi-Fi logs, and data associated with installed applications;

c. All photographic/video/audio data and associated metadata;

d. All internet history for the dates above, including cookies, bookmarks, web history, search terms;

e. All indicia of ownership and control for both the data and the cellular device, such as device identification and settings data, address book/contacts, social network posts/updates/tags, Wi-Fi network tables, associated wireless devices (such as known Wi-Fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, user dictionaries.

5) All electronic data processing and storage devices, computers and computer systems, such as central processing units, internal and peripheral storage devices such as fixed disks, internal and external hard drives, CD/DVD/BluRay drives, digital storage devices, dongles, encryption keys, network storage devices or other memory storage devices; and any/all peripheral input/output devices such as keyboards, printers, video display monitors, optical readers and related communication devices such as modems, WI-FI devices or air cards, software to run programs, connecting cables and plugs, peripherals such as touch pads, mouses, or other input devices, scanners, writing pads, manuals, connecting switches, telephone and Ethernet cables, and interface devices; system documentation, operating logs and documentation, software and instructional manuals. Computing or data processing software, stored on any type of medium such as: hard disks, memory cards, USB storage devices, CD/DVD/BluRay disks or other permanent or transient storage medium.

Any records, whether stored on paper, disk or on memory storage devices such as memory cards, USB drives, programmable instruments such as smart phones, gaming consoles, cloud storage and back up services, or any other storage media, together with indicia of use, ownership, possession, or control of such records.

Any written or computer communication in printed or stored medium such as e-mail and Chat Logs whether in active files, deleted files or unallocated space on the hard drive, or any data storage media.

Search of all of the above items is for files, data, images, software, operating systems, deleted files, altered files, system configurations, drive and disk configurations, date and time, and unallocated and slack space, for evidence related to an assault with a deadly weapon on a police officer.

With respect to computer systems and any items listed above found during the execution with this Search Warrant, the searching Peace Officers are authorized to seize and book said computer systems and any items listed above and transfer them to a law enforcement agency location prior to commencing the search of the items. Furthermore, said search may continue beyond the ten-day period beginning upon issuance of this Search Warrant, to the extent necessary to complete the search on the computer systems and any items listed above.

6) Any cameras, video cameras, digital cameras and digital media storage devices associated to them that may contain digital photographs, images, or videos.

7) Any firearm. In addition to any firearm, any spent casings, any miscellaneous gun/firearm pieces, ammunition, gun-cleaning items or kits, holsters, ammunition belts, original box packaging materials, clips, magazines, cylinders, loading devices, targets, expended pieces of lead/bullets, any photographs of firearms, or any paperwork showing the purchase, storage, disposition, and/or dominion and control over any guns, any ammunition, or any of the above items.

8) I also request that SRPD personnel and/or Field and Evidence Technicians be allowed to photograph and fingerprint the decedent, as well as process him for any potential trace evidence. I also request that a buccal swab be taken from inside the mouth of the decedent to collect DNA. I request permission for an SRPD technician or officer to process the decedent for DNA on his person, including cotton swabs and finger nail scrapings.

9) A blue, 2003 Mitsubishi 4-door sedan, California license [redacted] parked in the driveway of the location, AND any vehicle that is in the immediate vicinity of the locations to be searched, which is in the custody or control of the decedent, or other occupants of the residence.

The court authorizes the use of person(s) who are not peace officers to accompany the Peace Officers during the execution this Search Warrant for the purpose of assisting in the service of this Search Warrant as provided for under California Penal Code Section 1530.

IT IS ORDERED that this entire Search Warrant and Statement of Probable Cause / Affidavit be sealed because disclosure could irremediably harm the ongoing criminal investigation. In accordance with California Rules of Court Rule 2.550(d), this court finds that:

There exists an overriding interest that overcomes the right of public access to the record;
The overriding interest supports the sealed record;
A substantial probability exists that the overriding interest will be prejudiced if the record is not sealed;
The proposed sealing order is narrowly tailored;
No less restrictive means exists to achieve the overriding interest.

AND TO SEIZE AND EXAMINE IT / THEM IF FOUND and bring it / them forthwith before me, or this court, at the courthouse of this court. Any items seized during the lawful service of this search warrant shall be disposed of in accordance with the law by the Santa Rosa Police Department upon adjudication of the case. The officers serving the search warrant are also hereby authorized, without necessity of further court order, to return seized items to the owner, if such items have been photographically documented. This **Search Warrant** and **Affidavit** and attached and incorporated **Statement of Probable Cause** were sworn to as true and subscribed before me on this 5th day of August, 2017, at 2:45 **A.M. / P.M.** Wherefore, I find probable cause for the issuance of this Search Warrant and do issue it.

STATEMENT OF PROBABLE CAUSE

Affiant declares under penalty of perjury that the following facts are true and that there is probable cause to believe, and Affiant does believe, that the designated articles, property, and persons are now in the described locations, including all rooms, buildings, and structures used in connection with the premises and buildings adjoining them, the vehicles and the persons:

ADDENDUM:

On 8-5-17, I authored this original search warrant for [redacted] Santa Rosa, Ca, County of Sonoma, Santa Rosa Police case #17-10261. It was authorized by the Honorable Judge Daum of the Sonoma County Superior Court. It was served by the Sonoma County Sheriff's Office on that day.

On 8-8-17, at approximately 1:55 p.m., Sonoma County Sheriff's Detective Toney told me the autopsy on the suspect in this case had been completed at approximately 1:30 p.m. During the autopsy, three bullets were recovered from the decedent's body. Detective Toney told me that during the service of the search warrant on 8-5-17, five ammunition casings were recovered, therefore, he believes a total of five rounds of ammunition were fired by the involved officer. Detective Toney believes it is likely there are two bullets still located at the residence.

Detective Toney asked that I author an addendum to the original search warrant, requesting authorization to search and seize any additional bullets, and to video record and/or digitally record, photograph, and/or take digital images of the scene, surrounding area(s), and to take measurements and make sketches of the scene and adjacent areas. This is to document the condition of the residence before and after service of this addendum, and to document the locations where the above items are located, if found.

I request that a Search Warrant be issued based upon the aforementioned facts, for the seizure of said property, or any part thereof, between the hours of 7:00 A.M. and 10:00 P.M., good cause being shown thereof, and the same be brought before this Magistrate or retained subject to the order of the court, or of any court in which the offense(s) in respect to which the property of things taken, triable, pursuant to Section 1536 of the Penal Code,

Items attached and incorporated by Reference: YES ☐ NO ☒
I certify (declare) under penalty of perjury that the foregoing is true and correct.

STATEMENT OF PROBABLE CAUSE

Affiant declares under penalty of perjury that the following facts are true and that there is probable cause to believe, and Affiant does believe, that the designated articles, property, and persons are now in the described locations, including all rooms, buildings, and structures used in connection with the premises and buildings adjoining them, the vehicles and the persons:

STATEMENT OF PROBABLE CAUSE

I, Detective Gregory Wojcik, am a police officer employed by the City of Santa Rosa. I have been so employed since August, 1994. I am currently a detective, assigned to the Violent Crimes Team. Prior to becoming an officer with the Santa Rosa Police Department I was employed by the City of Los Angeles as a police officer from October, 1989 to August, 1994.

I received an Associate in Arts degree in the Administration of Justice from Golden West College in Huntington Beach, California in 1989. I possess an Advanced Certificate from the California Commission on Peace Officer Standards and Training.

I graduated from the Los Angeles Police Academy in December, 1990, where I received 960 hours of instruction in Basic Police Science. At the Los Angeles Police Department, my assignments were Patrol, and the Newton Division Special Problems Unit (street level narcotic and gang enforcement).

At the Santa Rosa Police Department, I have worked in a variety of specialized assignments including: Patrol, Neighborhood Enforcement Team (street level narcotic and gang enforcement), Field Training Officer and Gang Crimes Investigator.

As a Violent Crimes Detective my duties consist of the investigation of homicides, officer involved critical incidents, robberies, felony and misdemeanor assaults, missing persons, firearm related crimes, and the development and maintenance of informants. In addition, I am responsible for the preparation of search warrants and court orders, intelligence gathering, court testimony, and interviewing suspects, witnesses, and victims of crimes.

As a Gang Investigator, my duties consisted of the investigation of homicides, robberies, felony and misdemeanor assaults and property crimes. In addition, I was responsible for preparation of gang enhancements, intelligence gathering, preparation of search warrants and court orders, court testimony, and interviewing suspects, witnesses, and victims of crimes. I have interviewed hundreds of suspects, victims, and witnesses of these crimes. Also, I was sworn in as a Special Deputy United States Marshal as part of the Federal Bureau of Investigation Operation Safe Streets Gang Task Force and assisted in local and federal gang investigations from October, 2009 to August, 2011. I have participated in the monitoring of a state wiretap and one federal wiretap. I have received over 250 hours of gang specific

training.

I have provided expert testimony in the County of Sonoma Superior Court in gang prosecutions on nine occasions, and in narcotic sales prosecutions on four occasions. I have authored 11 search warrants and eight court orders.

INVESTIGATIVE SUMMARY

The following is information regarding an officer involved shooting involving a Santa Rosa Police Officer. The information is a combination of information I obtained from Santa Rosa Police Department (SRPD) Dispatch, and from information given by the involved officer in a public safety statement (to SRPD Sgt. Mahurin) shortly after the incident occurred. This case is being investigated by the Sonoma County Sheriff's Office. This case is documented by SRPD under case #17-10261.

On August 5, 2017 at approximately 5:58 a.m., SRPD received a 9-1-1 call from a resident at [redacted] Santa Rosa. He asked for the police to come to the residence quickly and said a subject at the residence was acting crazy. The dispatcher spoke to a second person at the residence during the same call who stated the subject had a knife. Dispatch also spoke to a subject during the call who was crying.

Officers arrived approximately seven minutes later. SRPD Officers Vlahandreas, Badger and McAllister went into the residence and began looking for the subject. Initially they could not find him, and during a second search found him hiding under a bed. The subject was naked and holding what Officer Vlahandreas described as a large butcher knife. Officers gave him commands to drop the knife, however,

he did not comply. The commands were given in English and Spanish. Officer Vlahandreas deployed his Electronic Control Device (Taser) at the subject two times, which appeared to him to be ineffective. He then used pepper spray on the subject, which was also ineffective. The subject then came out from under the bed and stood up and pointed the knife at the officer. Another officer then deployed his Electronic Control Device at the subject. The subject then hunched over during the five second cycle in which the device was activated. After the cycle completed, the subject, from several feet away, raised the knife above his head and advanced toward Officer Vlahandreas and two other officers who were with him. Officer Vlahandreas fired his handgun at the subject multiple times, at which time the subject retreated into a bathroom. Officers evacuated other residents, and ultimately found the subject deceased in the bathroom.

There is a vehicle parked in the driveway of the residence, a blue, 2003 Mitsubishi 4-door sedan, California license [redacted]

As of this writing, the deceased subject has not been identified. Officers are currently securing the scene pending issuance of this warrant.

Based on the above information, I expect to find, and request permission to search the residences, persons and vehicles described for the below items for the following reasons;

THE PREMISES at [redacted] Santa Rosa, Ca 95403 in the County of Sonoma, described as a single-story residence, at the southeast corner of [redacted] The residence has a teal stucco exterior, white trim, and a grey composite roof. The front door faces north, and the numbers [redacted] are to the right of the front door in gold numbers, with a two-car garage to the right of the front door.

THE VEHICLE described as: a blue, 2003 Mitsubishi 4-door sedan, California license [redacted]

In regards to #1 (Dominion) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that during the service of this Search Warrant there are many articles of personal and/or business property tending to establish the identity of persons who have dominion and control over the premises, business, vehicles, and/or items to be seized. Your Affiant believes that these items will tend to connect the premises, locations, persons, and vehicles to be searched with the items to be seized and the case being investigated. It is your Affiant's opinion that these types of items are usually present at the location sought to be searched by this Search Warrant and that they will therefore likely still be found in the location, and/or the person to be searched.

In regards to item #2 (Photographs/Video, Forensic, Measurements, Seize Weapons/Evidence) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that Peace Officer(s) or assigned representative(s) should video record, photograph and/or digital image the location during the

execution of this Search Warrant. The Affiant needs control of who takes the images. Computer(s) may be at the scene and may be operating during the service of the Search Warrant. The images on the computer(s) screens are transient, it may be necessary to video record, photograph and/or digital image the computer monitor screen(s). Photographing of the location, vehicles and persons present at the scene is often helpful in the showing possession of the premises and evidence. It is also good to show the condition of the location as the Search Warrant is served and to show the condition of the location after the Search Warrant has been served. Your Affiant also knows that the Peace Officer(s) or representative needs to take measurements and make sketches of the scene and adjacent areas; and seize weapons, bludgeons, and/or guns. They need to take suspected blood and other physiological fluids; hair and fibers; fingerprints, footprints, and other impressions left at the crime scene, as well as DNA swabs of trace evidence. Gunshot residue; ammunition casings, any and all instruments used to aid and abet in the commission of crime need to be located and seized, as well as law enforcement equipment left at the scene, including, but not limited to Electronic Control Device parts and ammunition/ammunition casings. Clothing of the suspects(s) and or victims(s); photos and film, developed and undeveloped; samples of paint, glass, and other fluids and solids that may have stained or adhered to the clothing and person of the victim(s) and/or suspect(s) need to be located and seized from the scene.

