Greetings,

For those of you involved in the Critical Incident (OIS) in Sonoma Valley on Friday 10/14/2022, we are hosting a Critical Incident Stress Management Debriefing this Thursday 10/20/2022 @ 1700 hours, here at the Sonoma County Sheriff's Office Training Room. Doctor Joel Fay will be present with some of our Peer Support Team members. If you responded, were on scene, a dispatcher, involved in anyway, you are encouraged to attend. OT is authorized for you or your backfill. Please contact your supervisor if you need coverage for this event!!

If you plan on attending, please email Sergeant Buchignani and let her know. We need a list so we know how many peer team members to bring, plus drinks and food etc.

If you have any questions call me, text me or send me an email.

Respectfully

Andy
