Hi Jim,

Attached please find the following:

1. Out of Cell Activity Logs for R-Module March 12 & 13.
These logs document when inmates are allowed out of their cell for recreation and yard use. [redacted] entry is on the 2nd page of each log.

2. Door Report for R49. *2nd Page will be forwarded in a separate e-mail*
"Button Pressed" means that the door was opened from the panel. It may have "Unsecure" right before or after it. The computer acknowledges
These actions simultaneously. If there the entry is just "Unsecure" on its own, it means the door was opened by a key. "Secure" is the time the door
Was closed.

3. Shift Logs for March 12 & 13.
These logs indicate who was working in each area of the jail. The Break Relief 1 Deputy will help out in courts then assist in R-Module until beginning
Breaks later in the shift.
Deputy Paulson is assigned to Swing shift (1445 - 2245)with Wed/Thur off.

4. Stage II Classification Report for [redacted], aka: [redacted]
The neighboring Inmate(R-47) that [redacted] was talking about when speaking with Sgt.'s Grenier and Pitkin.

5. R-Module Activity Reports.

These are the activities going on in the unit for the day, Deputies are supposed to document on the Activity Log when they come and go for their break

Times.

Please don't hesitate to contact me if you have any questions or need anything.