In regards to item #3 (Motive) Based on your affiant's training, experience and conversations that your affiant had with other Law Enforcement Officers and/or reports that your affiant has read, your affiant knows that subjects involved in the types of crime(s) being investigated will often possess written material containing statements showing ill feelings, threats, and other possible motives between victim(s) and possible suspect(s);

In regards to item #4 (Cell Phones) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, I expect to find, and request permission to search for, any cellular telephone, tablet, digital storage device, memory card, laptop computer, or desktop computer found at the location(s) to be searched, in the vehicle(s), or in the possession or control of persons within the location(s) to be searched. Your Affiant knows that cellular telephones commonly consist of electronic data processing and storage devices, internal and peripheral storage devices such as SIM cards, flash memory cards, or other memory storage devices. These devices often use charging cords or cables to charge the phones or to connect to computers which may be required to operate the devices, therefore, I request permission to seize those as well. I believe, based on training and experience, the cell phone is not only a valuable tool which can be used to aid in the commission of the crimes being investigated, but can be used to avoid apprehension, and is a tool which can allow law enforcement to apprehend suspects responsible for crimes. Cell phones can also contain evidence of the crimes being investigated. I know this, based on numerous other investigations in which subjects wanted for serious crimes have used cell phones in the commission of their crimes, and continued to possess and use their cell phones after the commission of crimes to avoid apprehension.

I believe that an analysis of the contacts, call history, text messages, photos, videos, and other digital content on those cellular phone(s) or similar electronic device(s) found during the service of this search warrant will be helpful in showing the decedent's intent to commit an assault with a deadly weapon on a police officer, and any preparation for the assault.

Your affiant knows that Santa Rosa Police Department investigators have access to the Cellebrite and XRY data extraction systems. Based on my training and experience, I know that the Cellebrite and XRY systems are cellular phone transfer tools capable of reading, copying, and extracting information stored within possible removable storage media, picture files, text files, video files, and/or erased files within the cellular phone. I know that the devices may read, copy, and extract the cellular phone's incoming and outgoing text messages, e-mail messages, stored digital images, log-in name and passwords for on-line services, contact lists, phone numbers, addresses, call log/call detail records, identification history log, incoming and outgoing call identification history log, and missed call identification history logs, SMS text messages, ESN/IMEI information, mobile applications used to connect cellular communication devices to Internet services, pictures, video, audio, and ring tones. In addition, I know that the Cellebrite and XRY devices are capable of creating and/or printing a report that lists the data obtained from the electronic search of the cellular phone. I know that forensic examinations of cellular phones can be done via the Cellebrite Universal Forensic Extraction Device (UFED) and XRY systems, as well as by photographing phone displays, and connecting the phones to a computer via the USB cable in order to download images contained within the phone.

Based on the above information, I am therefore requesting the Court authorize a search of any cellular phones, smart phones, tablets, digital storage devices, memory cards, laptops, or desktop computers, found on the person of the decedent or inside the location to be searched, via forensic examination and/or search by data extraction device and software cellular phone transfer device, such as the Cellebrite and/or XRY Device, for the following:

1. All data that constitutes evidence and instrumentalities of an assault on a police officer that occurred on 8/5/17, including communications referring or relating to these investigations, between the decedent and any unknown associates or co-conspirators, including the following:

    a. All communications content, including email, text (SMS/MMS or app chats), notes, or voicemail, between the dates of **8/5/16 and 8/5/17**. This data will also include attachments, source and destination addresses, and time and date information, and connection logs, images and any other records that constitute evidence and instrumentalities of an assault with a deadly weapon on a police officer that occurred on 8/5/17, including communications referring or relating to this investigation, together with indicia of use, ownership, possession, or control of such communications or information found;

    b. All location data between the dates of **8/5/16 and 8/5/17**. Location data may be stored as GPS locations or cellular tower connection data. Location data may be found in the metadata of photos and social networking posts, Wi-Fi logs, and data associated with installed applications;

    c. All photographic/video/audio data and associated metadata;

d. All internet history for the dates above, including cookies, bookmarks, web history, search terms;

e. All indicia of ownership and control for both the data and the cellular device, such as device identification and settings data, address book/contacts, social network posts/updates/tags, Wi-Fi network tables, associated wireless devices (such as known Wi-Fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, user dictionaries.

I am additionally requesting that investigating officers be authorized, at their discretion, to conduct an offsite search of the seized items for the property described, and that investigating officers and those agents acting under the direction of the investigating officers are authorized to access all data on the cellular device to determine if the data contains the items described above. If necessary, I also request that investigating officers be authorized to employ the use of outside experts, acting under the direction of the investigating officers, to access and preserve data on the cellular device. Those items that are within the scope of this warrant may be copied and retained by investigative officers.

Based upon all of the above and my training and experience, I am requesting that investigating officers be allowed to listen to and look at any voicemail messages within internal and/or possible removable storage media, text files, GPS data including, but not limited to, coordinates, way points, and tracks, and/or erased files, and all other data files.

In the event that the cellular phones' or devices' memory card/chips cannot be accessed through a USB connection or a communication port due to security features, due to damage to the device, or if the device is not compatible with the available commercial tools, I request that a member of the Santa Rosa Police Department, Northern California Computer Crimes Task Force (NC3TF), or designee, be authorized to repair the damage to the device, or conduct a forensic examination of the device by directly accessing the memory card/chip to conduct their examination. The process of directly accessing the phones' memory card/chip will require the phone to be disassembled to a point in which the device may no longer function as designed.

If authorized to search the above-described cellular phone(s), the searches will be conducted within approved forensic guidelines that will safeguard the integrity of the original data stored within the cellular phone.

As required by California Penal Code Section 1524.1 (d), any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure absent an order from the Court. If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the system will be returned promptly.

Your affiant knows that cellular phones often contain significant amounts of digital content, and that reviewing and analyzing that content, then determining and preserving the evidentiary data, usually

requires significant amounts of time. For that reason, your affiant requests that the ten-day requirement for the search warrant return, as stated in California Penal Code section 1534, be waived to provide investigators ample time to conduct the necessary search and analysis. The Return to Search Warrant will be filed promptly upon completion of the search.

In regards to item #5 (Computers & Electronic Devices) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that computer and computer systems commonly consist of electronic data processing and storage devices, with central processing units, internal and peripheral storage devices such as fixed disks, external hard disks, disk drives, CD/DVD/BluRay drives, tape drives and tapes, optical storage devices, dongles or encryption keys, network storage devices or other memory storage devices. They also consist of peripheral input/output devices such as keyboards, printers, video display monitors, optical readers and related communication devices such as modems, Wi-Fi devices or air cards, software to run programs, connecting cables and plugs, peripherals such as touch pads, mouses, or other input devices, scanners, writing pads, manuals, connecting switches, telephone and Ethernet cables, and interface devices. There is system documentation, operating logs and documentation, software and instructional manuals for the computers and computer systems. Computing or data processing software, stored on any type of medium such as: hard disks, memory cards, USB storage devices, CD/DVD/BluRay disks, or other permanent or transient storage medium and other forms of magnetic media containing computer information.

Your Affiant requests any records, whether stored on paper, on magnetic media such as memory cards, USB drives, programmable instruments such as smart phones, gaming consoles, cloud storage and back up services or any other storage media, together with indicia of use, ownership, possession, or control of such records.

Your Affiant requests any written or computer communication in printed or stored medium such as e-mail and Chat Logs whether in active files, deleted files or unallocated space on the hard drive, or any data storage media.

Search of all of the above components is for files, data, images, software, operating systems, deleted files, system configurations, drive and disk configurations, date and time, unallocated and slack space, for evidence related to an assault with a deadly weapon on a police officer.

It is your Affiant's experience that computer system searches and examinations cannot be completed within ten days in which the Search Warrant must be served and the Return to Search Warrant filed. This is due in part because the police agency, that completes the computer search and examinations, it is common for them to have multiple cases working at the same time and it can take several weeks to complete. It is requested that the Search Warrant and Return to Search Warrant be filed and that the computer search, examinations, and investigation be allowed to continue.

In regards to item #6 (cameras) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant

expects to find and requests to search for and seize any cameras, video cameras, digital cameras, and digital media storage devices associated to them at the location(s), in the vehicle(s), and in the possession of person(s) to be searched. I know from training and experience that cameras and video cameras can contain images of the scene and commission of the crime(s) being investigated, as well as images of those involved in the crime(s) being investigated.

In regards to item #7 (firearms) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant requests to search for and seize any weapons, spent casings, any miscellaneous gun/firearm pieces, ammunition, gun-cleaning items or kits, holsters, ammunition belts, original box packaging materials, clips and/or magazines, targets, expended pieces of lead/bullets, any photographs of firearms, or any paperwork showing the purchase, storage, disposition, and/or dominion and control over any guns, any ammunition, or any of the above items.

Your Affiant believes that whether or not the firearm(s) sought are recovered, the above items would tend to show that a firearm(s) existed and may have once been located in a place to which the suspect had access, and that these items would tend to connect the suspect with the weapon(s) sought. The above items are not normally disposed of after the commission of a crime, and they are therefore still likely to be found in any location or vehicles to be searched, and/or on the person of any suspect to be searched pursuant to this Search Warrant.

In regards to item #8 (Processing of Suspect) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, I request to photograph and fingerprint the decedent and process him for any trace evidence, to include a buccal swab from his mouth to collect DNA, and cotton swabs and finger nail scrapings. I know from training and experience that fingerprints, trace evidence such as DNA, human hair fibers, body tissues, debris from the scene(s), blood and other bodily fluids can be found on suspect(s) involved in the type of crime(s) being investigated, and can be helpful in determining the identity of victims and suspects, and can prove the suspect's involvement in the crime.

In regards to item #9 (vehicles at the residence) I request permission to search any vehicle that is in the immediate vicinity of the locations to be searched, which is in the custody or control of the decedent, or other occupants of the residence as evidenced by ignition keys or car door keys, or vehicle ownership documents in his/her possession, or on his person, or under his/her dominion and control, or by statements of witnesses, or any vehicle within the garages, grounds, or storage areas to be searched. Such search shall include containers of any kind within the vehicle. I know that the above-mentioned items can be found in vehicles which the residents have access to.

As required by California Penal Code Section 1546.1(d), any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure except pursuant to a court order, or to comply with discovery as required by sections 1054.1 and 1054.7. If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the system will be returned promptly.

Your affiant knows that cellular phones often contain significant amounts of digital content, and that reviewing and analyzing that content, then determining and preserving the evidentiary data, usually requires significant amounts of time. For that reason, your affiant requests that the ten-day requirement for the search warrant return, as stated in California Penal Code section 1534, be waived to provide investigators ample time to conduct the necessary search and analysis. The Return to Search Warrant will be filed promptly upon completion of the search.

Finally, based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, Your affiant believes that the data recovered as a result of this search warrant may provide investigative leads that will lead to further interviews of witnesses and/or suspects, or reveal locations where evidence may be held or concealed, potentially leading to additional search warrants. I therefore believe that disclosure of this Search Warrant could impede the investigation being conducted. I request that this entire Search Warrant, Statement of Probable Cause / Affidavit, and Return to Search Warrant be sealed because disclosure could irremediably harm the ongoing criminal investigation.

Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant wants the court to authorize the use of person(s) who are Not Peace Officers to accompany the Peace Officers during the execution of this Search Warrant for the purpose of assisting them in the service of this Search Warrant as provided for under California Penal Code Section 1530.

I request that a Search warrant be issued based upon the aforementioned facts, for the seizure of said property, or any part thereof, between the hours of 7:00 A.M. and 10:00 P.M., good cause being shown thereof, and the same be brought before this Magistrate or retained subject to the order of the court, or of any court in which the offense(s) in respect to which the property of things taken, triable, pursuant to Section 1536 of the Penal Code,

Items attached and incorporated by Reference: YES ☐ NO ☒

DECLARATION and REQUEST FOR ORDER SEALING COURT ORDER DOCUMENTS

Your Affiant, **Gregory A. Wojcik**, as an assisting investigator in this matter, relates that this Court Order sought pursuant to this Court Order / Court Order Application and findings, and all documents relevant to this Court Order relate to an on-going assault with a deadly weapon on a police officer. If the information contained in the above listed documents is made public, it would compromise this on-going investigation and make it difficult to continue, without jeopardizing efforts to obtain evidence.

Your Affiant requests that the Court Order / Court Order Application and findings, and all documents relevant to this Court Order be ordered to be sealed. Your Affiant also requests that the Court Order / Court Order Application and findings, and all documents relevant to this Court Order remain sealed and in the custody of the Santa Rosa Police Department until order of this court or other competent court having jurisdiction over this matter.

I declare under penalty of perjury that the related foregoing is true and correct to the best of my knowledge.

