Interview:

On Friday, July 29, 2022, at approximately 1531 hours, I spoke with at her residence at Tre Monte Lane. I learned that was the reporting party who called SCSO to report that someone had thrown a rock through their window.

At the time of the incident, told me that she was packing her lunch in the kitchen when her father came into the house and asked for her to call the police. noticed that her father was armed with his handgun at the time. learned from her father that someone had thrown a rock through their bedroom window.

told me that she had no contact with the suspect and did not see him. She described only following the direction of her father and stayed inside while the incident was occurring.

had no additional information to provide.

It should be noted that I was equipped with a body camera during my interview with . This report is a supplement and not intended to be a transcript of the interview.
