BWC: My body worn camera was activated.

On Saturday, 10/15/2022 at approximately 2200 hours SCSO deputies were involved in an officer involved shooting in the area of [redacted] in Sonoma. I responded from the Sheriffs Office in Santa Rosa.

Upon arrival I was tasked with identifying witnesses and receiving witness statements.

I spoke with [redacted], identified by her California driver's license, who told me she was travelling east bound on West Napa Street between First Street and Second Street to pick up her son from the homecoming dance at Sonoma Valley High School. While she was driving, she noticed a subject in all black clothing in the middle of the roadway. Once the subject got to the sidewalk and as she passed the subject, her Daughter [redacted] told her, the subject in all black clothing pointed a firearm at their vehicle as they passed by. [redacted] described him as a white male adult, wearing all black clothing, they could not provide any further details.

I then approached a White Kia SUV ([redacted]) which was inside the crime scene tape. The vehicle was occupied by four Hispanic male adults. Deputy Hope got statements from the driver and rear drivers side passenger. I got statements from the front passenger and rear passenger.

The front passenger [redacted], who was identified by his California driver's license, told me they were driving west bound on West Napa Street and he saw Sheriff's Office patrol vehicles with their lights and sirens on, passing them and then doing a U-turn. [redacted] stated he saw a man pointing a handgun and told everyone to duck inside the vehicle. [redacted] described the subject as a white male adult, unknown clothing.

The rear passenger [redacted] who was identified by his California driver's license, told me he saw Sheriff's Office patrol vehicles with their lights and sirens on, passing them and then doing a U-turn. [redacted] said, he heard deputies identifying where the suspect was and then [redacted] told him to get down and then he heard gun shots. [redacted] said the subject was possibly wearing a flannel and could not identify anything else about the subject.

I was then tasked with conducting a crime scene log, shortly after being tasked with the crime scene log, I was diverted and asked to sequester Deputy Andrews. Deputy Andrews and I were told to go to Sonoma Police Department. Detective Peters relieved me from my duties approximately one hour later.

Once I was relieved from my sequestering duties, I conducted scene security on the Bank of Marin side of the crime scene until 0500 hours, where Deputy Camerana relieved me.

Nothing Further at this time.