THE PEOPLE OF THE STATE OF CALIFORNIA TO ANY SHERIFF, POLICEMAN OR PEACE OFFICER IN THE COUNTY OF SONOMA: proof by affidavit, under penalty of perjury, having been made before me by **Detective Gregory Wojcik** that there is probable cause to believe that the property or person described herein may be found at the location(s) set forth herein and that it is lawfully seizable pursuant to Penal Code Section 1524 et seq., as indicated below by "☒"(s), in that:

- ☐ It was stolen or embezzled – [1524(a)(1) PC];
- ☒ It was used as the means of committing a felony – [1524(a)(2) PC];
- ☐ It is possessed by a person with the intent to use it as means of committing a public offense or is possessed by another to whom he or she may have delivered it for the purpose of concealing it or preventing its discovery – [1524(a)(3) PC];
- ☒ It tends to show that a felony has been committed or that a particular person has committed a felony – [1524(a)(4) PC];
- ☐ It tends to show that sexual exploitation of a child, in violation of PC Section 311.3, or possession of matter depicting sexual conduct of a person under the age of 18 years, in violation of Section 311.11, has occurred or is occurring – [1524(a)(5) PC];
- ☐ An arrest warrant is outstanding for the person to be seized – [1524(a)(6) PC];
- ☐ A Child Protective Custody Warrant is outstanding for the person to be seized – [1524(a)(6) and Family Code 3134.5];
- ☐ A provider of "electronic communication service" or "remote computing service", as defined in Penal Code Section 1524.2(a) (including "California corporations" defined as any corporation or other entity that is subject to Section 102 of the Corporations Code and "Foreign corporations" defined as any corporation that is qualified to do business in this state pursuant to Section 2105 of the Corporations Code), has records or evidence regarding a subscriber or customer which (1) is of a type specified in Penal Code Section 1524.3 (i.e. the subscriber/customer's name, address, telephone number or other subscriber number or identity; the types of services the subscriber/customer utilized; the length of time the person has been a subscriber/customer of that service; and the local and long distance telephone toll billing records); and (2) which records or evidence shows that property was stolen or embezzled constituting a misdemeanor, or that property or things are in possession of any person with intent to use them as a means of committing a misdemeanor public offense, or in the possession of another to whom he or she may have delivered them for the purpose of concealing them or preventing their discovery – [1524(a)(7) PC];
- ☐ The property or things to be seized include an item or any evidence that tends to show a violation of Section 3700.5 of the Labor Code, or tends to show that a particular person has violated Section 3700.5 of the Labor Code – [1524(a)(8) PC];
- ☐ The property or things to be seized include a firearm or any other deadly weapon at the scene of, or at the premises occupied or under the control of the person arrested in connection with, a domestic violence incident involving a threat to human life or a physical assault as provided in subdivision (b) of Section 12028.5. This section does not affect warrant less seizures otherwise authorized by subdivision (b) of Section 12028.5. – [1524(a)(9) PC]
- ☐ The property or things to be seized include a firearm or any other deadly weapon that is owned by, or in the possession of, or in the custody or control of, a person described in subdivision (a) of Section 8102 of the Welfare and Institutions Code. – [1524(a)(10) PC]
- ☐ The property or things to be seized include a firearm that is owned by, or in the possession of, or in the custody or control of, a person who is subject to the prohibitions regarding firearms pursuant to Section 6389 of the Family Code, if a prohibited firearm is possessed, owned, in the custody of, or controlled by a person against whom a protective order has been issued pursuant to Section 6218 of the Family Code, the person has been lawfully served with that order, and the person has failed to relinquish the firearm as required by law. – [1524(a)(11) PC]
- ☐ When the information to be received from the use of a tracking device constitutes evidence that tends to show that either a felony, a misdemeanor violation of the Fish and Game Code, or a misdemeanor violation of the Public Resources Code has been committed or is being committed, tends to show that a particular person has committed a felony, a misdemeanor violation of the Fish and Game Code, or a misdemeanor violation of the Public Resources Code, or is committing a felony, a misdemeanor violation of the Fish and Game Code, or a misdemeanor violation of the Public Resources Code, or will assist in locating an individual who has committed or is committing a felony, a misdemeanor violation of the Fish and Game Code, or a misdemeanor violation of the Public Resources Code. – [1524(a)(12) PC];
- ☐ Because this is a search for documentary evidence which is in the possession or under the control of a lawyer, physician, psychotherapist or clergyman who is not a suspect in the criminal activity to which the documentary evidence being sought relates, the Special Master provisions of Section 1524(c) are applicable – [1524(c) PC];

THE VEHICLE described as: a blue, 2003 Mitsubishi 4-door sedan, California license [redacted] and any vehicle that is in the immediate vicinity of the locations to be searched, which is in the custody or control of the decedent, or other occupants

For the FOLLOWING PROPERTY or PERSON(s):

1) Any items tending to establish the identity of persons who have dominion and control of the location, premises, automobiles, or items to be seized, including delivered mail, whether inside the location or in the mail box/s, bills, utility bills, telephone bills, miscellaneous addressed mail, personal letters, personal identification, purchase receipts, rent receipts, sales receipts, tax statements, payroll check stubs, keys and receipts for safe deposit box(s), keys and receipts for rental storage space, keys and receipts for post office box or mail drop rentals, ignition keys, car door and trunk keys, vehicle ownership certificates or "pink slips," and/or vehicle registration slips, recordation of voice transmissions on telephone answering machines, voice-mails, audio tapes and telephone message receipt books, and written phone messages, and photographs tending to show occupation of the residence / business and connection between co-conspirators, whether identified, or unidentified, also cell phones, smart phones, tablet computers, laptop computers, desktop computers containing contact list, address book or personal information management programs which will document telephone numbers of co-conspirators, and if found, to activate the cell phone's, smart phone's, tablet computer's, laptop computer's, desktop computer's display mechanism and to obtain messages from the cell phones, answering machines, voice-mails, digital recorders, and any other recording devices, and to play such devices to obtain their messages. Any examples of handwriting including letters, address books, business records, canceled checks, notes, and/or lists.

2) Peace Officers or assigned representatives are authorized, during the execution of this Search Warrant, to video record and/or digitally record, photograph, and/or take digital images of the scene, surrounding area(s), vehicles and persons present at the scene and to take measurements and make sketches of the scene and adjacent areas; and to seize weapons, bludgeons, and guns; suspected blood and other physiological fluids; hair and fibers; fingerprints, footprints, and other impressions left at the scene, as well as DNA swabs of trace evidence; gunshot residue; any and all instruments used to aid and abet in the commission of an assault with a deadly weapon on a police officer, clothing of the suspect(s) and/or victim(s); samples of

paint, glass, and other fluids and solids that may have stained or adhered to the clothing and person of the victim(s) and/or suspect(s), and law enforcement equipment left at the scene by involved officers, including, but not limited to, Electronic Control Device parts (Taser).

3) Any writings or pictures that tend to show that any person was intending to harm the officers, or other items that might show any person's ill will toward the officers, or ill will between the suspect and police.

4) Any cellular phones, smart phones, tablets, digital storage devices, memory cards, laptops, or desktop computers found on the person of the decedent or inside the location to be searched, for the following:

1. All data that constitutes evidence and instrumentalities of an assault with a deadly weapon on a police officer that occurred on 8/5/17, including communications referring or relating to these investigations, between the decedent and any unknown associates or co-conspirators, including the following:

   a. All communications content, including email, text (SMS/MMS or app chats), notes, or voicemail, between the dates of **8/5/16 and 8/5/17**. This data will also include attachments, source and destination addresses, and time and date information, and connection logs, images and any other records that constitute evidence and instrumentalities of an assault with a deadly weapon on a police officer that occurred on 8/5/17, including communications referring or relating to this investigation, together with indicia of use, ownership, possession, or control of such communications or information found;

   b. All location data between the dates of 8/5/16 and 8/5/17. Location data may be stored as GPS locations or cellular tower connection data. Location data may be found in the metadata of photos and social networking posts, Wi-Fi logs, and data associated with installed applications;

   c. All photographic/video/audio data and associated metadata;

   d. All internet history for the dates above, including cookies, bookmarks, web history, search terms;

   e. All indicia of ownership and control for both the data and the cellular device, such as device identification and settings data, address book/contacts, social network posts/updates/tags, Wi-Fi network tables, associated wireless devices (such as known Wi-Fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, user dictionaries.

5) All electronic data processing and storage devices, computers and computer systems, such as central processing units, internal and peripheral storage devices such as fixed disks, internal and external hard drives, CD/DVD/BluRay drives, digital storage devices, dongles, encryption keys, network storage devices or other memory storage devices; and any/all peripheral input/output devices such as keyboards, printers, video display monitors, optical readers and related communication devices such as modems, WI-FI devices or air cards, software to run programs, connecting cables and plugs, peripherals such as touch pads, mouses, or other input devices, scanners, writing pads, manuals, connecting switches, telephone and Ethernet cables, and interface devices; system documentation, operating logs and documentation, software and instructional manuals. Computing or data processing software, stored on any type of medium such as: hard disks, memory cards, USB storage devices, CD/DVD/BluRay disks or other permanent or transient storage medium.

Any records, whether stored on paper, disk or on memory storage devices such as memory cards, USB drives, programmable instruments such as smart phones, gaming consoles, cloud storage and back up services, or any other storage media, together with indicia of use, ownership, possession, or control of such records.

Any written or computer communication in printed or stored medium such as e-mail and Chat Logs whether in active files, deleted files or unallocated space on the hard drive, or any data storage media.

Search of all of the above items is for files, data, images, software, operating systems, deleted files, altered files, system configurations, drive and disk configurations, date and time, and unallocated and slack space, for evidence related to an assault with a deadly weapon on a police officer.

With respect to computer systems and any items listed above found during the execution with this Search Warrant, the searching Peace Officers are authorized to seize and book said computer systems and any items listed above and transfer them to a law enforcement agency location prior to commencing the search of the items. Furthermore, said search may continue beyond the ten-day period beginning upon issuance of this Search Warrant, to the extent necessary to complete the search on the computer systems and any items listed above.

6) Any cameras, video cameras, digital cameras and digital media storage devices associated to them that may contain digital photographs, images, or videos.

7) Any firearm. In addition to any firearm, any spent casings, any miscellaneous gun/firearm pieces, ammunition, gun-cleaning items or kits, holsters, ammunition belts, original box packaging materials, clips, magazines, cylinders, loading devices, targets, expended pieces of lead/bullets, any photographs of firearms, or any paperwork showing the purchase, storage, disposition, and/or dominion and control over any guns, any ammunition, or any of the above items.

8) I also request that SRPD personnel and/or Field and Evidence Technicians be allowed to photograph and fingerprint the decedent, as well as process him for any potential trace evidence. I also request that a buccal swab be taken from inside the mouth of the decedent to collect DNA. I request permission for an SRPD technician or officer to process the decedent for DNA on his person, including cotton swabs and finger nail scrapings.

9) A blue, 2003 Mitsubishi 4-door sedan, California license [redacted] parked in the driveway of the location, AND any vehicle that is in the immediate vicinity of the locations to be searched, which is in the custody or control of the decedent, or other occupants of the residence.

The court authorizes the use of person(s) who are not peace officers to accompany the Peace Officers during the execution this Search Warrant for the purpose of assisting in the service of this Search Warrant as provided for under California Penal Code Section 1530.

IT IS ORDERED that this entire Search Warrant and Statement of Probable Cause / Affidavit be sealed because disclosure could irremediably harm the ongoing criminal investigation. In accordance with California Rules of Court Rule 2.550(d), this court finds that:

There exists an overriding interest that overcomes the right of public access to the record;
The overriding interest supports the sealed record;
A substantial probability exists that the overriding interest will be prejudiced if the record is not sealed;
The proposed sealing order is narrowly tailored;
No less restrictive means exists to achieve the overriding interest.

AND TO SEIZE AND EXAMINE IT / THEM IF FOUND and bring it / them forthwith before me, or this court, at the courthouse of this court. Any items seized during the lawful service of this search warrant shall be disposed of in accordance with the law by the Santa Rosa Police Department upon adjudication of the case. The officers serving the search warrant are also hereby authorized, without necessity of further court order, to return seized items to the owner, if such items have been photographically documented. This **Search Warrant** and **Affidavit** and attached and incorporated **Statement of Probable Cause** were sworn to as true and subscribed before me on this 5th day of August, 2017, at 2:45 **A.M. / P.M.** Wherefore, I find probable cause for the issuance of this Search Warrant and do issue it.

STATEMENT OF PROBABLE CAUSE

Affiant declares under penalty of perjury that the following facts are true and that there is probable cause to believe, and Affiant does believe, that the designated articles, property, and persons are now in the described locations, including all rooms, buildings, and structures used in connection with the premises and buildings adjoining them, the vehicles and the persons:

STATEMENT OF PROBABLE CAUSE

I, Detective Gregory Wojcik, am a police officer employed by the City of Santa Rosa. I have been so employed since August, 1994. I am currently a detective, assigned to the Violent Crimes Team. Prior to becoming an officer with the Santa Rosa Police Department I was employed by the City of Los Angeles as a police officer from October, 1989 to August, 1994.

