SONOMA COUNTY DEPUTY SHERIFF MICHAEL DIETRICK INTERVIEW:

On Sunday, July 31, 2022, I interviewed Deputy Michael Dietrick at the Sonoma County Sheriff's DSA Hall. Prior to conducting the interview, Deputy Dietrick was allowed to review his body worn camera video from the incident that had occurred on 07/29/22. Deputy Dietrick was accompanied by his attorney, Andrew Ganz from the Rains Lucia Stern St. Phalle & Silver law firm.

At the time I provided the body worn camera footage, I also printed and provided a copy of the Video/Audio Evidence Review Admonition.

I recorded my interview with Deputy Dietrick on my department issued iPhone. The recordings were booked into evidence.com. The interview was separated into two parts due to a break in the interview.

I also sent the recordings to SpeakWrite for transcription. Once I received the transcripts, I reviewed them for accuracy and attached them both to this report.

See the attached transcripts (Part 1 and Part 2) for details on Deputy Dietrick's interview.
