CONTACT WITH RANCH-HAND FROM [redacted] THOMAS ROAD:

On 12/28/22, I spoke with [redacted] over the telephone. [redacted] is the ranch-hand who is employed at the property at [redacted] Thomas Road. It should be noted that [redacted] was the ranch-hand who reported to Deputy Dietrick and Deputy Powers that a side-by-side was stolen from his property during the time where the deputies were searching for Pelaez.

This was later determined to be the side-by-side that Pelaez had stolen and had eventually gotten stuck along a trail leading into Knights Valley.

The side-by-side stolen by Pelaez was a John Deere XUV Model 855M VIN # [redacted]