I received an Associate in Arts degree in the Administration of Justice from Golden West College in Huntington Beach, California in 1989. I possess an Advanced Certificate from the California Commission on Peace Officer Standards and Training.

I graduated from the Los Angeles Police Academy in December, 1990, where I received 960 hours of instruction in Basic Police Science. At the Los Angeles Police Department, my assignments were Patrol, and the Newton Division Special Problems Unit (street level narcotic and gang enforcement).

At the Santa Rosa Police Department, I have worked in a variety of specialized assignments including: Patrol, Neighborhood Enforcement Team (street level narcotic and gang enforcement), Field Training Officer and Gang Crimes Investigator.

As a Violent Crimes Detective my duties consist of the investigation of homicides, officer involved critical incidents, robberies, felony and misdemeanor assaults, missing persons, firearm related crimes, and the development and maintenance of informants. In addition, I am responsible for the preparation of search warrants and court orders, intelligence gathering, court testimony, and interviewing suspects, witnesses, and victims of crimes.

As a Gang Investigator, my duties consisted of the investigation of homicides, robberies, felony and misdemeanor assaults and property crimes. In addition, I was responsible for preparation of gang enhancements, intelligence gathering, preparation of search warrants and court orders, court testimony, and interviewing suspects, witnesses, and victims of crimes. I have interviewed hundreds of suspects, victims, and witnesses of these crimes. Also, I was sworn in as a Special Deputy United States Marshal as part of the Federal Bureau of Investigation Operation Safe Streets Gang Task Force and assisted in local and federal gang investigations from October, 2009 to August, 2011. I have participated in the monitoring of a state wiretap and one federal wiretap. I have received over 250 hours of gang specific

training.

I have provided expert testimony in the County of Sonoma Superior Court in gang prosecutions on nine occasions, and in narcotic sales prosecutions on four occasions. I have authored 11 search warrants and eight court orders.

INVESTIGATIVE SUMMARY

The following is information regarding an officer involved shooting involving a Santa Rosa Police Officer. The information is a combination of information I obtained from Santa Rosa Police Department (SRPD) Dispatch, and from information given by the involved officer in a public safety statement (to SRPD Sgt. Mahurin) shortly after the incident occurred. This case is being investigated by the Sonoma County Sheriff's Office. This case is documented by SRPD under case #17-10261.

On August 5, 2017 at approximately 5:58 a.m., SRPD received a 9-1-1 call from a resident at [redacted] Santa Rosa. He asked for the police to come to the residence quickly and said a subject at the residence was acting crazy. The dispatcher spoke to a second person at the residence during the same call who stated the subject had a knife. Dispatch also spoke to a subject during the call who was crying.

Officers arrived approximately seven minutes later. SRPD Officers Vlahandreas, Badger and McAllister went into the residence and began looking for the subject. Initially they could not find him, and during a second search found him hiding under a bed. The subject was naked and holding what Officer Vlahandreas described as a large butcher knife. Officers gave him commands to drop the knife, however,

he did not comply. The commands were given in English and Spanish. Officer Vlahandreas deployed his Electronic Control Device (Taser) at the subject two times, which appeared to him to be ineffective. He then used pepper spray on the subject, which was also ineffective. The subject then came out from under the bed and stood up and pointed the knife at the officer. Another officer then deployed his Electronic Control Device at the subject. The subject then hunched over during the five second cycle in which the device was activated. After the cycle completed, the subject, from several feet away, raised the knife above his head and advanced toward Officer Vlahandreas and two other officers who were with him. Officer Vlahandreas fired his handgun at the subject multiple times, at which time the subject retreated into a bathroom. Officers evacuated other residents, and ultimately found the subject deceased in the bathroom.

There is a vehicle parked in the driveway of the residence, a blue, 2003 Mitsubishi 4-door sedan, California license [redacted]

As of this writing, the deceased subject has not been identified. Officers are currently securing the scene pending issuance of this warrant.

Based on the above information, I expect to find, and request permission to search the residences, persons and vehicles described for the below items for the following reasons;

THE PREMISES at [redacted] Santa Rosa, Ca 95403 in the County of Sonoma, described as a single-story residence, at the southeast corner of [redacted] The residence has a teal stucco exterior, white trim, and a grey composite roof. The front door faces north, and the numbers [redacted] are to the right of the front door in gold numbers, with a two-car garage to the right of the front door.

THE VEHICLE described as: a blue, 2003 Mitsubishi 4-door sedan, California license [redacted]

In regards to #1 (Dominion) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that during the service of this Search Warrant there are many articles of personal and/or business property tending to establish the identity of persons who have dominion and control over the premises, business, vehicles, and/or items to be seized. Your Affiant believes that these items will tend to connect the premises, locations, persons, and vehicles to be searched with the items to be seized and the case being investigated. It is your Affiant's opinion that these types of items are usually present at the location sought to be searched by this Search Warrant and that they will therefore likely still be found in the location, and/or the person to be searched.

In regards to item #2 (Photographs/Video, Forensic, Measurements, Seize Weapons/Evidence) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that Peace Officer(s) or assigned representative(s) should video record, photograph and/or digital image the location during the

execution of this Search Warrant. The Affiant needs control of who takes the images. Computer(s) may be at the scene and may be operating during the service of the Search Warrant. The images on the computer(s) screens are transient, it may be necessary to video record, photograph and/or digital image the computer monitor screen(s). Photographing of the location, vehicles and persons present at the scene is often helpful in the showing possession of the premises and evidence. It is also good to show the condition of the location as the Search Warrant is served and to show the condition of the location after the Search Warrant has been served. Your Affiant also knows that the Peace Officer(s) or representative needs to take measurements and make sketches of the scene and adjacent areas; and seize weapons, bludgeons, and/or guns. They need to take suspected blood and other physiological fluids; hair and fibers; fingerprints, footprints, and other impressions left at the crime scene, as well as DNA swabs of trace evidence. Gunshot residue; ammunition casings, any and all instruments used to aid and abet in the commission of crime need to be located and seized, as well as law enforcement equipment left at the scene, including, but not limited to Electronic Control Device parts and ammunition/ammunition casings. Clothing of the suspects(s) and or victims(s); photos and film, developed and undeveloped; samples of paint, glass, and other fluids and solids that may have stained or adhered to the clothing and person of the victim(s) and/or suspect(s) need to be located and seized from the scene.

In regards to item #3 (Motive) Based on your affiant's training, experience and conversations that your affiant had with other Law Enforcement Officers and/or reports that your affiant has read, your affiant knows that subjects involved in the types of crime(s) being investigated will often possess written material containing statements showing ill feelings, threats, and other possible motives between victim(s) and possible suspect(s);

In regards to item #4 (Cell Phones) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, I expect to find, and request permission to search for, any cellular telephone, tablet, digital storage device, memory card, laptop computer, or desktop computer found at the location(s) to be searched, in the vehicle(s), or in the possession or control of persons within the location(s) to be searched. Your Affiant knows that cellular telephones commonly consist of electronic data processing and storage devices, internal and peripheral storage devices such as SIM cards, flash memory cards, or other memory storage devices. These devices often use charging cords or cables to charge the phones or to connect to computers which may be required to operate the devices, therefore, I request permission to seize those as well. I believe, based on training and experience, the cell phone is not only a valuable tool which can be used to aid in the commission of the crimes being investigated, but can be used to avoid apprehension, and is a tool which can allow law enforcement to apprehend suspects responsible for crimes. Cell phones can also contain evidence of the crimes being investigated. I know this, based on numerous other investigations in which subjects wanted for serious crimes have used cell phones in the commission of their crimes, and continued to possess and use their cell phones after the commission of crimes to avoid apprehension.

I believe that an analysis of the contacts, call history, text messages, photos, videos, and other digital content on those cellular phone(s) or similar electronic device(s) found during the service of this search warrant will be helpful in showing the decedent's intent to commit an assault with a deadly weapon on a police officer, and any preparation for the assault.

Your affiant knows that Santa Rosa Police Department investigators have access to the Cellebrite and XRY data extraction systems. Based on my training and experience, I know that the Cellebrite and XRY systems are cellular phone transfer tools capable of reading, copying, and extracting information stored within possible removable storage media, picture files, text files, video files, and/or erased files within the cellular phone. I know that the devices may read, copy, and extract the cellular phone's incoming and outgoing text messages, e-mail messages, stored digital images, log-in name and passwords for on-line services, contact lists, phone numbers, addresses, call log/call detail records, identification history log, incoming and outgoing call identification history log, and missed call identification history logs, SMS text messages, ESN/IMEI information, mobile applications used to connect cellular communication devices to Internet services, pictures, video, audio, and ring tones. In addition, I know that the Cellebrite and XRY devices are capable of creating and/or printing a report that lists the data obtained from the electronic search of the cellular phone. I know that forensic examinations of cellular phones can be done via the Cellebrite Universal Forensic Extraction Device (UFED) and XRY systems, as well as by photographing phone displays, and connecting the phones to a computer via the USB cable in order to download images contained within the phone.

Based on the above information, I am therefore requesting the Court authorize a search of any cellular phones, smart phones, tablets, digital storage devices, memory cards, laptops, or desktop computers, found on the person of the decedent or inside the location to be searched, via forensic examination and/or search by data extraction device and software cellular phone transfer device, such as the Cellebrite and/or XRY Device, for the following:

1. All data that constitutes evidence and instrumentalities of an assault on a police officer that occurred on 8/5/17, including communications referring or relating to these investigations, between the decedent and any unknown associates or co-conspirators, including the following:

    a. All communications content, including email, text (SMS/MMS or app chats), notes, or voicemail, between the dates of **8/5/16 and 8/5/17**. This data will also include attachments, source and destination addresses, and time and date information, and connection logs, images and any other records that constitute evidence and instrumentalities of an assault with a deadly weapon on a police officer that occurred on 8/5/17, including communications referring or relating to this investigation, together with indicia of use, ownership, possession, or control of such communications or information found;

    b. All location data between the dates of **8/5/16 and 8/5/17**. Location data may be stored as GPS locations or cellular tower connection data. Location data may be found in the metadata of photos and social networking posts, Wi-Fi logs, and data associated with installed applications;

    c. All photographic/video/audio data and associated metadata;

d. All internet history for the dates above, including cookies, bookmarks, web history, search terms;

e. All indicia of ownership and control for both the data and the cellular device, such as device identification and settings data, address book/contacts, social network posts/updates/tags, Wi-Fi network tables, associated wireless devices (such as known Wi-Fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, user dictionaries.

I am additionally requesting that investigating officers be authorized, at their discretion, to conduct an offsite search of the seized items for the property described, and that investigating officers and those agents acting under the direction of the investigating officers are authorized to access all data on the cellular device to determine if the data contains the items described above. If necessary, I also request that investigating officers be authorized to employ the use of outside experts, acting under the direction of the investigating officers, to access and preserve data on the cellular device. Those items that are within the scope of this warrant may be copied and retained by investigative officers.

Based upon all of the above and my training and experience, I am requesting that investigating officers be allowed to listen to and look at any voicemail messages within internal and/or possible removable storage media, text files, GPS data including, but not limited to, coordinates, way points, and tracks, and/or erased files, and all other data files.

In the event that the cellular phones' or devices' memory card/chips cannot be accessed through a USB connection or a communication port due to security features, due to damage to the device, or if the device is not compatible with the available commercial tools, I request that a member of the Santa Rosa Police Department, Northern California Computer Crimes Task Force (NC3TF), or designee, be authorized to repair the damage to the device, or conduct a forensic examination of the device by directly accessing the memory card/chip to conduct their examination. The process of directly accessing the phones' memory card/chip will require the phone to be disassembled to a point in which the device may no longer function as designed.

If authorized to search the above-described cellular phone(s), the searches will be conducted within approved forensic guidelines that will safeguard the integrity of the original data stored within the cellular phone.

As required by California Penal Code Section 1524.1 (d), any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure absent an order from the Court. If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the system will be returned promptly.

Your affiant knows that cellular phones often contain significant amounts of digital content, and that reviewing and analyzing that content, then determining and preserving the evidentiary data, usually

requires significant amounts of time. For that reason, your affiant requests that the ten-day requirement for the search warrant return, as stated in California Penal Code section 1534, be waived to provide investigators ample time to conduct the necessary search and analysis. The Return to Search Warrant will be filed promptly upon completion of the search.

In regards to item #5 (Computers & Electronic Devices) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that computer and computer systems commonly consist of electronic data processing and storage devices, with central processing units, internal and peripheral storage devices such as fixed disks, external hard disks, disk drives, CD/DVD/BluRay drives, tape drives and tapes, optical storage devices, dongles or encryption keys, network storage devices or other memory storage devices. They also consist of peripheral input/output devices such as keyboards, printers, video display monitors, optical readers and related communication devices such as modems, Wi-Fi devices or air cards, software to run programs, connecting cables and plugs, peripherals such as touch pads, mouses, or other input devices, scanners, writing pads, manuals, connecting switches, telephone and Ethernet cables, and interface devices. There is system documentation, operating logs and documentation, software and instructional manuals for the computers and computer systems. Computing or data processing software, stored on any type of medium such as: hard disks, memory cards, USB storage devices, CD/DVD/BluRay disks, or other permanent or transient storage medium and other forms of magnetic media containing computer information.

