NOTIFICATION:

On the morning of 10-16-22 at approximately 0630 hrs., I learned Sheriff's Deputies had been involved in an on-duty critical incident in the City of Sonoma. I also learned that the Santa Rosa Police Department was designated as the lead investigative agency in conducting the criminal investigation (per SCLECA #93-1).

On 10-16-22 at approximately 0700 hrs., Sgt. H. Rodriguez requested that I respond to the crime scene on W. Napa Street in the City of Sonoma to relieve Deputy M. Hope and perform scene security.

On 10-16-22 at approximately 0747 hrs., I traveled to and arrived in the eastbound lane of W. Napa Street, fronting 153 W. Napa Street. There, I met with Deputy C. Matteri who was acting as scene security located outside and just outside the west edge of the crime scene. All the while, at least three (3) Santa Rosa Police Department Field Evidence Technicians were inside the crime scene processing evidence.

Before leaving the scene, Deputy Matteri provided me with several patrol vehicle keys, which he obtained from an unknown named Santa Rosa Police Field Evidence Technician prior to my arrival.

The following are the keys associated with the following Sheriff's Office patrol vehicles apparently parked inside the crime scene:

-S123

-A946

-A939

-A907

-A886

On 10-16-22 at approximately 0800 hrs., an unknown named SRPD Field Evidence Technion requested that the above Sheriff's Office patrol vehicles be removed from within the crime scene.

On 10-16-22 at approximately 0810 hrs., I provided the patrol vehicle keys to Sgt. S. McKinnon (via a female SRPD Field Evidence Technion) who arranged to have the patrol vehicles inside the crime scene moved. As a result, Sgt. McKinnon and other Sheriff's Deputies moved the Sonoma County Sheriff's Office patrol vehicle out of the crime scene.

On 10-16-22 at approximately 0830-0915 hrs., members of Sonoma Valley Fire Depart (Engine #3382) arrived on scene to cleaned misc. blood left off of the south sidewalk, just east of my location.

On 10-16-22 at approximately 0920 hrs., the crime scene was re-opened.

Not long after, I left the scene.
