SUPPLEMENTAL:

On 7/29/22 at approximately 1100 hrs I was alerted to a critical incident involving the Sonoma County Sheriff's Department. One subject had sustained life threatening injuries and the Critical Incident Protocol was invoked.

I attended a briefing at the SCSO and subsequently contacted sequestered Deputies Michael Detrick and Anthony Powers. They were represented by Attorney Andrew Ganz with Rains, Lucia, Stern St. Phallie & Silver. I asked both Deputies Detrick and Powers if they wished to consent to a voluntary blood draw. They both declined to consent to a blood draw.

FET Fiori and Rowsey processed both deputies pursuant to the Critical Incident Protocol. Please refer to their supplemental reports for details.