Your Affiant requests any records, whether stored on paper, on magnetic media such as memory cards, USB drives, programmable instruments such as smart phones, gaming consoles, cloud storage and back up services or any other storage media, together with indicia of use, ownership, possession, or control of such records.

Your Affiant requests any written or computer communication in printed or stored medium such as e-mail and Chat Logs whether in active files, deleted files or unallocated space on the hard drive, or any data storage media.

Search of all of the above components is for files, data, images, software, operating systems, deleted files, system configurations, drive and disk configurations, date and time, unallocated and slack space, for evidence related to an assault with a deadly weapon on a police officer.

It is your Affiant's experience that computer system searches and examinations cannot be completed within ten days in which the Search Warrant must be served and the Return to Search Warrant filed. This is due in part because the police agency, that completes the computer search and examinations, it is common for them to have multiple cases working at the same time and it can take several weeks to complete. It is requested that the Search Warrant and Return to Search Warrant be filed and that the computer search, examinations, and investigation be allowed to continue.

In regards to item #6 (cameras) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant

expects to find and requests to search for and seize any cameras, video cameras, digital cameras, and digital media storage devices associated to them at the location(s), in the vehicle(s), and in the possession of person(s) to be searched. I know from training and experience that cameras and video cameras can contain images of the scene and commission of the crime(s) being investigated, as well as images of those involved in the crime(s) being investigated.

In regards to item #7 (firearms) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant requests to search for and seize any weapons, spent casings, any miscellaneous gun/firearm pieces, ammunition, gun-cleaning items or kits, holsters, ammunition belts, original box packaging materials, clips and/or magazines, targets, expended pieces of lead/bullets, any photographs of firearms, or any paperwork showing the purchase, storage, disposition, and/or dominion and control over any guns, any ammunition, or any of the above items.

Your Affiant believes that whether or not the firearm(s) sought are recovered, the above items would tend to show that a firearm(s) existed and may have once been located in a place to which the suspect had access, and that these items would tend to connect the suspect with the weapon(s) sought. The above items are not normally disposed of after the commission of a crime, and they are therefore still likely to be found in any location or vehicles to be searched, and/or on the person of any suspect to be searched pursuant to this Search Warrant.

In regards to item #8 (Processing of Suspect) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, I request to photograph and fingerprint the decedent and process him for any trace evidence, to include a buccal swab from his mouth to collect DNA, and cotton swabs and finger nail scrapings. I know from training and experience that fingerprints, trace evidence such as DNA, human hair fibers, body tissues, debris from the scene(s), blood and other bodily fluids can be found on suspect(s) involved in the type of crime(s) being investigated, and can be helpful in determining the identity of victims and suspects, and can prove the suspect's involvement in the crime.

In regards to item #9 (vehicles at the residence) I request permission to search any vehicle that is in the immediate vicinity of the locations to be searched, which is in the custody or control of the decedent, or other occupants of the residence as evidenced by ignition keys or car door keys, or vehicle ownership documents in his/her possession, or on his person, or under his/her dominion and control, or by statements of witnesses, or any vehicle within the garages, grounds, or storage areas to be searched. Such search shall include containers of any kind within the vehicle. I know that the above-mentioned items can be found in vehicles which the residents have access to.

As required by California Penal Code Section 1546.1(d), any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure except pursuant to a court order, or to comply with discovery as required by sections 1054.1 and 1054.7. If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the system will be returned promptly.

Your affiant knows that cellular phones often contain significant amounts of digital content, and that reviewing and analyzing that content, then determining and preserving the evidentiary data, usually requires significant amounts of time. For that reason, your affiant requests that the ten-day requirement for the search warrant return, as stated in California Penal Code section 1534, be waived to provide investigators ample time to conduct the necessary search and analysis. The Return to Search Warrant will be filed promptly upon completion of the search.

Finally, based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, Your affiant believes that the data recovered as a result of this search warrant may provide investigative leads that will lead to further interviews of witnesses and/or suspects, or reveal locations where evidence may be held or concealed, potentially leading to additional search warrants. I therefore believe that disclosure of this Search Warrant could impede the investigation being conducted. I request that this entire Search Warrant, Statement of Probable Cause / Affidavit, and Return to Search Warrant be sealed because disclosure could irremediably harm the ongoing criminal investigation.

Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant wants the court to authorize the use of person(s) who are Not Peace Officers to accompany the Peace Officers during the execution of this Search Warrant for the purpose of assisting them in the service of this Search Warrant as provided for under California Penal Code Section 1530.

I request that a Search warrant be issued based upon the aforementioned facts, for the seizure of said property, or any part thereof, between the hours of 7:00 A.M. and 10:00 P.M., good cause being shown thereof, and the same be brought before this Magistrate or retained subject to the order of the court, or of any court in which the offense(s) in respect to which the property of things taken, triable, pursuant to Section 1536 of the Penal Code,

DECLARATION and REQUEST FOR ORDER SEALING COURT ORDER DOCUMENTS

Your Affiant, **Gregory A. Wojcik**, as an assisting investigator in this matter, relates that this Court Order sought pursuant to this Court Order / Court Order Application and findings, and all documents relevant to this Court Order relate to an on-going assault with a deadly weapon on a police officer. If the information contained in the above listed documents is made public, it would compromise this on-going investigation and make it difficult to continue, without jeopardizing efforts to obtain evidence.

Your Affiant requests that the Court Order / Court Order Application and findings, and all documents relevant to this Court Order be ordered to be sealed. Your Affiant also requests that the Court Order / Court Order Application and findings, and all documents relevant to this Court Order remain sealed and in the custody of the Santa Rosa Police Department until order of this court or other competent court having jurisdiction over this matter.

I declare under penalty of perjury that the related foregoing is true and correct to the best of my knowledge.

STATEMENT OF PROBABLE CAUSE

Affiant declares under penalty of perjury that the following facts are true and that there is probable cause to believe, and Affiant does believe, that the designated articles, property, and persons are now in the described locations, including all rooms, buildings, and structures used in connection with the premises and buildings adjoining them, the vehicles and the persons:

STATEMENT OF PROBABLE CAUSE

I, Detective Gregory Wojcik, am a police officer employed by the City of Santa Rosa. I have been so employed since August, 1994. I am currently a detective, assigned to the Violent Crimes Team. Prior to becoming an officer with the Santa Rosa Police Department I was employed by the City of Los Angeles as a police officer from October, 1989 to August, 1994.

I received an Associate in Arts degree in the Administration of Justice from Golden West College in Huntington Beach, California in 1989. I possess an Advanced Certificate from the California Commission on Peace Officer Standards and Training.

I graduated from the Los Angeles Police Academy in December, 1990, where I received 960 hours of instruction in Basic Police Science. At the Los Angeles Police Department, my assignments were Patrol, and the Newton Division Special Problems Unit (street level narcotic and gang enforcement).

At the Santa Rosa Police Department, I have worked in a variety of specialized assignments including: Patrol, Neighborhood Enforcement Team (street level narcotic and gang enforcement), Field Training Officer and Gang Crimes Investigator.

As a Violent Crimes Detective my duties consist of the investigation of homicides, officer involved critical incidents, robberies, felony and misdemeanor assaults, missing persons, firearm related crimes, and the development and maintenance of informants. In addition, I am responsible for the preparation of search warrants and court orders, intelligence gathering, court testimony, and interviewing suspects, witnesses, and victims of crimes.

As a Gang Investigator, my duties consisted of the investigation of homicides, robberies, felony and misdemeanor assaults and property crimes. In addition, I was responsible for preparation of gang enhancements, intelligence gathering, preparation of search warrants and court orders, court testimony, and interviewing suspects, witnesses, and victims of crimes. I have interviewed hundreds of suspects, victims, and witnesses of these crimes. Also, I was sworn in as a Special Deputy United States Marshal as part of the Federal Bureau of Investigation Operation Safe Streets Gang Task Force and assisted in local and federal gang investigations from October, 2009 to August, 2011. I have participated in the monitoring of a state wiretap and one federal wiretap. I have received over 250 hours of gang specific

training.

I have provided expert testimony in the County of Sonoma Superior Court in gang prosecutions on nine occasions, and in narcotic sales prosecutions on four occasions. I have authored 11 search warrants and eight court orders.

INVESTIGATIVE SUMMARY

The following is information regarding an officer involved shooting involving a Santa Rosa Police Officer. The information is a combination of information I obtained from Santa Rosa Police Department (SRPD) Dispatch, and from information given by the involved officer in a public safety statement (to SRPD Sgt. Mahurin) shortly after the incident occurred. This case is being investigated by the Sonoma County Sheriff's Office. This case is documented by SRPD under case #17-10261.

On August 5, 2017 at approximately 5:58 a.m., SRPD received a 9-1-1 call from a resident at [redacted], Santa Rosa. He asked for the police to come to the residence quickly and said a subject at the residence was acting crazy. The dispatcher spoke to a second person at the residence during the same call who stated the subject had a knife. Dispatch also spoke to a subject during the call who was crying.

Officers arrived approximately seven minutes later. SRPD Officers Vlahandreas, Badger and McAllister went into the residence and began looking for the subject. Initially they could not find him, and during a second search found him hiding under a bed. The subject was naked and holding what Officer Vlahandreas described as a large butcher knife. Officers gave him commands to drop the knife, however,

he did not comply. The commands were given in English and Spanish. Officer Vlahandreas deployed his Electronic Control Device (Taser) at the subject two times, which appeared to him to be ineffective. He then used pepper spray on the subject, which was also ineffective. The subject then came out from under the bed and stood up and pointed the knife at the officer. Another officer then deployed his Electronic Control Device at the subject. The subject then hunched over during the five second cycle in which the device was activated. After the cycle completed, the subject, from several feet away, raised the knife above his head and advanced toward Officer Vlahandreas and two other officers who were with him. Officer Vlahandreas fired his handgun at the subject multiple times, at which time the subject retreated into a bathroom. Officers evacuated other residents, and ultimately found the subject deceased in the bathroom.

There is a vehicle parked in the driveway of the residence, a blue, 2003 Mitsubishi 4-door sedan, California license [redacted]

As of this writing, the deceased subject has not been identified. Officers are currently securing the scene pending issuance of this warrant.

Based on the above information, I expect to find, and request permission to search the residences, persons and vehicles described for the below items for the following reasons;

THE PREMISES at [redacted] Santa Rosa, Ca 95403 in the County of Sonoma, described as a single-story residence, at the southeast corner of [redacted] The residence has a teal stucco exterior, white trim, and a grey composite roof. The front door faces north, and the numbers [redacted] are to the right of the front door in gold numbers, with a two-car garage to the right of the front door.

THE VEHICLE described as: a blue, 2003 Mitsubishi 4-door sedan, California license [redacted]

In regards to #1 (Dominion) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that during the service of this Search Warrant there are many articles of personal and/or business property tending to establish the identity of persons who have dominion and control over the premises, business, vehicles, and/or items to be seized. Your Affiant believes that these items will tend to connect the premises, locations, persons, and vehicles to be searched with the items to be seized and the case being investigated. It is your Affiant's opinion that these types of items are usually present at the location sought to be searched by this Search Warrant and that they will therefore likely still be found in the location, and/or the person to be searched.

In regards to item #2 (Photographs/Video, Forensic, Measurements, Seize Weapons/Evidence) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that Peace Officer(s) or assigned representative(s) should video record, photograph and/or digital image the location during the

execution of this Search Warrant. The Affiant needs control of who takes the images. Computer(s) may be at the scene and may be operating during the service of the Search Warrant. The images on the computer(s) screens are transient, it may be necessary to video record, photograph and/or digital image the computer monitor screen(s). Photographing of the location, vehicles and persons present at the scene is often helpful in the showing possession of the premises and evidence. It is also good to show the condition of the location as the Search Warrant is served and to show the condition of the location after the Search Warrant has been served. Your Affiant also knows that the Peace Officer(s) or representative needs to take measurements and make sketches of the scene and adjacent areas; and seize weapons, bludgeons, and/or guns. They need to take suspected blood and other physiological fluids; hair and fibers; fingerprints, footprints, and other impressions left at the crime scene, as well as DNA swabs of trace evidence. Gunshot residue; ammunition casings, any and all instruments used to aid and abet in the commission of crime need to be located and seized, as well as law enforcement equipment left at the scene, including, but not limited to Electronic Control Device parts and ammunition/ammunition casings. Clothing of the suspects(s) and or victims(s); photos and film, developed and undeveloped; samples of paint, glass, and other fluids and solids that may have stained or adhered to the clothing and person of the victim(s) and/or suspect(s) need to be located and seized from the scene.

