MARIN COUNTY SHERIFF'S OFFICE DEATH AUTOPSY REPORT:

On 12/19/22, I was contacted by the Marin County Sheriff's Office, Coroner's Division and advised that their death investigation and autopsy report was complete.

I was provided with a USB flash drive which contained the coroner's report, pathologist's report, toxicology reports and photos taken by MCSO.

I booked the USB flash drive into SRPD evidence.

In the Coroner's Report, I noted the following information:

Cause of death: Penetrating gunshot wounds to head and chest.

Other significant Condition: Acute methamphetamine intoxication.

DISPOSITION:

Attach to report.