In regards to item #3 (Motive) Based on your affiant's training, experience and conversations that your affiant had with other Law Enforcement Officers and/or reports that your affiant has read, your affiant knows that subjects involved in the types of crime(s) being investigated will often possess written material containing statements showing ill feelings, threats, and other possible motives between victim(s) and possible suspect(s);

In regards to item #4 (Cell Phones) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, I expect to find, and request permission to search for, any cellular telephone, tablet, digital storage device, memory card, laptop computer, or desktop computer found at the location(s) to be searched, in the vehicle(s), or in the possession or control of persons within the location(s) to be searched. Your Affiant knows that cellular telephones commonly consist of electronic data processing and storage devices, internal and peripheral storage devices such as SIM cards, flash memory cards, or other memory storage devices. These devices often use charging cords or cables to charge the phones or to connect to computers which may be required to operate the devices, therefore, I request permission to seize those as well. I believe, based on training and experience, the cell phone is not only a valuable tool which can be used to aid in the commission of the crimes being investigated, but can be used to avoid apprehension, and is a tool which can allow law enforcement to apprehend suspects responsible for crimes. Cell phones can also contain evidence of the crimes being investigated. I know this, based on numerous other investigations in which subjects wanted for serious crimes have used cell phones in the commission of their crimes, and continued to possess and use their cell phones after the commission of crimes to avoid apprehension.

I believe that an analysis of the contacts, call history, text messages, photos, videos, and other digital content on those cellular phone(s) or similar electronic device(s) found during the service of this search warrant will be helpful in showing the decedent's intent to commit an assault with a deadly weapon on a police officer, and any preparation for the assault.

Your affiant knows that Santa Rosa Police Department investigators have access to the Cellebrite and XRY data extraction systems. Based on my training and experience, I know that the Cellebrite and XRY systems are cellular phone transfer tools capable of reading, copying, and extracting information stored within possible removable storage media, picture files, text files, video files, and/or erased files within the cellular phone. I know that the devices may read, copy, and extract the cellular phone's incoming and outgoing text messages, e-mail messages, stored digital images, log-in name and passwords for on-line services, contact lists, phone numbers, addresses, call log/call detail records, identification history log, incoming and outgoing call identification history log, and missed call identification history logs, SMS text messages, ESN/IMEI information, mobile applications used to connect cellular communication devices to Internet services, pictures, video, audio, and ring tones. In addition, I know that the Cellebrite and XRY devices are capable of creating and/or printing a report that lists the data obtained from the electronic search of the cellular phone. I know that forensic examinations of cellular phones can be done via the Cellebrite Universal Forensic Extraction Device (UFED) and XRY systems, as well as by photographing phone displays, and connecting the phones to a computer via the USB cable in order to download images contained within the phone.

Based on the above information, I am therefore requesting the Court authorize a search of any cellular phones, smart phones, tablets, digital storage devices, memory cards, laptops, or desktop computers, found on the person of the decedent or inside the location to be searched, via forensic examination and/or search by data extraction device and software cellular phone transfer device, such as the Cellebrite and/or XRY Device, for the following:

1. All data that constitutes evidence and instrumentalities of an assault on a police officer that occurred on 8/5/17, including communications referring or relating to these investigations, between the decedent and any unknown associates or co-conspirators, including the following:

    a. All communications content, including email, text (SMS/MMS or app chats), notes, or voicemail, between the dates of **8/5/16 and 8/5/17**. This data will also include attachments, source and destination addresses, and time and date information, and connection logs, images and any other records that constitute evidence and instrumentalities of an assault with a deadly weapon on a police officer that occurred on 8/5/17, including communications referring or relating to this investigation, together with indicia of use, ownership, possession, or control of such communications or information found;

    b. All location data between the dates of **8/5/16 and 8/5/17**. Location data may be stored as GPS locations or cellular tower connection data. Location data may be found in the metadata of photos and social networking posts, Wi-Fi logs, and data associated with installed applications;

    c. All photographic/video/audio data and associated metadata;

d. All internet history for the dates above, including cookies, bookmarks, web history, search terms;

e. All indicia of ownership and control for both the data and the cellular device, such as device identification and settings data, address book/contacts, social network posts/updates/tags, Wi-Fi network tables, associated wireless devices (such as known Wi-Fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, user dictionaries.

I am additionally requesting that investigating officers be authorized, at their discretion, to conduct an offsite search of the seized items for the property described, and that investigating officers and those agents acting under the direction of the investigating officers are authorized to access all data on the cellular device to determine if the data contains the items described above. If necessary, I also request that investigating officers be authorized to employ the use of outside experts, acting under the direction of the investigating officers, to access and preserve data on the cellular device. Those items that are within the scope of this warrant may be copied and retained by investigative officers.

Based upon all of the above and my training and experience, I am requesting that investigating officers be allowed to listen to and look at any voicemail messages within internal and/or possible removable storage media, text files, GPS data including, but not limited to, coordinates, way points, and tracks, and/or erased files, and all other data files.

In the event that the cellular phones' or devices' memory card/chips cannot be accessed through a USB connection or a communication port due to security features, due to damage to the device, or if the device is not compatible with the available commercial tools, I request that a member of the Santa Rosa Police Department, Northern California Computer Crimes Task Force (NC3TF), or designee, be authorized to repair the damage to the device, or conduct a forensic examination of the device by directly accessing the memory card/chip to conduct their examination. The process of directly accessing the phones' memory card/chip will require the phone to be disassembled to a point in which the device may no longer function as designed.

If authorized to search the above-described cellular phone(s), the searches will be conducted within approved forensic guidelines that will safeguard the integrity of the original data stored within the cellular phone.

As required by California Penal Code Section 1524.1 (d), any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure absent an order from the Court. If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the system will be returned promptly.

Your affiant knows that cellular phones often contain significant amounts of digital content, and that reviewing and analyzing that content, then determining and preserving the evidentiary data, usually

requires significant amounts of time. For that reason, your affiant requests that the ten-day requirement for the search warrant return, as stated in California Penal Code section 1534, be waived to provide investigators ample time to conduct the necessary search and analysis. The Return to Search Warrant will be filed promptly upon completion of the search.

In regards to item #5 (Computers & Electronic Devices) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant knows that computer and computer systems commonly consist of electronic data processing and storage devices, with central processing units, internal and peripheral storage devices such as fixed disks, external hard disks, disk drives, CD/DVD/BluRay drives, tape drives and tapes, optical storage devices, dongles or encryption keys, network storage devices or other memory storage devices. They also consist of peripheral input/output devices such as keyboards, printers, video display monitors, optical readers and related communication devices such as modems, Wi-Fi devices or air cards, software to run programs, connecting cables and plugs, peripherals such as touch pads, mouses, or other input devices, scanners, writing pads, manuals, connecting switches, telephone and Ethernet cables, and interface devices. There is system documentation, operating logs and documentation, software and instructional manuals for the computers and computer systems. Computing or data processing software, stored on any type of medium such as: hard disks, memory cards, USB storage devices, CD/DVD/BluRay disks, or other permanent or transient storage medium and other forms of magnetic media containing computer information.

Your Affiant requests any records, whether stored on paper, on magnetic media such as memory cards, USB drives, programmable instruments such as smart phones, gaming consoles, cloud storage and back up services or any other storage media, together with indicia of use, ownership, possession, or control of such records.

Your Affiant requests any written or computer communication in printed or stored medium such as e-mail and Chat Logs whether in active files, deleted files or unallocated space on the hard drive, or any data storage media.

Search of all of the above components is for files, data, images, software, operating systems, deleted files, system configurations, drive and disk configurations, date and time, unallocated and slack space, for evidence related to an assault with a deadly weapon on a police officer.

It is your Affiant's experience that computer system searches and examinations cannot be completed within ten days in which the Search Warrant must be served and the Return to Search Warrant filed. This is due in part because the police agency, that completes the computer search and examinations, it is common for them to have multiple cases working at the same time and it can take several weeks to complete. It is requested that the Search Warrant and Return to Search Warrant be filed and that the computer search, examinations, and investigation be allowed to continue.

In regards to item #6 (cameras) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant

expects to find and requests to search for and seize any cameras, video cameras, digital cameras, and digital media storage devices associated to them at the location(s), in the vehicle(s), and in the possession of person(s) to be searched. I know from training and experience that cameras and video cameras can contain images of the scene and commission of the crime(s) being investigated, as well as images of those involved in the crime(s) being investigated.

In regards to item #7 (firearms) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant requests to search for and seize any weapons, spent casings, any miscellaneous gun/firearm pieces, ammunition, gun-cleaning items or kits, holsters, ammunition belts, original box packaging materials, clips and/or magazines, targets, expended pieces of lead/bullets, any photographs of firearms, or any paperwork showing the purchase, storage, disposition, and/or dominion and control over any guns, any ammunition, or any of the above items.

Your Affiant believes that whether or not the firearm(s) sought are recovered, the above items would tend to show that a firearm(s) existed and may have once been located in a place to which the suspect had access, and that these items would tend to connect the suspect with the weapon(s) sought. The above items are not normally disposed of after the commission of a crime, and they are therefore still likely to be found in any location or vehicles to be searched, and/or on the person of any suspect to be searched pursuant to this Search Warrant.

In regards to item #8 (Processing of Suspect) Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, I request to photograph and fingerprint the decedent and process him for any trace evidence, to include a buccal swab from his mouth to collect DNA, and cotton swabs and finger nail scrapings. I know from training and experience that fingerprints, trace evidence such as DNA, human hair fibers, body tissues, debris from the scene(s), blood and other bodily fluids can be found on suspect(s) involved in the type of crime(s) being investigated, and can be helpful in determining the identity of victims and suspects, and can prove the suspect's involvement in the crime.

In regards to item #9 (vehicles at the residence) I request permission to search any vehicle that is in the immediate vicinity of the locations to be searched, which is in the custody or control of the decedent, or other occupants of the residence as evidenced by ignition keys or car door keys, or vehicle ownership documents in his/her possession, or on his person, or under his/her dominion and control, or by statements of witnesses, or any vehicle within the garages, grounds, or storage areas to be searched. Such search shall include containers of any kind within the vehicle. I know that the above-mentioned items can be found in vehicles which the residents have access to.

As required by California Penal Code Section 1546.1(d), any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure except pursuant to a court order, or to comply with discovery as required by sections 1054.1 and 1054.7. If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the system will be returned promptly.

Your affiant knows that cellular phones often contain significant amounts of digital content, and that reviewing and analyzing that content, then determining and preserving the evidentiary data, usually requires significant amounts of time. For that reason, your affiant requests that the ten-day requirement for the search warrant return, as stated in California Penal Code section 1534, be waived to provide investigators ample time to conduct the necessary search and analysis. The Return to Search Warrant will be filed promptly upon completion of the search.

Finally, based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, Your affiant believes that the data recovered as a result of this search warrant may provide investigative leads that will lead to further interviews of witnesses and/or suspects, or reveal locations where evidence may be held or concealed, potentially leading to additional search warrants. I therefore believe that disclosure of this Search Warrant could impede the investigation being conducted. I request that this entire Search Warrant, Statement of Probable Cause / Affidavit, and Return to Search Warrant be sealed because disclosure could irremediably harm the ongoing criminal investigation.

Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant wants the court to authorize the use of person(s) who are Not Peace Officers to accompany the Peace Officers during the execution of this Search Warrant for the purpose of assisting them in the service of this Search Warrant as provided for under California Penal Code Section 1530.

I request that a Search warrant be issued based upon the aforementioned facts, for the seizure of said property, or any part thereof, between the hours of 7:00 A.M. and 10:00 P.M., good cause being shown thereof, and the same be brought before this Magistrate or retained subject to the order of the court, or of any court in which the offense(s) in respect to which the property of things taken, triable, pursuant to Section 1536 of the Penal Code,

Community: Update to officer involved shooting investigation.

Dear Jesse Hanshew,

Sonoma County Sheriff's Investigators are releasing the latest information about the officer involved shooting that occurred yesterday at about 6:00 AM in the [redacted] Santa Rosa. At 5:58 AM three SRPD officers responded to a call of a resident acting crazy. The Spanish speaking caller, with the use of a translation line service wasn't able to tell dispatchers too much information other than asked for a rapid response. A second person got on the phone with dispatch and was crying. This person said someone in the home had a small laceration and was in need of medical attention.

Timeline:

The first SRPD officer arrived at 6:03, followed by two other officers at 6:05 AM. At 6:12 AM officers asked dispatch to send another unit and that the suspect was found with a knife. At 6:15 AM an officer radioed that a Taser was deployed and was ineffective. At 6:17 AM a SRPD patrol sergeant arrived on scene. At 6:18 AM an officer radioed that shots were fired.

What we know:

This home was occupied by numerous residents at the time of this incident. The home houses several different families. At least two children were home at the time of this incident in a different portion of the residence. One person with a laceration was found in the home and safely evacuated to an awaiting ambulance. This person was transported to a local hospital to be treated for the injury.

The agitated resident was found in a bedroom, under a mattress and was armed with a 12" sharp kitchen knife. A Taser was deployed along with pepper spray in an attempt to disarm the man however less-lethal options weren't effective. It isn't known how many times the Taser was activated or the duration of time the Taser was activated. This information will be downloaded from the Taser and available later.

The officers attempted to talk to the man to deescalate the situation for several minutes. T he man w as

described as Hispanic but was able to converse with the officers in English. After several minutes of negotiations, the man advanced on the officers with the knife in his hand. One officer shot the man several times. The amount of shots fired, the amount of times and location the man was struck will be determined in the course of the investigation.

The man went down and officers rendered first aid however the man died at the scene. Residents of the home were evacuated from the residence and were later interviewed.

A team of approximately 20 detectives were called in to investigate the incident which comprised of neighborhood canvassing, witness interviews, authoring and serving search warrants, crime scene examination and evidence collection.

An autopsy is scheduled for Monday morning. The deceased man's identity and age is not being released at this time. Officers were wearing body cameras that were activated during the incident. Fur ther inf ormation will be released as it is learned.

Community: Update to officer involved shooting investigation.

Dear Joseph Horsman,

Sonoma County Sheriff's Investigators are releasing the latest information about the officer involved shooting that occurred yesterday at about 6:00 AM in the [redacted] Santa Rosa. At

5:58 AM three SRPD officers responded to a call of a resident acting crazy. The Spanish speaking caller, with the use of a translation line service wasn't able to tell dispatchers too much information other than asked for a rapid response. A second person got on the phone with dispatch and was crying. This person said someone in the home had a small laceration and was in need of medical attention.

Timeline:

The first SRPD officer arrived at 6:03, followed by two other officers at 6:05 AM. At 6:12 AM officers asked dispatch to send another unit and that the suspect was found with a knife. At 6:15 AM an officer radioed that a Taser was deployed and was ineffective. At 6:17 AM a SRPD patrol sergeant arrived on scene. At 6:18 AM an officer radioed that shots were fired.

What we know:

Community: Sonoma County Sheriff's Detectives release information on Santa Rosa officer involved shooting.

Dear Jesse Hanshew,

This press release is to provide additional information pertaining to the officer involved shooting investigation that involved the Santa Rosa Police Department, which occurred on August 5th, 2017.

The Sonoma County Sheriff's Office is releasing this information as the lead investigative agency. Other law enforcement agencies that participated in the investigation include Petaluma Police Department, Rohnert Park Department of Public Safety and the Sonoma County District Attorney's Office.

The following is a summary of events as we now know them-

On Saturday, August 5, 2017 at approximately 5:58 am, Santa Rosa Police Officers were dispatched to a residence located in the [redacted] after a 911 call reporting that a resident there was causing a disturbance and "acting crazy." The caller spoke Spanish and a translator was used. The caller requested a rapid response and relayed the man causing the distu rbance w as armed with a knife.

The first Santa Rosa Police Officer, Jeffrey Badger, arrived on scene at approximately 6:03 AM. The second officer, Nick Vlahandreas, arrived approximately 1 minute later. Both officers then approached

the front door of the residence, which was open. They contacted two Spanish speaking males, one of whom was very distraught and had blood on his clothing. They were directed to a bedroom where the suspect, Pablo Garcia-Garcia, was last seen.

They entered the bedroom, identified themselves, and conducted a visual search of the room. The room was messy and cluttered with various personal items. The window to the room was wide open with no screen. This window led to the backyard. Officer Badger went to the backyard while Officer Vlahandreas remained inside the residence and spoke further with the stabbing victim. Although there was a language barrier, he was able to ascertain that a felony assault with a deadly weapon had in fact occ urred.

As Officer Vlhandreas was speaking with the stabbing victim he heard noise coming from the bedroom in question. It was at this time Garcia was discovered hiding under the bed frame of a bed located in the room. Officer Badger returned inside to the bedroom where he and Officer Vlahandreas began a dialogue with Garcia, and removed mattresses/bedding to expose him. At this time they discovered Garcia was completely naked, acting odd/bizarre, and armed with a 12" kitchen knife. See attached picture.

We now know the following after reviewing the officer's body worn camera footage and interviewing the involved officer's-

From the time officers located Garcia hiding under the bed frame in his bedroom, to the time when the shooting occurred, is approximately 7 minutes. During that time Officer Badger and Officer Vlahandreas continually pleaded with Garcia in both English and Spanish in an attempt to deescalate the situation, and for Garcia t o relinq uish the knife which he continually brandished. Approximately 4 minutes after they first encountered Garcia, Officer Vlahandreas fired his Taser at Garcia. This appeared ineffective, and Officer Vlahandreas activated his Taser a second time, which also appeared to be ineffective. Garcia continued to be angry, aggressive, act oddly, tell the officers to leave (in English), and brandish the knife at the officers. Officer Vlahandreas then sprayed Garcia with pepper spray. Approximately 3 minutes later, Garcia stood up and charged the officers with knife in hand, coming within mere feet of them. Officer Badger then fired his Taser. This deployment slowed Garcia's advance momentarily, but he never let go of the knife and was not incapacitated. Garcia appeared to fight through the electric shock of the Taser and within seconds continued his charge at the officers very rapidly.

Garcia exited the bedroom into the hallway very quickly as the officers retreated backwards . Office r Vlahandreas, fearing for his

life and that of others, fired his 9mm Glock pistol 5 times. In this moment Garcia was able to make his way into the bathroom directly across from the bedroom where this incident occurred. The door closed behind him. It was unknown to the officers at the time whether Garcia had been struck by Officer Vlahandreas' gunfire.

A third officer, Park McAllister, arrived and was just entering the front doorway to the home as the shots were fired. More officers arrived on scene and a Spanish speaking officer began a dialogue in an attempt to get Garcia to surrender. Ultimately a team of officers, armed with a riot/protective type shield, made entry into the bathroom and discovered Garcia had in fact been struck by gunfire and was on the ground still clutching the knife in his hand. Lifesaving efforts were performed however Garcia was pronounced dead shortly thereafter.

AUTOPSY-

An autopsy of Garcia was conducted on Au gust 8, 2017. It was determined he was struck by 3 bullets, which were recovered from his body. The apparent entry of these bullets were as follows: 2 to his upper left torso (below armpit) and 1 to his lower left torso (hip area). This is consistent with Officer Vlahndreas' positioning while Garcia charged out the bedroom door, Officer Vlahandreas retreated back and to Garcia's left side.

Two other bullets were located in the flooring of the hallway where Garcia had been shot. This is consistent with the 5 casings located at the scene, and with the number of gunshots which could be heard while reviewing the officer's body worn camera footage.

Blood and urine samples were collected at the time of autopsy. Preliminary/presumptive results indicate the presence of a central nervous system stimulant in Garcia's system. We will not have final/conclusive results until final toxicology testing has been completed.

VICTIM UPDATE-

The vic tim of t he stabbing which occurred prior to the officer's arrival has been interviewed. He reported that prior to being stabbed, Garcia was acting delusional and seeing things that didn't exist. When the victim tried to flee from the bedroom, Garcia stabbed him. The victim ultimately escaped out the bedroom window and was later treated for his injuries which were later determined to be non-life threatening.

This investigation is still ongoing. It will be forwarded to the

Sonoma County District Attorney's Office for review once complete.

PRESS RELEASE: Officer Involved Shooting (Santa Rosa Police Case #17-10261)

Message Expired

FOR IMMEDIATE RELEASE:

On Saturday, August 5th, at approximately 5:58 am, Santa Rosa Police Officers were dispatched to a residence located in the [redacted] after a 911 call reporting that a resident there was causing a disturbance and "acting crazy". The reporting party was believed to be a resident at that same address, and he relayed that the man causing the disturbance was armed with a knife. A second resident also called 911 minutes later to report the same disturbance.

Santa Rosa Police Officers arrived on scene minutes later and entered the residence. While checking the home, officers encountered the suspect hiding under a bed. The suspect was armed with a large knife. Officers gave commands to gain the suspect's compliance in surrendering and dropping the knife. The officers used less-lethal measures, such as electronic control devices and chemical agents several times in an attempt to safely control the suspect, but he still failed to comply with their commands. The suspect advanced on officers while brandishing the knife. At least one officer fired multiple shots and struck the suspect. As the incident was occurring, other officers evacuated additional residents through bedroom windows to safety.

Other officers and medical personnel at the residence gave medical attention to the suspect, but he died at the scene.

Video of the incident was captured by body worn cameras. The videos will not be released based on the ongoing investigation.

The Santa Rosa Police Department, in accordance with Sonoma County Law Enforcement Employee-Involved Fatal Incident Protocol, contacted the Sonoma County Sheriff's Office requesting their independent investigation of the incident. The Sonoma County Sheriffs Office was designated as the lead investigating agency. The investigation is being supplemented with investigative resources from the Petaluma Police Department, Rohnert Park Department of Public Safety and the Sonoma County District Attorney's Office.

In accordance with the Santa Rosa Police Department's policies and procedures, the officers involved will be placed on administrative leave.

The Sonoma County Sheriff's Department will be providing additional media updates as the investigation continues. For additional media inquiries, please contact Sonoma County Sheriff's Office Sgt. Spencer Crum at (707) 565-3941.

Man fatally shot by Santa Rosa police inside home

Santa Rosa police officers responding early Saturday morning to a reports of a domestic disturbance shot and killed a male resident who police said ignored commands to drop a large knife and advanced on officers.

The shooting happened just after 5:58 a.m. inside a residence in the [redacted] the Santa Rosa Police Department said Saturday afternoon in a news release.

Dispatchers received two 911 calls reporting a man inside the residence "acting crazy" and armed with a knife, the release said. When officers arrived on scene, the man was found hiding under a bed, holding a knife, police reported.

Officers ordered him to surrender and drop the knife, but he did not, police said. Officers used "electronic control devices" and "chemical agents" to subdue the man, the release said, but he advanced on officers while brandishing the knife.

At least one officer fired multiple shots, striking the suspect. It was unclear from the department's initial account when the man came out from underneath the bed, how many shots were fired and how many officers were involved in the shooting.

As the incident was unfolding, other residents of the home were escorted out through a bedroom window, police said.

Officers and medical personnel on scene attempted to aid the man, but he was pronounced dead at the scene, the release said. His name and age were not been released.

The officers involved were wearing body cameras, which recorded the incident, but that video has not been released, with the agency citing a pending investigation.

The Sonoma County Sheriff's Office is leading the investigation of the incident, and the involved officers will be placed on administrative leave.

Knife-wielding man shot and killed by Santa Rosa police inside home, authorities say

CHRISTI WARREN
THE PRESS DEMOCRAT | August 5, 2017, 4:15PM

A Santa Rosa police officer shot and killed a man who authorities say was wielding a large knife inside his home early Saturday morning and advancing toward officers with the weapon in hand, ignoring their commands. He was shot after officers' attempts to subdue and detain him — with a Taser and pepper spray — failed, authorities said.

The shooting occurred 20 minutes after a 5:58 a.m. 911 call was made — the first of two placed by fellow residents of the home — reporting a man was "acting crazy" and was armed with a knife, police said.

One of the callers had suffered a wound — "somewhere between" a laceration and a stab wound, said Sgt. Spencer Crum of the Sonoma County Sheriff's Office, which is handling the investigation into the shooting.

Fatal officer-involved shooting on West Steele Lane, Santa Rosa

The first Santa Rosa officer arrived at the house on the [redacted] at 6:03 a.m., with two other officers arriving minutes later, Crum said.

Officers encountered the man hiding beneath a bed about 6:12 a.m., when they requested backup because he was armed with a knife, according to police logs cited by Crum.

"(The officers) negotiated with him, and we're told that he spoke English, and they did have a conversation," Crum said.

Officers ordered the man, who Crum said was Latino, to surrender and drop the knife, but he ignored them, according to a written statement released by the Santa Rosa Police Department on Saturday afternoon

Officers then deployed a Taser and pepper spray, Crum said, but the nonlethal techniques didn't work, and the man continued to advance on officers, according to police.

By 6:18 a.m., officers at the scene reported shots had been fired.

"There were multiple shots, but we don't know exactly how many yet," Crum said. Only one officer fired, Crum said, but at least three officers were in the home when the shooting occurred.

[redacted]52, lives in a home on [redacted]directly behind the house involved in the shooting.

He said he heard what might have been the gunshots.

"Like 'pop-pop-pop, pop," he said. "It was a totally random sound, too. It was something I'd never heard around here."

Officers and medical personnel on scene attempted to aid the wounded man, but he was pronounced dead at the scene. His name and age were not released.

As the incident was unfolding, officers were evacuating the home's many residents through a bedroom window of the single-story home, police and sheriff's officials said. Crum said multiple families lived in the home, and that at least two children were present on the property at the time.

The person with the knife wound was taken to Santa Rosa Memorial Hospital by ambulance, Crum said. Her condition was unknown.

Crum said he wasn't sure Saturday evening how many times the Taser was used or for how long because that data hadn't been downloaded from the device yet.

The officers involved were wearing body cameras, which recorded the incident, but police said they would not release the video footage, citing a pending investigation.

The involved officers will be placed on administrative leave, which is standard procedure in such cases.

An autopsy is scheduled for Monday.

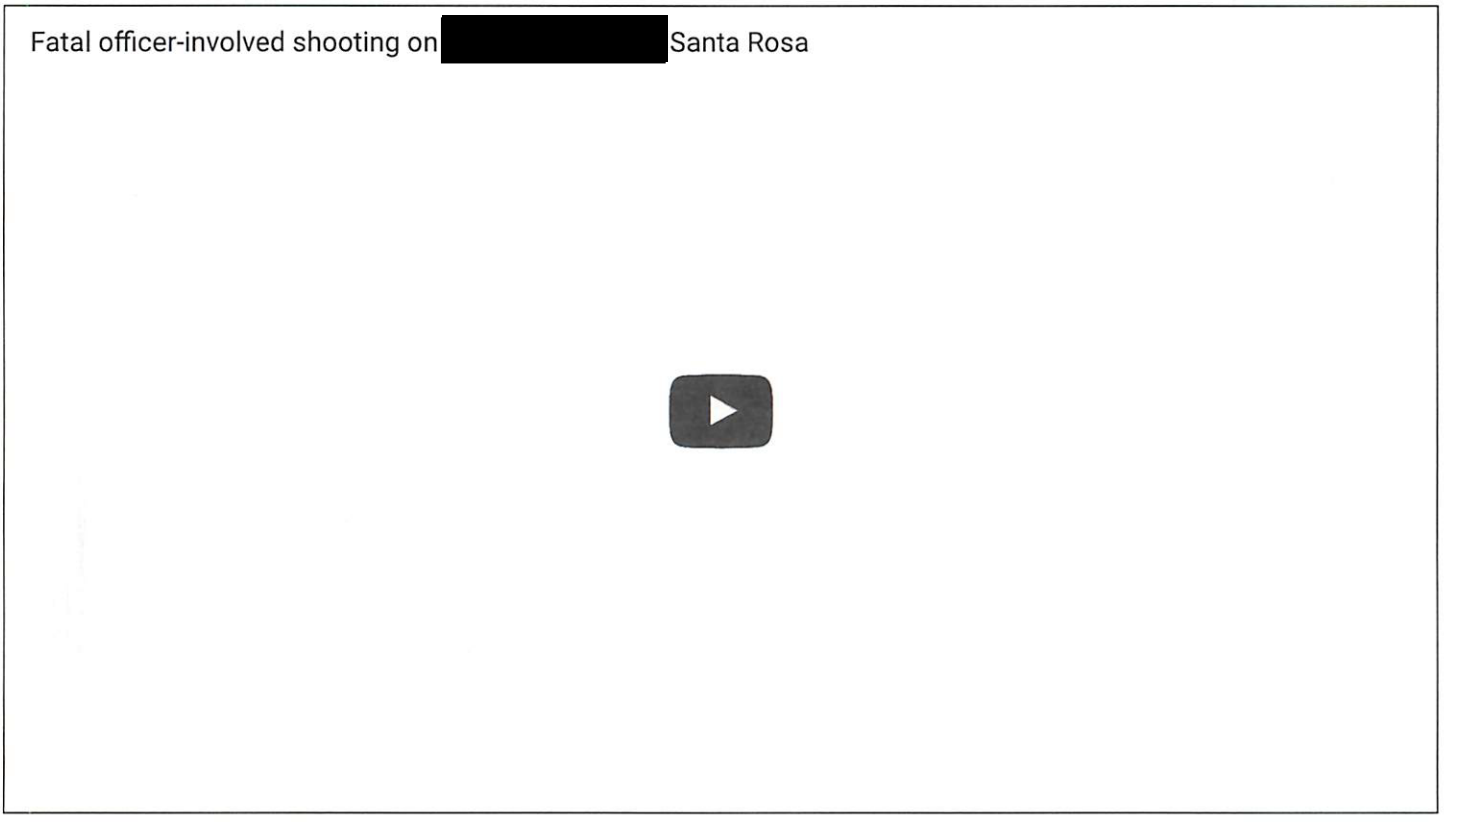
DIANE PETERSON
THE PRESS DEMOCRAT | August 6, 2017, 8:51PM | Updated 4 hours ago.

The Sonoma County Sheriff's Office released little new information Sunday about a Santa Rosa Police officer's fatal shooting early Saturday of a knife-wielding man in a [redacted] home.

A press release from the Sheriff's Office did not identify the victim, the officer involved or the number of shots fired.

The release did state that the unidentified victim, described as Latino, was armed with a 12-inch kitchen knife. According to the release, the man was under a mattress, and despite officers using pepper spray and a Taser an unknown number of times, followed by several minutes of negotiations in English, the man advanced on police.

Fatal officer-involved shooting on [redacted] Santa Rosa



"One officer shot the man several times," the release stated. "The amount of shots fired, the amount of times and location the man was struck will be determined in the course of the investigation."

Aid was rendered immediately but the man was declared dead at the scene. An autopsy is scheduled for Monday.

According to the release, the home in the [redacted] block was occupied by numerous residents at the time of the incident, which began with a Spanish speaker calling dispatchers about 6 a.m. using a translation line service. Dispatchers were unable to glean much information until a second person got on the phone crying, saying someone in the home had "a small laceration" and needed medical help.

The first officer arrived at 6:03 a.m., followed by two more two minutes later. The Taser was deployed at 6:15. A patrol sergeant arrived at the scene at 6:17 and at 6:18 an officer radioed that shots were fired.

At least two children were in the home during the incident, according to the release. The person with the laceration was taken to a local hospital.

About 20 detectives were called in to investigate, interviewing other residents of the house and neighbors, and collecting evidence.

The officers involved were wearing body cameras, but police said they would not release the video footage, citing the pending investigation. All of the involved officers will be placed on administrative leave, standard procedure in such cases.

Santa Rosa man fatally shot by police had been deported, but returned

COPY

PAUL PAYNE
THE PRESS DEMOCRAT | August 8, 2017, 10:05AM

The knife-wielding man shot and killed by Santa Rosa police over the weekend was deported to Mexico after serving jail time in 2015, but according to a family member he returned within days to be near relatives and work in the vineyards in Healdsburg and Santa Rosa.

Court records show Pablo Garcia Garcia, 35, was arrested two years ago when he barged into a stranger's house brandishing a kitchen knife in each hand and detained a mother and her children as they prepared for school.

He served about eight months in jail for the March 2015 incident on [redacted] according to the records, which occurred less than three miles from where he was killed Saturday morning at a house on [redacted]

Meanwhile, Santa Rosa police on Tuesday released the names of the three officers who responded to the incident without saying which one fired at Garcia. They are Nicholas Vlahandreas, hired in March from Scotts Valley with a total of three years' experience; Jeffrey Badger, on the Santa Rosa force for two years; and Park McAllister, a nine-year law enforcement veteran who came from El Segundo in March and had worked in Stockton and Torrance.

All were on paid leave as part of standard procedure in officer-involved shootings, said Santa Rosa police Capt. Craig Schwartz.

An investigation by the Sonoma County Sheriff's Office is continuing.

Garcia was living in a room in the single-story house shared by other families at the intersection of [redacted] and [redacted] when police were summoned to a report of a man "acting crazy."

Officers arrived to find Garcia armed with a 12-inch kitchen knife and hiding under a mattress. He refused to come out despite attempts to subdue him with a Taser and pepper spray and was shot as he advanced on officers, police said.

Grieving family members were at a loss to explain the circumstances of his death.

"We still don't know what happened," said his niece [redacted] of Healdsburg. "The detectives are still investigating."

An autopsy was being performed Tuesday morning to determine where he was shot and how many bullets struck him.

Garcia had a warrant for his arrest for a probation violation at the time he was killed, sheriff's Sgt. Spencer Crum said.

The west Santa Rosa home, which was shared by a number of Latino families, was the scene of a shooting into an inhabited dwelling in 2003 and a car theft in 2013, Crum said.

Early Saturday, police were summoned by two calls for help. Both reported a resident of the home was causing a disturbance.

The first officer arrived at 6:03 a.m. and two others came minutes later.

Officers found the man, later identified as Garcia, hiding beneath a bed about 6:12 a.m. They requested backup because he was armed with a knife, according to police logs.

Officers ordered the man to surrender and drop the knife, but he ignored them, a Santa Rosa police statement said.

Garcia spoke English, Crum said.

Officers then deployed a Taser and pepper spray but the nonlethal weapons didn't work, and the man continued to advance on officers, according to police.

By 6:18 a.m., officers at the scene reported shots had been fired.

Santa Rosa man ID'd in deadly police shooting

The knife-wielding man shot and killed by Santa Rosa police over the weekend was identified Tuesday as 35-year-old Pablo Garcia Garcia.

Garcia was living at the home in the [redacted] when he was shot early Saturday by one of three officers responding to separate calls of an agitated person and a request for medical help.

They arrived to find the man armed with a 12-inch kitchen knife and hiding under a mattress. He refused to come out despite attempts to subdue him with a Taser and pepper spray and was shot as he advanced on officers, police said.

An autopsy was being performed Tuesday morning to determine his exact cause of death and how many times he was hit by bullets.

The name of the officer who shot him was not released. An investigation by the Sonoma County Sheriff's Office was continuing, sheriff's Sgt. Spencer Crum said.

It was unclear how long Garcia had been living at the west Santa Rosa home, which was shared by a number of Latino families, Crum said.

It was the scene of a shooting into an inhabited dwelling in 2003 and a car theft in 2013, he said.

"People come and go from that place," Crum said.

Garcia served jail time in 2015 for false imprisonment and had a warrant out for his arrest for a probation violation at the time he was killed, Crum said.

Police were summoned by two calls for help early Saturday. One caller reported a man "acting crazy," Crum said.

The first Santa Rosa officer arrived at the house on the [redacted] at 6:03 a.m., with two other officers arriving minutes later, Crum said.

Officers encountered the man hiding beneath a bed about 6:12 a.m., when they requested backup because he was armed with a knife, according to police logs cited by Crum.

Officers ordered the man to surrender and drop the knife, but he ignored them, according to a written statement released by the Santa Rosa Police Department on Saturday afternoon.

Garcia spoke English, Crum said.

Officers then deployed a Taser and pepper spray, Crum said, but the nonlethal techniques didn't work, and the man continued to advance on officers, according to police.

By 6:18 a.m., officers at the scene reported shots had been fired.

Officials: Santa Rosa police shot knife-wielding man three times

A knife-wielding man who charged Santa Rosa police officers was struck by three bullets and then shut himself in a bathroom in a [redacted]house, where he died, according to new details released Thursday.

Pablo Garcia-Garcia, 35, took two bullets in the upper left torso and one in the lower left hip during the Saturday morning confrontation, according to a press release from the Sonoma County Sheriff's Office, which is investigating the shooting. A single police officer, Nicholas Vlahandreas, fired his 9mm Glock pistol five times at Garcia, with three shots striking the man and two bullets lodging in a hallway floor.

During his confrontation with police, Garcia wasn't incapacitated by three Taser activations or the use of pepper spray, the press release account stated. Instead, he charged officers and followed them out of a bedroom and into a hallway where Vlahandreas, "fearing for his life and that of others," shot the man.

Before police arrived at the single-story house in the [redacted], Garcia stabbed a male roommate in the same bedroom, police said. The roommate, who later escaped out a window, told police that Garcia "was acting delusional and seeing things that didn't exist."

Thursday's release provided the most detailed account to date of the events leading up to the shooting sometime after 6 a.m. Saturday near West Steele Lane and Iroquois Street.

"This is pretty comprehensive," Sheriff's Sgt. Spencer Crum said. The new information "depicts everything we could see in the body cameras," and it incorporates autopsy results and statements from the officers and witnesses.

Soon after emergency dispatchers received a report of a disturbance, Vlahandreas and Officer Jeffrey Badger arrived at the home. There they met two men, including the stabbed roommate, who had blood on his clothing. The officers were directed to Garcia's bedroom, but it appeared the man had exited out an open window.

However, Crum said, Vlahandreas later heard a noise in the bedroom. The two officers lifted up bed mattresses and searched through a large amount of clutter. Beneath a bed frame they found Garcia, naked and wielding a 12-inch kitchen knife.

About seven minutes elapsed from when the two officers found Garcia until the shooting occurred, Crum said. The officers first pleaded with Garcia in Spanish and English to drop the knife and four minutes later began firing Tasers and using tear gas.

A third officer, Park McAllister, was just entering the home's front door as Vlahandreas fired his pistol. Garcia moved from the hall into a nearby bathroom and shut the door.

After the shooting, another 10 minutes elapsed before a team of officers using a "riot/protective type shield" entered the bathroom and found Garcia unconscious on the floor. Before their entrance, officers helped evacuate other

residents from the house, and a Spanish-speaking officer tried to get Garcia to surrender. Crum said he believed that Garcia offered some sort of response.

Once inside the bathroom, emergency personnel performed lifesaving efforts, but Garcia was soon pronounced dead.

Vlahandreas joined the Santa Rosa department in March from Scotts Valley. He has been a police officer for three years.

The Sheriff's Office next will assemble and complete its report of the shooting and send it for review to the county's District Attorney's Office, Crum said.

Court records show Garcia was deported after serving about eight months in jail for a March 15 incident in Santa Rosa when he barged into a stranger's house brandishing a kitchen knife in each hand and detained a mother and her children as they prepared for school. A family member said Garcia returned within days of deportation and resumed working in vineyards near Healdsburg and Santa Rosa.
